ABOUT US

Project Team

807 Apartments is a **multifamily** development on

1 parcel located at : 807 NE 24 th AV.

There are a total of twenty-one units on a 14,000 sqft lot.

All units are one bedroom / one bathroom averaging 700 sqft with a designated parking space. Each unit contains a washer and dryer in the unit.

The Architectural design is contemporary with 3 main finishes that overlap each on the main façade, wood + glass + stucco.

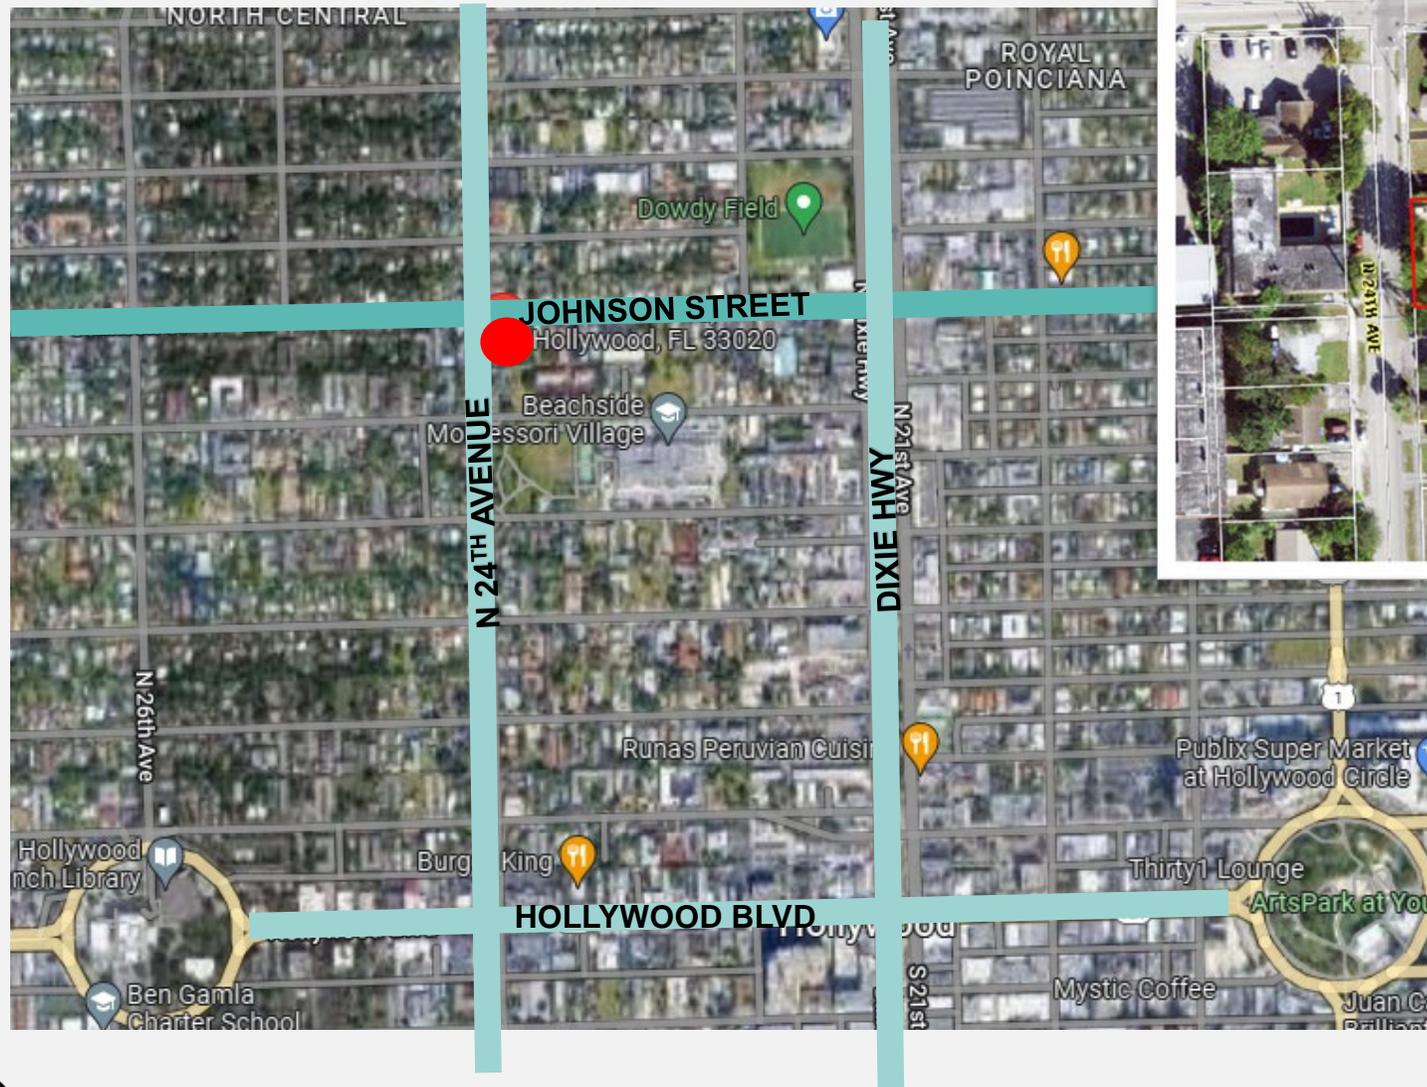

Front façade had been thoughtfully developed and framed having a “white frame out box” that gives the illusion of it coming out from the building which is more transparent which gives a more interesting curb appeal to the development.

City of Hollywood
Division of Planning & Urban Design
2600 Hollywood Boulevard, Suite #315
Hollywood Florida 33020

Attention: Ms. Carmen Diaz

Reference: Community Outreach Summary
807 North 24th Avenue
Hollywood, Florida
File #22-DP-52
Architect's Project #21300

Dear Ms. Diaz:

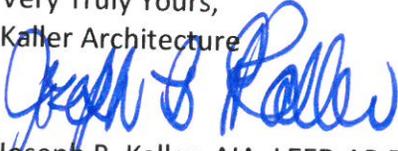

In accordance with the City's Outreach Ordinance, this letter serves to confirm the summary of the Community Outreach Meeting relating to the above referenced matter.

One November 15, 2022, we sent notice to all properties and Civic Association within 500 feet from each property line of the subject Property informing them of a virtual public meeting to be held on Thursday, December 1, 2022, at 6:00 PM. The Virtual Notice included information about the development and its location. Signs were posted on the Property on November 15, 2022.

The Virtual meeting on Thursday, December 1, 2022, and was attended by the Architect Joseph B. Kaller, Mrs. Patricia Antrican of the North Central Civic Association, Mrs. Karen Albertson and Ms. Mira Stanton. The Architect, Joseph Kaller presented a Power Point Presentation, and had a time of questions directly after the Presentation. The participants were very pleased with the Project, however had a concern about the traffic at 24th Avenue. They explained that there may be a possibility that the Tram that presently services that immediate area could run extend earlier hours to help with any additional traffic that this new Project may cause.

Please do not hesitate to contact me if you have any questions or comments.

Very Truly Yours,
Kaller Architecture

Joseph B. Kaller, AIA, LEED AP BD+C
President
