(V) All riparian rights, leases, rents, deposits, profits, licenses and permits in any way relating to the Real Property and the Improvements.

The intention of Mortgagor in executing and delivering this Mortgage to the Mortgagee, and the intention of Mortgagee in accepting the Mortgage is that the interests encumbered by this Mortgage do not include personal property of the nature which is typically the subject of a security agreement associated with the pledge and assignment of assets which are the subject of an asset based loan or of interests in which a lien right is perfected by the UCC-1 Financing Statement filed with the Secretary of State of the applicable jurisdiction. The lien of this Mortgage is for purposes of encumbering interests in real property and for interests directly associated with real property and this encumbrance is normally perfected by means of recording a Mortgage and a UCC-1 Financing Statement in the public records of the jurisdiction of the County public records in which the Real Property is located.

TO HAVE AND TO HOLD the same, together with the tenements, hereditaments and appurtenances thereunto belonging, and the rents, issues and profits thereof, unto the said Mortgagee.

The conditions of this Mortgage are that if Borrower shall well and truly pay to Mortgagee the indebtedness evidenced by the Note, together with any future advance or note hereafter executed by Borrower in accordance with Paragraph 13 of this Mortgage and secured by the lien of this Mortgage, together with interest as therein stated, and shall perform, comply with and abide by each and every stipulation, agreement, condition and covenant contained and set forth in this Mortgage, the Note and all other documents executed or delivered in connection herewith or therewith (the "Loan Documents"), then this Mortgage and the estate hereby created shall cease and be null and void, otherwise to remain in full force and effect.

Mortgagor hereby warrants to Mortgagee that it is indefeasibly seized with fee simple title to the Mortgaged Property, that this instrument constitutes a first mortgage on the Property, and that it will defend the same against the lawful claims and demands of all persons whomsoever.

Mortgagor and Mortgagee further covenant and agree as follows:

1. This Mortgage is subject to the covenant that Borrower will promptly pay when due the amounts due under the Note and perform, comply with and abide by each and every stipulation, agreement, condition and covenant contained in the Note, this Mortgage and the Loan Documents. A late charge equal to five percent (5%) of the payment then due (except for the unpaid principal balance due at Maturity) shall be imposed on any payment due under any of the Loan Documents not made within ten (10) days of the due date to compensate Mortgagee for the additional costs, including but not limited to increased administrative costs, costs for additional bookkeeping entries, collection activity and other similar items incurred as a result of the late payment. Mortgagor recognizes that the exact amounts of additional costs which will be incurred by Mortgagee are difficult to calculate and the late charge provided for hereunder represents a reasonable estimate of those probable costs. In no event shall this provision waive Mortgagee's right to declare an Event of Default, as defined in the Loan Agreement or even dated herewith between Mortgagor and Mortgagee (the "Loan Agreement") and accelerate and demand immediate payment of all of the outstanding principal balance for any payment not made within ten (10) days of the due date for said payment.

2. (a) Mortgagor will pay all governmental taxes, encumbrances and other assessments, levies or liens now or hereafter levied or imposed upon or against the Mortgaged Property prior to such taxes, assessments and liens becoming delinquent and will furnish Mortgagee with paid receipts therefor. If the same or any parts thereof are not paid prior to becoming delinquent, Mortgagee may, at its option, pay same without waiving or affecting Mortgagee's option to foreclose this Mortgage, or any other right of Mortgagee hereunder.

(b) If required by Mortgagee, Mortgagor or Borrower will pay Mortgagee, on the day that payment is due on the Note, each calendar month, a sum equal to one twelfth (1/12) of the annual amounts necessary to pay all taxes and assessments against the said Mortgaged Property, together with the premiums for the insurance required by this Mortgage and the Loan Documents, said monthly sum to be estimated by Mortgagee and calculated based upon an annual amount not less than the amount of taxes assessed against the Mortgaged Property for the previous year and the amount of insurance premiums for the required insurance.

(c) After first giving written notice of its intention to do so to Mortgagee, Mortgagor may, at its expense, contest in good faith any such levy, tax, assessment or other charge levied or imposed against the Mortgaged Property and, in such event, may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless Mortgagee shall notify Mortgagor in writing that non-payment of any such items will cause the lien or priority of this Mortgage to be materially endangered or the Mortgaged Property or any part thereof will be subject to loss or forfeiture, in which event Mortgagor shall promptly pay or bond and cause to be satisfied or discharged all such unpaid items or furnish, at Mortgagor's expense, indemnity satisfactory to Mortgagee.

3. In the event Mortgagor fails to timely pay principal or interest in the manner provided for in the Note on or before the date when due, or fails to fully and promptly perform any other obligation under this Mortgage, the Note or the Loan Documents, including the Loan Agreement, or to otherwise execute, comply with and abide by each and every one of the covenants, conditions or stipulations of this Mortgage, the Note or the Loan Documents, including the Loan Agreement, Mortgagor shall, after applicable grace or notice periods, if any, be deemed to be in default under this Mortgage and all of the outstanding principal and interest due under the Note and any and all sums mentioned herein or secured hereby shall, at Mortgagee's option, become immediately due and payable.

4. In the event of a suit being instituted to foreclose this Mortgage, Mortgagee shall be entitled to apply at any time after the commencement of such suit to the court having jurisdiction thereof for the appointment of a receiver of all the Mortgaged Property, and of all rents, income, profits, issues and revenues thereof, from whatsoever source derived. Mortgagor agrees that the court shall forthwith appoint such receiver with the usual powers and duties of receivers in like cases and that said appointment shall be made by the court as a matter of strict right of the Mortgagee, without reference to the adequacy of the value of the Mortgaged Property, or the solvency of Mortgagor or any other party defendant to such suit. Mortgagor hereby waives the right to object to the appointment of a receiver and consents that such appointment shall be made as an admitted equity of the Mortgagee.

5. Mortgagor will, at its expense, obtain and maintain the following insurance coverage during such time as there are any sums due by Mortgagor to Mortgagee under the Loan Documents:

(a) broad form public liability insurance for loss of life and personal injury arising out of any one occurrence, and for loss of life or personal injury to any one person and for property damage, in amounts reasonably satisfactory to Mortgagee; and

(b) an all risks form of casualty insurance insuring the Improvements against loss or damage by fire, wind storm and all other perils for no less than their full replacement cost; and

(c) in the event the Real Property is designated as being in a Flood Zone, then flood insurance covering the Improvements for an amount equal to the lesser of (i) the outstanding principal balance under the Note, or (ii) the maximum coverage available for the Improvements under the National Flood Insurance Program.

All such policies shall specifically name Mortgagee as an additional insured, shall be with such companies, on such forms and with such deductibles as Mortgagee may require and shall each contain an endorsement by the insurer agreeing to not cancel or materially alter any such policy without thirty (30) days prior written notice to Mortgagee. Copies of the initial and renewal policies and original certificates shall be furnished to Mortgagee and such policies shall have affixed thereto a Standard New York Mortgage Clause making all proceeds under such policies payable to the Mortgagor and Mortgagee, as their interests may appear. In the event the Improvements are destroyed or damaged by fire or other casualty, any insurance proceeds shall be paid to the Mortgagee. Mortgagee shall have the option, in its sole discretion, to apply the same on account of the indebtedness secured hereby or to permit the Mortgagor to use all or any portion thereof, for the purpose of reconstructing and repairing the Improvements, without thereby waiving or impairing any equity, lien or right under or by virtue of this Mortgage. If Mortgagor fails to furnish the insurance required hereunder, Mortgagee may place and pay for such insurance, or any part thereof, at the Mortgagor's expense, without losing, waiving or affecting Mortgagee's option to foreclose for breach of this covenant or any right or option under this Mortgage.

6. Mortgagor will not permit or commit any waste to the Mortgaged Property and will at all times maintain the Mortgaged Property in a state of good repair and condition and unless otherwise specifically permitted under the Loan Documents, will not do or permit anything to be done to the Mortgaged Property that will alter or change the use and character of said property in a manner which would impair or weaken the security of this Mortgage. In case of the refusal, neglect or inability of the Mortgagor to repair and maintain the Mortgaged Property, Mortgagee may, at its option, make such repairs or cause the same to be made and advance funds for such purpose, at Mortgagor's expense, which sums shall be secured by the lien hereof.

7. No waiver of any covenant contained in the Note, this Mortgage, the Loan Documents or in any other instrument securing payment of the Note shall at any time be held to be a waiver of any of the other terms of this Mortgage, the Note or the Loan Documents, or a future waiver of the same covenant.

8. In order to accelerate the maturity of the indebtedness secured hereby because of Mortgagor's failure to pay any governmental tax, assessment, liability, obligation or encumbrance upon the Mortgaged Property, or any other payment required to be paid by the Mortgagor pursuant to this Mortgage or the Loan Documents, it shall not be necessary or required that Mortgagee first pay same.

9. Mortgagor shall not further mortgage or encumber all or any portion of the Mortgaged Property or sell, convey or assign same or any part thereof without Mortgagee's prior written consent, which consent may be arbitrarily withheld. Without in any way limiting the generality of this paragraph, any transaction (i) conveying any interest in the Mortgaged Property pursuant to an agreement for deed; (ii) resulting in a lease of all of the Mortgaged Property, except as may otherwise be permitted in the Loan Documents; (iii) resulting in a sale, transfer or other mechanism to establish any change in ownership or control of stock membership interest or any member or shareholder of Mortgagor; shall constitute a conveyance pursuant to this paragraph and give rise to all rights of the Mortgagee where Mortgagor is deemed to be in default.

10. If any judgment, mechanic's, materialman's, laborer's or any other lien or claim is filed against all or any portion of the Mortgaged Property or if any proceedings are instituted against all or any portion of the Mortgaged Property upon any lien or claim of any nature whatsoever, regardless of whether such lien or claim is junior or superior to the lien of this Mortgage, Mortgagee may declare an Event of Default, as defined in the Loan Agreement, and accelerate and demand immediate payment of all sums due under the Note unless Mortgagor shall remove such lien or

satisfy such judgment or claim by payment or by transferring same to a bond issued by a surety company acceptable to Mortgagee within thirty (30) days after Mortgagor has knowledge of the filing of such lien or judgment or the institution of such claim.

11. Mortgagor hereby agrees that, in consideration of the recitals and mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, in the event Mortgagor shall (i) file with any bankruptcy court of competent jurisdiction or be the subject of any petition under Title 11 of the U.S. Code, as amended, (ii) be the subject of any order for relief issued under such Title 11 of the U.S. Code, as amended, (iii) file or be the subject of any petition seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any present or future federal or state act or law relating to bankruptcy, insolvency, or other relief for debtors, (iv) have sought or consented to or acquiesced in the appointment of any trustee, receiver, conservator, or liquidator, (v) be the subject of any order, judgment, or decree entered by any court of competent jurisdiction approving a petition filed against such party for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any present or future federal or state act or law relating to bankruptcy, insolvency, or relief for debtors, Mortgagee shall thereupon be entitled to relief from any automatic stay imposed by Section 362 of Title 11 of the U.S. Code, as amended, and is entitled to the exercise of the rights and remedies otherwise available to Mortgagee as provided in the Loan Documents, and as otherwise provided by law. Mortgagor shall have 45 days to discharge any of the above proceedings which are initiated by third parties, prior to Mortgagee exercising its rights and remedies upon the occurrence of an Event of Default by the Mortgagor, to allow Mortgagee an opportunity to terminate such proceedings and to meet all of the obligations that Mortgagor has to the Mortgagee.

12. Mortgagee or any of its agents shall have the right to enter upon and inspect the Mortgaged Property at all reasonable times, upon reasonable notice.

13. At any time within twenty (20) years from the date of this Mortgage, this Mortgage shall also secure the following listed obligations and debts up to a maximum principal amount of 300% of the principal sum secured hereby, exclusive of interest and other charges, and these items will have the same priority as the original indebtedness of Mortgagor and be subject to all the terms and provisions of this Mortgage: (a) any future advances made by Mortgagee to Mortgagor (or any of them, if more than one) together with interest thereon at the rate agreed upon at the time of such loan or advance; and (b) all other indebtedness of Mortgagor (and each of them, if more than one) and of any guarantor or accommodation maker of the debt of Mortgagor to Mortgagee, however and wherever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, sole, joint or several, due or to become due, or which may be hereafter contracted or acquired, whether arising in the ordinary course of business or otherwise, together with fees, costs, and interest thereon at the rate agreed upon at the time that such indebtedness is incurred, and attorneys' fees and costs or other related advances made by Mortgagee for the payment of taxes, levies, or insurance on the Mortgaged Property, and for maintenance, repair, protection, and preservation of the Mortgaged Property, with interest on such disbursements, all as provided in this Mortgage.

14. Upon Mortgagee's request, Mortgagor and Borrower will, within ten (10) calendar days from receipt of written request, furnish a written statement of the amount owing on the obligation which this Mortgage secures and therein state whether or not it claims any defaults, defenses or offsets thereto, along with such other information as Mortgagee may require.

15. Nothing herein contained, nor any instrument or transaction related hereto, shall be construed or so operate as to require the Mortgagor, or any person liable for the payment of the Loan made pursuant to the Note and Loan Documents secured by this Mortgage, to pay interest in an amount or at a rate greater than the maximum allowed by law. Should any interest or other charges paid by the Mortgagor, or any parties liable for the payment of the Note secured by this Mortgage, result in the computation or earning of interest in excess of the maximum rate of interest which is permitted under law, then any and all such excess shall be and the same is hereby waived by the Mortgagee, and all such excess shall be automatically credited against and in reduction of the principal balance, and any portion of said excess which exceeds the principal balance shall be paid by the Mortgagee to the Borrower and any parties liable for the payment of the Note secured by this Mortgage, it being the intent of the parties hereto that under no circumstances shall the Mortgagor, or any parties liable for the payment of the Note secured hereby, be required to pay interest in excess of the maximum rate allowed by law.

16. (a) The Mortgagee may, at its option, in its own name (i) appear or proceed in any condemnation proceeding, and (ii) make any compromise or settlement thereof, provided that so long as the Mortgagor promptly

prosecutes any compromise or settlement thereof, the Mortgagor shall control any compromise or settlement proceeding with the result thereof being subject to the Mortgagee's approval. The Mortgagor shall give the Mortgagee immediate notice of the initiation of any condemnation proceeding, and a copy of every pleading, notice and other items served in any condemnation proceeding. Mortgagor hereby assigns, transfers and sets over unto the Mortgagee the entire proceeds of any award or any claim for damages for any of the Premises taken or damaged under the power of eminent domain or by condemnation. Mortgagee may elect to apply the proceeds of the award upon or in reduction of the Indebtedness, whether due or not, or make said proceeds available for restoration or rebuilding of the Premises. In the event that Mortgagee elects, in Mortgagee's sole and absolute discretion, to make said proceeds available to reimburse Mortgagor for the cost of the rebuilding or restoration of the Improvements, such proceeds shall be made available in the manner and under the conditions that Mortgagee may require. In any event, the Improvements shall be restored or rebuilt in accordance with plans and specifications to be submitted to and approved by Mortgagee prior to commencement of any building or restoration. If the proceeds are made available by Mortgagee to reimburse Mortgagor for the cost of said rebuilding or restoration, any surplus which may remain out of said award after payment of such cost of rebuilding or restoration shall at the option of Mortgagee be applied on account of the Indebtedness or be paid to any party entitled thereto. No interest shall be allowed to Mortgagor on the proceeds of any award held by the Mortgagee.

