This Vigilant Solutions Enterprise Service Agreement (the “Agreement”) is made and entered into as of this _____ Day of _____, 201_ by and between **Vigilant Solutions Inc.**, a Delaware corporation, having its principal place of business at 2021 Las Positas Court Suite # 101, Livermore, CA 94551 (“Vigilant”) and City of Hollywood, a municipal corporation of the State of Florida, having its principal place of business at 2600 Hollywood Boulevard, Hollywood, Florida (“Affiliate”).

WHEREAS, Vigilant designs, develops, licenses and services advanced video analysis software technologies for the law enforcement and security markets;

WHEREAS, Vigilant provides access to license plate data as a value added component of the Vigilant law enforcement package of license plate recognition equipment and software;

WHEREAS, Affiliate will separately purchase License Plate Recognition (LPR) hardware components from Vigilant and/or its authorized reseller for use with the Software Products (as defined below);

WHEREAS, Affiliate desires to license from and receive service for the Software Products provided by Vigilant;

THEREFORE, In consideration of the mutual covenants contained herein this Agreement, Affiliate and Vigilant hereby agree as follows:

I. Definitions:

“CLK” or “Camera License Key” means an electronic key that will permit each license of Vigilant’s CarDetector brand LPR software or LineUp brand facial recognition software (one CLK per camera) to be used with other Vigilant LPR hardware components and Software Products.

“Effective Date” means sixty (60) days subsequent to the date set forth in the first paragraph of this Agreement.

“Software Products” means Vigilant’s Law Enforcement & Security suite of Software Products including CarDetector, Law Enforcement Archival & Reporting Network (LEARN), Mobile Companion for Smartphones, Target Alert Service (TAS) server/client alerting package and other software applications considered by Vigilant to be applicable for the benefit of law enforcement and security practices.

“Enterprise License” means a non-exclusive, non-transferable license to install and operate the Software Products, on any applicable media, without quantity or limitation. This Enterprise Service Agreement allows Affiliate to install the Software Products on an unlimited number of devices, in accordance with the selected Service Package(s), and allow benefits of all rights granted hereunder this Agreement.

“Service Package” means the Affiliate designated service option(s) which defines the extent of use of the Software Products, in conjunction with any service and/or benefits therein granted as rights hereunder this Agreement.

“Service Fee” means the amount due from Affiliate, after the initial One(1) year period, for the renewal of this Agreement as consideration for the continued use of the Software Products and Service Package benefits according to Section VIII of this Agreement.

“Service Period” has the meaning set forth in Section III (A) of this Agreement.

“Technical Support Agents” means Affiliate’s staff person specified in Section X (K)(2) of this Agreement responsible for administering the Software Products and acting as Affiliate’s Software Products support contact.

II. Enterprise License Grant; Duplication and Distribution Rights:

Subject to the terms and conditions of this Agreement, Vigilant hereby grants Affiliate an Enterprise License to the Software Products for the Term provided in Section III below. Except as expressly permitted by this Agreement, Affiliate or any third party acting on behalf of Affiliate shall not copy, modify, distribute, loan, lease, resell, sublicense or otherwise transfer any right in the Software Products. Except as expressly permitted by this Agreement, no other rights are granted by implication, estoppels or otherwise. Affiliate shall not eliminate, bypass, or in any way alter the copyright screen (also known as the “splash” screen) that may appear when Software Products are first started on any computer. Any use or redistribution of Software Products in a manner not explicitly stated in this Agreement, or not agreed to in writing by Vigilant is strictly prohibited.

III. Term; Termination.

A. Term. The initial term of this Agreement is for one (1) year beginning on the Effective Date (the “Initial Term”), unless earlier terminated as provided herein. This Agreement and the Enterprise License granted under this Agreement may be renewed under the same terms and conditions for a one year Period at the option of the Affiliate subject to Paragraph VII. C. as to price.

B. Affiliate Termination. Affiliate may terminate this Agreement at any time by notifying Vigilant of the termination in writing thirty (30) days prior to the termination date, and deleting all copies of the Software Products subject to Florida State Law (Chapter 119 -Public Records) and all provisions of Chapter 119, Florida Statutes.

If Affiliate terminates this Agreement prior to the end of the Initial Term, Vigilant will not refund or prorate any license fees, nor will it reduce or waive any license fees still owed to Vigilant by Affiliate. Upon termination of the Enterprise License, Affiliate shall immediately cease any further use of Software Products.

