Section III - Scope of Services

3.1 Purpose

Those respondents who are interested in submitting Statements of Qualification (SOQ) in response to this Request for Qualifications (RFQ) shall comply with Section IV– Submittal Requirements.

The Project is located at 1650 Johnson Street, in the City of Hollywood. The intent is to restore and improve the golf course and clubhouse with historical reference to the original 1920's design. The work to be accomplished under the Contract includes, but is not limited to, a re-alignment of the course to accommodate a new clubhouse with a parking lot in the SW corner of the property per the original design by Donald Ross. The new design will include adjustments to the drainage profile of the golf course that will raise the east side of the golf property to allow faster recovery after rain events, (by a civil engineer under a separate Architect/Engineer consultant scope), renovation of the tees, fairways, bunkers, and reshaping greens for all holes of the golf course, (review and advise) design and installation of landscaping, irrigation and all required site work, design of a perimeter multi-use path on the north and west sides of the property and the provision of a Project Site Representative (for the golf course portion of the Project only) to advise the City on a daily basis as to the progress of the Project and represent the City's interest with the Golf Course Contractor.

GCA shall assist the A/E firm selected with space planning and programming for the Clubhouse (inclusive of a community meeting space), to produce proximity configuration of a space layout that is in accordance with the Project's requirements.

The City will hire under a separate Request for Qualifications all other required consultants including but not limited to Architect, Structural engineer, MEP engineers, Civil engineer and Landscape Architect. The GCA selected under this RFQ will provide the services described below and will assist the City in guiding the A/E of Record.

Background

The City's voters recently approved a General Obligation Bond, which included funding to renovate the Hollywood Beach Golf and Country Club. The championship par-70 18-hole golf course was originally designed by renowned architect Donald Ross in 1924, and is located at 1650 Johnson Street. The 104-acre parcel is bounded to the east by N 14th Ave, to the west by N 17th Ave, to the north by Johnson Street and to the south by Polk Street. The intent of the renovation Project is to retain as much of the original Donald Ross design as possible, and restore the design intent by replacing a new clubhouse at its original location. It is expected that the existing cart building and pro-shop will be removed and replaced with a new cart barn and maintenance facility to be located along N. 17th Avenue.

This RFQ is for a GCA, who will design and coordinate all improvements to the golf course and assist the A/E consultant on the installation of landscaping, irrigation and all other required site work.

1) Bid Documents Approvals and Printing:

Upon obtaining all necessary approvals of the Construction Documents, and approval by the City of the latest Statement of Probable Construction Cost, the Respondent shall assist the City, where applicable, in obtaining bids and awarding construction contracts or coordinating with the Construction Manager for same.

The City may have the drawings and specifications printed for bidding purposes, either through its open agreements with printing firms or as a reimbursable service through the Respondent.

NOTE: Under item (3) c above the Respondent shall, without additional compensation, modify the Construction Documents as necessary to bring the Probable Construction Cost within the budgeted amount. The providing of such service shall be the limit of the Respondent's responsibility in this regard, and having done so, the Respondent shall be compensated in accordance with the Contract. The City may recognize exceptional construction market cost fluctuations before exercising option (3) c above.

It is agreed that any "Statement of Probable Construction Cost" or Detailed Cost Estimate prepared by the Respondent or the Construction Manager (if applicable) represents a reasonable estimate of cost in the Respondent's or Construction Manager's best judgment as a professional familiar with the local construction industry, and that neither the Respondent, Construction Manager nor the City, has any control over the cost of labor, materials, and equipment, bidders' methods of determining bid prices, competitive bidding, or market conditions. Therefore, the Respondent cannot and does not guarantee that bids will not vary from the final Statement of Probable Construction Cost or Detailed Cost Estimate prepared by the Respondent or Construction Manager, if applicable.

If the Latest Statement of Probable Construction Cost exceeds the budgeted amount, the Respondent shall review the materials, equipment, component systems and types of construction included in the Contract Documents and may recommend changes in such items and/or reasonable adjustments in the scope of the Project (to be made at no additional cost to the City) that will result in bids within the available funds.

Evaluations of the City's Project budget, preliminary estimates of construction cost and detailed estimates of construction cost prepared by the Respondent or Construction Manager (if applicable) represent the Respondent's or Construction Manager's best judgment as a professional familiar with the construction industry. Prior to authorizing the Respondent to proceed with preparation of the Final Design, the City may establish and communicate to the Respondent a maximum sum for the cost of construction of the Project ("Construction Budget"). If the City has not advertised for bids within 90 days after the Respondent submits the Final Design to the City, the estimate of the cost of construction may be adjusted. The Respondent cannot and does not guarantee that bids or negotiated prices will not vary from any estimate of construction cost or evaluation prepared or agreed to by the Respondent. Notwithstanding anything above to the contrary, the City may require the Respondent to revise and modify Construction Documents and assist in the re-bidding of the Work at no additional cost to the City if all responsive and responsible bids received exceed the Construction Budget.

The Respondent will not be required to make extensive inspections or provide continuous daily on-site inspections to check the quality or quantity of the Work unless otherwise set forth in the Contract.

- 5) Based on observations at the site and consultation with the Project Manager, the Respondent shall determine the amount due the Contractor on account and shall recommend approval of such amount.  - a. An evaluation of the Work for conformance with the Contract Documents upon Substantial Completion.

- 6) The Respondent shall be an interpreter of the requirements of the Contract Documents and the judge of the performance thereunder. The Respondent shall render interpretations necessary for the proper execution or progress of the Work with reasonable promptness on written request of either the City or the Contractor, and shall render written decisions, within a reasonable time, on all claims, disputes and other matters in question between the City and the Contractor relating to the execution or progress of the Work or the interpretation of the Contract Documents.

reasonable opinion, it is necessary or advisable to insure compliance with the Contract Documents, the Respondent will have authority to recommend special inspection or testing of any Work deemed to be not in accordance with the Contract, whether or not such Work has been fabricated and delivered to the Project, or installed and completed. The Respondent shall provide such normal mechanical, electrical, structural, landscape or other related inspection expertise as necessary to determine compliance with the Construction Contract.

