BID RESPONSE PACKAGE REVIEW

Bid Title: Bid No. F-4707-22-OT - FEMA Generator Project L.S. W-15, W-14, E-06, E-03, E-01
& SW-08 Backup Electrical Power

Portion of Bid Reviewed: 100%

Date: 6/10/2022

Reviewed by: Maria Perez

Checked by: Juan Jimenez, PE

Name of Bidder: Zabatt Engine Services, Inc.

Bid Evaluation Comments:

Section 00300 – PROPOSAL

Comments:

1) No corporate seal provided on page 00300-4.

Section 00301 - PROPOSAL BID FORM

Comments:

1) There is a \$3.00 math error in the total bid for L.S. E-06. Bidder has accepted the math correction.

2) Did not provide Unit Prices for "Elevated Access Platform Steel Framing, Railing, and Stairs" for L.S. E-03, E-06 and SW-08. Bidder has accepted the Unit Prices calculated by dividing the Extended Price by the quantities for the above described pay item for all the three referenced lift stations.

3) There were \$0.32 and \$0.31 errors in the total bid amounts written by the bidder for L.S. W-14 and W-15, respectively. The bidder has accepted the corrections.

4) For L.S. W-14, there was a \$0.10 error in math on the Extended Price for pay item No. 9.

Section 00401 - APPROVED BID BOND

Comments: Provided.

Section 00495 - TRENCH SAFETY FORM

Comments: Provided executed form to the City after the fact.

Section 00420 - INFORMATION REQUIRED FROM BIDDERS

Comments:

(1) For all L.S., did not provide number of years as a Contractor (Item #4 on page 00420-1).

(2) For all L.S., project reference information was provided after the fact.

Verification of References:

Successfully furnished and installed emergency backup power generators upwards of 150kW, base fuel tanks and ATS within the last five years for the following:

1) Jacksonville Electric Authority (JEA) - Completed several similar projects within the last 5 years ranging up to 2000kW generators.

**CITY OF HOLLYWOOD DEPARTMENT OF PUBLIC UTILITIES
ENGINEERING AND CONSTRUCTION SERVICES DIVISION**

BID RESPONSE PACKAGE REVIEW

- 2) T-mobile - Completed several similar generator projects up to 500kW.
- 3) City of Lauderhill - Completed two 200kW and one 150kW generator projects.
- 4) City of Seminola - One 125kW generator project completed successfully.

Based on the experience criteria in the bid document, the Bidder's relevant experience was found to exceed the requirement.

Conclusion:

After making corrections to the totals for a few L.S. in Section 00301, "Proposal Bid Form", Zabatt Engine Services, Inc. was found to be the lowest responsive, responsible bidder.