(b) In case of loss or damage by fire or other casualty, Mortgagor shall, if no Event of Default then exists hereunder, have the sole and exclusive right to settle, compromise or adjust any claim under, and receive, for the purpose of rebuilding and restoration, the proceeds arising from, any and all losses payable under insurance policies to the extent the amount thereof does not exceed One Hundred Thousand and 00/100 Dollars (\$100,000.00), and all claims for losses in excess of said amount shall be settled, compromised or adjusted only with the mutual agreement of Mortgagor and Mortgagee and the proceeds paid as hereinafter provided. In the event insurance proceeds in excess of One Hundred Thousand and 00/100 Dollars (\$100,000.00) are payable or if a Mortgagor Default exists hereunder, then in either of such events, Mortgagee is authorized to collect and receipt for any insurance proceeds. Insurance proceeds collected by Mortgagee as aforesaid, after deducting therefrom any expenses incurred in the collection thereof, shall, if requested by Mortgagor in writing within thirty (30) days after the proceeds of insurance covering such damage or destruction become available, be made available to Mortgagor for the purpose of paying the cost of rebuilding or restoring of the Improvements if (i) the Improvements, in Mortgagee's reasonable discretion are capable of being restored to that condition which existed immediately prior to the damage or loss, (ii) the insurance proceeds, together with all other funds which are to be provided by Mortgagor, are sufficient to restore the Improvements, (iii) Mortgagee determines that income from the Real Property shall not be materially affected following the completion of the restoration or rebuilding, (iv) no Event of Default then exists hereunder or under any other Loan Document, and no circumstance or condition exists that would constitute a default upon the giving of notice or the passage of time, or both, and (v) the rebuilding and restoration is reasonably estimated to be completed at least one hundred eighty (180) days prior to the Maturity Date as specified in the Note. In the event that Mortgagee makes said proceeds available to Mortgagor to pay the cost of rebuilding or restoring of the Improvements, such proceeds shall be made available in the manner and under the conditions that the Mortgagee may reasonably require to assure proper application of such proceeds. In the event such insurance proceeds are made available by the Mortgagee, the Mortgagor shall pay all costs incurred by Mortgagee in connection with the application of such insurance proceeds (including but not limited to reasonable costs incurred by Mortgagee, and a title company or agent approved by Mortgagee in overseeing the disbursement of such insurance proceeds). The Improvements shall be restored or rebuilt so as to be of at least equal value and substantially the same character as prior to such damage or destruction. If the projected cost of rebuilding, repairing or restoring of the Improvements exceeds the sum One Hundred Thousand and 00/100 Dollars (\$100,000.00), then insurance proceeds shall not be made available to Mortgagor unless and until Mortgagee has approved plans and specifications for the proposed rebuilding and restoration, which approval shall not be unreasonably withheld. If the proceeds are to be made available by Mortgagee to Mortgagor to pay the cost of said rebuilding or restoration, any surplus which may remain out of said insurance proceeds after payment of the costs of rebuilding or restoring the Improvements shall, at the option of the Mortgagee, be applied on account of the Loan or be paid to any party entitled thereto under such conditions as Mortgagee may reasonably require. No interest shall be allowed to Mortgagor on any proceeds held by Mortgagee for less than ninety (90) days. In the event proceeds of insurance are not made available by Mortgagee to Mortgagor for the purpose of paying the cost of the rebuilding or restoring of the Improvements, Mortgagee, after deducting the costs of any collection, adjustment and compromise, shall apply such insurance against the Loan balance, allocated first to fees, costs, accrued interest and then, if applicable, the principal balance.

(c) In case of loss or damage by fire or other casualty, Mortgagor shall promptly give Mortgagee and the insurance companies that have insured against such risks written notice of such occurrence. Each

such notice shall generally describe the nature and extent of such damage, destruction, taking, loss, proceedings or negotiations.

17. This Mortgage shall also be construed and shall operate as a security agreement under the State of Florida Uniform Commercial Code.

18. Time is of the essence to this Mortgage and all the provisions hereof.

19. In the event any legal action is commenced to enforce the provisions of this Mortgage or as a result of the relationship created hereby, the Mortgagee shall be entitled to recover all attorneys' fees, costs, charges and expenses incurred or paid by it at both trial and all appellate levels.

20. All rights and remedies granted to Mortgagee herein shall be in addition to and not in lieu of any rights and remedies provided to mortgagees by law or statute, and the invalidity of any right or remedy herein provided by reason of its conflicts with applicable law or statute shall not affect any other valid right or remedy afforded to Mortgagee by any provision hereof or by applicable law.

21. To the extent of the indebtedness of the Borrower to the Mortgagee as described herein and secured hereby, the Mortgagee is subrogated to the lien or liens and to the rights of the owners and holders of each and every mortgage, lien or other encumbrance on the Mortgaged Property or any part thereof which is paid or satisfied, in whole or in part, out of the proceeds of the Note. The respective liens of said mortgages, liens or other encumbrances shall be preserved and shall pass to and be held by the Mortgagee as security for the indebtedness described herein or secured hereby, to the same extent that it would have been preserved and would have been passed to and held by the Mortgagee had it been duly and regularly assigned to the Mortgagee by separate assignment, notwithstanding the fact that the same may be satisfied and cancelled of record, it being the intention of the parties that the same will be satisfied and cancelled of record by the holder thereof at or about the time of the recording of this Mortgage.

22. Mortgagor warrants and represents that except as otherwise acknowledged in a separate written agreement or letter between Mortgagor and Mortgagee it has no knowledge of any violations of any type or manner of any law, ordinance, orders, requirements or regulations imposed on or affecting the Mortgaged Property, that Mortgagor shall not permit any such violation to be created or to exist and that Mortgagor has not received notice of any such violation from any municipal, county, federal or state government or agency thereof. In the event that Mortgagor receives any notice of any such violation from any governmental body or agency thereof, Mortgagor agrees to immediately give notice thereof to Mortgagee, and to take all necessary or appropriate actions to cure or otherwise resolve such violation within thirty (30) days after receipt by Mortgagee of the notice of violation, or, in the event it cannot be cured in thirty (30) days, then to diligently and continuously undertake and complete the cure within a reasonable time of notice of this violation. In the event any such violation is not cured or otherwise resolved within said thirty (30) day period or such longer period as may be reasonably necessary, or as otherwise agreed to in writing by Mortgagee, the Mortgagee may declare the Note hereby secured forthwith due and payable, whereupon the principal of and the interest accrued on the Note and all other sums hereby secured shall become forthwith due and payable.

23. Mortgagor may be required at Mortgagor's expense to deliver to Mortgagee current and updated title information concerning the Mortgaged Property, at all times during the life of this Mortgage.

24. (a) This Mortgage further secures all costs, fees, charges and expenses of every kind, including the cost of title or lien searches of the Real Property, in connection with any suit for the foreclosure of this Mortgage, and reasonable attorneys' fees incurred or expended at any time by the Mortgagee because of the failure of Mortgagor to perform, comply with and abide by the covenants, conditions and stipulations of the Note, this Mortgage or the Loan Documents.

(b) If Mortgagor fails to comply with any provision of this Mortgage, and Mortgagee expends any money in obtaining the performance or satisfaction of such requirement, then all such sums shall bear interest from the date of disbursement by Mortgagee at the highest rate permitted by law. This rate shall apply before and after any final judgment is entered for any amounts due under the Note.

25. This Mortgage shall be governed and construed under the laws of the State of Florida.

26. Mortgagor agrees:

(a) To comply with all the terms, covenants, agreements and conditions of any mortgage encumbering the property herein described, whether superior or junior to the lien of this Mortgage.

(b) That any default, breach or violation of any term, covenant, agreement or condition of any such mortgage, whether superior or junior to the lien of this Mortgage, shall, subject to applicable notice and grace periods, if any, be an Event of Default hereunder and shall vest in Mortgagee all and every one of the remedies herein provided for in case of default.

(c) That failure by the Mortgagor to pay the monies referred to in any other mortgage, whether superior or junior to the lien of this Mortgage, within thirty (30) days next after the same severally become due and payable, shall also constitute an Event of Default under this Mortgage.

(d) That if any proceedings should be instituted against the Real Property upon any other lien or claim whether superior or junior to the lien of this Mortgage, the Mortgagee may at its option declare this Mortgage and the indebtedness secured hereby due and payable forthwith and may at its option proceed to foreclose this Mortgage.

(e) That Mortgagee shall have the right, at its option, to cure any Event of Default under any other mortgage or lien, whether superior or junior to the lien of this Mortgage.

(f) That any sums advanced by Mortgagee in curing any Events of Default of Mortgagor shall be included as part of the debt of the Mortgagor and shall be secured by this Mortgage.

(g) The Mortgagor covenants and agrees not to enter into any agreement with the holder of any other mortgage, whether junior or senior to the lien of this Mortgage, modifying or amending any of the provisions dealing with payment of principal or interest under any other mortgage without the prior written consent of the Mortgagee.

(h) The Mortgagor covenants and agrees that no further advances shall be made under the provisions for future advances, if any, under any other mortgage, or, in the alternative, Mortgagor covenants and agrees that any advances made under any other mortgage shall be applied to reduce the balance under this Mortgage.

27. Mortgagor warrants to Mortgagee that, to the best of its knowledge and except as otherwise disclosed to Mortgagee in any Phase I or Phase II environmental reports that were provided to Mortgagee, the Mortgaged Property has not in the past and is not presently being used for the handling, storage, transportation, or disposal of hazardous or toxic materials, and no notice or advice has been received by Mortgagor of any condition or state of facts that would contribute to a claim of pollution or any other damage to the environment by reason of the conduct of any business on the Mortgaged Property or operation of the Mortgaged Property, whether past or present. The Mortgagor acknowledges that the Mortgagee has relied upon the Mortgagor's representations and the information contained in such Phase I and Phase II environmental reports, has made no independent investigation of the truth thereof, is not charged with any knowledge contrary thereto that may be received by an examination of the public records in the State of Florida, or that may have been received by any officer, director, agent, employee or shareholder of Mortgagee.

28. In further consideration of the Loan and as further and additional security to Mortgagee, and in consideration of the sum of TEN DOLLARS (\$10.00) to the undersigned in hand paid, the receipt whereof is hereby acknowledged, the Mortgagor, does hereby sell, assign and transfer unto Mortgagee all the rents, issues and profits now due and which may hereafter become due under or by virtue of any lease, whether written or verbal, or any letting of, or of any agreement for the use or occupancy of any of the Real Property, which may have been heretofore or may be hereafter made or agreed to or which may be made or agreed to by Mortgagee under the powers herein granted, it being the intention hereby to establish an absolute transfer and assignment of all said leases and agreements, and all the avails thereof, to Mortgagee, and the undersigned does hereby irrevocably appoint Mortgagee as its true and lawful attorney in its name and stead (with or without taking possession of the aforesaid premises), to rent, lease or let all or any portion of said premises to any party or parties at such rental and upon such terms as Mortgagee may determine, in its sole discretion, and to collect all of said rents, issues and profits arising from or accruing at any time hereafter, and all now due, or that may hereafter become due under each and all of the leases and agreements, written or verbal, or other tenancy existing or which may hereafter exist on said premises, with the same rights and powers and subject to the same immunities, exoneration of

liability and rights of recourse and indemnity as Mortgagee would have upon taking possession of the said premises pursuant to the provisions hereinafter set forth.

29. The undersigned represents and agrees that no rent has been or will be paid by any person or entity in possession of any portion of the Real Property for more than two months in advance and that the payment of the rents to accrue for any portion of the Real Property has not been or will not be waived, released, reduced, or discounted, or otherwise discharged or compromised by the undersigned. The undersigned waives any right of setoff against any person in possession of any portion of the Real Property. The undersigned agrees that it will not further assign any of the rents or profits of the Real Property.

30. Nothing herein contained shall be construed so as to make Mortgagee a "mortgagee in possession" in the absence of the taking of actual possession of the said premises by Mortgagee pursuant to the provisions hereinafter contained. In the exercise of the powers herein granted to Mortgagee, no liability shall be asserted or enforced against Mortgagee, all such liability being expressly waived and released by the undersigned.

31. The undersigned further agrees to assign and transfer to Mortgagee all future leases upon all or any part of the above described premises and to execute and deliver, immediately upon the request of Mortgagee, all such further assurances and assignments in the premises as Mortgagee shall from time to time require.

32. Although it is the intention of the parties that this assignment of rents shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that Mortgagee shall not exercise any of the rights and powers conferred upon it herein until and unless a default shall occur in the payment of interest or principal due under the Note secured by the above described Mortgage or in the performance or observance of any of the conditions or agreements of any documents or instruments executed in connection with the Loan, or of any instrument now or at any time securing the Note, as the same may be modified or extended, and said default has not been cured within an applicable grace or cure period, and nothing herein contained shall be deemed to effect or impair any rights which Mortgagee may have under the Note and Mortgage, or any other instrument securing the Notes.

33. In any case in which under the provisions of this Mortgage Mortgagee has a right to institute foreclosure proceedings, whether before or after the entire principal sum secured thereby is declared to be immediately due, or whether before or after institution of legal proceedings to foreclose the lien thereof or before or after sale thereunder, forthwith, upon demand of Mortgagee, the undersigned agrees to surrender to Mortgagee and Mortgagee shall be entitled to take actual possession of the premises or any part thereof personally, or by its agents or attorneys, and Mortgagee in its discretion may, with or without force and with or without process of law, enter upon and take and maintain possession of all or any part of said premises, together with all the documents, books, records, papers and accounts of the undersigned or the then owner of the premises relating thereto, and may exclude the undersigned, its agent or servants wholly therefrom and may as attorney in fact or agent of the undersigned, or in its own name as mortgagee and under the powers herein granted, hold, operate, manage and control the premises and conduct the business, if any, thereof either personally or by its agents, contractors or nominees, with full power to use such measures, legal or equitable, as in its discretion or in the discretion of its successors or assigns may be deemed proper or necessary to enforce the payment of the rents, issues and profits of the premises, including actions for the recovery of rent, actions in forcible detainer and actions in distress of rent, hereby granting full power and authority to exercise each and every of the rights, privileges and powers herein granted at any and all times hereafter, without notice to the undersigned, and with full power to cancel or terminate any lease or sublease for any cause or on any ground which would entitle undersigned to cancel the same, to elect to disaffirm any lease or sublease made subsequent to the Mortgage or subordinated to the lien thereof, to make all necessary or proper repairs, decorations, renewals, replacements, alterations, additions, betterments and improvements to the above described premises that may seem judicious, in its discretion, to insure and reinsure the same for all risks incidental to Mortgagee's possession, operation and management thereof and to receive all such rents, issues and profits.

34. Mortgagee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any leases or rental agreements relating to said premises, and the undersigned shall and does hereby agree to indemnify and hold Mortgagee harmless of and from any and all liability, loss or damage which it may or might incur under any leases or agreements or under or by reason of the assignment thereof, and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in said leases or agreements.

35. Mortgagee in the exercise of the rights and powers conferred upon it by this assignment of rents shall have full power to use and apply the rents, issues and profits of the premises to the payment of or on account of the following, in such order as it may determine:

- (a) To the payment of the operating expenses of the Property, including cost of management and leasing thereof (which shall include reasonable compensation to Mortgagee and its agents or contractors, if management be delegated to any agent or contractors, and it shall also include lease commissions and other compensation and expenses of seeking and procuring tenants and entering into leases), established claims for damages, if any, and premiums on insurance hereinabove authorized;
- (b) To the payment of taxes and special assessments now due or which may hereafter become due on said premises;
- (c) To the payment of all repairs, decorating, renewals, replacements, alterations, additions, or betterments and improvements of said premises, including, without limitation, the cost from time to time of installing and/or replacing refrigeration and gas or electric stoves therein, and of placing said property in such condition as will, in the judgment of the mortgagee, make it readily rentable; and
- (d) To the payment of any indebtedness secured by the Mortgage or any deficiency which may result from any foreclosure sale.

The undersigned does further specifically authorize and instruct each and every present and future lessee or tenant of the whole or any part at the Mortgaged Property to pay all unpaid rental agreed upon in any tenancy to Mortgagee upon receipt of demand from Mortgagee to pay the same.

36. **ALL DOCUMENTARY STAMP TAXES AND INTANGIBLE TAXES DUE AND PAYABLE IN CONNECTION WITH THE EXECUTION AND DELIVERY OF THIS MORTGAGE HAVE BEEN PAID SIMULTANEOUSLY WITH THE RECORDING OF THE MORTGAGE BASED ON THE PRINCIPAL BALANCE OF THE OBLIGATIONS AS ESTABLISHED BY THE AMOUNT OF THE NOTE.** In any event, however, Mortgagor acknowledges and agrees, upon Mortgagee's request, to pay all taxes, including without limitation, additional documentary stamps and intangible taxes, which are deemed to be due and payable in connection with this Mortgage, if any.