- 9) The Respondent shall promptly review and approve shop drawings, samples, and other submissions of the Contractor for conformance with the design concept of the Project and for compliance with the Contract Documents. Changes or substitutions to the Contract Documents shall not be authorized without concurrence of the Project Manager.
- 10) The Respondent shall initiate Change Orders for the City's approval as required by the Respondent's observations, or requested by the City; and review and recommend action on proposed Change Orders within the scope of the Project initiated by others.
- 11) The Respondent shall examine the Work upon receipt of the Contractor's Request for Substantial Completion Inspection of the Project and shall, prior to occupancy, recommend execution of a Certificate of Acceptance for Substantial Completion after first ascertaining that the Project is substantially completed in accordance with the Contract requirements. A punch list of any defects and discrepancies in the Work required to be corrected by the Contractor shall be prepared by the Respondent and the Subcontractors in conjunction with representatives of the City, and satisfactory performance obtained thereon before the Respondent recommends execution of a Certificate of Final Acceptance and final payment to the Contractor. The Respondent shall obtain from the Contractor all guarantees, operating and maintenance manuals for equipment, releases of claims and such other documents and certificates as may be required by applicable codes, laws, and the specifications, and deliver them to the City.
- 12) The Respondent shall provide assistance in obtaining the Contractor's compliance with the Contract Documents relative to 1) initial instruction of CITY's personnel in the operation and maintenance of any equipment or system, 2) initial start-up and testing, adjusting and balancing of equipment and systems and 3) final clean-up of the Project.

Such addenda shall form a part of the RFQ and shall be made a part of the Contract. It shall be the respondent's responsibility to ascertain that the SOQ includes all addenda issued prior to the SOQ submission date. Addenda will be posted on the City's internet site along with the RFQ.

The terms of the RFQ and the selected respondent's SOQ and any additional documentation (e.g., questions and answers) provided by the respondent during the solicitation process will be integrated into the final Contract(s) for services entered into between the City and the selected respondent(s). No plea of ignorance by the respondent of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the respondent to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the Contract Documents, will be accepted as a basis for varying the requirements of the City or the compensation due the respondent.
- C. Respondents are advised that all City contracts are subject to all legal requirements provided for in the City of Hollywood Charter, Code of Ordinances and applicable county ordinances, state statutes and federal statutes, rules and regulations.

1.3 PREPARATION OF STATEMENTS OF QUALIFICATIONS

Where there appears to be a conflict between this RFQ solicitation and any addendum, the last addendum issued shall prevail. It is the respondent's responsibility to ensure receipt of all addenda and any accompanying documents. Respondent(s) shall acknowledge receipt of any formal Addenda by signing the addendum and including it with their SOQ. Failure to include signed formal addenda in its SOQ shall cause the City to deem the SOQ non-responsive, provided however that the City may waive this requirement in its best interest.

- A. The respondent fails to acknowledge receipt of an addendum, or if
- B. The respondent misstates or conceals any material fact in the SOQ, or if

- C. The City will permanently retain as liquidated damages the bid deposit furnished by any respondent who requests to withdraw an SOQ after the RFQ opening.

1.7 STATEMENTS OF QUALIFICATIONS TO REMAIN OPEN

All SOQs shall remain open for 180 calendar days after the day of the SOQ opening, but the City may, in its sole discretion, release any SOQ and return the SOQ Security prior to that date. Extensions of time when SOQs shall remain open beyond the 180 day period may be made only by mutual written agreement between the City, the successful respondent and the surety, if any, for the successful respondent.

1.8 LATE STATEMENTS OF QUALIFICATIONS OR MODIFICATIONS

Only SOQs received as of the opening date and time will be considered timely. SOQs and modifications received after the time set for the opening will be returned, un-opened, to the sender and rejected as late.

1.9 CONFLICTS WITHIN THE SOLICITATION

Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the RFQ Submittal Section, or any addendum issued, the order of precedence shall be the last addendum issued, the RFQ Submittal Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions.

1.10 CLARIFICATION OR OBJECTION TO STATEMENT OF QUALIFICATIONS SPECIFICATIONS

If any person contemplating submitting an SOQ for this Contract is in doubt as to the true meaning of the specifications or other RFQ documents or any part thereof, they may submit requests for clarification to the Office of Procurement Services and Contract Compliance on or before the date specified for a request for clarification. All such requests for clarification shall be made in writing, and the person submitting the request will be responsible for its prompt delivery. Any interpretation of the RFQ, if made, will be made only by Addendum duly issued. A copy of such Addendum will be made available to each person receiving an RFQ. The City will not be responsible for any other explanation or interpretation of the RFQ given prior to the award of the Contract. Any

objection to the specifications and requirements as set forth in this RFQ must be filed in writing with the Chief Procurement Officer on or before the date specified for a request for clarification.

1.11 COMPETENCY OF RESPONDENTS

Pre-award inspection of the respondent's facility may be made prior to the award of a contract. SOQs will be considered only from firms that are regularly engaged in the business of providing the goods and/or services as described in this RFQ(s); have a record of performance for a reasonable period of time; and have sufficient financial support, equipment and organization to ensure that they can satisfactorily deliver the material and/or services if awarded a Contract under the terms and conditions herein stated. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the proper City authorities.

The City may consider any evidence available to it of the financial, technical and other qualifications and abilities of a respondent, including past performance (experience) in making the award in the best interest of the City. In all cases, the City shall have no liability to any respondent for any costs or expenses incurred in connection with this RFQ or otherwise.

1.12 QUALIFICATIONS OF RESPONDENTS

No SOQ will be accepted from, nor will any contract be awarded to any person who is in arrears to the City upon any debt or contract, or who is a defaulter, as surety or otherwise, upon any obligation to the City, who is on the City's debarment list, or who is deemed irresponsible or unreliable by the City.

As part of the SOQ evaluation process, the City may conduct a background investigation including a record check by the Hollywood Police Department. If the Contract is to be awarded, it will be awarded after evaluation by the City to the responsible and responsive respondent whom the City determines will be in the best interest of the City. Respondents may be invited to an oral interview before the committee. A short list of finalists will be determined and presented to either the City Manager or designee or to the City Commission, in accordance with the applicable City Code of Ordinances, and will make the final ranking for the purposes of negotiating a contract with the top ranked firm. The successful respondent shall be required to sign a negotiated contract; the refusal or failure of a successful respondent to execute a contract which contains the mandatory material terms and conditions contained in the RFQ shall be grounds for deeming the respondent and/or the respondent's SOQ non-responsive.

If applicable, the respondent to whom award is made shall execute a written contract prior to award by the City Commission. If the respondent to whom the first award is made fails to enter into a contract, the contract may be let to the next highest ranked respondent who is responsible and responsive in the opinion of the City.

1.14 BASIS FOR AWARD, EVALUATION CRITERIA AND QUESTIONS

The qualification of respondents on this project will be considered in making the award. The City is not obligated to accept any SOQ if deemed not in the best interest of the City to do so. The City shall make award to a qualified respondent based on responses to this RFQ.

Failure to include in the SOQ all requested information may be cause for rejection of the SOQ.

The City reserves the right to accept or reject any and all SOQs, in whole or in part, as determined to be in the best interest of the City **in its sole discretion**.

