Ms. Jacque-Ann D. Isaacs
Community Transit Officer
Broward County Transit Division, Service and Capital Planning
1 North University Drive, Suite 3100A
Plantation, FL 33324

Dear Ms. Isaacs:

This is a request to mutually terminate the Interlocal Agreement (ILA) between Broward County and the City of Hollywood for Community Bus Service. As you know, the ILA was amended last year to reflect a reduction in grant funding as two of the three routes failed to meet requirements for funding. The ILA currently provides partial funding for one of the three Trolley routes in the City's Community Redevelopment Area (CRA), currently operated by Maruti Transit. The ILA was renewed last year and will expire September 30, 2019.

The City has just executed an agreement for a circulator service with The Free Ride. The Free Ride will provide an on-demand service, at no charge to riders in the CRA District (downtown and beach areas) and along the Federal Highway Corridor. The Free Ride was selected via a competitive bid process. A Request for Proposal was opened in April 2018, six proposals were received and ranked by a technical committee. On October 17, 2018, the City Commission approved a Resolution to authorize entering into an agreement with The Free Ride. The anticipated date for the start of service is April 30, 2019. We anticipate the trolley service as provided by Maruti Transit to terminate by May 31, 2019.

Since the trolley service as originally proposed in the ILA is being replaced with an on-demand service and will no longer meet the requirements for funding, we respectfully request to terminate the ILA as of May 31, 2019. Please contact my office by March 30, 2019 to advise if you are agreeable to a mutual termination of the ILA. Please note that any termination by the City is subject to approval of the City Commission. If you are agreeable, I will seek City Commission approval at their meeting on April 17, 2019.

Sincerely,

Lorie Mertens-Black