37. Mortgagor acknowledges and agrees that the Mortgagor's obligation to pay the indebtedness in accordance with the provisions of the Note, this Mortgage, and the Loan Documents is, and shall at all times continue to be, absolute and unconditional in all respects, and shall at all times be valid and enforceable irrespective of any other agreements or circumstances of any nature whatsoever which might otherwise constitute a defense to the Note, this Mortgage, the Loan Documents, or the obligation of the Mortgagor thereunder to pay the indebtedness or the obligations of any other person relating to the Note, this Mortgage, the Loan Documents or the obligations of the Mortgagor under the Note, this Mortgage, the Loan Documents, or otherwise with respect to the loan secured hereby. Mortgagor absolutely, unconditionally, and irrevocably waives and agrees not to assert against Mortgagee or its assigns any and all defenses, claims, or counterclaims of any nature whatsoever, either at law or in equity or both, including defenses or claims based on fraud or misrepresentation, other than actual payment and performance of the indebtedness, that in any way relate to the Note, this Mortgage, or the Loan Documents and Mortgagor's obligation to pay under the Note, this Mortgage, and the Loan Documents or any action brought to foreclose the Note, Mortgage, or Loan Documents and realize upon the lien and security interest created by this Mortgage and the Loan Documents, in whole or in part, including, but not limited to, claims of setoff, recoupment, or other similar rights or claims, which may be raised or asserted by the Mortgagor, and which may have occurred or arisen prior to, at, or after execution of this Mortgage, the Note, and/or the Loan Documents. Without in any way limiting the broadness and generality of the above provisions hereof Mortgagor also expressly waives the following defenses and/or claims or counterclaims: (a) any defense based upon any lack of authority of the officers, directors, partners, or agents acting or purporting to act on behalf of Mortgagor or any principal of Mortgagor or any defect in the formation of Mortgagor or any principal of Mortgagor; (b) any and all rights and defenses arising out of an election of remedies by Mortgagee; (c) presentment, demand, protest and notice of any kind; (d) any right or claim of right to cause a marshalling of any of Mortgagor's assets or the assets of any other party now or hereafter held as security for Mortgagor's obligations; and (e) the benefit of any statute of limitations affecting the liability of Mortgagor hereunder or the enforcement hereof.

38. Mortgagor hereby acknowledges and agrees that: (a) the obligations undertaken by Mortgagor in this Mortgage, the Note, and the Loan Documents are complex in nature; (b) numerous possible defenses to the enforceability of these obligations may presently exist and/or may arise hereafter; (c) numerous possible claims or counterclaims against Mortgagee may presently exist and/or may arise hereafter relating to this Mortgage, the Loan Documents, or this transaction; (d) as part of Mortgagee's consideration for entering into this transaction, Mortgagee has specifically bargained for the waiver and relinquishment by Mortgagor of all such defenses, claims, and/or counterclaims; and (e) Mortgagor has had the opportunity to seek and receive legal advice from skilled legal counsel in the area of financial transactions of the type contemplated herein. Given all of the above, Mortgagor does hereby represent and confirm to Mortgagee that Mortgagor is fully informed regarding, and that Mortgagor does thoroughly understand: (i) the nature of all such possible defenses, claims, or counterclaims; (ii) the circumstances under which such defenses, claims, or counterclaims may arise; (iii) the benefits which such defenses, claims, or counterclaims may confer upon Mortgagor; and (iv) the legal consequences to Mortgagor of waiving such defenses, claims, and counterclaims. Mortgagor acknowledges that Mortgagor makes this Mortgage with the intent that this Mortgage and all of the informed waivers herein shall each and all be fully enforceable by Mortgagee, and that Mortgagee is induced to enter into this transaction in material reliance upon the presumed full enforceability thereof.

39. MORTGAGOR HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS MORTGAGE, THE NOTE AND ANY OTHER LOAN DOCUMENTS, AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HERewith OR THEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF EITHER PARTY. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE MORTGAGEE EXTENDING CREDIT TO MORTGAGOR.

(V) All riparian rights, leases, rents, deposits, profits, licenses and permits in any way relating to the Real Property and the Improvements.

The intention of Mortgagor in executing and delivering this Mortgage to the Mortgagee, and the intention of Mortgagee in accepting the Mortgage is that the interests encumbered by this Mortgage do not include personal property of the nature which is typically the subject of a security agreement associated with the pledge and assignment of assets which are the subject of an asset based loan or of interests in which a lien right is perfected by the UCC-1 Financing Statement filed with the Secretary of State of the applicable jurisdiction. The lien of this Mortgage is for purposes of encumbering interests in real property and for interests directly associated with real property and this encumbrance is normally perfected by means of recording a Mortgage and a UCC-1 Financing Statement in the public records of the jurisdiction of the County public records in which the Real Property is located.

TO HAVE AND TO HOLD the same, together with the tenements, hereditaments and appurtenances thereunto belonging, and the rents, issues and profits thereof, unto the said Mortgagee.

The conditions of this Mortgage are that if Borrower shall well and truly pay to Mortgagee the indebtedness evidenced by the Note, together with any future advance or note hereafter executed by Borrower in accordance with Paragraph 13 of this Mortgage and secured by the lien of this Mortgage, together with interest as therein stated, and shall perform, comply with and abide by each and every stipulation, agreement, condition and covenant contained and set forth in this Mortgage, the Note and all other documents executed or delivered in connection herewith or therewith (the "Loan Documents"), then this Mortgage and the estate hereby created shall cease and be null and void, otherwise to remain in full force and effect.

Mortgagor hereby warrants to Mortgagee that it is indefeasibly seized with fee simple title to the Mortgaged Property, that this instrument constitutes a first mortgage on the Property, and that it will defend the same against the lawful claims and demands of all persons whomsoever.

Mortgagor and Mortgagee further covenant and agree as follows:

1. This Mortgage is subject to the covenant that Borrower will promptly pay when due the amounts due under the Note and perform, comply with and abide by each and every stipulation, agreement, condition and covenant contained in the Note, this Mortgage and the Loan Documents. A late charge equal to five percent (5%) of the payment then due (except for the unpaid principal balance due at Maturity) shall be imposed on any payment due under any of the Loan Documents not made within ten (10) days of the due date to compensate Mortgagee for the additional costs, including but not limited to increased administrative costs, costs for additional bookkeeping entries, collection activity and other similar items incurred as a result of the late payment. Mortgagor recognizes that the exact amounts of additional costs which will be incurred by Mortgagee are difficult to calculate and the late charge provided for hereunder represents a reasonable estimate of those probable costs. In no event shall this provision waive Mortgagee's right to declare an Event of Default, as defined in the Loan Agreement of even dated herewith between Mortgagor and Mortgagee (the "Loan Agreement") and accelerate and demand immediate payment of all of the outstanding principal balance for any payment not made within ten (10) days of the due date for said payment.

2. (a) Mortgagor will pay all governmental taxes, encumbrances and other assessments, levies or liens now or hereafter levied or imposed upon or against the Mortgaged Property prior to such taxes, assessments and liens becoming delinquent and will furnish Mortgagee with paid receipts therefor. If the same or any parts thereof are not paid prior to becoming delinquent, Mortgagee may, at its option, pay same without waiving or affecting Mortgagee's option to foreclose this Mortgage, or any other right of Mortgagee hereunder.

(b) If required by Mortgagee, Mortgagor or Borrower will pay Mortgagee, on the day that payment is due on the Note, each calendar month, a sum equal to one twelfth (1/12) of the annual amounts necessary to pay all taxes and assessments against the said Mortgaged Property, together with the premiums for the insurance required by this Mortgage and the Loan Documents, said monthly sum to be estimated by Mortgagee and calculated based upon an annual amount not less than the amount of taxes assessed against the Mortgaged Property for the previous year and the amount of insurance premiums for the required insurance.

(c) After first giving written notice of its intention to do so to Mortgagee, Mortgagor may, at its expense, contest in good faith any such levy, tax, assessment or other charge levied or imposed against the Mortgaged Property and, in such event, may permit the items so contested to remain undischarged and unsatisfied during the period of such contest and any appeal therefrom unless Mortgagee shall notify Mortgagor in writing that non-payment of any such items will cause the lien or priority of this Mortgage to be materially endangered or the Mortgaged Property or any part thereof will be subject to loss or forfeiture, in which event Mortgagor shall promptly pay or bond and cause to be satisfied or discharged all such unpaid items or furnish, at Mortgagor's expense, indemnity satisfactory to Mortgagee.

3. In the event Mortgagor fails to timely pay principal or interest in the manner provided for in the Note on or before the date when due, or fails to fully and promptly perform any other obligation under this Mortgage, the Note or the Loan Documents, including the Loan Agreement, or to otherwise execute, comply with and abide by each and every one of the covenants, conditions or stipulations of this Mortgage, the Note or the Loan Documents, including the Loan Agreement, Mortgagor shall, after applicable grace or notice periods, if any, be deemed to be in default under this Mortgage and all of the outstanding principal and interest due under the Note and any and all sums mentioned herein or secured hereby shall, at Mortgagee's option, become immediately due and payable.

4. In the event of a suit being instituted to foreclose this Mortgage, Mortgagee shall be entitled to apply at any time after the commencement of such suit to the court having jurisdiction thereof for the appointment of a receiver of all the Mortgaged Property, and of all rents, income, profits, issues and revenues thereof, from whatsoever source derived. Mortgagor agrees that the court shall forthwith appoint such receiver with the usual powers and duties of receivers in like cases and that said appointment shall be made by the court as a matter of strict right of the Mortgagee, without reference to the adequacy of the value of the Mortgaged Property, or the solvency of Mortgagor or any other party defendant to such suit. Mortgagor hereby waives the right to object to the appointment of a receiver and consents that such appointment shall be made as an admitted equity of the Mortgagee.

5. Mortgagor will, at its expense, obtain and maintain the following insurance coverage during such time as there are any sums due by Mortgagor to Mortgagee under the Loan Documents:

(a) broad form public liability insurance for loss of life and personal injury arising out of any one occurrence, and for loss of life or personal injury to any one person and for property damage, in amounts reasonably satisfactory to Mortgagee; and

(b) an all risks form of casualty insurance insuring the Improvements against loss or damage by fire, wind storm and all other perils for no less than their full replacement cost; and

(c) in the event the Real Property is designated as being in a Flood Zone, then flood insurance covering the Improvements for an amount equal to the lesser of (i) the outstanding principal balance under the Note, or (ii) the maximum coverage available for the Improvements under the National Flood Insurance Program.

All such policies shall specifically name Mortgagee as an additional insured, shall be with such companies, on such forms and with such deductibles as Mortgagee may require and shall each contain an endorsement by the insurer agreeing to not cancel or materially alter any such policy without thirty (30) days prior written notice to Mortgagee. Copies of the initial and renewal policies and original certificates shall be furnished to Mortgagee and such policies shall have affixed thereto a Standard New York Mortgagee Clause making all proceeds under such policies payable to the Mortgagor and Mortgagee, as their interests may appear. In the event the Improvements are destroyed or damaged by fire or other casualty, any insurance proceeds shall be paid to the Mortgagee. Mortgagee shall have the option, in its sole discretion, to apply the same on account of the indebtedness secured hereby or to permit the Mortgagor to use all or any portion thereof, for the purpose of reconstructing and repairing the Improvements, without thereby waiving or impairing any equity, lien or right under or by virtue of this Mortgage. If Mortgagor fails to furnish the insurance required hereunder, Mortgagee may place and pay for such insurance, or any part thereof, at the Mortgagor's expense, without losing, waiving or affecting Mortgagee's option to foreclose for breach of this covenant or any right or option under this Mortgage.

6. Mortgagor will not permit or commit any waste to the Mortgaged Property and will at all times maintain the Mortgaged Property in a state of good repair and condition and unless otherwise specifically permitted under the Loan Documents, will not do or permit anything to be done to the Mortgaged Property that will alter or change the use and character of said property in a manner which would impair or weaken the security of this Mortgage. In case of the refusal, neglect or inability of the Mortgagor to repair and maintain the Mortgaged Property, Mortgagee may, at its option, make such repairs or cause the same to be made and advance funds for such purpose, at Mortgagor's expense, which sums shall be secured by the lien hereof.

7. No waiver of any covenant contained in the Note, this Mortgage, the Loan Documents or in any other instrument securing payment of the Note shall at any time be held to be a waiver of any of the other terms of this Mortgage, the Note or the Loan Documents, or a future waiver of the same covenant.

8. In order to accelerate the maturity of the indebtedness secured hereby because of Mortgagor's failure to pay any governmental tax, assessment, liability, obligation or encumbrance upon the Mortgaged Property, or any other payment required to be paid by the Mortgagor pursuant to this Mortgage or the Loan Documents, it shall not be necessary or required that Mortgagee first pay same.

9. Mortgagor shall not further mortgage or encumber all or any portion of the Mortgaged Property or sell, convey or assign same or any part thereof without Mortgagee's prior written consent, which consent may be arbitrarily withheld. Without in any way limiting the generality of this paragraph, any transaction (i) conveying any interest in the Mortgaged Property pursuant to an agreement for deed; (ii) resulting in a lease of all of the Mortgaged Property, except as may otherwise be permitted in the Loan Documents; (iii) resulting in a sale, transfer or other mechanism to establish any change in ownership or control of stock membership interest or any member or shareholder of Mortgagor; shall constitute a conveyance pursuant to this paragraph and give rise to all rights of the Mortgagee where Mortgagor is deemed to be in default.

10. If any judgment, mechanic's, materialman's, laborer's or any other lien or claim is filed against all or any portion of the Mortgaged Property or if any proceedings are instituted against all or any portion of the Mortgaged Property upon any lien or claim of any nature whatsoever, regardless of whether such lien or claim is junior or superior to the lien of this Mortgage, Mortgagee may declare an Event of Default, as defined in the Loan Agreement, and accelerate and demand immediate payment of all sums due under the Note unless Mortgagor shall remove such lien or

satisfy such judgment or claim by payment or by transferring same to a bond issued by a surety company acceptable to Mortgagee within thirty (30) days after Mortgagor has knowledge of the filing of such lien or judgment or the institution of such claim.

11. Mortgagor hereby agrees that, in consideration of the recitals and mutual covenants contained herein, and for other good and valuable consideration, the receipt and sufficiency of which are hereby acknowledged, in the event Mortgagor shall (i) file with any bankruptcy court of competent jurisdiction or be the subject of any petition under Title 11 of the U.S. Code, as amended, (ii) be the subject of any order for relief issued under such Title 11 of the U.S. Code, as amended, (iii) file or be the subject of any petition seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any present or future federal or state act or law relating to bankruptcy, insolvency, or other relief for debtors, (iv) have sought or consented to or acquiesced in the appointment of any trustee, receiver, conservator, or liquidator, (v) be the subject of any order, judgment, or decree entered by any court of competent jurisdiction approving a petition filed against such party for any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under any present or future federal or state act or law relating to bankruptcy, insolvency, or relief for debtors, Mortgagee shall thereupon be entitled to relief from any automatic stay imposed by Section 362 of Title 11 of the U.S. Code, as amended, and is entitled to the exercise of the rights and remedies otherwise available to Mortgagee as provided in the Loan Documents, and as otherwise provided by law. Mortgagor shall have 45 days to discharge any of the above proceedings which are initiated by third parties, prior to Mortgagee exercising its rights and remedies upon the occurrence of an Event of Default by the Mortgagor, to allow Mortgagor an opportunity to terminate such proceedings and to meet all of the obligations that Mortgagor has to the Mortgagee.

12. Mortgagee or any of its agents shall have the right to enter upon and inspect the Mortgaged Property at all reasonable times, upon reasonable notice.

13. At any time within twenty (20) years from the date of this Mortgage, this Mortgage shall also secure the following listed obligations and debts up to a maximum principal amount of 300% of the principal sum secured hereby, exclusive of interest and other charges, and these items will have the same priority as the original indebtedness of Mortgagor and be subject to all the terms and provisions of this Mortgage: (a) any future advances made by Mortgagee to Mortgagor (or any of them, if more than one) together with interest thereon at the rate agreed upon at the time of such loan or advance; and (b) all other indebtedness of Mortgagor (and each of them, if more than one) and of any guarantor or accommodation maker of the debt of Mortgagor to Mortgagee, however and wherever incurred or evidenced, whether primary, secondary, direct, indirect, absolute, contingent, sole, joint or several, due or to become due, or which may be hereafter contracted or acquired, whether arising in the ordinary course of business or otherwise, together with fees, costs, and interest thereon at the rate agreed upon at the time that such indebtedness is incurred, and attorneys' fees and costs or other related advances made by Mortgagee for the payment of taxes, levies, or insurance on the Mortgaged Property, and for maintenance, repair, protection, and preservation of the Mortgaged Property, with interest on such disbursements, all as provided in this Mortgage.

14. Upon Mortgagee's request, Mortgagor and Borrower will, within ten (10) calendar days from receipt of written request, furnish a written statement of the amount owing on the obligation which this Mortgage secures and therein state whether or not it claims any defaults, defenses or offsets thereto, along with such other information as Mortgagee may require.