The City reserves the right to waive any informalities or irregularities in SOQs.

The City reserves the right to negotiate separately the terms and conditions or all or any part of the SOQs as deemed to be in the City's best interest **in its sole discretion**.

Information and/or factors gathered during interviews, negotiations and any reference checks, and any other information or factors deemed relevant by the City, shall be utilized in the final award. The final award of a contract is subject to approval by the City Commission.

1.15 CONTRACT

A Contract shall be sent to the awarded respondent to be signed, witnessed, and returned to the City for execution. The City will provide a copy of the fully executed Contract to the awarded respondent.

1.16 NOTICE TO PROCEED

A signed purchase order or fully executed Contract will be the respondent's authorization to proceed and may substitute for a "Notice to Proceed" form.

1.17 BID PROTESTS

The City shall provide notice of its intent to award or reject to all respondents by posting such notice on the City's website.

After a notice of intent to award a contract is posted, any actual or prospective respondent who is aggrieved in connection with the pending award of the contract or any element of the process leading to the award of the contract may protest to the Chief Procurement Officer. A protest must be filed within five business days after posting or any right to protest is forfeited. The protest must be in writing, must identify the name and address of the protester, and must include a factual summary of, and the basis for, the protest. Filing shall be considered complete when the protest, including a deposit, is received by the Office of Procurement Services and Contract Compliance. Failure to timely file a protest shall constitute a full waiver of all rights to protest the City's decision regarding the award.

The written protest shall state in detail the specific facts and law or ordinance upon which the protest of the proposed award is based, and shall include all pertinent documents.

A written protest may not challenge the relative weight of evaluation criteria or a formula for assigning points.

Upon receipt of a formal written protest, the City shall stop award proceedings until resolution of the protest, unless it has been determined that the award of the contract without delay is necessary to protect substantial interests of the City.

Any and all costs incurred by a protesting party in connection with a bid protest shall be the sole responsibility of the protesting party.

Upon receipt of a protest of the pending award of a contract, a copy of the protest shall promptly be forwarded to the City Attorney. The City Attorney shall review the charge to determine its sufficiency, including whether the protest was timely filed. If upon review the City Attorney determines that the charge is insufficient, the City Attorney may issue a summary dismissal of the protest. If upon review the City Attorney determines that the charge is sufficient, a hearing of the protest committee shall be scheduled.

A protest committee shall have the authority to review, settle and resolve the protest. The committee shall consist of three members appointed by the City Manager, and the City Attorney or designee shall advise the committee. The committee's review shall be informal.

If the protest committee determines that the pending award of a contract or any element of the process leading to the award involved a significant violation of law or applicable rule or regulation, all steps necessary and proper to correct the violation shall be taken. If the committee determines that the protest is without merit, the Director shall promptly issue a decision in writing stating the reason for the decision and furnish a copy to the protester and any other interested party, and the process leading to the award shall proceed.

1.18 PREPARATION OF STATEMENTS OF QUALIFICATIONS

SOQs shall be prepared in accordance with the SOQ response format. SOQs not complying with this format may be considered non-responsive and may be removed from consideration on this basis.

Requirements for Signing SOQ:

- A. Each respondent, by submitting an SOQ, represents that this document has been read and is fully understood.
- B. The SOQ must be signed in ink by an individual authorized to legally bind the person, partnership, company, or corporation submitting the SOQ.
- C. All manual signatures must have the name typed directly under the line of the signature.
- D. The above requirements apply to all RFQ addenda.

1.19 EXAMINATION OF STATEMENT OF QUALIFICATIONS DOCUMENTS

Before submitting an SOQ, each respondent must: examine the SOQ Documents thoroughly; consider federal, state and local laws, ordinances, rules and regulations that may in any manner affect cost, progress, performance, or provision of the commodities and/or services; study and carefully correlate respondent's observations with the SOQ Documents, and notify the City's agent of all conflicts, errors and discrepancies in the SOQ Documents.

The submission of an SOQ will constitute an incontrovertible representation by the respondent that the respondent has complied with every requirement of this RFQ, that without exception the SOQ is premised upon performing the services and/or furnishing the commodities and materials in accordance with such means, methods, techniques, sequences or procedures as may be indicated in or required by the SOQ Documents, and that the SOQ Documents are sufficient in scope and detail to indicate and convey understanding of all terms and conditions of performance and furnishing of the goods and/or services.

1.20 PUBLIC RECORDS LAW

If applicable, for each public agency contract for services, the respondent is required to comply with F.S. 119.0701, which includes the following:

- A. Keep and maintain public records that ordinarily and necessarily would be required by the public agency in order to perform the service.
- B. Provide the public with access to public records on the same terms and conditions that the public agency would provide the records and at a cost that does not exceed the cost provided in F.S. Chapter 119 or as otherwise provided by law.
- C. Ensure that public records that are exempt or confidential and exempt from public records disclosure requirements are not disclosed except as authorized by law.
- D. Meet all requirements for retaining public records and transfer, at no cost to the public agency, all public records in possession of the respondent upon termination of the contract, and destroy any duplicate public records that are exempt or confidential and exempt from public records disclosure requirements. All records stored electronically must be provided to the public agency in a format that is compatible with the information technology systems of the public agency.

Public records may be inspected and examined by anyone desiring to do so, at a reasonable time, under reasonable conditions, and under supervision by the custodian of the public record. Sealed SOQs become subject to the public records disclosure requirements of F.S. Chapter 119, notwithstanding a respondent's request to the contrary, at the time the City provides notice of a decision or intended decision, or 30 days after the SOQ opening, whichever is earlier.

Financial statements submitted in response to a request by the City may be confidential and exempt from disclosure. Data processing software obtained under a licensing agreement which prohibits its disclosure may also be exempt.

Respondents are notified and agree that all information submitted as part of or in support of RFQ submittals will be available for public inspection after opening of RFQ in compliance with Chapter 119 of the Florida Statutes. The respondent shall not, unless required as part of this RFQ, submit any information in response to this invitation which the respondent considers to be a trade secret, proprietary or confidential. The submission, not required as part of this RFQ, of any information to the City in connection with this solicitation shall be deemed conclusively to be a waiver of any trade secret or other protection that would otherwise be available to the respondent.

1.21 INFORMATION

Further information, if desired, may be obtained from the Office of Procurement Services and Contract Compliance, 2600 Hollywood Boulevard, Room 303, Hollywood, Florida 33020, telephone (954) 921-3299.

Questions or requests for clarification of the specifications shall be in writing and received by the Office of Procurement Services and Contract Compliance by the date specified for a request for clarification. They may be mailed or faxed to (954) 921-3086 or emailed to pbassar@hollywoodfl.org.

