

City of Hollywood Marine Advisory Board's

Recommendation for Mooring Field Placement in North Lake

City of Hollywood Marine Advisory Board Recommendation:

The Board is recommending that the City pursue the construction of a mooring field in the mouth of North Lake.

Benefits :

- Prevention of derelict vessels
- Financial source
- Control of vessels currently anchoring in the lake
- Create a safe destination for vessels

Current Anchoring Law:

Currently the State of Florida Anchoring Law

(Existing FL law) 327.60 Local regulations; limitations

Nothing in this section shall be construed to prohibit local governmental authorities from the enactment or enforcement of regulations which prohibit or restrict the mooring or anchoring of floating structures or live-aboard vessels within their jurisdictions or of any vessels within the marked boundaries of mooring fields permitted as provided in s. 327.40. However, local governmental authorities are prohibited from regulating the anchoring outside of such mooring fields of vessels other than live-aboard vessels as defined in s. 327.02.
