GENERAL CONDITIONS

Quotation Requests and Invitations to Bid

These General Conditions apply to all Quotation Requests and Invitations to Bid (each a “solicitation”) issued by Broward County (the “County”) unless the County deletes, supersedes, or modifies any of these General Conditions for a particular solicitation by indicating such change in the Special Instructions to Vendors. The submission by any vendor (“Vendor”) of a response to the solicitation (“response”) constitutes Vendor’s offer to the County to contract with the County and includes as a material part of that offer Vendor’s agreement that these General Conditions, along with all other provisions included in the solicitation and the pricing stated in Vendor’s response, will constitute the contract between the Vendor awarded the solicitation (“Contractor”) and the County, and shall prevail over any conflicting provision in any quotation, standard form contract, or other document of the Contractor, regardless of any language in such document(s) to the contrary. Any modification to these General Conditions or the language of the solicitation by Vendor is prohibited, unenforceable, and may render Vendor’s response nonresponsive.

The Broward County Procurement Code (“Procurement Code”), Chapter 21 of the Broward County Administrative Code, is applicable to this solicitation, and can be obtained from the Purchasing Division’s website at: www.broward.org/purchasing. Submission of a response constitutes Vendor’s agreement to be bound by the Procurement Code as applied to this solicitation.

A. GENERAL PROVISIONS

1. Effect of Vendor’s Signature on Vendor’s Response.

By Vendor including its digital or electronic signature on the response:

- (a) Vendor represents and certifies that the representations in Section A.2 of these General Conditions are true and accurate;
- (b) Vendor acknowledges, accepts, and agrees that the solicitation is governed by the Terms and Conditions of the Solicitation stated herein; and
- (c) **VENDOR ACKNOWLEDGES, ACCEPTS, AND AGREES THAT, IF AWARDED THE SOLICITATION BY THE COUNTY’S ACCEPTANCE OF VENDOR’S OFFER AS SET FORTH IN ITS RESPONSE, VENDOR IS LEGALLY BOUND TO THESE GENERAL CONDITIONS, SPECIAL INSTRUCTIONS, AND THE SPECIFICATIONS OF THIS SOLICITATION, INCLUDING WITHOUT LIMITATION THE TERMS AND CONDITIONS OF CONTRACT STATED HEREIN.**

2. Vendor Representations and Certifications.

Vendor represents and certifies the following:

- (a) The individual submitting the response is authorized to sign on Vendor’s behalf and has actual legal authority to bind Vendor to the solicitation’s terms. Vendor acknowledges and agrees that electronic signatures or digital signatures shall have the same legal effect as a handwritten signature.
- (b) Vendor’s response is made without prior understanding, agreement, or connection with any other vendor submitting a response to the solicitation regarding either vendor’s response, and is in all respects fair and without collusion or fraud.
- (c) Vendor is neither delinquent in payment of any taxes, fees, fines, contractual debts, judgments, or any other debts due and owed to the County, nor in default of any contractual or regulatory obligation to the County.
- (d) No owner, principal, officer, director, or member of Vendor is or was an owner, principal, officer, director, or member in any other firm that was suspended or debarred from doing business with the

County within the last three (3) years, unless otherwise noted in Vendor's response.

(e) All statements in Vendor's response are accurate, true, and correct. Vendor acknowledges that any inaccurate, untruthful, or incorrect statement made in its response may be used by the County as a basis for rejection; rescission of contract award; or termination of the contract; and may also serve as the basis for suspension and/or debarment of Vendor pursuant to the Procurement Code.

(f) Vendor represents and warrants that it possesses the knowledge, skill, experience, and financial capability required to provide and perform all goods and services required under the solicitation and that each person and entity that will provide goods or services under the contract is duly qualified to perform such services by all appropriate governmental authorities, where required, and is sufficiently experienced and skilled in the area(s) for which such person or entity will render such goods or services.

B. TERMS AND CONDITIONS OF THE SOLICITATION

1. Responses.

Responses must be submitted electronically through the County's designated electronic bidding system ("EBS"). It is Vendor's responsibility to ensure its response is submitted and received through the EBS by the date and time specified in the solicitation. The County will not consider responses received by other means or after the time that solicitations are due. All timeframe references are to Eastern Time. The official time for electronic submittals is the EBS's servers, as synchronized with the atomic clock. Any response that seeks to modify or take exception to the official time shall be deemed nonresponsive.