1.22 STATEMENTS OF QUALIFICATIONS

The SOQ must be signed by one duly authorized to do so and in cases where the SOQ is signed by a deputy or subordinate, the principal's proper written grant of authority to such deputy or subordinate must accompany the SOQ.

SOQs by corporations must be executed in the corporate name by the President or other corporate officers accompanied by evidence of authority to sign and bind the corporation. The corporate address and state of incorporation must be shown below the signature.

SOQs by partnerships must be executed in the partnership name and signed by a general partner whose title must appear under the signature and the official address of the partnership must be shown below the signature.

1.23 MODIFICATION AND WITHDRAWAL OF STATEMENTS OF QUALIFICATIONS

SOQs must be modified or withdrawn by an appropriate document duly executed in the manner that an SOQ must be executed and delivered to the place where SOQs are to be submitted at any time prior to the deadline for submitting SOQs. A request for withdrawal or a modification must be in writing and signed by a person duly authorized to do so and, in a case where signed by a deputy or subordinate, the principal's proper written grant of authority to such deputy or subordinate must accompany the request for withdrawal or modification. Withdrawal of an SOQ will not prejudice the rights of a respondent to submit a new SOQ prior to the SOQ date and time. Except where provided in the following paragraph, no SOQ may be withdrawn or modified after expiration of the period for receiving SOQs.

If, within 24 hours after SOQs are opened, any respondent files a duly signed written notice with the City and within five calendar days thereafter demonstrates to the reasonable satisfaction of the City by clear and convincing evidence that there was a material and substantial mistake in the preparation of its SOQ, or that the mistake is clearly evident on the face of the SOQ but the intended correct SOQ is not similarly evident, then the respondent may withdraw its SOQ and the SOQ Security will be returned.

1.24 REJECTION OF STATEMENTS OF QUALIFICATIONS

To the extent permitted by applicable state and federal laws and regulations, the City reserves the right to reject any and all SOQs, to waive any and all informalities, irregularities and technicalities not involving time or changes in the commodities and/or services, and the right to disregard all nonconforming, non-responsive, unbalanced or conditional SOQs. SOQs will be considered irregular and may be rejected if they show serious omissions, alterations in form, additions not called for, conditions or unauthorized alterations or irregularities of any kind.

The City also reserves the right to waive minor technical defects in an SOQ. The City reserves the right to determine, in its sole discretion, whether any aspect of an SOQ satisfies the criteria established in this RFQ.

The City reserves the right to reject the SOQ of any respondent if the City believes that it would not be in the best interest of the City to make an award to that respondent, whether because the respondent is not responsive or the respondent is unqualified or of doubtful financial ability or fails to meet any other pertinent standard or criterion established by the City.

The foregoing reasons for rejection of SOQs are illustrative only and are not intended to be exhaustive.

1.25 AUDIT RIGHTS

The City reserves the right to audit the records of the successful respondent for the commodities and/or services provided under the Contract at any time during the performance and term of the Contract and for a period of three years after completion and acceptance by the City. If required by the City, the successful respondent agrees to submit to an audit by an independent certified public accountant selected by the City, at the sole cost of the respondent. The successful respondent shall allow the City to inspect, examine and review the records of the successful respondent in relation to the Contract at any and all times during normal business hours during the term of the Contract.

1.26 LOCAL, STATE AND FEDERAL COMPLIANCE REQUIREMENTS

The respondent shall comply with all local, state and federal directives, orders and laws as applicable to this RFQ and subsequent contract(s), including but not limited to:

- A. Equal Employment Opportunity, in compliance with Executive Order 11246 as amended and applicable to the Contract.
- B. All manufactured items and fabricated assemblies shall comply with applicable requirements of the Occupation Safety and Health Act of 1970 as amended, and be in compliance with Chapter 442, Florida Statutes. Any toxic substance listed in Section 38F-41.03 of the Florida Administrative Code delivered as a result of this solicitation must be accompanied by a completed Material Safety Data Sheet.

- C. The Immigration and Nationality Act prohibits (i) the employment of an unauthorized alien when the employer knows the individual is an unauthorized alien and (ii) the employment of an individual without complying with the requirements of the federal employment verification system. If a respondent commits either of these violations, such violation shall be cause for unilateral cancellation of the Contract.
- D. This Section applies only to any contract for goods or services of \$1 million or more: The respondent certifies that it is not on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List and that it does not have business operations in Cuba or Syria as provided in Section 287.135, Florida Statutes (2019), as may be amended or revised. The City may terminate the Contract at the City's option if the respondent is found to have submitted a false certification as provided under subsection (5) of Section 287.135, Florida Statutes (2019), as may be amended or revised, or been placed on the Scrutinized Companies with Activities in Sudan List or the Scrutinized Companies with Activities in the Iran Petroleum Energy Sector List, or has engaged in business operations in Cuba or Syria, as defined in Section 287.135, Florida Statutes (2019), as may be amended or revised.

1.27 FRAUD AND MISREPRESENTATION

Any individual, corporation or other entity that attempts to meet its contractual obligations with the City through fraud, misrepresentation or material misstatement may be debarred from doing business with the City. As an additional sanction, the City may terminate or cancel any other contracts with such individual, corporation or entity. Such individual or entity shall be responsible for all direct or indirect costs associated with termination or cancellation, including attorney's fees.

1.28 DEBARRED OR SUSPENDED RESPONDENTS

The respondent certifies, by submission of a response to this solicitation, that neither it nor its principals and subcontractors are presently debarred or suspended by any federal department or agency.

1.29 COLLUSION

More than one SOQ received for the same work from an individual, firm, partnership, corporation or association under the same or different names will not be considered. Reasonable grounds for believing that any respondent is interested in more than one SOQ for the same work will cause the rejection of such SOQs in which the respondent is interested. If there are reasonable grounds for believing that collusion exists among the respondents, the SOQs of participants in such collusion will not be considered.

1.30 COPELAND "ANTI-KICKBACK"

The respondent and all subcontractors will comply with the Copeland Anti-Kickback Act (18 U.S.C. 874) as supplemented in Department of Labor regulations (29 CFR Part 3).

1.31 FORCE MAJEURE

The Contract that is awarded to the successful respondent may provide that the performance of any act by the City or respondent may be delayed or suspended at any time while, but only so long as, either party is hindered in or prevented from performance by acts of God, the elements, war, rebellion, strikes, lockouts or any cause beyond the reasonable control of such party, provided however that the City shall have the right to provide substitute service from third parties or City forces and in such event the City shall withhold payment due the respondent for such period of time. If the condition of force majeure exceeds a period of 14 days, the City may, at its option and discretion, cancel or renegotiate the Contract.

