Request to purchase twelve (12) unmarked Police Department Vehicles for the Criminal Investigations Division utilizing Federal (Treasury) Law Enforcement Forfeiture Funds, amount not to exceed \$310,000.00.

EXPLANATION:

The Hollywood Police Department Criminal Investigations Division Detectives utilize unmarked Police vehicles to perform duties to include but not limited to, call-outs, as well as criminal investigations into; Homicide, Robbery, Sexual Battery, Burglary, Child Abuse, Domestic Abuse, and Economic Crimes. The Detectives primary mode of transportation is the unmarked vehicle equipped with Police lights and siren. They utilize these vehicles as per PBA union contract as take-homes, to travel to and from the Police department, to travel to court proceedings, take statements from witnesses and victims and extra-duty details.

Due to the age and condition of some of the existing Criminal Investigations Division Police vehicle fleet, it has become imperative to replace some of the older and high mileage vehicles that can no longer perform their duties due to extensive mechanical issues. These are unmarked vehicles and Fleet Maintenance will be purchasing a variety of models to facilitate the effectiveness of the Police Department's operations. We have identified that some of these vehicles be replaced with six (6) 2019 Chevrolet Impala 4DR LS 6 cylinder Vehicles and six (6) 2019 Toyota Camry LE 4 cylinder, which will best fit our operational services.

BASE PRICE:	\$21,244.00	\$20,994.00	\$20,994.00	\$21,087.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

2019 Toyota Camry LE (2532)

(Alternate Dealer Option)

The Toyota Camry LE (2532) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,934.00	\$21,884.00	\$21,734.00	\$21,834.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.
