Hi Rob,

Here is the breakdown you requested:

- 25' Sailboat - \$4,250.00 includes raising, de-watering, in water towing, haul/transport by land & disposal
- 26' Sailboat "Wiser" - \$4,380.00 includes raising, de-watering, in water towing, haul/transport by land & disposal
- 32' Wellcraft "Dani's Dream" - \$5,160.00 includes raising, de-watering, in water towing, haul/transport by land & disposal

36' Carver "Black Pearl" - \$11,210.00 includes raising, de-watering, in water towing, haul/transport by land & disposal
Due to the size of this vessel, this vessel can not be put on one of our trailers, therefore must be towed to a boatyard, where it can then be hauled out and disposed of. So the cost is higher.

I hope this helps. If you have any additional questions or need other information, I will be out of the office until Friday, but you can reach me on my cell at 954-798-4045. Have a good week.

Thanks.

Is it possible to get this as an itemized list for the cost of each vessel? I need it broken down that way so I can pass it up to fiscal.

Thanks.