1.32 PUBLIC ENTITY CRIMES

A person or affiliate who has been placed on the convicted vendor list following a conviction for a public entity crime may not submit a bid on a contract to provide any goods or services to a public entity, may not submit a bid on a contract with a public entity for the construction or repair of a public building or public work, may not submit bids on leases of real property to a public entity, may not be awarded or perform work as a respondent, supplier, or subcontractor under a contract with any public entity, and may not transact business with any public entity in excess of the threshold amount provided in Florida Statutes Section 287.017, for CATEGORY TWO for a period of 36 months from the date of being placed on the convicted vendor list.

1.33 DRUG-FREE WORKPLACE PROGRAM

Preference shall be given to businesses with drug-free workplace programs. If two or more SOQs which are equal with respect to quality and service are received by the City, an SOQ received from a respondent that certifies that it has implemented a drug-

free workplace program shall be given preference in the award process. Established procedures for processing ties in SOQs will be followed if none of the tied vendors have a drug-free workplace program.

1.34 SOLICITATION, GIVING, AND ACCEPTANCE OF GIFTS POLICY

Respondents, by signing and submitting an SOQ, understand and agree to compliance with the City's and state's policies prohibiting solicitation of gifts by public officers, employees and candidates. Failure to agree by reference or inference will result in your SOQ being declared non-responsive; provided, however, that a responsible respondent whose SOQ would be responsive but for the failure to submit the signed form in its SOQ may be given the opportunity to submit the form to the City within five calendar days after notification by the City, if this is determined to be in the best interest of the City.

1.35 CONFLICT OF INTEREST

The respondent represents that:

No officer, director, employee, agent, or other respondent of the City or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of the Contract.

There are no undisclosed persons or entities interested with the respondent in the Contract. The Contract is entered into by the respondent without any connection with any other entity or person submitting an SOQ for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other respondent of the City, or of the State of Florida (including elected and appointed members of the legislative and executive branches of government), or member of the immediate family or household of any of the aforesaid:

1. Is interested on behalf of or through the respondent directly or indirectly in any manner whatsoever in the execution or the performance of the Contract, or in the services, supplies or work to which the Contract relates or in any portion of the revenues; or
2. Is an employee, agent, advisor, or respondent to the respondent or to the best of the respondent's knowledge, any subcontractor or supplier to the Respondent?

Neither the respondent nor any officer, director, employee, agent, parent, subsidiary, or affiliate of the respondent shall have an interest that is in conflict with the respondent's faithful performance of its obligations under the Contract, provided that the City, in its sole discretion, may consent in writing to such a relationship, and provided the respondent provides the City with a written notice, in advance, that identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the City's best interest to consent to such relationship.

The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under the Contract and those provided by statute, the stricter standard shall apply.

In the event the respondent has no prior knowledge of a conflict of interest as set forth above and acquires information that may indicate that there may be an actual or apparent violation of any of the above, the respondent shall promptly bring such information to the attention of the City's Project Manager. The respondent shall thereafter cooperate with the City's review and investigation of such information, and comply with the instructions the respondent receives from the Project Manager in regard to remedying the situation.

1.36 DISCRIMINATION

Any entity or affiliate who has been placed on the discriminatory vendor list may not submit an SOQ on the Contract, may not award or perform work as a respondent, supplier, subcontractor, or respondent under the Contract, and may not transact business with the City.

1.37 ADVICE OF OMISSION OR MISSTATEMENT

In the event it is evident to a respondent to this RFQ that the City has omitted or misstated a material requirement to this RFQ and/or the services required by this RFQ, the respondent shall advise the contact identified in the RFQ Clarifications and Questions section of such omission or misstatement.

1.38 CONFIDENTIAL INFORMATION

Information contained in the respondent's SOQ that is company confidential must be clearly identified in the SOQ itself. The City will be free to use all information in the respondent's SOQ for the City's purposes, in accordance with state law. SOQs shall remain confidential for 30 days or until a notice of intent to award is posted, which is sooner. The respondent understands that any material supplied to the City may be subject to public disclosure under Chapter 119, Florida Statutes, and known as the Public Records Law.

1.39 GOVERNING LAW

This Contract, including appendices, and all matters relating to the Contract (whether in contract, statute, tort (such as negligence), or otherwise) shall be governed by and construed in accordance with the laws of the State of Florida. This shall apply notwithstanding such factors that include but are not limited to the place where the Contract is entered into, the place where the accident occurs and not withstanding application of conflicts of law principles.

1.40 LITIGATION VENUE

The parties waive the privilege of venue and agree that all litigation between them in the state courts shall take place in Broward County, Florida, and that all litigation between them in the federal courts shall take place in the Southern District of Florida.

1.41 SOVEREIGN IMMUNITY

Nothing in this Contract shall be interpreted or construed to mean that the City waives its common law sovereign immunity or the limits of liability set forth in Section 768.28, Florida Statutes.

1.42 SURVIVAL

The parties acknowledge that any of the obligations in this Contract will survive the term, termination and cancellation hereof. Accordingly, the respective obligations of the respondent and the City under this Contract, which by nature would continue beyond the termination, cancellation or expiration thereof, shall survive termination, cancellation or expiration hereof.

1.43 INDEMNIFICATION AND HOLD HARMLESS AGREEMENT

The respondent shall indemnify and hold harmless the City and its officers, employees, agents and instrumentalities from any and all liability, losses or damages. In addition, the City shall be entitled to attorney's fees and costs of defense that the City or its officers, employees, agents or instrumentalities may incur as a result of claims, demands, suits, causes of actions or proceedings of any kind or nature arising out of, relating to or resulting from the performance of this project by the awarded respondent or its employees, agents, servants, partners, principals, respondents or subcontractors. Furthermore, the awarded respondent shall pay all claims and losses in connection therewith and shall investigate and defend all claims, suits or actions of any kind of nature in the name of the City of Hollywood, where applicable, including appellate proceedings, and shall pay all costs, judgments, and attorney's fees which may issue thereon. The awarded respondent expressly understands and agrees that any insurance protection and endorsements required by the resulting Contract or otherwise provided by the awarded respondent shall cover the City of Hollywood, its officers, employees, agents and instrumentalities, and shall include claims for damages resulting from and/or caused by the negligence, recklessness or intentional wrongful misconduct of the respondent and persons employed by or utilized by the respondent in the performance of the Contract.

1. PATENT AND COPYRIGHT INDEMNIFICATION

The respondent warrants that all deliverables furnished hereunder, including but not limited to: services, equipment programs, documentation, software, analyses, applications, methods, ways, processes, and the like, do not infringe upon or violate any patent, copyrights, service marks, trade secret, or any other third party proprietary rights.

