

Emergency Relocation of 20-inch Force Main at A1A Adjacent to Lift Station E-03

CITY PROJECT NO. 23-8534

**City Commission Meeting
April 3, 2024**

20-inch Force Main Replacement Emergency Repair

Project Scope

- Emergency relocation of the 20-inch force main along A1A, to address risk caused by the collapsed seawall during the historical storm event on April 12, 2023.
- The emergency pipe replacement was completed in February 2024, after City Manager approved in December 2023.