The County is a public agency subject to Chapter 119, Florida Statutes. Any material submitted in Vendor's response is a public record available for public inspection and copying pursuant to Section 119.071, Florida Statutes. If Vendor contends any material constitutes or contains trade secrets or is otherwise exempt from disclosure under Florida public records laws (collectively, "Trade Secret Materials"), Vendor must separately submit and conspicuously label the Trade Secret Materials as "EXEMPT FROM PUBLIC RECORD PRODUCTION – TRADE SECRET." Unless submitted in accordance with this paragraph, Vendor waives any claim of confidentiality or trade secret with respect to any and all information included in the Vendor's response. If a third party submits a public records request for Trade Secret Materials, the County shall refrain from disclosing the Trade Secret Materials unless otherwise ordered by a court of competent jurisdiction or authorized in writing by the Vendor, and Vendor must indemnify and defend County and its employees, officers, and agents from any and all claims, causes of action, losses, fines, penalties, damages, judgments, and liabilities of any kind, including attorneys' fees, litigation expenses, and court costs, relating to the nondisclosure of the Trade Secret Materials in response to a public records request by a third party.

2. Withdrawal.

Unless otherwise expressly permitted under the Procurement Code, Vendors may not withdraw their responses after the deadline for responses to the solicitation until 120 days after the deadline for filing responses to the solicitation. Any response that seeks to modify or take exception to this provision shall be deemed nonresponsive. Violation of this section may subject Vendor to suspension or debarment, and shall entitle the County to execute on Vendor's posted bid security.

3. Bid Opening (Invitations to Bid only).

All responses to Invitations to Bid shall be publicly opened in the public domain or as otherwise designated in the solicitation. The Purchasing Division will decrypt responses received in the EBS immediately following the deadline for bid responses.

4. Cancellation of Solicitation.

The Director of Purchasing may cancel a solicitation at any time before the deadline for responses.

5. Addenda.

The County reserves the right to amend this solicitation prior to the deadline for Vendor responses by issuing written addenda to the solicitation. If, upon review, a Vendor finds a nonclerical error in an addendum, that Vendor must contact the Purchasing Division immediately, prior to opening date, to allow the County to review the alleged error and to issue any clarification, if the County determines that a clarification is necessary. Vendors are responsible for obtaining and reviewing each addendum prior to the deadline for submission of responses to the solicitation. The terms of all addenda are incorporated into the Terms and Conditions of the Solicitation.

6. Prices.

All responses must include firm prices, which must include all handling, set up, shipping, and inside delivery charges to the destination specified in the solicitation, unless otherwise indicated in the solicitation.

(a) **Certification of Prices:** Vendor certifies that the prices it is proposing in its response are not higher than the prices at which Vendor sells the same goods and/or services in approximately similar quantities, under similar terms and conditions, to any other purchaser.

(b) **F.O.B. Destination:** Unless otherwise specified in the solicitation, prices shall be provided as F.O.B. Destination, with freight, fuel, and all other costs included.

(c) **Taxes:** The County is exempt from federal and Florida taxes on direct purchases of tangible property. The County's tax exemption number will appear on the County's purchase order. Vendor must pay all applicable sales, consumer, land use, or other similar taxes required by law.

(d) **Discounts:** Vendors may offer a cash discount for prompt payment, but such discounts will not be considered by the County in determining the lowest net cost for evaluation purposes unless otherwise stated in the solicitation.

(e) **Mistakes:** Vendors are cautioned to examine all specifications, drawings, delivery instructions, unit prices, extensions, and all other special conditions pertaining to this solicitation. Failure to examine all pertinent documents shall not entitle vendors to relief from any provision or any requirement of this solicitation. Mathematical errors, other than in unit prices, may be deemed clerical errors and are subject to correction by the County at the County's sole discretion. If there is a mistake in the extended price (i.e., unit price multiplied by quantity), the unit price shall govern.

7. Awards.

If a specific basis of award is not established in the Special Instructions to Vendors, the award shall be to the lowest responsive and responsible Vendor. When two or more Vendors offer the same pricing, the Purchasing Division will break the tied responses in accordance with the applicable provisions of the Procurement Code. The County reserves the right to make separate award(s) to one or more Vendors for individual goods/services, groups of goods/services, or all or none or any combination thereof. When a group of goods/services is specified in the solicitation, Vendor must include in its response prices for all items within the group.

A Vendor desiring to offer "No Charge" on an item in a group of goods/services must so indicate by placing a \$0.00 in the offer field for that item, and enter "No Charge" in the "Notes for Buyer" section in the EBS. If a Vendor does not comply with these requirements, its response with respect to that group of goods/services will be deemed incomplete and may be rejected. However, if Vendor(s) do not offer all items within a group, the County may issue an award on one or more items on an item-by-item basis. When a group is indicated for variable quantities and the group shows evidence of unbalanced prices, such solicitation response may be rejected. The Director of Purchasing, or the Broward County Board of County

Commissioners ("Board"), as applicable, reserves the right to waive technicalities and irregularities and to reject any or all responses.

