(As Applicable)

compact SUV will conserve on fuel being it has a four cylinder engine. The Officers work from their vehicles and are required to carry several crates with files, forms, Code manuals, computer mounted to a stand, and mandatory equipment with regards to accreditation. Officers are required to pick up snipe signs from the right of ways and an animal catch pole to transport animals to the kennel as backup to the Animal Control Officer. The higher undercarriage will allow these vehicles to maneuver more easily through roadways and alleys that aren't paved and have flooding issues, and this vehicle will best fit these conditions.

5. Please explain what process the Department/Office took to verify and/or identify this contract. Recommended by Code Enforcement and Public Works Departments.

6. Were alternative contracts evaluated to determine that the City is obtaining the most advantageous contract pricing for the required product/service?

☒ Yes ☐ No

Please explain State of Florida and Florida Sheriff's Association Contracts were compared for the best pricing for this vehicle and is best suited for the Code Department's operational needs.

7. Total cost of the requested product/service. \$22,266.00 x (3) = \$66,798.00

8. Total estimated annual (fiscal year) cost of requested product/service. \$22,266.00 x (3) = \$66,798.00

Account Number(s) (Acct# 57.5100.14106.590.016452)

9. Is this product/service covered by a warranty? ☒ Yes ☐ No

If yes, please attach a copy of the warranty details.

10. Would this purchase(s) result in the potential of future purchases for related products/services being restricted to a particular vendor or create a specific vendor as sole source provider for related items?

☐ Yes ☒ No

If yes, please describe the related products/services and estimated cost(s.) _____

11. Would this purchase(s) result in any future maintenance costs which are not included in the initial purchase?

☐ Yes ☒ No

If yes, please attach a draft maintenance plan which includes cost estimates and funding source(s.) _____

12. Is this a grant related purchase? ☐ Yes ☒ No

If yes, please provide details (timeline, expiration dates, milestones, special procurement requirements, etc.)

Will this require matching funds? ☐ Yes ☐ No

What is the grant source? N/A

What is the grant (dollar) amount? N/A

Subject: SUV Replacement Vehicles

Hi Joel,

Code officers use their vehicles for mobile "offices". They carry much gear, several crates with the files/forms, large code books (2) and various other information for distribution in their job. One piece of equipment that won't fit properly in the small sedans is the dog catch pole. Each code officer is trained and assigned and is supposed to carry one in their vehicle. We also carry other equipment that is mandatory with regard to accreditation - i.e. first aid kit, masks, full size fire extinguishers, etc. Also, code officers remove snipe signs from the rights of way, which are hard to place in the rear of the Prius or other small vehicle, as you can imagine the amount of these signs we remove. In addition to the Animal Control Officer, code officers also occasionally respond and address animals abandoned or at large and sometimes have to transport to the HPD kennel in the absence of our Animal Control Officer, who works citywide.

We also have encountered alleys that have been difficult or impossible to maneuver due to the low carriage of the smaller and sometimes larger sedans. Some of the alleys that aren't paved are located in the eastern most parts of the City. Also, when raining, code officers are still out on the road and have encountered difficulty in the roadways due to flooding with the lower, smaller sedans.

Susan

**3/4 TON PICKUP TRUCK - 4X4
SPECIFICATION #41**

2013 Chevrolet Silverado 2500 HD (CK20903)

The Chevrolet Silverado 2500 HD (CK20903) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$21,532.00	\$21,482.00	\$21,182.00	\$21,407.00

While the Florida Sheriffs Association, Florida Association of Counties and Florida Fire Chiefs' Association have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.
