RE: City of Hollywood – Contract Duration

A handwritten signature in blue ink, appearing to read "David Duhn", is written over the "FROM" line of the email header.

Under the terms of our awarded contract(s), members can certainly extend agreements past the maturity date of an award.

This is a common occurrence. Because an agreement is reached during the contract period the member can ask/require the awarded vendor to honor the terms past contract maturity. Therefore under the current contract it is allowed for the City of Hollywood to use the NJPA contract for a four year term starting in Sept 2017 through October 2021.

Should you require any additional information regarding the above please reach out to me directly.
