Re: Employer: City of Hollywood
 Employee: Claudio Loveras
 Claim No.: 118177389
 D/A: 1/26/2003

The employee is a police officer, he retired on November 1st, 2016. While driving his police cruiser he was involved in a motor vehicle accident. He is currently treating with a pain management doctor for cervicalgia, myofascial pain syndrome, and C6-7 spondylosis. He was placed at maximum medical improvement on December 15th, 2005 with an 11% permanent impairment rating.

The initial demand of \$25,000, was received on February 27th, 2018. My recommendation was to settle for no more than \$15,000. We were able to reach a contingent settlement of \$12,000 inclusive of attorney fees and costs on June 6th, 2018. As part of the settlement the employee will not treat his work related injuries under his personal health insurance through the City of Hollywood. There is a great deal of future exposure as the employee is only 53 years old and has a life expectancy of 29.4 more years of potential treatment. Since the date of injury we have spent \$71,198.28.

Sincerely,

Christina Rodriguez