15. Nothing herein contained, nor any instrument or transaction related hereto, shall be construed or so operate as to require the Mortgagor, or any person liable for the payment of the Loan made pursuant to the Note and Loan Documents secured by this Mortgage, to pay interest in an amount or at a rate greater than the maximum allowed by law. Should any interest or other charges paid by the Mortgagor, or any parties liable for the payment of the Note secured by this Mortgage, result in the computation or earning of interest in excess of the maximum rate of interest which is permitted under law, then any and all such excess shall be and the same is hereby waived by the Mortgagee, and all such excess shall be automatically credited against and in reduction of the principal balance, and any portion of said excess which exceeds the principal balance shall be paid by the Mortgagee to the Borrower and any parties liable for the payment of the Note secured by this Mortgage, it being the intent of the parties hereto that under no circumstances shall the Mortgagor, or any parties liable for the payment of the Note secured hereby, be required to pay interest in excess of the maximum rate allowed by law.

16. (a) The Mortgagee may, at its option, in its own name (i) appear or proceed in any condemnation proceeding, and (ii) make any compromise or settlement thereof, provided that so long as the Mortgagor promptly

prosecutes any compromise or settlement thereof, the Mortgagor shall control any compromise or settlement proceeding with the result thereof being subject to the Mortgagee's approval. The Mortgagor shall give the Mortgagee immediate notice of the initiation of any condemnation proceeding, and a copy of every pleading, notice and other items served in any condemnation proceeding. Mortgagor hereby assigns, transfers and sets over unto the Mortgagee the entire proceeds of any award or any claim for damages for any of the Premises taken or damaged under the power of eminent domain or by condemnation. Mortgagee may elect to apply the proceeds of the award upon or in reduction of the Indebtedness, whether due or not, or make said proceeds available for restoration or rebuilding of the Premises. In the event that Mortgagee elects, in Mortgagee's sole and absolute discretion, to make said proceeds available to reimburse Mortgagor for the cost of the rebuilding or restoration of the Improvements, such proceeds shall be made available in the manner and under the conditions that Mortgagee may require. In any event, the Improvements shall be restored or rebuilt in accordance with plans and specifications to be submitted to and approved by Mortgagee prior to commencement of any building or restoration. If the proceeds are made available by Mortgagee to reimburse Mortgagor for the cost of said rebuilding or restoration, any surplus which may remain out of said award after payment of such cost of rebuilding or restoration shall at the option of Mortgagee be applied on account of the Indebtedness or be paid to any party entitled thereto. No interest shall be allowed to Mortgagor on the proceeds of any award held by the Mortgagee.

(b) In case of loss or damage by fire or other casualty, Mortgagor shall, if no Event of Default then exists hereunder, have the sole and exclusive right to settle, compromise or adjust any claim under, and receive, for the purpose of rebuilding and restoration, the proceeds arising from, any and all losses payable under insurance policies to the extent the amount thereof does not exceed One Hundred Thousand and 00/100 Dollars (\$100,000.00), and all claims for losses in excess of said amount shall be settled, compromised or adjusted only with the mutual agreement of Mortgagor and Mortgagee and the proceeds paid as hereinafter provided. In the event insurance proceeds in excess of One Hundred Thousand and 00/100 Dollars (\$100,000.00) are payable or if a Mortgagor Default exists hereunder, then in either of such events, Mortgagee is authorized to collect and receipt for any insurance proceeds. Insurance proceeds collected by Mortgagee as aforesaid, after deducting therefrom any expenses incurred in the collection thereof, shall, if requested by Mortgagor in writing within thirty (30) days after the proceeds of insurance covering such damage or destruction become available, be made available to Mortgagor for the purpose of paying the cost of rebuilding or restoring of the Improvements if (i) the Improvements, in Mortgagee's reasonable discretion are capable of being restored to that condition which existed immediately prior to the damage or loss, (ii) the insurance proceeds, together with all other funds which are to be provided by Mortgagor, are sufficient to restore the Improvements, (iii) Mortgagee determines that income from the Real Property shall not be materially affected following the completion of the restoration or rebuilding, (iv) no Event of Default then exists hereunder or under any other Loan Document, and no circumstance or condition exists that would constitute a default upon the giving of notice or the passage of time, or both, and (v) the rebuilding and restoration is reasonably estimated to be completed at least one hundred eighty (180) days prior to the Maturity Date as specified in the Note. In the event that Mortgagee makes said proceeds available to Mortgagor to pay the cost of rebuilding or restoring of the Improvements, such proceeds shall be made available in the manner and under the conditions that the Mortgagee may reasonably require to assure proper application of such proceeds. In the event such insurance proceeds are made available by the Mortgagee, the Mortgagor shall pay all costs incurred by Mortgagee in connection with the application of such insurance proceeds (including but not limited to reasonable costs incurred by Mortgagee, and a title company or agent approved by Mortgagee in overseeing the disbursement of such insurance proceeds). The Improvements shall be restored or rebuilt so as to be of at least equal value and substantially the same character as prior to such damage or destruction. If the projected cost of rebuilding, repairing or restoring of the Improvements exceeds the sum One Hundred Thousand and 00/100 Dollars (\$100,000.00), then insurance proceeds shall not be made available to Mortgagor unless and until Mortgagee has approved plans and specifications for the proposed rebuilding and restoration, which approval shall not be unreasonably withheld. If the proceeds are to be made available by Mortgagee to Mortgagor to pay the cost of said rebuilding or restoration, any surplus which may remain out of said insurance proceeds after payment of the costs of rebuilding or restoring the Improvements shall, at the option of the Mortgagee, be applied on account of the Loan or be paid to any party entitled thereto under such conditions as Mortgagee may reasonably require. No interest shall be allowed to Mortgagor on any proceeds held by Mortgagee for less than ninety (90) days. In the event proceeds of insurance are not made available by Mortgagee to Mortgagor for the purpose of paying the cost of the rebuilding or restoring of the Improvements, Mortgagee, after deducting the costs of any collection, adjustment and compromise, shall apply such insurance against the Loan balance, allocated first to fees, costs, accrued interest and then, if applicable, the principal balance.

(c) In case of loss or damage by fire or other casualty, Mortgagor shall promptly give Mortgagee and the insurance companies that have insured against such risks written notice of such occurrence. Each

such notice shall generally describe the nature and extent of such damage, destruction, taking, loss, proceedings or negotiations.

17. This Mortgage shall also be construed and shall operate as a security agreement under the State of Florida Uniform Commercial Code.

18. Time is of the essence to this Mortgage and all the provisions hereof.

19. In the event any legal action is commenced to enforce the provisions of this Mortgage or as a result of the relationship created hereby, the Mortgagee shall be entitled to recover all attorneys' fees, costs, charges and expenses incurred or paid by it at both trial and all appellate levels.

20. All rights and remedies granted to Mortgagee herein shall be in addition to and not in lieu of any rights and remedies provided to mortgagees by law or statute, and the invalidity of any right or remedy herein provided by reason of its conflicts with applicable law or statute shall not affect any other valid right or remedy afforded to Mortgagee by any provision hereof or by applicable law.

21. To the extent of the indebtedness of the Borrower to the Mortgagee as described herein and secured hereby, the Mortgagee is subrogated to the lien or liens and to the rights of the owners and holders of each and every mortgage, lien or other encumbrance on the Mortgaged Property or any part thereof which is paid or satisfied, in whole or in part, out of the proceeds of the Note. The respective liens of said mortgages, liens or other encumbrances shall be preserved and shall pass to and be held by the Mortgagee as security for the indebtedness described herein or secured hereby, to the same extent that it would have been preserved and would have been passed to and held by the Mortgagee had it been duly and regularly assigned to the Mortgagee by separate assignment, notwithstanding the fact that the same may be satisfied and cancelled of record, it being the intention of the parties that the same will be satisfied and cancelled of record by the holder thereof at or about the time of the recording of this Mortgage.

22. Mortgagor warrants and represents that except as otherwise acknowledged in a separate written agreement or letter between Mortgagor and Mortgagee it has no knowledge of any violations of any type or manner of any law, ordinance, orders, requirements or regulations imposed on or affecting the Mortgaged Property, that Mortgagor shall not permit any such violation to be created or to exist and that Mortgagor has not received notice of any such violation from any municipal, county, federal or state government or agency thereof. In the event that Mortgagor receives any notice of any such violation from any governmental body or agency thereof, Mortgagor agrees to immediately give notice thereof to Mortgagee, and to take all necessary or appropriate actions to cure or otherwise resolve such violation within thirty (30) days after receipt by Mortgagee of the notice of violation, or, in the event it cannot be cured in thirty (30) days, then to diligently and continuously undertake and complete the cure within a reasonable time of notice of this violation. In the event any such violation is not cured or otherwise resolved within said thirty (30) day period or such longer period as may be reasonably necessary, or as otherwise agreed to in writing by Mortgagee, the Mortgagee may declare the Note hereby secured forthwith due and payable, whereupon the principal of and the interest accrued on the Note and all other sums hereby secured shall become forthwith due and payable.

23. Mortgagor may be required at Mortgagor's expense to deliver to Mortgagee current and updated title information concerning the Mortgaged Property, at all times during the life of this Mortgage.

24. (a) This Mortgage further secures all costs, fees, charges and expenses of every kind, including the cost of title or lien searches of the Real Property, in connection with any suit for the foreclosure of this Mortgage, and reasonable attorneys' fees incurred or expended at any time by the Mortgagee because of the failure of Mortgagor to perform, comply with and abide by the covenants, conditions and stipulations of the Note, this Mortgage or the Loan Documents.

(b) If Mortgagor fails to comply with any provision of this Mortgage, and Mortgagee expends any money in obtaining the performance or satisfaction of such requirement, then all such sums shall bear interest from the date of disbursement by Mortgagee at the highest rate permitted by law. This rate shall apply before and after any final judgment is entered for any amounts due under the Note.

25. This Mortgage shall be governed and construed under the laws of the State of Florida.

26. Mortgagor agrees:

(a) To comply with all the terms, covenants, agreements and conditions of any mortgage encumbering the property herein described, whether superior or junior to the lien of this Mortgage.

(b) That any default, breach or violation of any term, covenant, agreement or condition of any such mortgage, whether superior or junior to the lien of this Mortgage, shall, subject to applicable notice and grace periods, if any, be an Event of Default hereunder and shall vest in Mortgagee all and every one of the remedies herein provided for in case of default.

(c) That failure by the Mortgagor to pay the monies referred to in any other mortgage, whether superior or junior to the lien of this Mortgage, within thirty (30) days next after the same severally become due and payable, shall also constitute an Event of Default under this Mortgage.

(d) That if any proceedings should be instituted against the Real Property upon any other lien or claim whether superior or junior to the lien of this Mortgage, the Mortgagee may at its option declare this Mortgage and the indebtedness secured hereby due and payable forthwith and may at its option proceed to foreclose this Mortgage.

(e) That Mortgagee shall have the right, at its option, to cure any Event of Default under any other mortgage or lien, whether superior or junior to the lien of this Mortgage.

(f) That any sums advanced by Mortgagee in curing any Events of Default of Mortgagor shall be included as part of the debt of the Mortgagor and shall be secured by this Mortgage.

(g) The Mortgagor covenants and agrees not to enter into any agreement with the holder of any other mortgage, whether junior or senior to the lien of this Mortgage, modifying or amending any of the provisions dealing with payment of principal or interest under any other mortgage without the prior written consent of the Mortgagee.

(h) The Mortgagor covenants and agrees that no further advances shall be made under the provisions for future advances, if any, under any other mortgage, or, in the alternative, Mortgagor covenants and agrees that any advances made under any other mortgage shall be applied to reduce the balance under this Mortgage.

27. Mortgagor warrants to Mortgagee that, to the best of its knowledge and except as otherwise disclosed to Mortgagee in any Phase I or Phase II environmental reports that were provided to Mortgagee, the Mortgaged Property has not in the past and is not presently being used for the handling, storage, transportation, or disposal of hazardous or toxic materials, and no notice or advice has been received by Mortgagor of any condition or state of facts that would contribute to a claim of pollution or any other damage to the environment by reason of the conduct of any business on the Mortgaged Property or operation of the Mortgaged Property, whether past or present. The Mortgagor acknowledges that the Mortgagee has relied upon the Mortgagor's representations and the information contained in such Phase I and Phase II environmental reports, has made no independent investigation of the truth thereof, is not charged with any knowledge contrary thereto that may be received by an examination of the public records in the State of Florida, or that may have been received by any officer, director, agent, employee or shareholder of Mortgagee.

28. In further consideration of the Loan and as further and additional security to Mortgagee, and in consideration of the sum of TEN DOLLARS (\$10.00) to the undersigned in hand paid, the receipt whereof is hereby acknowledged, the Mortgagor, does hereby sell, assign and transfer unto Mortgagee all the rents, issues and profits now due and which may hereafter become due under or by virtue of any lease, whether written or verbal, or any letting of, or of any agreement for the use or occupancy of any of the Real Property, which may have been heretofore or may be hereafter made or agreed to or which may be made or agreed to by Mortgagee under the powers herein granted, it being the intention hereby to establish an absolute transfer and assignment of all said leases and agreements, and all the avails thereof, to Mortgagee, and the undersigned does hereby irrevocably appoint Mortgagee as its true and lawful attorney in its name and stead (with or without taking possession of the aforesaid premises), to rent, lease or let all or any portion of said premises to any party or parties at such rental and upon such terms as Mortgagee may determine, in its sole discretion, and to collect all of said rents, issues and profits arising from or accruing at any time hereafter, and all now due, or that may hereafter become due under each and all of the leases and agreements, written or verbal, or other tenancy existing or which may hereafter exist on said premises, with the same rights and powers and subject to the same immunities, exoneration of

liability and rights of recourse and indemnity as Mortgagee would have upon taking possession of the said premises pursuant to the provisions hereinafter set forth.

29. The undersigned represents and agrees that no rent has been or will be paid by any person or entity in possession of any portion of the Real Property for more than two months in advance and that the payment of the rents to accrue for any portion of the Real Property has not been or will not be waived, released, reduced, or discounted, or otherwise discharged or compromised by the undersigned. The undersigned waives any right of setoff against any person in possession of any portion of the Real Property. The undersigned agrees that it will not further assign any of the rents or profits of the Real Property.

30. Nothing herein contained shall be construed so as to make Mortgagee a "mortgagee in possession" in the absence of the taking of actual possession of the said premises by Mortgagee pursuant to the provisions hereinafter contained. In the exercise of the powers herein granted to Mortgagee, no liability shall be asserted or enforced against Mortgagee, all such liability being expressly waived and released by the undersigned.

31. The undersigned further agrees to assign and transfer to Mortgagee all future leases upon all or any part of the above described premises and to execute and deliver, immediately upon the request of Mortgagee, all such further assurances and assignments in the premises as Mortgagee shall from time to time require.

32. Although it is the intention of the parties that this assignment of rents shall be a present assignment, it is expressly understood and agreed, anything herein contained to the contrary notwithstanding, that Mortgagee shall not exercise any of the rights and powers conferred upon it herein until and unless a default shall occur in the payment of interest or principal due under the Note secured by the above described Mortgage or in the performance or observance of any of the conditions or agreements of any documents or instruments executed in connection with the Loan, or of any instrument now or at any time securing the Note, as the same may be modified or extended, and said default has not been cured within an applicable grace or cure period, and nothing herein contained shall be deemed to effect or impair any rights which Mortgagee may have under the Note and Mortgage, or any other instrument securing the Notes.