8. Qualifications of Vendors.

The County will only award a contract to a Vendor that is normally engaged in providing the types of commodities, services, or construction specified in the solicitation. Vendors must have adequate organization, facilities, equipment, and personnel to ensure prompt and efficient service to the County. The County reserves the right to inspect Vendor's facilities, equipment, personnel, and organization, or to take any other action necessary to determine Vendor's ability to perform in accordance with the solicitation's specifications, terms, and conditions, and Vendor's submittal of its response to the solicitation shall be deemed to constitute Vendor's consent to such inspection. The County will determine whether the evidence of ability to perform is satisfactory, and reserves the right to reject responses and/or find any Vendor nonresponsible where evidence or evaluation is determined to indicate insufficient or uncertainty regarding capacity or ability to perform. The County may also consider a Vendor's history of any and all types of citations, orders, judgments, and/or violations, including those relating to suspensions, debarments, or environmental regulations, in determining responsibility. Vendors must submit with their response a complete history of all citations and/or violations notices and dispositions thereof. Failure of a Vendor to submit such information may be grounds for rejection of Vendor's response and constitutes grounds for termination of Vendor's contract if awarded the solicitation. Vendor shall notify the County immediately of any citations, orders, judgments, or violations not included in Vendor's response that occur at any time prior to award of the contract.

9. Affiliated Entities.

Each Vendor must disclose in its response the names and addresses of its principals and identify all affiliates of Vendor at any time in the five (5) years preceding the date the solicitation was posted. For purposes of this section: (a) "principal" is an individual who is an officer or member of Vendor, or an owner of at least 10% of the equity interest of Vendor; (b) "affiliate" is any entity that directly or indirectly controls, is controlled by, or is under common control with, Vendor or principal(s) of Vendor; and (c) "control" means (i) ownership, directly or indirectly, of fifty percent (50%) or more of the shares of stock entitled to vote for the election of directors, in the case of a corporation, or fifty percent (50%) or more of the equity interests in the case of any other type of legal entity, or (ii) status as a general partner in the case of a partnership, or (iii) any other arrangement whereby a party controls or has the right to control the Board of Directors or equivalent governing body of the entity, or (iv) in the case of a corporation or a partnership, if the abovementioned applicable level of ownership or control is prohibited in any country where the entity is organized or maintains its headquarters or principal place of business, then the maximum ownership or control level for the entity permitted in that country.

10. Resolution of Protested Solicitations and Proposed Awards.

In accordance with Sections 21.65 through 21.67 of the Broward County Procurement Code, if a Vendor intends to protest a solicitation or proposed award of a contract the following shall apply:

(a) Any protest concerning the solicitation's specifications or requirements (or any addendum thereto) must be received by the Director of Purchasing on or before 5:00 p.m. on the fifth (5th) business day after the solicitation or addendum is posted on the EBS.

(b) Any protest concerning a proposed award or ranking must be received by the Director of Purchasing on or before 5:00 p.m. on the fifth (5th) business day after the proposed award or ranking is posted on the Purchasing Division's website.

(c) The protest must be made in writing and must specify the grounds for protest in accordance with Section 21.66 of the Procurement Code.

(d) For purposes of this section, a business day is defined as Monday through Friday between 8:30 a.m. and 5:00 p.m., except County holidays. Failure to timely file a protest within the timeframes specified constitutes a waiver of the right to protest. Pursuant to Section 21.71 of the Procurement Code, the filing of a protest is a remedy that must be exhausted before filing an appeal or civil action.

(e) As a condition of initiating any protest, the protestor must present the Director of Purchasing with a filing fee. The filing fee is calculated based on the estimated contract amount. For purposes of the protest, the estimated contract amount shall be the contract amount submitted by the protestor. If no contract amount was submitted, the estimated contract amount shall be the County's estimated contract price for the project. The County will accept money order, certified check, or cashier's check, payable to Broward County Board of County Commissioners. The filing fee will be refunded if the protestor prevails in the protest. The filing fees are as follows:

Estimated Contract Amount	Filing Fee
Mandatory Bid Amount up to \$250,000	\$500
\$250,001 - \$500,000	\$1,000
\$500,001 - \$5 million	\$3,000
Over \$5 million	\$5,000

11. Public Entity Crimes; Public Business Discrimination; Foreign Country of Concern.

Vendor represents that the submission of its response to this solicitation does not violate the Public Entity Crimes Act, Section 287.133, Florida Statutes. Vendor represents that it has not been placed on the "discriminatory vendor list" as provided in Section 287.134, Florida Statutes, and that it is not a "scrutinized company" pursuant to Section 215.473, Florida Statutes. Vendor represents and certifies that it is not ineligible to contract with the County on any of the grounds stated in Section 287.135, Florida Statutes. Vendor represents that it is, and if awarded the contract will remain for the duration of the contract, in full compliance with Section 286.101, Florida Statutes. Violation of this section shall result in cancellation of Vendor's contract, and may result in suspension and/or debarment.