The respondent shall be liable and responsible for any and all claims made against the City for infringement of patents, copyrights, service marks, trade secrets or any other third party proprietary rights, by the use or supplying of any programs, documentation, software, analyses, applications, methods, ways, processes, and the like, in the course of performance or completion of, or in any way connected with, the work or the City's continued use of the deliverables furnished hereunder. Accordingly, the respondent, at its own expense, including the payment of attorney's fees, shall indemnify and hold harmless the City and defend any action brought against the City with respect to any claim, demand, and cause of action, debt, or liability.

In the event any deliverable or anything provided to the City hereunder, or a portion thereof, is held to constitute an infringement and its use is or may be enjoined, the respondent shall have the obligation, at the City's option, to (i)

modify, or require that the applicable subcontractor or supplier modify the alleged infringing item(s) at the respondent's expense, without impairing in any respect the functionality or performance of the item(s), or (ii) procure for the City, at the respondent's expense, the rights provided under this Contract to use the item(s).

The respondent shall be solely responsible for determining and informing the City whether a prospective supplier or subcontractor is a party to any litigation involving patent or copyright infringement, service mark, trademark, violation, or proprietary rights claims or is subject to any injunction which may prohibit it from providing any deliverable hereunder. The respondent shall enter into agreements with all suppliers and subcontractors at the respondent's own risk. The City may reject any deliverable that it believes to be the subject of any such litigation or injunction, or if, in the City's judgment, use thereof would delay the work or be unlawful.

The respondent shall not infringe any copyright, trademark, service mark, trade secrets, patent rights, or other intellectual property rights in the performance of the work.

1.44 ADVERTISING

Respondent shall not advertise or publish the fact that the City has placed this order without prior written consent from the City, except as may be necessary to comply with a proper request for information from an authorized representative of a governmental unit or agency.

1.45 DISCLAIMER

The City may, in its sole discretion, accept or reject, in whole or in part, for any reason whatsoever any or all SOQs; re-advertise the RFQ, postpone or cancel at any time the RFQ process; or waive any formalities of or irregularities in the SOQ process. SOQs that are not submitted on time and/or do not conform to the City's requirements will not be considered. After all SOQs are analyzed, organization(s) submitting SOQ(s) that appear, solely in the opinion of the City to be the most competitive, shall be submitted to the City of Hollywood's City Commission, and the final selection will be made shortly thereafter with a timetable set solely by the City. The selection by the City shall be based on the SOQ, which is, in the sole opinion of the City Commission of the City of Hollywood, in the best interest of the City. The issuance of the RFQ constitutes only an invitation to make a SOQ to the City. The City reserves the right to determine, in its sole discretion, whether any aspect of the SOQ satisfies the criteria established by the City. In all cases, the City shall have no liability to any respondent for any costs or expense incurred in connection with this solicitation, its SOQ or otherwise.

1.46 TRADEMARKS

The City warrants that all trademarks the City requests the respondent to affix to articles purchased are those owned by the City and it is understood that the respondent shall not acquire or claim any rights, title, or interest therein, or use any of such trademarks on any articles produced for itself or anyone other than the City.

1.47 RIGHT TO REQUEST ADDITIONAL INFORMATION

The City reserves the right to request any additional information that might be deemed necessary during the evaluation process.

1.48 PROPOSAL PREPARATION COSTS

The respondent is responsible for any and all costs incurred by the respondent or his/her subcontractors in responding to this RFQ.

1.49 DESIGN COSTS

The successful respondent shall be responsible for all golf course design, information gathering, and required programming to achieve a successful implementation.

1.50 RIGHTS TO PERTINENT MATERIALS

All responses, inquiries, and correspondence relating to this RFQ and all reports, charts, displays, schedules, exhibits and other documentation produced by the respondent that are submitted as part of the SOQ shall become the property of the City upon receipt, a part of a public record upon opening, and will not be returned.

1.51 INSURANCE REQUIREMENTS

Upon the City's notification, the respondent shall furnish to the Office of Procurement Services and Contract Compliance Certificates of Insurance and required endorsements that indicate that insurance coverage has been obtained that satisfies the requirements outlined below:

- A. Workers' Compensation Insurance for all employees of the respondent as required by Florida Statutes Chapter 440. Should the respondent be exempt from this statute, the respondent and each employee shall hold the City harmless from any injury incurred during performance of the Contract. The exempt respondent shall also submit (i) a written statement detailing the number of employees and that they are not required to carry Workers' Compensation insurance and do not anticipate hiring any additional employees during the term of the Contract, or (ii) a copy of a Certificate of Exemption.
- B. General Liability Insurance on a comprehensive basis in an amount not less than \$1,000,000 each Occurrence for bodily injury and property damage. **The City of Hollywood must be shown as an additional insured with respect to this coverage. The mailing address of the City of Hollywood, Florida, 2600 Hollywood Boulevard, Hollywood, Florida 33020, as the certificate holder, must appear on the certificate of insurance, and all required endorsements must be timely provided.**
- C. Automobile Liability Insurance covering all owned, non-owned, and hired vehicles used in connection with the services in an amount not less than \$1,000,000 Combined Single Limit.
- D. The City reserves the right to require any other insurance it deems necessary depending on the exposure.

The insurance coverage required shall include those classifications, as listed in standard liability insurance manuals, which most nearly reflect the operation of the respondent. All required insurance policies shall be issued by companies authorized to do business under the laws of the State of Florida with the following qualifications:

Coverage shall be provided by a company or companies authorized to transact business in the State of Florida and the company or companies must maintain a minimum rating of A-VII, as assigned by the A.M. Best Company.

Compliance with the foregoing requirements shall not relieve the respondent of any liability or obligation under this section or under any other section of this Contract.

Award of this Contract is contingent upon the receipt of the insurance documents, as required, within 15 calendar days after City notification to respondent to comply before the award becomes final. If the insurance certificate is received within the specified time frame but not in the manner prescribed in this Contract, the respondent shall be verbally notified of such deficiency and shall have an additional five calendar days to submit a corrected certificate to the City. If the respondent fails to submit the required insurance documents in the manner prescribed in this Contract within 20 calendar days after City notification to comply, the respondent shall be in default of the contractual terms and conditions and award of the Contract will be rescinded, unless such time frame for submission has been extended by the City.

The Certificate shall contain a provision that coverage afforded under the policy will not be cancelled until at least 30 days' prior written notice has been given to the City. The respondent shall be responsible for assuring that the insurance certificates required in conjunction with this section remain in force for the duration of the contractual period of the Contract, including any and all option years or extension periods. If insurance certificates are scheduled to expire during the contractual period, the respondent shall be responsible for submitting new or renewed insurance certificates to the City at a minimum of 30 calendar days in advance of such expiration. In the event that expired certificates are not replaced with new or renewed certificates that cover the contractual period, the City shall suspend the respondent until such time as the new or renewed certificates are received by the City in the manner prescribed herein; provided, however, that this suspended period does not exceed 30 calendar days. Thereafter, the City may, at its sole discretion, terminate the Contract.