C. Vigilant Termination. Vigilant has the right to terminate this Agreement by providing thirty (30) days written notice to Affiliate. If Vigilant’s termination notice is based on an alleged breach by Affiliate, then Affiliate shall have thirty (30) days from the date of its receipt of Vigilant’s notice of termination, which shall set forth in detail Affiliate’s purported breach of this Agreement, to cure the alleged breach. If within thirty (30) days of written notice of violation from Vigilant Affiliate has not reasonably cured the described breach of this Agreement, Affiliate shall immediately discontinue all use of Software Products and certify to Vigilant that it has returned or destroyed all copies of Software Products in its possession or control, contingent on Florida State Law (Chapter 119 -Public Records) and all provisions of Chapter 119, Florida Statutes . If Vigilant terminates this Agreement prior to the end of a Service Period for no reason, and not based on Affiliate’s failure to cure the breach of a material term or condition of this Agreement, Vigilant shall refund to Affiliate an amount calculated by multiplying the total amount of Service

Fees paid by Affiliate for the then-current Service Period by the percentage resulting from dividing the number of days remaining in the then-current Service Period, by 365.

IV. Warranty and Disclaimer; Infringement Protection; Use of Software Products Interface.

A. Warranty and Disclaimer. Vigilant warrants that the Software Products will be free from all Significant Defects (as defined below) during the term of this Agreement (the "Warranty Period"). "Significant Defect" means a defect in a Software Product that impedes the primary function of the Software Product. This warranty does not include products not manufactured by Vigilant. Vigilant will repair or replace any Software Product with a Significant Defect during the Warranty Period; *provided, however*, if Vigilant cannot substantially correct a Significant Defect in a commercially reasonable manner, Affiliate may terminate this Agreement and Vigilant shall refund to Affiliate an amount calculated by multiplying the total amount of Service Fees paid by Affiliate for the then-current Service Period by the percentage resulting from dividing the number of days remaining in the then-current Service Period, by 365. The foregoing remedies are Affiliate's exclusive remedy for defects in the Software Product. Vigilant shall not be responsible for labor charges for removal or reinstallation of defective software, charges for transportation, shipping or handling loss, unless such charges are due to Vigilant's gross negligence or intentional misconduct. Vigilant disclaims all warranties, expressed or implied, including but not limited to implied warranties of merchantability and fitness for a particular purpose. In no event shall Vigilant be liable for any damages whatsoever arising out of the use of, or inability to use, the Software Products.

B. Infringement Protection. If an infringement claim is made against Affiliate by a third-party in a court of competent jurisdiction regarding Affiliate's use of any of the Software Products, Vigilant shall indemnify Affiliate, and assume all legal responsibility and costs to contest any such claim. If Affiliate's use of any portion of the Software Products or documentation provided to Affiliate by Vigilant in connection with the Software Products is enjoined by a court of competent jurisdiction, Vigilant shall do one of the following at its option and expense within sixty (60) days of such enjoinder: (1) Procure for Affiliate the right to use such infringing portion; (2) replace such infringing portion with a non-infringing portion providing equivalent functionality; or (3) modify the infringing portion so as to eliminate the infringement while providing equivalent functionality.

C. Use of Software Products Interface. Under certain circumstances, it may be dangerous to operate a moving vehicle while attempting to operate a touch screen or laptop screen and any of their applications. It is agreed by Affiliate that Affiliate's users will be instructed to only utilize the interface to the Software Products at times when it is safe to do so. Vigilant is not liable for any accident caused by a result of distraction such as from viewing the screen while operating a moving vehicle.

V. Software Support, Warranty and Maintenance.

Affiliate will receive technical support by submitting a support ticket to Vigilant's company support website or by sending an email to Vigilant's support team. Updates, patches and bug fixes of the Software Products will be made available to Affiliate at no additional charge, although charges may be assessed if the Software Product is requested to be delivered on physical media. Vigilant will provide Software Products support to Affiliate's Technical Support Agents through e-mail, fax and telephone.

VI. Camera License Keys (CLKs).

Affiliate is entitled to use of the Software Products during the term of this Agreement to set up and install the Software Products on an unlimited number of media centers within Affiliate's agency in accordance with selected Service Options. As Affiliate installs additional units of the Software Products and connects them to LPR cameras, Affiliate is required to obtain a Camera License Key (CLK) for each camera installed and considered in active service. A CLK can be obtained by Affiliate by going to Vigilant's company support website and completing the online request form to Vigilant technical support staff. Within two (2) business days of Affiliate's application for a CLK, Affiliate's Technical Support Agent will receive the requested CLK that is set to expire on the last day of the Initial Term or the then-current Service Period, as the case may be.