12. Prohibited Telecommunications Equipment.

Vendor represents and certifies that it and its applicable subcontractors do not use any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, as such terms are used in 48 CFR §§ 52.204-24 through 52.204-26. Vendor represents and certifies that, if awarded this solicitation, Vendor and its applicable subcontractors shall not provide or use such covered telecommunications equipment, system, or services for the duration of any contract resulting from this solicitation.

13. Criminal History Screening Practices.

By submission of its response to this solicitation, Vendor represents and certifies that it has implemented, or will implement upon award of the contract, policies, practices, and procedures that preclude inquiry into an employment applicant's criminal history until the applicant is selected as a finalist and interviewed for the position.

14. Construction Apprenticeship Program (Construction Contracts only).

If the solicitation is for a construction contract as defined in Section 26-9 of the Broward County Code of Ordinances, Vendor represents and certifies that it shall comply for the duration of the contract, if awarded, with Sections 26-8 through 26-11 of the Broward County Code of Ordinances regarding the Construction Apprenticeship Program.

15. State of Florida Division of Corporations Requirements.

Vendor must comply with all state and local business licensing requirements. All corporations, partnerships, and other business entities must have the authority to transact business in the State of Florida and must be in good standing with the Florida Secretary of State before responding to this solicitation. A Vendor that does not comply with the provisions of this section may be deemed nonresponsive to the solicitation.

16. Cone of Silence Ordinance (Invitations to Bid).

The Cone of Silence Ordinance, Section 1-266, Broward County Code of Ordinances, provides that for certain time periods, Vendors and their representatives may not communicate regarding the solicitation with any County Commissioner or their staff or with certain County personnel. However, Vendors may communicate with a representative of the Office of Economic and Small Business Development (“OESBD”) (telephone (954) 357-6400) at any time regarding a solicitation or regarding participation of Small Business Enterprises, County Business Enterprises, Disadvantaged Business Enterprises, or Airport Concessions Disadvantaged Business Enterprises in a solicitation. The Cone of Silence also permits communication with certain other specific County employees (for more information, refer to Section 1-266, Broward County Code of Ordinances). Any violation of the Cone of Silence Ordinance by Vendor or any representative of Vendor, including owner, employee, consultant, lobbyist, or actual or potential subcontractor or subconsultant, may be reported to the County’s Office of Professional Standards. If the Office of Professional Standards determines that a violation has occurred, a fine shall be imposed against Vendor as provided in the Broward County Code of Ordinances. Additionally, a determination of violation shall render any award to a Vendor who is found to have violated the Cone of Silence Ordinance voidable, at the sole discretion of the Board.

17. Contingency Fees.

Vendor certifies it has not paid and will not pay any contingency fees (sometimes known as a finder’s fee) to any person or organization, other than a bona fide employee working solely for Vendor, to secure a contract made pursuant to this solicitation. Violation of this policy may result in termination of any resultant contract and/or possible suspension and/or debarment of Vendor. This provision does not apply to fees paid to an insurance broker in connection with a solicitation to provide insurance coverage to the County.

18. Local Business Tax Receipt Requirements.

Unless exempt under applicable law, any Vendor maintaining a business address within Broward County must have a current Broward County Local Business Tax Receipt issued by the Broward County Records, Taxes and Treasury Division (“Business Tax Receipt”) prior to recommendation for award. Unless exempt, Vendors that do not have a current Business Tax Receipt may be deemed nonresponsive to this solicitation. For further information on obtaining or renewing a Local Business Tax Receipt, contact the Records, Taxes and Treasury Division at (954) 357-6200.

19. Dun & Bradstreet Report Requirement.

The County may review any Vendor’s Dun & Bradstreet rating and payment performance to assist in determining a Vendor’s responsibility regarding this solicitation.

20. Samples.

Samples or drawings, when required, shall be provided to the County free of charge. If not mutilated or destroyed in the examination, Vendor will be notified to remove same at their expense. If samples are not removed within thirty (30) calendar days after written notice to Vendor, they shall be considered as abandoned, and the County shall have the right to dispose of them as its own property.

21. “Or Equal” Clause.

Whenever a material, article, or piece of equipment is identified in the solicitation by reference to a manufacturer or brand name, trade name, catalog number, or otherwise, any such reference is intended merely to establish a standard; and, unless such identification is followed by the words “no substitution is permitted,” any material, article, or piece of equipment of any other manufacturer or brand that will perform or serve the requirements of the solicitation will be considered equally acceptable, provided that

the material, article, or piece of equipment so proposed is, in the sole opinion of the County, equal in substance, quality, and function to the material, article, or piece of equipment specified in the solicitation.

22. Legal Requirements.

Applicable provisions of all federal, state, and local laws, ordinances, rules, and regulations, including the Procurement Code, shall govern development, submittal, and evaluation of responses, and shall govern any and all claims and disputes that may arise between Vendor(s) and the County or its officers, employees, and/or authorized representatives. Lack of knowledge by any Vendor of any applicable law, rule, or regulation shall not constitute a recognizable defense against the legal effect thereof.