The insurance policy shall not contain any exceptions that would exclude coverage for risks that can be directly or reasonably related to the scope of goods or services in this SOQ. A violation of this requirement at any time during the term, or any extension thereof, shall be grounds for the immediate termination of any contract entered in to pursuant to this RFQ. In order to show that this requirement has been met, along with an insurance declaration sheet demonstrating the existence of a valid policy of insurance meeting the requirements of this RFQ, the successful respondent must submit a signed statement from the insurance agency of record that the full policy contains no such exception.

1.52 NATURE OF THE CONTRACT

The Contract incorporates and includes all negotiations, correspondence, conversations, agreements and understandings

applicable to the matters contained in the Contract. The parties agree that there are no commitments, agreements, or understandings concerning the subject matter of the Contract that are not contained in the Contract, and that the Contract contains the entire agreement between the parties as to all matters contained herein. Accordingly, it is agreed that no deviation from the terms hereof shall be predicated upon any prior representations or agreements, whether oral or written. It is further agreed that any oral representations or modifications concerning this Contract shall be of no force or effect, and that the Contract may be modified, altered or amended only by a written amendment duly executed by both parties or their authorized representatives.

The respondent shall provide the services set forth in the Scope of Services, and render full and prompt cooperation with the City in all aspects of the services performed hereunder.

The respondent acknowledges that the Contract requires the performance of all things necessary for or incidental to the effective and complete performance of all work and services under this Contract. All things not expressly mentioned in the Contract but necessary to carrying out its intent are required by the Contract, and the respondent shall perform the same as though they were specifically mentioned, described and delineated.

The respondent shall furnish all labor, materials, tools, supplies, and other items required to perform the work and services that are necessary for the completion of this Contract. All work and services shall be accomplished at the direction of and to the satisfaction of the City's Project Manager.

The respondent acknowledges that the City shall be responsible for making all policy decisions regarding the Scope of Services. The respondent agrees to provide input on policy issues in the form of recommendations.

The respondent agrees to implement any and all changes in providing services as a result of a policy change implemented by the City. The respondent agrees to act in an expeditious and fiscally sound manner in providing the City with input regarding the time and cost to implement such changes and in executing the activities required to implement such changes.

1.53 AUTHORITY OF THE CITY'S PROJECT MANAGER

The respondent acknowledges that the City's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of this Contract, including without limitation: questions as to the value, acceptability and fitness of the services; questions as to either party's fulfillment of its obligations under the Contract; negligence, fraud or misrepresentation before or subsequent to acceptance of the SOQ; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.

The respondent shall be bound by all determinations or orders and shall promptly obey and follow every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the respondent agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.

The respondent must, in the final instance, seek to resolve every difference concerning the Contract with the Project Manager. In the event that the Project Manager and the respondent are unable to resolve their differences, the respondent may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit by respondent.

In the event of such dispute, the parties to this Contract authorize the City Manager or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Contract (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution of a contract) and the decision of each with respect to matters within the City Manager's purview shall be conclusive, final and binding on the parties. Any such dispute shall be brought, if at all, before the City Manager within 10 days of the occurrence, event or act out of which the dispute arises.

The City Manager may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether the respondent's performance or any deliverable meets the requirements of this Contract and any specifications. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the City Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Contract. All such disputes shall be submitted in writing by the respondent to the City Manager for a decision, together with all pertinent information in regard to such questions, in order that a fair and impartial decision may be made. The parties agree that whenever the City Manager is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be deemed fair and impartial when exercised or taken. The City Manager shall render a decision in writing and deliver a copy of the same to the respondent. Except as such remedies may be limited or waived elsewhere in the Contract, the respondent reserves the right to pursue any remedies available under law after exhausting

the provisions of this Article.

1.54 MUTUAL OBLIGATIONS

This Contract, including attachments and appendices to the Contract, shall constitute the entire agreement between the parties and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereof unless acknowledged in writing by the duly authorized representatives of both parties.

Nothing in this Contract shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.

In those situations where this Contract imposes an indemnity or defense obligation on the respondent, the City may, at its expense, elect to participate in the defense if the City should so choose. Furthermore, the City may at its own expense defend or settle any such claims if the respondent fails to diligently defend such claims, and thereafter seek indemnity for costs and attorney's fees from the respondent.

1.55 SUBCONTRACTUAL RELATIONS

If the respondent will cause any part of this Contract to be performed by a subcontractor, the provisions of this Contract will apply to such subcontractor and its officers, agents and employees in all respects as if it and they were employees of the respondent, and the respondent will not be in any manner discharged from its obligations and liabilities hereunder, but will be liable for all acts and negligence of the subcontractor, its officers, agents, and employees, as if they were employees of the respondent. The services performed by the subcontractor will be subject to the provisions of this Contract as if performed directly by the respondent.

The respondent, before making any subcontract for any portion of the services, will state in writing to the City the name of the proposed subcontractor, the portion of the services that the subcontractor is to perform, the place of business of such subcontractor, and such other information as the City may require. The City will have the right to require the respondent not to award any subcontract to a person, firm or corporation disapproved by the City in the City's sole and absolute discretion.

Before entering into any subcontract, the respondent will inform the subcontractor fully and completely of all provisions and requirements of this Contract relating either directly or indirectly to the services to be performed. Such services performed by such subcontractor will strictly comply with the requirements of this Contract.

In order to qualify as a subcontractor satisfactory to the City, in addition to the other requirements established herein, the subcontractor must be prepared to prove to the satisfaction of the City that it has the necessary facilities, skill and experience, and ample financial resources to perform the services in a satisfactory manner. To be considered skilled and experienced, the subcontractor must show to the satisfaction of the City that it has satisfactorily performed services of the same general type that are required to be performed under this Contract.

The City shall have the right to withdraw its consent to a subcontract if it appears to the City that the subcontract will delay, prevent, or otherwise impair the performance of the respondent's obligations under this Contract. All subcontractors are required to protect the confidentiality of the City and City's proprietary and confidential information. The respondent shall furnish to the City copies of all subcontracts between the respondent and subcontractors and suppliers. Within each subcontract, there shall be a clause for the benefit of the City permitting the City to request completion of performance by the subcontractor of its obligations under the subcontract in the event the City finds the respondent in breach of its obligations, and the option to pay the subcontractor directly for the performance by such subcontractor. The foregoing shall neither convey nor imply any obligation or liability on the part of the City to any subcontractor as set forth herein.