VII. Ownership of Software.

A. Ownership of Software Products. The Software Products are copyrighted by Vigilant Solutions and remain the property of Vigilant Solutions. The license granted under this Agreement is not a sale of the Software Products or any copy. Affiliate owns the physical media on which the Software Products are installed, but Vigilant Solutions retains title and ownership of the Software Products and all other materials included as part of the Software Products.

B. Rights in Software Products. Vigilant Solutions represents and warrants that: (1) it has title to the Software and the authority to grant license to use the Software Products; (2) it has the corporate power and authority and the legal right to grant the licenses contemplated by this Agreement; and (3) it has not and will not enter into agreements and will not take or fail to take action that causes its legal right or ability to grant such licenses to be restricted.

VIII. Service Package, Fees and Payment Provisions.

A. Service Package. This Enterprise License Agreement is based on the following Negotiated Service Package Options which are provided for an initial one(1) year period):

Service Package - LPR Service Package:

- Vigilant Managed/Hosted LPR server LEARN Account w/ all Hotlist Management features
- Access to all Vigilant Software including all upgrades and updates
- Unlimited user licensing for the following applications:
 - LEARN, CarDetector and TAS
- Unlimited use of CarDetector – Mobile Hit Hunter (CDMS-MHH)
- Unlimited use of Vigilant's LPR Mobile Companion smartphone application

B. Service Fee. The initial one(1) year period, and payment of Service Fees for optional service periods, entitles Affiliate to all rights granted under this Agreement, including without limitation, use of the Software Products for the relevant Service Period, replacement of CLKs, and access to the updates and releases of the Software Products and associated equipment driver software to allow the Software Products to remain current and enable the best possible performance. The annual Service Fee due for a particular Service Period is based on the number of current Vigilant issued CLK's at the time of Service Fee invoicing.

This agreement reflects an initial service fee of \$6,000.00 for Phase I (Federal Highway) which paid in full with the initial purchase, and is based on the initial purchase of Sixteen (16) cameras at a rate of \$375.00 per camera. Additional cameras for Phase 2 (North Beach) and Phase 3 (Downtown) shall be purchased at a rate of \$375.00 per camera and the service fee shall be payable at the time of installation of the respective cameras for each Phase. Each Optional renewal period will be billed at this same rate of \$375.00 for those cameras purchased by Affiliate and still in use for all three Phases. Should the Affiliate acquire, add or purchase additional cameras, which will be used in the upcoming service period, additional cameras will require CLKs. To reflect the addition of these new cameras & CLKs, the annual service fee will be increased per a mutually agreed upon service fee schedule between Vigilant and Affiliate. The new fee will reflect the total number of CLKs under this ESA including any additional cameras.

Payment of the Service Fee is due thirty (30) days prior to the optional renewal of the then-current Service Period. All Service Fees are exclusive of any sales, use, value-added or other federal, state or local taxes (excluding taxes based on Vigilant's net income) and Affiliate agrees to pay any such taxes if applicable. Affiliate will be billed for the Annual Service Fee after the initial one (1) year period.

C. Price Adjustment. In the event that Affiliate exercises its right to renew this Agreement pursuant to Paragraph III. A. above, the Annual Service Fee of \$375.00 per camera shall apply and Vigilant will not increase or decrease the Annual Service Fee during any such renewal periods.

IX. Miscellaneous.

A. Limitation of Liability. IN NO EVENT SHALL VIGILANT SOLUTIONS BE LIABLE FOR ANY INDIRECT, INCIDENTAL, SPECIAL, CONSEQUENTIAL DAMAGES INCLUDING DAMAGES FOR LOSS OF USE, DATA OR PROFIT, ARISING OUT OF OR CONNECTED WITH THE USE OF THE SOFTWARE PRODUCTS, WHETHER BASED ON CONTRACT, TORT, NEGLIGENCE, STRICT LIABILITY OR OTHERWISE, EVEN IF VIGILANT SOLUTIONS HAS BEEN ADVISED OF THE POSSIBILITY OF DAMAGES. IN NO EVENT WILL VIGILANT SOLUTIONS'S LIABILITY ARISING OUT OF OR RELATED TO THIS AGREEMENT EXCEED THE FEES PAID BY AFFILIATE TO VIGILANT SOLUTIONS FOR THE SOFTWARE PRODUCTS LICENSED UNDER THIS AGREEMENT.

B. Confidentiality. Affiliate acknowledges that Software Products contain valuable and proprietary information of Vigilant Solutions and to the extent provided under Florida State Law (Chapter 119 -Public Records), Affiliate will not disassemble, decompile or reverse engineer any Software Products to gain access to confidential information of Vigilant Solutions.