C. TERMS AND CONDITIONS OF CONTRACT

1. Contract Period.

The contract period shall start and terminate as indicated in the solicitation's Special Instructions to Vendors. If no contract period is stated in the Special Instructions to Vendors, the contract period shall start upon the date of award and end three (3) years later, unless extended by mutual consent of County and Contractor for up to two (2) additional one (1) year renewal terms. The total contract period, inclusive of the above-referenced renewal terms, shall not exceed five (5) years, unless renewed or extended pursuant to action by the Board. The continuation of the contract beyond the end of any County fiscal year is subject to both the appropriation and the availability of funds in accordance with Chapter 129, Florida Statutes.

If the Director of Purchasing determines to renew the contract as set forth above, the County will provide Contractor with notice of the County's intent to renew in advance of the contract expiration date. If Contractor consents to the renewal or otherwise confirms the request to renew (which may be done electronically), the contract shall be renewed for the stated period. All prices, terms, and conditions of the contract shall remain firm for any renewal period unless subject to price adjustment expressly stated in the solicitation. If the Director of Purchasing does not renew the contract, or if no further renewal of the contract period is available, Contractor nonetheless shall, if directed in writing by the Director of Purchasing, continue contract performance for an extension period not exceeding ninety (90) days beyond the contract expiration date. Contractor shall be compensated for such performance during the extension period at the rate in effect when the Director of Purchasing directed Contractor to continue performance for an extended period beyond the contract expiration date.

2. Orders and Quantities. The contract may be for: (a) a definite quantity; (b) an open-end/indefinite quantity; or (c) all of the County's requirements. The Special Instructions specify the applicable contract type and the associated terms and conditions, which shall govern the contract.

3. Invoice and Payment.

Contractor may submit invoices for payment no more often than on a monthly basis, but only after the goods or services for which the invoices are submitted have been delivered or completed. If subcontractor or supplier fees or costs are included in a Contractor invoice to the County, Contractor must submit a Certification of Payments to Subcontractors and Suppliers with each such invoice in the form provided by the County. Contractor must pay subcontractors and suppliers within fifteen (15) days following receipt of payment from the County for such subcontracted work or supplies. The certification shall be accompanied by a copy of the notification sent to each unpaid subcontractor listed on the form, if any, explaining the good cause why payment has not been made to that subcontractor.

The County shall pay for all goods and services received and accepted by the County in accordance with the Local Government Prompt Payment Act, Section 218.70, Florida Statutes, and the Prompt Payment Policy, Section 1-51.6, of the Broward County Code of Ordinances. All applications for payment shall be submitted to the address indicated in the purchase order. The County will pay Contractor after receipt, acceptance, and proper invoice is received. Invoices must bear the purchase order number. The County will only accept and pay for goods delivered or services performed by Contractor within the contract period, including any extensions or continued performance as directed by the Director of Purchasing.

4. Termination.

(a) **Availability of Funds.** In the event funds for the contract are not made available or otherwise allocated by the Board, the County may terminate the contract upon thirty (30) days prior written notice to Contractor without penalty or liability for such termination. The Board shall be the final authority as to availability of funds and how such available funds are to be allotted and expended.

(b) **Nonperformance.** The County may terminate the contract for cause if Contractor is in breach and does not correct the breach within ten (10) days after written notice from the County Contract Administrator identifying the breach. Cause for termination shall include, but not be limited to, failure to suitably perform the work; failure to suitably deliver goods in accordance with the specifications and instructions in this solicitation; failure to continuously perform the work in a manner calculated to meet or accomplish the objectives of the County as set forth in this solicitation; or multiple breaches of the provisions of the contract notwithstanding whether any breach was previously waived or cured.

(c) **For Convenience.** The County may terminate the contract for convenience upon no less than thirty (30) days written notice. If the contract is terminated for convenience, Contractor shall be paid for any goods properly delivered and services properly performed prior to the termination date specified in the notice from the County. However, upon being notified of the County's election to terminate, unless directed otherwise in writing by the County, Contractor shall cease any deliveries, shipment, or carriage of goods, and refrain from performing further services or incurring additional expenses under the terms of the contract. In no event will payment be made for lost or future profits or damages for Contractor's reliance on continued performance of the contract beyond the effective date of the termination for convenience. Contractor acknowledges and agrees that it has received good, valuable, and sufficient consideration from the County for the County's right to terminate the contract for convenience, the receipt and adequacy of which are hereby acknowledged.

5. Conditions and Packaging.

Unless otherwise stated in the solicitation, or specifically ordered from an accepted price list, deliveries must consist only of new and unused goods and must be the current standard production model available at the time of Contractor's response. The goods must be suitably packaged for shipment by common carrier. Each container, or multiple units or items otherwise packaged, must bear a label or otherwise legible marking stating the name of Contractor (or the manufacturer or supplier), the purchase order number, and any other information required by the solicitation's specifications.