33. In any case in which under the provisions of this Mortgage Mortgagee has a right to institute foreclosure proceedings, whether before or after the entire principal sum secured thereby is declared to be immediately due, or whether before or after institution of legal proceedings to foreclose the lien thereof or before or after sale thereunder, forthwith, upon demand of Mortgagee, the undersigned agrees to surrender to Mortgagee and Mortgagee shall be entitled to take actual possession of the premises or any part thereof personally, or by its agents or attorneys, and Mortgagee in its discretion may, with or without force and with or without process of law, enter upon and take and maintain possession of all or any part of said premises, together with all the documents, books, records, papers and accounts of the undersigned or the then owner of the premises relating thereto, and may exclude the undersigned, its agent or servants wholly therefrom and may as attorney in fact or agent of the undersigned, or in its own name as mortgagee and under the powers herein granted, hold, operate, manage and control the premises and conduct the business, if any, thereof either personally or by its agents, contractors or nominees, with full power to use such measures, legal or equitable, as in its discretion or in the discretion of its successors or assigns may be deemed proper or necessary to enforce the payment of the rents, issues and profits of the premises, including actions for the recovery of rent, actions in forcible detainer and actions in distress of rent, hereby granting full power and authority to exercise each and every of the rights, privileges and powers herein granted at any and all times hereafter, without notice to the undersigned, and with full power to cancel or terminate any lease or sublease for any cause or on any ground which would entitle undersigned to cancel the same, to elect to disaffirm any lease or sublease made subsequent to the Mortgage or subordinated to the lien thereof, to make all necessary or proper repairs, decorations, renewals, replacements, alterations, additions, betterments and improvements to the above described premises that may seem judicious, in its discretion, to insure and reinsure the same for all risks incidental to Mortgagee's possession, operation and management thereof and to receive all such rents, issues and profits.

34. Mortgagee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any leases or rental agreements relating to said premises, and the undersigned shall and does hereby agree to indemnify and hold Mortgagee harmless of and from any and all liability, loss or damage which it may or might incur under any leases or agreements or under or by reason of the assignment thereof, and of and from any and all claims and demands whatsoever which may be asserted against it by reason of any alleged obligations or undertakings on its part to perform or discharge any of the terms, covenants or agreements contained in said leases or agreements.

35. Mortgagee in the exercise of the rights and powers conferred upon it by this assignment of rents shall have full power to use and apply the rents, issues and profits of the premises to the payment of or on account of the following, in such order as it may determine:

- (a) To the payment of the operating expenses of the Property, including cost of management and leasing thereof (which shall include reasonable compensation to Mortgagee and its agents or contractors, if management be delegated to any agent or contractors, and it shall also include lease commissions and other compensation and expenses of seeking and procuring tenants and entering into leases), established claims for damages, if any, and premiums on insurance hereinabove authorized;
- (b) To the payment of taxes and special assessments now due or which may hereafter become due on said premises;
- (c) To the payment of all repairs, decorating, renewals, replacements, alterations, additions, or betterments and improvements of said premises, including, without limitation, the cost from time to time of installing and/or replacing refrigeration and gas or electric stoves therein, and of placing said property in such condition as will, in the judgment of the mortgagee, make it readily rentable; and
- (d) To the payment of any indebtedness secured by the Mortgage or any deficiency which may result from any foreclosure sale.

The undersigned does further specifically authorize and instruct each and every present and future lessee or tenant of the whole or any part at the Mortgaged Property to pay all unpaid rental agreed upon in any tenancy to Mortgagee upon receipt of demand from Mortgagee to pay the same.

36. **ALL DOCUMENTARY STAMP TAXES AND INTANGIBLE TAXES DUE AND PAYABLE IN CONNECTION WITH THE EXECUTION AND DELIVERY OF THIS MORTGAGE HAVE BEEN PAID SIMULTANEOUSLY WITH THE RECORDING OF THE MORTGAGE BASED ON THE PRINCIPAL BALANCE OF THE OBLIGATIONS AS ESTABLISHED BY THE AMOUNT OF THE NOTE.** In any event, however, Mortgagor acknowledges and agrees, upon Mortgagee's request, to pay all taxes, including without limitation, additional documentary stamps and intangible taxes, which are deemed to be due and payable in connection with this Mortgage, if any.

37. Mortgagor acknowledges and agrees that the Mortgagor's obligation to pay the indebtedness in accordance with the provisions of the Note, this Mortgage, and the Loan Documents is, and shall at all times continue to be, absolute and unconditional in all respects, and shall at all times be valid and enforceable irrespective of any other agreements or circumstances of any nature whatsoever which might otherwise constitute a defense to the Note, this Mortgage, the Loan Documents, or the obligation of the Mortgagor thereunder to pay the indebtedness or the obligations of any other person relating to the Note, this Mortgage, the Loan Documents or the obligations of the Mortgagor under the Note, this Mortgage, the Loan Documents, or otherwise with respect to the loan secured hereby. Mortgagor absolutely, unconditionally, and irrevocably waives and agrees not to assert against Mortgagee or its assigns any and all defenses, claims, or counterclaims of any nature whatsoever, either at law or in equity or both, including defenses or claims based on fraud or misrepresentation, other than actual payment and performance of the indebtedness, that in any way relate to the Note, this Mortgage, or the Loan Documents and Mortgagor's obligation to pay under the Note, this Mortgage, and the Loan Documents or any action brought to foreclose the Note, Mortgage, or Loan Documents and realize upon the lien and security interest created by this Mortgage and the Loan Documents, in whole or in part, including, but not limited to, claims of setoff, recoupment, or other similar rights or claims, which may be raised or asserted by the Mortgagor, and which may have occurred or arisen prior to, at, or after execution of this Mortgage, the Note, and/or the Loan Documents. Without in any way limiting the broadness and generality of the above provisions hereof Mortgagor also expressly waives the following defenses and/or claims or counterclaims: (a) any defense based upon any lack of authority of the officers, directors, partners, or agents acting or purporting to act on behalf of Mortgagor or any principal of Mortgagor or any defect in the formation of Mortgagor or any principal of Mortgagor; (b) any and all rights and defenses arising out of an election of remedies by Mortgagee; (c) presentment, demand, protest and notice of any kind; (d) any right or claim of right to cause a marshalling of any of Mortgagor's assets or the assets of any other party now or hereafter held as security for Mortgagor's obligations; and (e) the benefit of any statute of limitations affecting the liability of Mortgagor hereunder or the enforcement hereof.

38. Mortgagor hereby acknowledges and agrees that: (a) the obligations undertaken by Mortgagor in this Mortgage, the Note, and the Loan Documents are complex in nature; (b) numerous possible defenses to the enforceability of these obligations may presently exist and/or may arise hereafter; (c) numerous possible claims or counterclaims against Mortgagee may presently exist and/or may arise hereafter relating to this Mortgage, the Loan Documents, or this transaction; (d) as part of Mortgagee's consideration for entering into this transaction, Mortgagee has specifically bargained for the waiver and relinquishment by Mortgagor of all such defenses, claims, and/or counterclaims; and (e) Mortgagor has had the opportunity to seek and receive legal advice from skilled legal counsel in the area of financial transactions of the type contemplated herein. Given all of the above, Mortgagor does hereby represent and confirm to Mortgagee that Mortgagor is fully informed regarding, and that Mortgagor does thoroughly understand: (i) the nature of all such possible defenses, claims, or counterclaims; (ii) the circumstances under which such defenses, claims, or counterclaims may arise; (iii) the benefits which such defenses, claims, or counterclaims may confer upon Mortgagor; and (iv) the legal consequences to Mortgagor of waiving such defenses, claims, and counterclaims. Mortgagor acknowledges that Mortgagor makes this Mortgage with the intent that this Mortgage and all of the informed waivers herein shall each and all be fully enforceable by Mortgagee, and that Mortgagee is induced to enter into this transaction in material reliance upon the presumed full enforceability thereof.

39. MORTGAGOR HEREBY KNOWINGLY, VOLUNTARILY AND INTENTIONALLY WAIVES THE RIGHT IT MAY HAVE TO A TRIAL BY JURY IN RESPECT TO ANY LITIGATION BASED HEREON, OR ARISING OUT OF, UNDER OR IN CONNECTION WITH THIS MORTGAGE, THE NOTE AND ANY OTHER LOAN DOCUMENTS, AND ANY AGREEMENT CONTEMPLATED TO BE EXECUTED IN CONJUNCTION HERewith OR THEREWITH, OR ANY COURSE OF CONDUCT, COURSE OF DEALING, STATEMENTS (WHETHER VERBAL OR WRITTEN) OR ACTIONS OF EITHER PARTY. THIS PROVISION IS A MATERIAL INDUCEMENT FOR THE MORTGAGEE EXTENDING CREDIT TO MORTGAGOR.

TO HAVE AND TO HOLD the above granted and conveyed Property unto and to the proper use and benefit of Mortgagee and its successors and assigns, forever.

PROVIDED ALWAYS, and these presents are upon the express condition, that if (i) all the Liabilities are paid in full, (ii) each and every representation, warranty, agreement and covenant of this Mortgage and the other Loan Documents are complied with and abided by, then this Mortgage and the estate hereby created shall cease and be null and void and canceled of record.

The terms of the Loan Documents are hereby made a part of this Mortgage to the same extent and with the same effect as if fully set forth herein. All capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Loan Documents.

AND Mortgagor covenants and agrees with and represents to Mortgagee as follows:

1. **FUTURE ADVANCES; PROTECTION OF PROPERTY.** This Mortgage shall secure any additional loans as well as any and all present or future advances and readvances under the Liabilities made by Mortgagee to or for the benefit of Mortgagor or the Property within twenty (20) years from the date hereof (whether such advances are obligatory or are made at the option of Mortgagee or otherwise), including, without limitation: (i) principal, interest, late charges, fees and other amounts due under the Liabilities or this Mortgage; (ii) all advances by Mortgagee to Mortgagor or any other person to pay costs of erection, construction, alteration, repair, restoration, maintenance and completion of any improvements on the Property; (iii) all advances made or costs incurred by Mortgagee for the payment of real estate taxes, assessments or other governmental charges, maintenance charges, insurance premiums, appraisal charges, environmental inspection, audit, testing or compliance costs, and costs incurred by Mortgagee for the enforcement and protection of the Property or the lien of this Mortgage; and (iv) all legal fees, costs and other expenses incurred by Mortgagee by reason of any default or otherwise in connection with the Liabilities. The total amount of the Liabilities that may be so secured may decrease to a zero amount from time to time, or may increase from time to time, but the total unpaid balance secured at any one time shall not exceed Eight Million and No/100 Dollars (\$8,000,000.00).

Mortgagor agrees that if, at any time during the term of this Mortgage or following the commencement of a foreclosure action hereunder (whether before or after the entry of a judgment of foreclosure), Mortgagor fails to perform or observe any covenant or obligation under this Mortgage including, without limitation, payment of any of the foregoing, Mortgagee may (but shall not be obligated to) take such steps as are reasonably necessary to remedy any such nonperformance or nonobservance and provide payment thereof. All amounts advanced by Mortgagee shall be added to the amount secured by this Mortgage and the other Loan Documents (and, if advanced after the entry of a judgment of foreclosure, by such judgment of foreclosure), and shall be due and payable on demand, together with interest at the Default Rate set forth in the Note, such interest to be calculated from the date of such advance to the date of repayment thereof.

2. **REPRESENTATIONS, WARRANTIES AND COVENANTS.**

2.1. **Payment and Performance.** Mortgagor shall (a) pay to Mortgagee all sums required to be paid by Mortgagor under the Loan Documents, in accordance with their stated terms and conditions; (b) perform and comply with all terms, conditions and covenants set forth in each of the Loan Documents by which Mortgagor is bound; and (c) perform and comply with all of Mortgagor's obligations and duties as landlord under any Leases.

2.2. **Seisin and Warranty.** Mortgagor hereby warrants that (a) Mortgagor is seized of an indefeasible estate in fee simple in, and warrants the title to, the Property; (b) Mortgagor has the right, full power and lawful authority to mortgage, grant, convey and assign the same to Mortgagee in the manner and form set forth herein; and (c) this Mortgage is a valid and enforceable first lien on the Property. Mortgagor hereby covenants that Mortgagor shall (a) preserve such title and the validity and priority of the lien of this Mortgage and shall forever warrant and defend the same to Mortgagee against all lawful claims whatsoever; and (b) execute, acknowledge and deliver all such further documents or assurances as may at any time hereafter be reasonably required by Mortgagee to protect fully the lien of this Mortgage.

2.3. **Insurance.** (a) Mortgagor shall obtain and maintain at all times throughout the term of this Mortgage the following insurance: (i) comprehensive commercial general liability insurance covering all operations of Mortgagor; (ii) "All-Risk" fire and extended coverage hazard insurance (non-reporting Commercial Property Policy with Special Cause of Loss form, a Replacement Cost and Agreed Amount/Stipulated Value Endorsement and a Sinkhole Endorsement, if deemed necessary by Mortgagee) covering the Property in an aggregate amount not less than 100% of the agreed upon full insurable replacement value of the Property, including coverage for loss of rents or business interruption and for windstorm and acts of terrorism; (iii) during the course of any construction, reconstruction, remodeling or repair of any Improvements, builders' all-risk extended coverage insurance (non-reporting Completed Value with Special Cause of Loss form) in amounts based upon the completed replacement value of the Improvements (excluding roads, foundations, parking areas, paths, walkways and like improvements) and endorsed to provide that occupancy by any person shall not void such coverage; (iv) if the Property is required to be insured pursuant to the National Flood Insurance Reform Act of 1994, and the regulations promulgated thereunder, flood insurance in an amount at least equal to the lesser of the agreed upon full insurable replacement value of the Property (less any value attributable to the Real Estate) or the maximum limit of coverage available; (v) insurance which complies with the workers' compensation and employers' liability laws of all states in which Mortgagor shall be required to maintain such insurance; and (vi) such other insurance as Mortgagee may reasonably require, including, without limitation, boiler and machinery insurance, sinkhole insurance, wind storm insurance, and war risk and/or terrorism risk, as applicable.

(b) Each insurance policy required under this Section shall: (i) be written by an insurance company authorized or licensed to do business in the state within which the Property is located having an Alfred M. Best Company, Inc. rating of "A" or higher and a financial size category of not less than XII; (ii) be for terms of at least one year, with premium prepaid; (iii) be subject to the reasonable approval of Mortgagee as to insurance companies, amounts, content, forms of policies and expiration dates; and (iv) name Mortgagee, its successors and assigns: (1) as an additional insured under all liability insurance policies, (2) as the first mortgagee, under a

standard non-contributory mortgagee clause, on all property insurance policies and all loss of rents or loss of business income insurance policies and (3) all policies shall indicate that notices related to such insurance shall be sent to Mortgagee at the address set forth on Page 1 of this Mortgage. Co-insurance is not acceptable to Mortgagee with respect to any insurance policy.

(c) Mortgagor further agrees that each insurance policy: (i) shall provide at least thirty (30) days' prior written notice to Mortgagee prior to any policy reduction or cancellation for any reason; (ii) shall contain an endorsement or agreement by the insurer that any loss shall be payable to Mortgagee in accordance with the terms of such policy notwithstanding any act or negligence of Mortgagor which might otherwise result in forfeiture of such insurance; (iii) shall waive all rights of setoff, counterclaim, deduction or subrogation against Mortgagor; and (iv) shall exclude Mortgagee from the operation of any coinsurance clause.

(d) Mortgagor further agrees that the deductible for windstorm coverage shall not exceed five percent (5%) unless approved in writing by Mortgagee, in its sole and absolute discretion. If the property insurance policy excludes windstorm coverage in the windstorm pool areas, Mortgagor covenants and agrees to obtain the maximum coverage from the Citizens Property Insurance Corporation.

(e) At least thirty (30) days prior to the expiration of any insurance policy, Mortgagor shall furnish evidence satisfactory to Mortgagee that such policy has been renewed or replaced or is no longer required.

(f) Notwithstanding the foregoing, in the event that Mortgagor fails to maintain insurance in accordance with this Section 2.3., and Mortgagee elects to obtain insurance to protect its interests hereunder, Mortgagee may obtain insurance in any amount and of any type Mortgagee deems appropriate to protect Mortgagee's interest only and Mortgagee shall have no duty or obligation to Mortgagor to maintain insurance in any greater amount or of any other type for the benefit of Mortgagor. All insurance premiums incurred or paid by Mortgagee shall be at Mortgagor's sole cost and expense in accordance with Section 1 hereof. Mortgagee's election to obtain insurance shall not be deemed to waive any Event of Default (as hereinafter defined) hereunder.

2.4. **Taxes and Other Charges.** Mortgagor shall promptly pay and discharge all taxes, assessments, water and sewer rents, and other governmental charges imposed upon the Property prior to delinquency, but in no event after interest or penalties commence to accrue thereon or become a lien upon the Property. Notwithstanding the foregoing, Mortgagor shall have the right to contest, at its own expense, by appropriate legal proceedings conducted in good faith and with due diligence, the amount or validity of such taxes, assessments, water and sewer rents, or other governmental charges, provided that: (a) Mortgagor has established on its books or by deposit of cash with Mortgagee, at the option of Mortgagee, a reserve for the payment thereof in such amount as Mortgagee may require; and (b) such contest operates to prevent collection, stay any proceedings which may be instituted to enforce payment of such item, and prevent a sale of the Property to pay such item. Mortgagor shall promptly provide to Mortgagee, upon request, copies of receipted tax bills, canceled checks or other evidence satisfactory to Mortgagee evidencing that such taxes, assessments, water and sewer rents, and other governmental charges have been timely

paid. Notwithstanding the foregoing, the annual property tax bill shall be paid by Borrower the same month that it is able to be paid (even if this is a discounted early pay period).

