**Diplomat Landings PD Amendment and Residential Site Plan and Design Approval**

**Community Meeting October 11, 2023**

**Attendee Questions/Comments**

**Attachment 5**

1. Where are you building as it relates to what exists today (i.e. parking garage).

Response: The proposed building will be located between the north and south parking garage. Nothing will be built on top of the garage.

2. Are any of the towers being built on top of the garage?

No.

3. How do you access the beach?

Response: Access will be provided through the existing Diplomat Hotel.

4. Will there be sufficient parking for the re-development on the west side of A1A?

Response: Yes. As part of the residential development, we are building a new parking garage. The current parking garages have more than enough parking spaces to accommodate our development.

5. Can you confirm whether the residents that at the Hallmark who face north will not have their views of the intracoastal obstructed?

Response: The residents of the Hallmark will continue to have a view of the intracoastal as the residential development to the south of the hotel provides ample space for such views. It's important to note that the site was approved for 500 hotel rooms and 350 residential units. The zoning and land use plan have already been approved by the City.

6. When will construction begin?

Response: South Tower will break ground in 2025 and the next one will break ground in 2026. It will be completed three years after so sometime around 2028 and 2029, respectively.

7. What supports the need for the additional hotel?

Response: The need for the hotel is driven by the large convention center that already exists within the Diplomat PD and to support its ability to drive additional and larger conventions.

8. Will there be a casino?

Response: No.

9. The Diplomat Beach is completely full. Where are you planning on putting 3000 more people on the beach?

Response: We do not know what you mean by "full" and the exact number of people who will be on the beach cannot be reasonably ascertained. However, we are providing access to the beach and can utilize the existing Diplomat hotel to get there. There is plenty of beach access.