6. Safety Standards.

Unless otherwise specified in the solicitation, all goods and services, including manufactured items and fabricated assemblies, shall comply with applicable requirements of the Occupational Safety and Health Act ("OSHA") and all standards thereunder. All sources of energy associated with machinery/equipment purchased shall be capable of being "locked-out" in accordance with OSHA 29 CFR § 1910.147, Hazardous Energy Control. Pursuant to OSHA 29 CFR § 1910.1200, Hazard Communication Standard, and Chapter 442, Florida Statutes, Occupational Safety and Health, any chemical substance provided or delivered pursuant to this solicitation to the County must be compliant with the Global Harmonized System ("GHS") for Hazard Communication accompanied by a Safety Data Sheet ("SDS") consisting of 16 sections, which SDS must be submitted to the Broward County Risk Management Division, 115 South Andrews Avenue, Room 218, Fort Lauderdale, Florida 33301-1803.

7. Rejection of Nonconforming Items.

The County may withhold acceptance of or reject any items that the County determines do not meet the specification requirements of the solicitation. Upon written notice from County, Contractor must remove the rejected items at its own expense within five (5) calendar days after the County's notice of rejection and then replace them at its own expense with items that meet the specification requirements of the solicitation. Any items not removed by Contractor within thirty (30) days after the County's notice of rejection shall be considered abandoned, and the County may dispose of them in any manner it sees fit. The County shall not be required to give written notice of rejection with respect to foodstuffs, medication, or other perishable goods. With respect to foodstuffs, medication, and other perishable goods, the County may provide verbal notification of rejection, in response to which Contractor must immediately remove and replace the rejected goods at its sole expense. Contractor's failure to provide conforming items, failure to meet the timeframes for removal and replacement specified in this section may result in Contractor being found in breach of contract.

8. Inspection, Acceptance, and Title.

Inspection and acceptance will be at the delivery destination specified in the solicitation, unless otherwise stated in the purchase order. Title and risk of loss or damage to all items shall be the responsibility of Contractor until such items are accepted by the County.

9. Governmental Restrictions and Prohibited Covered Telecommunications Equipment.

In the event any applicable law or regulation requires substitution of the goods or services required by the solicitation (or alteration of the material quality, workmanship, or performance of such goods or services) prior to delivery of same, Contractor must immediately notify the County in writing of the specific law or regulation requiring such substitution or alteration. The County reserves the right to accept any such substitution or alteration, including any price adjustments occasioned thereby, or to terminate the contract without liability and at no further expense to the County. For the duration of the contract, neither Contractor nor its subcontractors shall use any equipment, system, or service that uses covered telecommunications equipment or services as a substantial or essential component of any system, or as critical technology as part of any system, as such terms are used in 48 CFR §§ 52.204-24 through 52.204-26. Additionally, Contractor represents and certifies that if Contractor identifies covered telecommunications equipment or services used as a substantial or essential component of any system, or as critical technology as part of any system, during the term of the contract, or if Contractor is notified of such by a subcontractor at any tier or by any other source, Contractor shall promptly report the information in 48 CFR § 52.204-25(d)(2) to the County.

10. Insurance.

Contractor shall, at its sole expense, maintain the minimum insurance coverages required in the solicitation in accordance with the terms and conditions of this section. Contractor shall maintain insurance coverage against claims relating to any act or omission by Contractor, its agents, representatives, employees, or subcontractors in connection with the contract. Contractor shall ensure that "Broward County" is listed and endorsed as an additional insured on all required policies. Contractor shall ensure that all required insurance coverages remain in full force and effect for the duration of the contract and until all performance required by Contractor has been completed. Contractor shall ensure that all required insurance policies are issued by insurers: (1) assigned an A. M. Best rating of at least "A-" with a Financial Size Category of at least Class VII; (2) authorized to transact insurance in the State of Florida; or (3) a qualified eligible surplus lines insurer pursuant to Section 626.917 or 626.918, Florida Statutes, with approval by the County's Risk Management Division. Contractor shall be solely responsible for and shall pay any deductible or self-insured retention applicable to any claim against the County. Unless prohibited by the applicable policy, Contractor waives any right to subrogation that any of Contractor's insurers may acquire against the County and agrees to obtain same in an endorsement of Contractor's insurance policies.