2.5. **Escrows.** If required by Mortgagee at any time, or after the occurrence of an Event of Default, Mortgagor shall pay to Mortgagee at the time of each installment of interest or of interest and principal, as the case may be, due under the Note, and commencing with the first payment due after the date of such request, a sum equal to (a) the amount of the next installment of taxes and assessments levied or assessed against the Property, and/or (b) the premiums which will next become due on the insurance policies required by this Mortgage, all in amounts as estimated by Mortgagee, less all sums already paid therefor or deposited with Mortgagee for the payment thereof, divided by the number of payments to become due before one (1) month prior to the date when such taxes and assessments and/or premiums, as applicable, will become due, such sums to be held by Mortgagee to pay the same when due. If such escrow funds are not sufficient to pay such taxes and assessments and/or insurance premiums, as applicable, as the same become due, Mortgagor shall pay to Mortgagee, upon request, such additional amounts as Mortgagee shall estimate to be sufficient to make up any deficiency. No amount paid to Mortgagee hereunder shall be deemed to be trust funds but may be commingled with general funds of Mortgagee and no interest shall be payable thereon. Upon the occurrence of an Event of Default, Mortgagee shall have the right, at its sole discretion, to apply any amounts so held against the Liabilities.

2.6. **Transfer of Title.** Without the prior written consent of Mortgagee in each instance, Mortgagor shall not cause or permit any transfer of the Property or any part thereof, whether voluntarily, involuntarily or by operation of law, nor shall Mortgagor enter into any agreement or transaction to transfer, or accomplish in form or substance a transfer, of the Property. Without the prior written consent of Mortgagee, Mortgagor shall not cause or permit a change in the identity of the party responsible for the day-to-day control of the Property. A "transfer" of the Property includes: (a) the direct or indirect sale, transfer or conveyance of the Property or any portion thereof or interest therein; (b) the execution of an installment sale contract or similar instrument affecting all or any portion of the Property; (c) if Mortgagor, or any general partner or member of Mortgagor, is a corporation, partnership, limited liability company or other business entity, the transfer (whether in one transaction or a series of transactions and whether a direct or indirect transfer) of any stock, partnership, limited liability company or other ownership interests in such corporation, partnership, limited liability company or entity; (d) if Mortgagor or any member of Mortgagor is a corporation, the creation or issuance of new stock by which an aggregate of more than 10% of such corporation's stock shall be vested in a party or parties who are not now stockholders; and (e) an agreement by Mortgagor leasing all or a substantial part of the Property for other than actual occupancy by a space tenant thereunder or a sale, assignment or other transfer of or the grant of a security interest in and to any Leases. No consent for a transfer will be required if the Loan and the Liabilities are repaid in full by wire transfer of federal funds simultaneously with such transfer.

2.7. **No Encumbrances.** Mortgagor shall not create or permit to exist any mortgage, pledge, lien, security interest (including, without limitation, a purchase money security interest), encumbrance, attachment, levy, distraint or other judicial process on or against the Property or any part thereof (including, without limitation, fixtures and other personalty), whether superior or

inferior to the lien of this Mortgage, without the prior written consent of Mortgagee. Neither Mortgagor nor its constituents shall obtain any mezzanine or other secondary financing.

2.8. **Removal of Fixtures.** Mortgagor shall not (except in the ordinary course of business) remove or permit to be removed from the Property any fixtures, if any, presently or in the future owned by Mortgagor as the term "fixtures" is defined by the law of the state where the Property is located (unless such fixtures have been replaced with similar fixtures of equal or greater utility and value).

2.9. **Maintenance and Repair; Alterations.** (a) Mortgagor shall (i) abstain from and not permit the commission of waste in or about the Property; (ii) keep the Property, at Mortgagor's own cost and expense, in safe condition; (iii) make or cause to be made, as and when necessary, all repairs and replacements, whether or not insurance proceeds are available therefor; and (iv) not remove, demolish, materially alter, or otherwise dispose of all or any part of the Property without Mortgagee's consent not to be unreasonably withheld, conditioned or delayed. All alterations, replacements, renewals or additions made pursuant hereto shall automatically become a part of the Property and shall be covered by the lien of this Mortgage.

(b) Mortgagee, and any persons authorized by Mortgagee, shall have the right, but not the obligation, to enter upon the Property at any reasonable time to inspect and photograph its condition and state of repair. In the event any such inspection reveals, in the sole discretion of Mortgagee, the necessity for any repair, alteration, replacement, clean-up or maintenance in order to keep the Property and the improvements thereupon safe and free of governmental violations, Mortgagor shall, at the discretion of Mortgagee, either: (i) cause such work to be effected promptly; or (ii) promptly establish an interest bearing reserve fund with Mortgagee in an amount reasonably determined by Mortgagee for the purpose of effecting such work.

2.10. **Compliance with Applicable Laws.** Mortgagor agrees to observe, conform and comply, and to cause its tenants, if any, to observe, conform and comply with all federal, state, county, municipal and other governmental or quasi-governmental laws, rules, regulations, ordinances, codes, requirements, covenants, conditions, orders, licenses, permits, approvals and restrictions, including without limitation, Environmental Laws (as defined below) and the Americans with Disabilities Act of 1990 (collectively, the "**Legal Requirements**"), now or hereafter affecting all or any part of the Property, its occupancy or the business or operations now or hereafter conducted thereon and the personalty contained therein, within such time as required by such Legal Requirements.

2.11. **Damage, Destruction and Condemnation.**

(a) If all or any part of the Property shall be damaged or destroyed, or if title to or the temporary use of the whole or any part of the Property shall be taken or condemned by a competent authority for any public or quasi-public use or purpose, there shall be no abatement or reduction in the amounts payable by Mortgagor under the Loan Documents and Mortgagor shall continue to be obligated to make such payments.

(b) If all or any part of the Property is partially or totally damaged or destroyed, Mortgagor shall give prompt notice thereof to Mortgagee, and Mortgagee may make proof of loss

if not made promptly by Mortgagor. Mortgagor hereby authorizes and directs any affected insurance company to make payment under such insurance, including return of unearned premiums, to Mortgagee instead of to Mortgagor and Mortgagee jointly, and Mortgagor appoints Mortgagee as Mortgagor's attorney-in-fact to endorse any draft thereof, which appointment, being for security, is coupled with an interest and irrevocable. Mortgagee is hereby authorized and empowered by Mortgagor to settle, adjust or compromise, in consultation with Mortgagor, any claims for loss, damage or destruction to the Property. Mortgagor shall pay all costs of collection of insurance proceeds payable on account of such damage or destruction. Mortgagor shall have no claim against the insurance proceeds, or be entitled to any portion thereof, and all rights to the insurance proceeds are hereby assigned to Mortgagee as security for payment of the Liabilities. Mortgagee shall have the option, in its sole discretion, of paying or applying all or any part of the insurance proceeds to: (i) reduction of the Liabilities; (ii) restoration, replacement or repair of the Property in accordance with Mortgagee's standard construction loan disbursement conditions and requirements; or (iii) Mortgagor.

(c) Promptly upon obtaining knowledge of the institution of any proceeding for the condemnation of all or any part of the Property, Mortgagor shall give notice to Mortgagee. Mortgagor shall, at its sole cost and expense, diligently prosecute any such proceeding and shall consult with Mortgagee, its attorneys and experts, and shall cooperate with it in the defense of any such proceeding. Mortgagee may participate in any such proceeding and Mortgagor shall from time to time deliver to Mortgagee all instruments requested by it to permit such participation. Mortgagor shall not, without Mortgagee's prior written consent, enter into any agreement (i) for the taking or conveyance in lieu thereof of all or any part of the Property, or (ii) to compromise, settle or adjust any such proceeding. All awards and proceeds of condemnation are hereby assigned to Mortgagee, and Mortgagor, upon request by Mortgagee, agrees to make, execute and deliver any additional assignments or documents necessary from time to time to enable Mortgagee to collect the same. Such awards and proceeds shall be paid or applied by Mortgagee, in its sole discretion, to: (i) reduction of the Liabilities; (ii) restoration, replacement or repair of the Property; or (iii) Mortgagor.

(d) Nothing herein shall relieve Mortgagor of its duty to repair, restore, rebuild or replace the Property following damage or destruction or partial condemnation if no or inadequate insurance proceeds or condemnation awards are available to defray the cost of repair, restoration, rebuilding or replacement.

2.12. **Required Notices.** Mortgagor shall notify Mortgagee within three (3) business days of: (a) receipt of any notice from any governmental or quasi-governmental authority relating to the structure, use or occupancy of the Property or alleging a violation of any Legal Requirement; (b) a substantial change in the occupancy or use of all or any part of the Property; (c) receipt of any notice from the holder of any lien or security interest in all or any part of the Property; (d) commencement of any litigation affecting or potentially affecting the financial ability of Mortgagor or the value of the Property; (e) a pending or threatened condemnation of all or any part of the Property; (f) a fire or other casualty causing damage to all or any part of the Property; (g) receipt of any notice with regard to any Release of Hazardous Substances (as such terms are defined below) or any other environmental matter affecting the Property or Mortgagor's interest therein; (h) receipt of any request for information, demand letter or notification of potential liability

from any entity relating to potential responsibility for investigation or clean-up of Hazardous Substances on the Property or at any other site owned or operated by Mortgagor; (i) receipt of any notice from any tenant at the Property alleging a default, failure to perform or any right to terminate its lease or to set-off rents; or (j) receipt of any notice of the imposition of, or of threatened or actual execution on, any lien on or security interest in all or any part of the Property.

2.13. **Books and Records; Inspection.** Mortgagor shall keep and maintain (a) complete and accurate books and records, in accordance with generally accepted accounting principles consistently applied, reflecting all items of income and expense in connection with the operation of the Property, and (b) copies of all written contracts, leases and other agreements affecting the Property. Mortgagee or its designated representatives shall, upon reasonable prior written notice to Mortgagor, have (a) the right of entry and free access to the Property during business hours (which may be without notice in any case of emergency) to inspect the Property, and (b) the right to examine and audit all books, contracts and records of Mortgagor relating to the Property.

2.14. **Right to Reappraise.** Mortgagee shall have the right to conduct or have conducted by an independent appraiser acceptable to Mortgagee updated appraisals of the Property in form and substance satisfactory to Mortgagee at the sole cost and expense of Mortgagor, except that Mortgagor shall not be required to pay the cost of an appraisal more frequently than once every calendar year unless (x) an Event of Default exists, or (y) the appraisal was required by a governmental or other regulatory agency.

3. **SECURITY AGREEMENT.** This Mortgage constitutes a security agreement under the Code and shall be deemed to constitute a fixture financing statement. Mortgagor hereby grants to Mortgagee a security interest in all of Mortgagor's right, title and interest in the personal and other property (other than real property) included in the Property, and all replacements of, substitutions for, and additions to, such property, and the proceeds thereof. Mortgagor shall, at Mortgagor's own expense, execute, deliver, file and refile any financing or continuation statements or other security agreements Mortgagee may require from time to time to perfect, confirm or maintain the lien of this Mortgage with respect to such property. A photocopy of an executed financing statement shall be effective as an original. Without limiting the foregoing, Mortgagor hereby irrevocably appoints Mortgagee attorney-in-fact for Mortgagor to execute, deliver and file such instruments for or on behalf of Mortgagor at Mortgagor's expense, which appointment, being for security, is coupled with an interest and shall be irrevocable.

4. **ASSIGNMENT OF LEASES.**

4.1. Mortgagor hereby absolutely, presently and unconditionally conveys, transfers and assigns to Mortgagee all of Mortgagor's right, title and interest, now existing or hereafter arising, in and to the Leases and Rents. Notwithstanding that this assignment is effective immediately, so long as no Event of Default exists, Mortgagor shall have the privilege under a revocable license granted hereby to operate and manage the Property and to collect, as they become due, but not prior to accrual, the Rents. Mortgagor shall receive and hold such Rents in trust as a fund to be applied, and Mortgagor hereby covenants and agrees that such Rents shall be so applied, first to the operation, maintenance and repair of the Property and the payment of interest, principal and other sums becoming due under the Liabilities, before retaining and/or disbursing any part of the

Rents for any other purpose. The license herein granted to Mortgagor shall automatically, without notice or any other action by Mortgagee, terminate upon the occurrence of an Event of Default, and all Rents subsequently collected or received by Mortgagor shall be held in trust by Mortgagor for the sole and exclusive benefit of Mortgagee. Nothing contained in this Section 4.1, and no collection by Mortgagee of Rents, shall be construed as imposing on Mortgagee any of the obligations of the lessor under the Leases.

4.2. Mortgagor and Mortgagee have executed an Assignment of Leases and Rents which shall govern the terms of the assignment of leases.

4.3. Intentionally deleted.

5. **DECLARATION OF NO OFFSET.** Mortgagor represents to Mortgagee that Mortgagor has no knowledge of any offsets, counterclaims or defenses to the Liabilities either at law or in equity. Mortgagor shall, within seven (7) days upon request by Mortgagee, furnish to Mortgagee or Mortgagee's designee a written statement in form satisfactory to Mortgagee stating the amount due under the Liabilities and whether there are offsets or defenses against the same, and if so, the nature and extent thereof.

6. **ENVIRONMENTAL MATTERS.**

6.1. **Definitions.** As used herein, "Environmental Laws" shall mean all existing or future federal, state and local statutes, ordinances, regulations, rules, executive orders, standards and requirements, including the requirements imposed by common law, concerning or relating to industrial hygiene and the protection of health and the environment including but not limited to: (a) those relating to the generation, manufacture, storage, transportation, disposal, release, emission or discharge of Hazardous Substances (as hereinafter defined); (b) those in connection with the construction, fuel supply, power generation and transmission, waste disposal or any other operations or processes relating to the Property; and (c) those relating to the atmosphere, soil, surface and ground water, wetlands, stream sediments and vegetation on, under, in or about the Property. Any terms mentioned herein which are defined in any Environmental Law shall have the meanings ascribed to such terms in said laws; provided, however, that if any of such laws are amended so as to broaden any term defined therein, such broader meaning shall apply subsequent to the effective date of such amendment.

6.2. **Representations, Warranties and Covenants.** Mortgagor represents, warrants, covenants and agrees as follows:

(a) Mortgagor is not in violation of or subject to any existing, pending or threatened investigation or inquiry by any governmental authority pertaining to any Environmental Law. Mortgagor shall not cause or permit the Property to be in violation of, or do anything which would subject the Property to any remedial obligations under, any Environmental Law, and shall promptly notify Mortgagee in writing of any existing, pending or threatened investigation or inquiry by any governmental authority in connection with any Environmental Law. In addition, Mortgagor shall provide Mortgagee with copies of any and all material written communications

with any governmental authority in connection with any Environmental Law, concurrently with Mortgagor's giving or receiving of same.

(b) Mortgagor has taken all steps reasonably (including without limitation, reviewing existing environmental reports and/or ordering new environmental reports) necessary to determine and has determined that there has been no release, spill, discharge, leak, disposal or emission (individually a "**Release**" and collectively, "**Releases**") of any hazardous material, hazardous substance or hazardous waste, including gasoline, petroleum products, explosives, toxic substances, solid wastes and radioactive materials (collectively, "**Hazardous Substances**") at, upon, under or within the Property. The use which Mortgagor or any other occupant of the Property makes or intends to make of the Property will not result in Release of any Hazardous Substances on or to the Property. During the term of this Mortgage, Mortgagor shall take all steps necessary to determine whether there has been a Release of any Hazardous Substances on or to the Property and if Mortgagor finds a Release has occurred, Mortgagor shall remove or remediate the same promptly upon discovery at its sole cost and expense.

(c) The Property, to Borrower's actual knowledge, has never been used by the present or previous owners and/or operators, nor will be used in the future to refine, produce, store, handle, transfer, process, transport, generate, manufacture, heat, treat, recycle or dispose of Hazardous Substances.

