Good afternoon Maria.

Attached you will find the Vactor and EPG sole source letters. I've cc'd Brian Stewart, our Inspection Division Manager and Chris Miller our South Florida Service Manager.

Chris please look in the system and see what labor rate we charge the City of Hollywood if there's labor required for something that's not covered under the maintenance plan. There might be two labor rates since it's Vactor and Envirosight. Just reply to all with the results.

Brian, please email an Envirosight sole source.

I will ask our office to get the insurance for you. Does the insurance need to show the City of Hollywood on it?

Sincerely,

**Paul A. Hart / South Florida Sales Manager**