1.56 PROMPT PAYMENT: LATE PAYMENTS BY RESPONDENT TO SUBCONTRACTOR AND MATERIAL SUPPLIERS; PENALTY:

When a respondent receives from the City any payment for contractual services, commodities, materials, supplies, or construction contracts, the respondent shall pay such moneys received to each subcontractor and material supplier in proportion to the percentage of work completed by each subcontractor and material supplier at the time of receipt. If the respondent receives less than full payment, then the respondent shall be required to disburse only the funds received on a pro rata basis to the subcontractors and materials suppliers, each receiving a prorated portion based on the amount due on the payment. If the respondent without reasonable cause fails to make payments required by this section to subcontractors and material suppliers within 15 working days after the receipt by the respondent of full or partial payment, the respondent shall pay to the subcontractors and material suppliers a late charge in the amount of one percent (1%) of the amount due, per month, from the expiration of the period allowed herein for payment. Such charge shall be in addition to actual payments owed. Retainage is also subject to the prompt payment requirement and must be returned to the subcontractor or material supplier whose work has been completed, even if the prime contract has not been completed. The respondent shall include the above obligation in each subcontract it signs with a subcontractor or material supplier.

1.57 TERMINATION FOR CONVENIENCE AND SUSPENSION OF WORK

The City may terminate this Contract if an individual or corporation or other entity attempts to meet its contractual obligation with the City through fraud, misrepresentation or material misstatement.

The City may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the City. Such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.

The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the City through fraud, misrepresentation or material misstatement may be debarred from City contracting in accordance with the City debarment procedures. The respondent may be subject to debarment for failure to perform and any other reasons related to the respondent's breach or failure of satisfactory performance.

In addition to cancellation or termination as otherwise provided in this Contract, the City may at any time, in its sole discretion, with or without cause, terminate this Contract by written notice to the respondent and in such event:

The respondent shall, upon receipt of such notice, unless otherwise directed by the City:

1. Stop work on the date specified in the notice (the "Effective Termination Date");
2. Take such action as may be necessary for the protection and preservation of the City's materials and property;
3. Cancel orders;
4. Assign to the City and deliver to any location designated by the City any non-cancelable orders for deliverables that are not capable of use except in the performance of this Contract and which have been specifically developed for the sole purpose of this Contract and not incorporated in the services; and
5. Take no action that will increase the amounts payable by the City under this Contract.

In the event that the City exercises its right to terminate this Contract pursuant to this Article, the respondent will be compensated as stated in the payment articles for the:

1. Portion of the services completed in accordance with the Contract up to the Effective Termination Date; and
2. Non-cancelable deliverables that are not capable of use except in the performance of this Contract and which have been specifically developed for the sole purpose of this Contract but not incorporated in the services.

All compensation pursuant to this Article is subject to audit.

1.58 EVENT OF DEFAULT

An Event of Default shall mean a breach of this Contract by the respondent. Without limiting the generality of the foregoing and in addition to those instances referred to as a breach, an Event of Default shall include the following:

1. The respondent has not delivered deliverables on a timely basis;
2. The respondent has refused or failed, except in any case for which an extension of time is provided, to supply enough properly skilled staff personnel;
3. The respondent has failed to make prompt payment to subcontractors or suppliers for any supplies or services;

4. The respondent has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the respondent's creditors, or the respondent has taken advantage of any insolvency statute or debtor/creditor law or if the respondent's affairs have been put in the hands of a receiver;
5. The respondent has failed to obtain the approval of the City where required by this Contract;
6. The respondent has failed to provide "adequate assurances" as required under the paragraph below; and
7. The respondent has failed in the representation of any warranties stated herein.

When, in the opinion of the City, reasonable grounds for uncertainty exist with respect to the respondent's ability to perform the services or any portion thereof, the City may request that the respondent, within the time frame set forth in the City's request, provide adequate assurances to the City, in writing, of the respondent's ability to perform in accordance with the terms of this Contract. Until the City receives such assurances, the City may request an adjustment to the compensation received by the respondent for portions of the services which the respondent has not performed. In the event that the respondent fails to provide to the City the requested assurances within the prescribed time frame, the City may:

1. Treat such failure as a repudiation of this Contract;
2. Resort to any remedy for breach provided herein or at law, including but not limited to taking over the performance of the services or any part thereof either by itself or through others.

In the event the City shall terminate this Agreement for default, the City or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, reports and data.

1.59 REMEDIES IN THE EVENT OF DEFAULT

If an Event of Default occurs, the respondent shall be liable for all damages resulting from the default, including but not limited to:

- A. Lost revenues;
- B. The difference between the cost associated with procuring services hereunder and the amount actually expended by the City for procurement of services, including procurement and administrative costs; and
- C. Such other damages that the City may suffer.

The respondent shall also remain liable for any liabilities and claims related to the respondent's default. The City may also bring any suit or proceeding for specific performance or for an injunction.

1.60 BANKRUPTCY

The City reserves the right to terminate this contract if, during the term of any contract the respondent has with the City, the respondent becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the respondent under federal bankruptcy law or any state insolvency law.

1.61 CANCELLATION FOR UNAPPROPRIATED FUNDS

The obligation of the City for payment to a respondent is limited to the availability of funds appropriated in a current fiscal period, and continuation of the Contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

1.62 VERBAL INSTRUCTIONS PROCEDURE

No negotiations, decisions, or actions shall be initiated or executed by the respondent as a result of any discussions with any City employee. Only those communications which are in writing from an authorized City representative may be considered. Only written communications from respondents, which are signed by a person designated as authorized to bind the respondent, will be recognized by the City as duly authorized expressions on behalf of the respondent.

1.63 E-VERIFY

Respondent acknowledges that the City may be utilizing the respondent's services for a project that is funded in whole or in part by state funds pursuant to a contract between the City and a state agency. The respondent shall be responsible for complying with the E-Verify requirements in the Contract and using the U.S. Department of Homeland Security's E-Verify system to verify the employment of all new employees hired by the respondent during the Contract term who will be working on this Project. The respondent is also responsible for e-verifying its subcontractors, if any, pursuant to any agreement between the City and a state agency, and reporting to the City any required information. The respondent acknowledges that the terms of this paragraph are material terms, the breach of any of which shall constitute a default under this Contract.

1.64 BUDGETARY CONSTRAINTS

In the event the City is required to reduce contract costs due to budgetary constraints, all services specified in this document may be subject to a permanent or temporary reduction in budget. In such an event, the total cost for the affected service shall be reduced as required. The respondent shall also be provided with a minimum 30-day notice prior to any such reduction in budget.