(d) To Borrower's actual knowledge, the Property: (i) is being and has been operated in compliance with all Environmental Laws, and all permits required thereunder have been obtained and complied with in all respects; and (ii) does not have any Hazardous Substances present excepting small quantities of petroleum and chemical products, in proper storage containers, that are necessary for the construction or operation of the commercial business of Mortgagor and its tenants, and the usual waste products therefrom ("**Permitted Substances**").

(e) Mortgagor will and will cause its tenants, if any, to operate the Property in compliance with all Environmental Laws and, other than Permitted Substances, will not place or permit to be placed any Hazardous Substances on the Property.

(f) To Borrower's actual knowledge, no lien has been attached to or threatened to be imposed upon the Property, and there is no basis for the imposition of any such lien based on any governmental action under Environmental Laws. Neither Mortgagor nor any other person is or will be involved in operations at the Property which could lead to the imposition of environmental liability on Mortgagor, or on any subsequent or former owner of the Property, or the creation of an environmental lien on the Property. In the event that any such lien is filed, Mortgagor shall, within sixty (60) days from the date that the Mortgagor is given notice of such lien (or within such shorter period of time as is appropriate in the event that steps have commenced to have the Property sold), either: (i) pay the claim and remove the lien from the Property; or (ii) furnish a cash deposit, bond or other security satisfactory in form and substance to Mortgagee in an amount sufficient to discharge the claim out of which the lien arises.

6.3. **Right to Inspect and Cure.** Mortgagee shall have the right to conduct or have conducted by its agents or contractors such environmental inspections, audits and tests as

Mortgagee shall deem necessary or advisable from time to time at the sole cost and expense of Mortgagor. The cost of such inspections, audits and tests shall be added to the Liabilities and shall be secured by this Mortgage. Mortgagor shall, and shall cause each tenant of the Property to, cooperate with such inspection efforts; such cooperation shall include, without limitation, supplying all information requested concerning the operations conducted and Hazardous Substances located at the Property. In the event that Mortgagor fails to comply with any Environmental Law, Mortgagee may, in addition to any of its other remedies under this Mortgage, cause the Property to be in compliance with such laws and the cost of such compliance shall be added to the sums secured by this Mortgage in accordance with the provisions of Section 1 hereof.

6.4 **Environmental Indemnification.** (a) Mortgagor agrees, jointly and severally, to unconditionally and absolutely indemnify and hold Mortgagee, its officers, directors, employees, agents and attorneys harmless from and against any loss, cost, liability, damage, claim or expense, including reasonable attorneys' fees, suffered or incurred by Mortgagee in connection with the Property at any time, whether before, during or after enforcement of Mortgagee's rights and remedies upon default under the Loan Documents, under or on account of, or as a result of (i) any violation of applicable Environmental Laws, (ii) any presence, release, or threat of release of Hazardous Substances at, upon, under or within the Property, (iii) the presence of asbestos or asbestos-containing materials, PCB's, radon gas, urea formaldehyde foam insulation or lead (whether in paint, water, soil, or plaster) at the Property, (iv) any breach of the representations and warranties made in this Section 6, or (v) the failure of Mortgagor to duly perform the obligations or actions set forth in this Section 6 with respect to: (A) the imposition by any governmental authority of any lien upon the Property, (B) clean-up costs, (C) liability for personal injury or property damage or damage to the environment, (D) any diminution in the value of the Property and (E) fines, penalties and punitive damages.

(b) Mortgagor further agrees that Mortgagee shall not assume any liability or obligation for loss, damage, fines, penalties, claims or duty to clean up or dispose of wastes or materials on or relating to the Property as a result of any conveyance of title to the Property to the Mortgagee or otherwise or as a result of any inspections or any other actions made or taken by Mortgagee on the Property unless caused by the negligent or intentional acts of Mortgagee or anyone acting by or through Mortgagee, and (ii) Mortgagor agrees to remain fully liable and shall indemnify and hold harmless Mortgagee from any costs, expenses, clean-up costs, waste disposal costs, litigation costs, fines and penalties, including without limitation any costs, expenses, penalties and fines within the meaning of any applicable Environmental Laws.

(c) Mortgagor shall assume the burden and expense of defending Mortgagee, with counsel selected by Mortgagor and reasonably satisfactory to Mortgagee, against all legal and administrative proceedings arising out of the occurrences to which this Section 6 applies. Mortgagee shall have the right, but not the obligation, to participate in the defense of any such proceedings; provided, however, that the costs thereof shall be borne by Mortgagee if Mortgagee engages separate counsel unless Mortgagee reasonably believes counsel selected by Mortgagor is not conducting an adequate defense and new counsel selected by Mortgagor and reasonably approved by Mortgagee is not provided within ten (10) days following written notice from Mortgagee, in which event the cost of Mortgagee's separate counsel shall be borne by Mortgagor. Mortgagor may compromise or settle any such proceedings without the consent of Mortgagee only if the claimant agrees as part of the compromise or settlement that Mortgagee shall have no

responsibility or liability for the payment or discharge of any amount agreed upon or obligation to take any other action.

(d) Mortgagor shall pay when due any judgments against Mortgagee which have been indemnified under this Section 6 and which are rendered by a final order or decree of a court of competent jurisdiction from which no further appeal may be taken or has been taken within the applicable appeal period. In the event that such payment is not made, Mortgagee, in its sole discretion, may pay any such judgments on five (5) Business Days prior written notice to Mortgagor, in whole or in part, and look to Mortgagor for reimbursement pursuant to this Section 6, or may proceed to file suit against Mortgagor to compel such payment.

(e) Mortgagor and Mortgagee have executed a separate Environmental Indemnity Agreement. If there is a conflict between the terms and provisions thereof and hereof, the terms and provisions thereof shall control.

7. EVENTS OF DEFAULT. Each of the following shall constitute a default (each, an "Event of Default") hereunder:

7.1. Non-payment when due of any sum required to be paid to Mortgagee under any of the Loan Documents, including without limitation, principal and interest after expiration of any applicable grace, notice or cure period expressly provided in the Loan Documents;

7.2 A breach of any covenant contained in Sections 2.3., 2.4., 2.6. or 2.7. hereof;

7.3. A breach by Mortgagor of any other term, covenant, condition, obligation or agreement under this Mortgage, and the continuance of such breach for a period of fifteen (15) days after written notice thereof shall have been given to Mortgagor, provided that if any non-monetary breach cannot reasonably be cured within such fifteen (15) day period and Borrower shall have commenced to cure same within such fifteen (15) day period and thereafter diligently and expeditiously proceeds to cure same, such fifteen (15) day period shall be extended for so long as it shall require Borrower in the exercise of due diligence to cure same, it being agreed that no such extension shall be for a period in excess of sixty (60) days;

7.4. An Event of Default under the Note or any of the other Loan Documents;

7.5. Any representation or warranty made by Mortgagor or any guarantor in any Loan Document or to induce Mortgagee to enter into the transactions contemplated hereunder shall prove to be false, incorrect or misleading in any material respect as of the date when made;

7.6. The filing by or against Mortgagor or any guarantor of a petition seeking relief, or the granting of relief, under the Federal Bankruptcy Code or any similar federal or state statute; any assignment for the benefit of creditors made by Mortgagor or any guarantor, unless with respect to any involuntary proceeding, it is dismissed within sixty (60) days after the filing thereof; the appointment of a custodian, receiver, liquidator or trustee for Mortgagor or any guarantor or for any of the property of Mortgagor or any such guarantor, or any action by Mortgagor or any guarantor to effect any of the foregoing; or if Mortgagor or any guarantor becomes insolvent (however defined) or is not paying its debts generally as they become due;

7.7. The death, dissolution, liquidation, merger, consolidation or reorganization of Mortgagor or any guarantor, or the institution of any proceeding to effect any of the foregoing;

7.8. A default under any other obligation by Mortgagor (or any affiliate of Mortgagor) or any guarantor (or affiliate of any such guarantor) in favor of Mortgagee, whether or not such obligation is secured by the Property;

7.9. The filing, entry or issuance of any judgment, execution, garnishment, attachment, distraint or lien against Mortgagor or any guarantor or their property, unless such judgment, execution, garnishment, attachment, distraint or lien is discharged by Mortgagor within thirty (30) days after its filing, entry or issuance; or

7.10. A default under any other obligation secured by the Property or any part thereof.

8. **REMEDIES**. If an Event of Default shall have occurred, Mortgagee may take any of the following actions:

8.1. **Acceleration**. Mortgagee may declare the entire amount of the Liabilities immediately due and payable, without presentment, demand, notice of any kind, protest or notice of protest, all of which are expressly waived, notwithstanding anything to the contrary contained in any of the Loan Documents. Mortgagee may charge and collect interest from the date of default on the unpaid balance of the Liabilities, at the Default Rate set forth in the Note.

8.2. **Possession**. Mortgagee may enter upon and take possession of the Property, with or without legal action, lease the Property, collect therefrom all rentals and, after deducting all costs of collection and administration expense, apply the net rentals to any one or more of the following items in such manner and in such order of priority as Mortgagee, in Mortgagee's sole discretion, may elect: the payment of any sums due under any prior lien, taxes, water and sewer rents, charges and claims, insurance premiums and all other carrying charges, to the maintenance, repair or restoration of the Property, or on account of the Liabilities. Mortgagee is given full authority to do any act which Mortgagor could do in connection with the management and operation of the Property. This covenant is effective either with or without any action brought to foreclose this Mortgage and without applying for a receiver of such rents. In addition to the foregoing, upon the occurrence of an Event of Default, Mortgagor shall pay monthly in advance to Mortgagee or to any receiver appointed to collect said rents the fair and reasonable rental value for Mortgagor's use and occupation of the Property, and upon default in any such payment Mortgagor shall vacate and surrender the possession of the Property to Mortgagee or to such receiver. If Mortgagor does not vacate and surrender the Property then Mortgagor may be evicted by summary proceedings.

8.3. **Foreclosure**. Mortgagee may institute any one or more actions of mortgage foreclosure against all or any part of the Property, or take such other action at law, equity or by contract for the enforcement of this Mortgage and realization on the security herein or elsewhere provided for, as the law may allow, and may proceed therein to final judgment and execution for the entire unpaid balance of the Liabilities. The unpaid balance of any judgment shall bear interest

at the greater of (a) the statutory rate provided for judgments, or (b) the Default Rate. Without limiting the foregoing, Mortgagee may foreclose this Mortgage and exercise its rights as a secured party for all or any portion of the Liabilities which are then due and payable, subject to the continuing lien of this Mortgage for the balance not then due and payable. In case of any sale of the Property by judicial proceedings, the Property may be sold in one parcel or in such parcels, manner or order as Mortgagee in its sole discretion may elect. Mortgagor, for itself and anyone claiming by, through or under it, hereby agrees that Mortgagee shall in no manner, in law or in equity, be limited, except as herein provided, in the exercise of its rights in the Property or in any other security hereunder or otherwise appertaining to the Liabilities or any other obligation secured by this Mortgage, whether by any statute, rule or precedent which may otherwise require said security to be marshalled in any manner and Mortgagor, for itself and others as aforesaid, hereby expressly waives and releases any right to or benefit thereof. The failure to make any tenant a defendant to a foreclosure proceeding shall not be asserted by Mortgagor as a defense in any proceeding instituted by Mortgagee to collect the Liabilities or any deficiency remaining unpaid after the foreclosure sale of the Property.

8.4. **Appointment of Receiver.** Mortgagee may petition a court of competent jurisdiction to appoint a receiver of the Property. Such appointment may be made either before or after sale, without notice, without regard to the solvency or insolvency of Mortgagor at the time of application for such receiver, without regard to the then value of the Property or whether the Property shall be then occupied as a homestead or not, and without regard to whether Mortgagor has committed waste or allowed deterioration of the Property, and Mortgagee or any agent of Mortgagee may be appointed as such receiver. Mortgagor hereby agrees that Mortgagee has a special interest in the Property and absent the appointment of such receiver the Property shall suffer waste and deterioration and Mortgagor further agrees that it shall not contest the appointment of a receiver and hereby so stipulates to such appointment pursuant to this paragraph. Such receiver shall have the power to perform all of the acts permitted Mortgagee pursuant to Section 8.2 above and such other powers which may be necessary or customary in such cases for the protection, possession, control, management and operation of the Property during such period.

8.5. **Rights as a Secured Party.** Mortgagee shall have, in addition to other rights and remedies available at law or in equity, the rights and remedies of a secured party under the Code. Mortgagee may elect to foreclose such of the Property as then comprise fixtures pursuant either to the law applicable to foreclosure of an interest in real estate or to that applicable to personal property under the Code. To the extent permitted by law, Mortgagor waives the right to any stay of execution and the benefit of all exemption laws now or hereafter in effect.

8.6. **Excess Monies.** Mortgagee may apply on account of the Liabilities any unexpended monies still retained by Mortgagee that were paid by Mortgagor to Mortgagee: (a) for the payment of, or as security for the payment of taxes, assessments or other governmental charges, insurance premiums, or any other charges; or (b) to secure the performance of some act by Mortgagor.

8.7. **Other Remedies.** Mortgagee shall have the right, from time to time, to bring an appropriate action to recover any sums required to be paid by Mortgagor under the terms of this Mortgage, as they become due, without regard to whether or not any other Liabilities shall be due,

and without prejudice to the right of Mortgagee thereafter to bring an action of mortgage foreclosure, or any other action, for any default by Mortgagor existing at the time the earlier action was commenced. In addition, Mortgagee shall have the right to set-off all or any part of any amount due by Mortgagor to Mortgagee under any of the Liabilities, against any indebtedness, liabilities or obligations owing by Mortgagee in any capacity to Mortgagor, including any obligation to disburse to Mortgagor any funds or other property on deposit with or otherwise in the possession, control or custody of Mortgagee.

9. MISCELLANEOUS.

9.1. **Notices.** All notices and communications under this Mortgage shall be in writing and shall be given by either (a) hand-delivery, (b) first class mail (postage prepaid), (c) reliable overnight commercial courier (charges prepaid), to the addresses listed in this Mortgage, or (d) by electronic mail. Notice shall be deemed to have been given and received: (a) if by hand delivery, upon delivery; (b) if by mail, three (3) calendar days after the date first deposited in the United States mail; (c) if by overnight courier, on the date scheduled for delivery; and if by email, then when sent. Any notice sent to Mortgagee, if sent by other than electronic mail, shall also be sent by electronic mail to Mortgagee at viktor.goldenberg@gmail.com with copy to steven@reismanlawgroup.com.

9.2. **Remedies Cumulative.** The rights and remedies of Mortgagee as provided in this Mortgage or in any other Loan Document shall be cumulative and concurrent, may be pursued separately, successively or together, may be exercised as often as occasion therefor shall arise, and shall be in addition to any other rights or remedies conferred upon Mortgagee at law or in equity. The failure, at any one or more times, of Mortgagee to assert the right to declare the Liabilities due, grant any extension of time for payment of the Liabilities, take other or additional security for the payment thereof, release any security, change any of the terms of the Loan Documents, or waive or fail to exercise any right or remedy under any Loan Document shall not in any way affect this Mortgage or the rights of Mortgagee.

9.3. **No Implied Waiver.** Mortgagee shall not be deemed to have modified or waived any of its rights or remedies hereunder unless such modification or waiver is in writing and signed by Mortgagee, and then only to the extent specifically set forth therein. A waiver in one event shall not be construed as continuing or as a waiver of or bar to such right or remedy on a subsequent event.

9.4. **Partial Invalidity.** The invalidity or unenforceability of any one or more provisions of this Mortgage shall not render any other provision invalid or unenforceable. In lieu of any invalid or unenforceable provision, there shall be added automatically a valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible.

9.5. **Binding Effect.** The covenants, conditions, waivers, releases and agreements contained in this Mortgage shall bind, and the benefits thereof shall inure to, the parties hereto and their respective heirs, executors, administrators, successors and assigns and are intended and shall be held to be real covenants running with the land; provided, however, that this Mortgage cannot be assigned by Mortgagor without the prior written consent of Mortgagee, and any such assignment or attempted assignment by Mortgagor shall be void and of no effect with respect to Mortgagee.

9.6. **Modifications.** This Mortgage may not be supplemented, extended, modified or terminated except by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

9.7. **Commercial Loan.** Mortgagor represents and warrants that the loans or other financial accommodations included as Liabilities secured by this Mortgage were obtained solely for the purpose of carrying on or acquiring a business or commercial investment and not for residential, consumer or household purposes.