11. Indemnification.

(a) **Contracts other than construction contracts (as defined in Section 725.06, Florida Statutes):** Contractor shall indemnify, hold harmless, and defend the County and all of the County's current, past, and future officers, agents, and employees (collectively, "Indemnified Party") from and against any and all causes of action, demands, claims, losses, liabilities, and expenditures of any kind, including attorneys' fees, court costs, and expenses, including through the conclusion of any appellate proceedings, raised or asserted by any person or entity not a party to the contract, and caused or alleged to be caused, in whole or in part, by any intentional, reckless, or negligent act or omission of Contractor, its officers, employees, or agents, arising from, relating to, or in connection with the contract (collectively, a "Claim"). If any Claim is brought against an Indemnified Party, Contractor shall, upon written notice from the County, defend each Indemnified Party against each such Claim by counsel satisfactory to the County or, at the County's option, pay for an attorney selected by the County Attorney to defend the Indemnified Party. The obligations of this section shall survive the expiration or earlier termination of this solicitation and the contract term. If considered necessary by the Contract Administrator and the County Attorney, any sums due Contractor under the contract may be retained by the County until all Claims subject to this indemnification obligation have been settled or otherwise resolved. Any amount withheld shall not be subject to payment of interest by the County.

(b) **Construction contracts (as defined in Section 725.06, Florida Statutes):** Contractor shall indemnify and hold harmless the County and its current, past, and future officers and employees from liabilities, damages, losses, and costs, including, but not limited to, reasonable attorneys' fees, to the extent caused by the negligence, recklessness or intentionally wrongful conduct of Contractor or other persons employed or utilized by Contractor in the performance of the contract. The provisions of this section shall survive the expiration or earlier termination of the contract. To the extent considered necessary by the Contract Administrator and the County Attorney, any sums due Contractor under the contract may be retained by the County until all of the County's claims subject to this indemnification obligation have been settled or otherwise resolved, and any amount withheld shall not be subject to payment of interest by the County.

12. Notice.

Notice to the County or Contractor must be sent via U.S. first-class mail, hand delivery, or commercial overnight delivery, each with a contemporaneous copy via email, to the addresses listed below (for the County) or stated in the solicitation (for Contractor), and shall be effective upon mailing or hand delivery (provided the contemporaneous email is also sent). The addresses for notice shall remain as set forth in this section unless and until changed by providing notice of such change in accordance with the provisions of this section.

Fort Lauderdale, Florida 33301-1801

Contractor must identify in its response a designated person and address to whom notice shall be sent when required by the contract.

13. Jurisdiction, Venue, Waiver of Jury Trial.

The contract shall be interpreted and construed in accordance with and governed by the laws of the State of Florida. The exclusive venue for any lawsuit arising from, related to, or in connection with this solicitation or contract shall be in the state courts of the Seventeenth Judicial Circuit in and for Broward County, Florida. If any claim arising from, related to, or in connection with this solicitation or contract must be litigated in federal court, the exclusive venue for any such lawsuit shall be in the United States District Court or United States Bankruptcy Court for the Southern District of Florida. **BY ENTERING INTO THE CONTRACT, EACH OF CONTRACTOR AND THE COUNTY HEREBY EXPRESSLY WAIVE ANY RIGHTS IT MAY HAVE TO A TRIAL BY JURY OF ANY CIVIL LITIGATION RELATED TO THE CONTRACT. IF A PARTY FAILS TO WITHDRAW A REQUEST FOR A JURY TRIAL IN A LAWSUIT ARISING OUT OF THE CONTRACT OR SOLICITATION AFTER WRITTEN NOTICE BY THE OTHER PARTY OF VIOLATION OF THIS SECTION, THE PARTY MAKING THE REQUEST FOR JURY TRIAL SHALL BE LIABLE FOR THE REASONABLE ATTORNEYS' FEES AND COSTS OF THE OTHER PARTY IN CONTESTING THE REQUEST FOR JURY TRIAL, AND SUCH AMOUNTS SHALL BE AWARDED BY THE COURT IN ADJUDICATING THE MOTION.**

14. Patents and Royalties.

Contractor, without exception, shall indemnify, hold harmless, and defend the County, and all of the County's current, past, and future officers, agents, and employees, from liability of any nature or kind, including but not limited to attorneys' fees, costs, and expenses, for or on account of any of any claims by third parties arising out of any copyrighted, trademarked, invention (patented or unpatented), process, or article that is manufactured, used, or otherwise required or occasioned by performance of the contract by Contractor or by the County. Contractor is solely responsible for any and all royalties, fees, or costs resulting or arising from use of any design, device, or materials covered by letters, patent, or copyright. The County shall not be liable or pay any royalties, fees, or costs in connection with the contract or the goods or services provided pursuant to the contract. This provision shall survive the expiration or earlier termination of the contract.

15. Assignment; Subcontractors.

Except for subcontracting approved by the County in advance, neither the contract nor any right or interest in it may be assigned, transferred, subcontracted, or encumbered by Contractor without the prior written consent of the County. Any assignment, transfer, encumbrance, or subcontract in violation of this section shall be void and ineffective, constitute a breach of the contract, and permit the County to immediately terminate the contract, in addition to any other remedies available to the County at law or in equity. The County may condition any consent required under this section upon review of any documentation reasonably requested by the County and/or payment by Contractor of a fee in an amount specified by the County to cover costs incurred by the County in evaluating the transaction for which consent is requested.

16. Equal Employment Opportunity.

Contractor shall not discriminate against any employee or applicant for employment based on race, religion, age, color, sex, gender, national origin, sexual orientation (including as provided in Broward County Code, Chapter 16½), marital status, political affiliation, disability, or physical or mental disability. Contractor shall also take affirmative action to ensure that employees are treated during their employment, without regard to their race, religion, age, color, sex, gender, national origin, sexual orientation, marital status, political affiliation, disability, or physical or mental disability. Such actions shall include, but not be limited to the following: employment, promotion, demotion, transfer, recruitment or recruitment advertising, layoff or termination, rates of pay or other forms of compensation, as well as selection of training, including apprenticeship. Contractor agrees to post notices setting forth the provisions of this nondiscrimination clause in conspicuous places available to employees and applicants for employment.

Contractor must include the foregoing requirements of this Section C.16 in its contracts with any subcontractors or subconsultants that may perform work required by this solicitation, except that any project assisted by U.S. Department of Transportation funds shall comply with the nondiscrimination requirements in 49 CFR Parts 23 and 26, as applicable. Contractor must ensure subcontractors and subconsultants, if any, are aware and comply with the requirements of this section. Failure to comply with above requirements is a material breach of the contract and may result in contract termination or such other remedy as the County deems appropriate, all of such remedies being cumulative.

17. Criminal History Screening. *[Generally applicable to contracts over \$100,000]*

Summary of Vendor Rights Regarding Broward County Competitive Solicitations

The purpose of this document is to provide vendors with a summary of their rights to object to or protest a proposed award or recommended ranking of vendors in connection with Broward County competitive solicitations. These rights are fully set forth in the Broward County Procurement Code, available here: <https://www.broward.org/purchasing>.

1. Right to Object

For Requests for Proposals (RFP), Requests for Qualifications (RFQ) or Requests for Letters of Interest (RLI), vendors may object in writing to a proposed recommendation of ranking made by an Evaluation Committee. Objections must be filed within three (3) business days after the proposed recommendation of ranking (if applicable) is posted on the Purchasing Division's website. The written objection must comply with the requirements stated in Section 21.42(h) of the Procurement Code. Failure to timely and fully meet any requirement will result in the loss of a right to object.

2. Right to Protest

For Invitations to Bid (ITBs), RFP, RFQ, and RLIs, vendors may protest the specifications or requirements of a solicitation (or of any addenda). Protests must be received in writing by the Director of Purchasing within five (5) business days after the applicable solicitation (or addenda) is posted on the Purchasing Division's website.

For ITBs, vendors may protest a recommendation for award made by the Broward County Purchasing Division. For RFPs, RFQs, and RLIs, vendors may protest a final recommendation of ranking made by an Evaluation Committee. In all cases, protests must be filed in writing within five (5) business days after a recommended ranking or recommendation for award is posted on the Purchasing Division's website.

Any protest must comply with requirements stated in Part X of the Procurement Code, including a filing fee (if applicable). Failure to timely and fully meet any requirement will result in a loss of protest rights.

Vendors may appeal the denial of a protest. Section 21.81 of the Procurement Code identifies all other matters that may be appealed. Appeals may require payment of an appeal bond. Appeals must comply with requirements stated in Part XII of the Procurement Code. Failure to timely and fully meet any requirement will result in a loss of appeal rights.

Cone of Silence:

The Board of County Commissioners recently updated provisions of the Cone of Silence Ordinance, Section 1-266, of the Broward County Code of Ordinances, effective as of April 1, 2022.

The County's Cone of Silence Ordinance prohibits all communications, oral or written, relating to a competitive solicitation among vendors/vendor representatives, County Staff, and Commissioner Offices while the cone is in effect. Communications with Purchasing Division employees, the solicitation's designated Project Manager(s) or designee(s), the Office of Economic and Small Business (OESBD) Small Business Development Specialist Supervisor (954-357-6400), and others as specifically identified in the Cone of Silence Ordinance are permitted. Additionally, communication is permitted at pre-bid conferences and negotiation meetings, as applicable.

The Cone of Silence begins upon the advertisement of an ITB, RFP, RFQ, or RLI. The Cone of Silence terminates when the solicitation is awarded, all responses are rejected, or the Board takes other action which ends the solicitation.

Any violations of the Code of Silence Ordinance by any vendor/vendor representative, may be reported to the County's Professional Standards/Human Rights Section. If the County's Professional Standards/Human Rights Section determines that a violation has occurred, a fine shall be imposed as provided in the Broward County Code of Ordinances. At the sole discretion of the Broward County Board of County Commissioners, a violation may void an award of the applicable competitive solicitation.

Review the Cone of Silence Ordinance, Section 1-266 of the Broward County Code of Ordinances, for more detailed information.