9.8. **Governing Law.** This Mortgage shall be governed by and construed in accordance with the substantive laws of the State of Florida without reference to conflict of laws principles.

9.8.1. **CONSENT TO JURISDICTION.** WITH RESPECT TO ANY LEGAL OR EQUITABLE SUIT, ACTION, CLAIM OR PROCEEDING ARISING HEREUNDER OR UNDER THE OTHER LOAN DOCUMENTS, MORTGAGOR (I) IRREVOCABLY SUBMITS TO THE NONEXCLUSIVE JURISDICTION OF THE UNITED STATES DISTRICT COURT LOCATED IN BROWARD COUNTY, FLORIDA, OR THE CIRCUIT COURT OF THE STATE OF FLORIDA LOCATED IN BROWARD COUNTY, FLORIDA, (II) AGREES THAT ALL SUCH SUITS, ACTIONS, CLAIMS OR PROCEEDINGS MAY BE HEARD AND DETERMINED IN SUCH COURTS AND (III) IRREVOCABLY WAIVES ANY (A) OBJECTION WHICH IT MAY HAVE AT ANY TIME TO THE LAYING OF VENUE OF ANY SUIT, ACTION, CLAIM OR PROCEEDING ARISING OUT OF OR RELATING TO THIS MORTGAGE OR ANY OTHER LOAN DOCUMENT BROUGHT IN ANY SUCH STATE OR FEDERAL COURT AND (B) ANY CLAIM THAT ANY SUCH SUIT, ACTION, CLAIM OR PROCEEDING BROUGHT IN ANY SUCH STATE OR FEDERAL COURT HAS BEEN BROUGHT IN AN INCONVENIENT FORUM.

9.9. **Joint and Several Liability.** If Mortgagor consists of more than one person or entity, the word "Mortgagor" shall mean each of them and their liability shall be joint and several.

9.10. **Non-Merger.** In the event Mortgagee shall acquire title to the Property by conveyance from Mortgagor or as a result of foreclosure, this Mortgage shall not merge in the fee estate of the Property but shall remain and continue as an existing and enforceable lien for the Liabilities secured hereby until the same shall be released of record by Mortgagee in writing.

9.11. **Jury Trial Waiver.** The Mortgagor hereby waives any right to a trial by jury in any action, proceeding, claim, or counterclaim, whether in contract or tort, at law or in equity, arising out of or in any way related to this Mortgage or the Note.

9.12. **Time is of the Essence.** Mortgagor agrees that, with respect to each and every obligation and covenant contained in this Mortgage and the other Loan Documents, time is of the essence.

9.13. **Acknowledgment of Receipt.** Mortgagor acknowledges receipt of a copy of this Mortgage, the Note and the other Loan Documents.

ASSIGNMENT OF LEASES AND RENTS dated November 14, 2022 (together with any amendments or modifications hereto in effect from time to time, the "**Assignment**"), from **ASTRID 7 LLC**, a Florida limited liability company, having an address of 3350 SW 57 Place, Fort Lauderdale, FL 33312 ("**Assignor**") in favor of **VG INVEST ZION 613 LLC**, a Florida limited liability company, having an office of 50 W. Mashta Drive, Suite 6, Key Biscayne, FL 33149 ("**Assignee**").

1. **GRANT OF ASSIGNMENT.** For good and valuable consideration, the receipt and adequacy of which are hereby acknowledged, Assignor hereby absolutely and presently conveys, transfers and assigns to Assignee, all of the right, title, and interest of Assignor now existing or hereafter arising in and to:

1.2. All rents, income, receipts, revenues, reserves, termination fees, issues and profits arising under any Lease, including, without limitation, minimum rents, additional rents, percentage rents, parking, maintenance and deficiency rents (together with the items described in sections 1.3., 1.4. and 1.5. below, the "**Rents**");

1.3. All awards and payments of any kind derived from or relating to any Lease including, without limitation: (i) claims for the recovery of damages to the Property by proceeds of any policy of insurance or otherwise, or for the abatement of any nuisance existing thereon; (ii) claims for damages resulting from acts of insolvency or bankruptcy or otherwise; (iii) lump sum payments for the cancellation or termination of any Lease, the waiver of any term thereof, or the exercise of any right of first refusal or option to purchase; and (iv) the return of any insurance premiums or ad valorem tax payments made in advance and subsequently refunded;

1.5. All security deposits and escrow accounts made by any tenant or subtenant under any Lease.

2. ABSOLUTE ASSIGNMENT; LICENSE TO COLLECT.

2.1. This Assignment is intended to be and shall constitute an unconditional, absolute and present assignment from Assignor to Assignee of all of Assignor's right, title and interest in and to the Leases and Rents (subject to Section 6 hereof), and not an assignment in the nature of a pledge of such Leases and Rents or the mere grant of a security interest therein.

2.2. Notwithstanding that this Assignment is effective immediately, so long as no Event of Default (as defined below) exists that continues after expiration of any applicable cure, grace or notice period or as otherwise provided in the Mortgage, Assignor shall have the privilege under a revocable license granted hereby to operate and manage the Property and to collect, as they become due, but not prior to accrual, the Rents. Assignor shall receive and hold such Rents, as well as the privilege and license to receive such Rents, in trust as a fund to be applied, and Assignor hereby covenants and agrees that such Rents shall be so applied, first to the operation, maintenance and repair of the Property and the payment of interest, principal and other sums becoming due under the Liabilities, before retaining and/or disbursing any part of the Rents for any other purpose.

3. CERTAIN DEFINED TERMS. As used in this Assignment:

"**Liabilities**" means, collectively: (i) the repayment of all sums due under the Note (and all extensions, renewals, replacements and amendments thereof) and the other Loan Documents; (ii) the performance of all terms, conditions and covenants set forth in the Loan Documents; (iii) intentionally omitted; (iv) the repayment of all reimbursement obligations due or that may become due under or in connection with any present or future letters of credit issued by Assignee for the account of Assignor; and (v) all other obligations or indebtedness of Assignor to Assignee whenever borrowed or incurred, including without limitation, principal, interest, fees, late charges and expenses, including attorneys' fees.

3.5. All capitalized terms not otherwise defined herein shall have the meaning ascribed to them in the Loan Documents.

4. **REPRESENTATIONS AND WARRANTIES.** Assignor represents and warrants to Assignee the Property is currently vacant and there are no Leases and no payment of Rents.

5. **COVENANTS.**

5.1. Assignor covenants and agrees that Assignor will perform all of its obligations, as landlord, under the Leases (if any) and will enforce the performance by tenants of all of their respective obligations under the Leases, and will not do or permit to be done anything to impair the enforceability thereof. Assignor covenants and agrees that Assignor will not, without the prior written consent of Assignee in each instance which will not be unreasonably withheld, conditioned or delayed: (a) enter into any lease at the Property; (b) amend or modify, or consent any assignment of or subletting under, any Lease at the Property; (c) terminate or accept a surrender of any Lease; or (d) collect or accept rent from any tenant of the Property for a period of more than one month in advance. Any of the foregoing acts, if done without the prior written consent of Assignee in each instance, shall be null and void.

5.2. Assignor covenants and agrees to furnish to Assignee, on request: (i) a complete list, as of the date of such request, of all existing Leases and the Rents payable thereunder, and providing such further detail as Assignee may reasonably request; (ii) executed copies of all existing Leases and any modifications or amendments thereto; and (iii) specific, separate assignments of any future Leases duly executed and acknowledged by Assignee.

6. **NO OBLIGATIONS OF ASSIGNEE.**

6.1. Notwithstanding any legal presumption to the contrary, Assignee shall not be obligated by reason of its acceptance of this Assignment or of any Rent to perform any obligation of Assignor under any of the Leases, and Assignee shall not, prior to entry upon and actually taking physical possession of the Property, be deemed a mortgagee in possession.

6.2. Neither this Assignment nor collection by Assignee of Rents is intended, nor shall it be construed, to operate to place responsibility upon Assignee for: (i) the control, care, operation, management or repair of the Property; (ii) the performance of any of the terms or conditions of the Leases; (iii) any waste committed on, or any dangerous or defective condition at the Property; or (iv) any negligence in the control, care, operation, management or repair of the Property, resulting in loss or injury or death to any tenant, licensee, employee or other person or loss of or damage to the property of any of the foregoing; it being the intent of the parties that the responsibility and liability for the aforesaid matters shall remain solely with Assignor. Assignee assumes no liability for any security deposited with Assignor by any tenant unless and until such deposits are specifically transferred and delivered to Assignee.

7. **EVENTS OF DEFAULT.** Each of the following shall constitute a default (each, an "Event of Default") hereunder:

7.1. Any representation or warranty made by Assignor in this Assignment shall prove to be false, incorrect or misleading in any material respect as of the date when made;

7.2. A breach by Assignor of any term, covenant, condition, obligation or agreement under this Assignment and the continuance of such breach for a period of fifteen (15) days after written notice thereof shall have been given to Assignor;

7.3. A default not cured within any applicable cure, grace or notice period by Assignor under any of the Leases; or

7.4. An Event of Default under any of the other Loan Documents.

8. REMEDIES UPON AN EVENT OF DEFAULT. Upon the occurrence of an Event of Default, the license granted to Assignor to collect the Rents shall be automatically and immediately revoked without further notice to or demand upon Assignor, and Assignee shall have the right, without further notice to or demand upon Assignor, and in Assignee's absolute discretion, to exercise any one or more of the following rights and remedies:

8.1. Without regard to the adequacy of any security, and with or without appointment of a receiver, Assignee may enter upon and take possession of the Property; have, hold, manage, lease and operate the same, and collect, in its own name or in the name of Assignor, and receive all Rents accrued but unpaid and in arrears as of the date of such Event of Default, as well as the Rents which thereafter become due and payable; and have full power to make from time to time all alterations, renovations, repairs or replacements to the Property as Assignee may deem proper. Assignee may notify the tenants under the Leases, or any property manager or rental agent under any Contract (as such term is defined in the Mortgage), to pay all Rents directly to Assignee. Assignor shall pay to Assignee on demand any Rents collected by Assignor after the revocation of the license granted to Assignor. Assignor hereby irrevocably authorizes and directs the tenants under the Leases, and any property manager or rental agent under any Contract, upon receipt of written notice from Assignee, to pay all Rents due to Assignee without the necessity of any inquiry to Assignor and without any liability respecting the determination of the actual existence of any Event of Default claimed by Assignee or any claim by Assignor to the contrary. Assignor further agrees that it shall facilitate in all reasonable ways Assignee's collection of the Rents and will, upon Assignee's request, execute and deliver a written notice to each tenant under the Leases, or any property manager or rental agent under any Contract, directing such parties to pay the Rents to Assignee. Assignor shall have no right or claim against any parties to any Lease or Contract who make payment to Assignee after receipt of written notice from Assignee requesting same.

8.2. Assignee may apply such Rents to the payment of: (i) the Liabilities, together with all costs and reasonable attorneys' fees; (ii) all taxes, charges, claims, assessments, water rents or charges, sewer rents or charges and any other liens which may be prior in lien or payment to the Liabilities, and premiums for insurance, with interest on all such items; and (iii) the cost of all alterations, repairs, replacements and expenses incident to taking and retaining possession of the Property and the management and operation thereof; all in such order or priority as Assignee in its sole discretion may determine, any statute, law, custom or use to the contrary notwithstanding.

8.3. Assignee may: (i) endorse as Assignor's attorney-in-fact the name of Assignor or any subsequent owner of the Property on any checks, drafts or other instruments received in payment of the Rents, and deposit the same in bank accounts, which power of attorney is coupled with an interest and shall be irrevocable; (ii) give proper receipts, releases and acquittances to tenants in relation thereto in the name of Assignor; (iii) institute, prosecute, settle or compromise any summary or legal proceedings involving tenants in the name of Assignor for the recovery of the Rents, or for damage to the Property, or for the abatement of any nuisance thereon; and (iv) defend any legal proceedings brought against Assignor arising out of the operation of the Property. Any charges, expenses or fees, including reasonable attorneys' fees and costs, incurred by Assignee in connection with any of the foregoing shall be included in the Liabilities, and shall be due and payable on demand, together with interest at the Default Rate, such interest to be calculated from the date of such advance to the date of repayment thereof.

8.4. Assignee may, at its election, but shall not be obligated to: (i) perform any of Assignor's obligations under the Leases (provided, however, that Assignor shall remain liable for such obligations notwithstanding such election by Assignee); (ii) exercise any of Assignor's rights, powers or privileges under the Leases; (iii) modify, cancel or renew existing Leases or make concessions to the tenants thereto; (iv) execute new Leases for all or any portion of the Property; and (v) take such other action as Assignor may have taken with respect to the Leases.

9. **ESTOPPEL CERTIFICATES.** Assignor shall, from time to time, without charge and within five (5) business days after requested by Assignee, execute, acknowledge and deliver, and cause each tenant under the Leases, if any, to execute, acknowledge and deliver to Assignee a written statement, in form and substance reasonably satisfactory to Assignee, certifying to certain matters relating to the Leases, including without limitation: (i) the commencement and expiration dates of the Leases and the dates when any rents, charges and other sums commenced to be payable thereunder; (ii) that the Leases are unmodified and in full force and effect (or, if modified, stating the nature of such modifications and that the Leases as so modified are in full force and effect); (iii) the amount of Rents payable under the Leases and the dates to which the Rents and other charges under the Leases have been paid in advance; and (iv) whether there are any uncured defaults by Assignor or such tenant or any setoffs or defenses against enforcement of any terms or conditions under any Lease.

10. **ASSIGNEE AS CREDITOR OF TENANTS.** Notwithstanding the privilege and license granted by Assignee herein, Assignee, and not Assignor, shall be deemed to be the creditor of each tenant in respect of any assignment for the benefit of creditors, bankruptcy, reorganization, insolvency, dissolution or receivership proceedings affecting such tenant. Assignee shall have the option to have any money received by Assignee as such creditor applied to reduce the Liabilities or paid over to Assignor. Assignee shall have the right to file claims in any such proceedings and to otherwise pursue creditor's rights therein. If Assignor learns that any tenant has become the subject of such a proceeding, Assignor shall give Assignee prompt notice thereof.

11. **TERM.** Upon repayment in full of the Liabilities and the cancellation or discharge of the Mortgage, this Assignment shall automatically terminate and become null and void. Assignor covenants and agrees that prior to such termination, the affidavit or certificate of any representative of Assignee stating that any of the Liabilities remain unpaid shall be conclusive evidence of the

validity, effectiveness and continuing force of this Assignment, and any person is hereby authorized to rely thereon.

12. OTHER RIGHTS OF ASSIGNEE. Assignee may, without prejudice to any of its rights under this Assignment, take or release security, release any party primarily or secondarily liable for any of the Liabilities, and grant extensions, renewals, modifications or indulgences with respect to the Note, the Mortgage or any other Loan Document.

13. NO WAIVER. The collection of Rents under the Lcases, the taking of physical possession of the Property, or any other remedial action taken by Assignee shall not waive any Event of Default or waive, modify or affect any notice of default under the Loan Documents, or invalidate any act done pursuant to such notice, and the enforcement of any right or remedy by Assignee, once exercised, shall continue for so long as Assignee shall elect, notwithstanding that the collection and application of such Rents may have cured or could have resulted in a cure of an Event of Default. If Assignee thereafter elects to discontinue the exercise of any right or remedy, that or any other right or remedy under this Assignment may be reasserted at any time and from time to time following any subsequent Event of Default.

14. MISCELLANEOUS.

14.1. Notices. All notices and communications under this Assignment shall be in writing and shall be given by either (a) hand-delivery, (b) first class mail (postage prepaid), or (c) reliable overnight commercial courier (charges prepaid), to the addresses listed in the Mortgage. Notice shall be deemed to have been given and received: (i) if by hand delivery, upon delivery; (ii) if by mail, three (3) calendar days after the date first deposited in the United States mail; and (iii) if by overnight courier, on the date scheduled for delivery. 14.2. Remedies Cumulative. The rights and remedies of Assignee as provided in this Assignment or in any other Loan Document shall be cumulative and concurrent, may be pursued separately, successively or together, may be exercised as often as occasion therefor shall arise, and shall be in addition to any other rights or remedies conferred upon Assignee at law or in equity. The failure, at any one or more times, of Assignee to assert the right to declare the Liabilities due, grant any extension of time for payment of the Liabilities, take additional security for the payment thereof, release any security, change any of the terms of the Loan Documents, or waive or fail to exercise any right or remedy under any Loan Document shall not in any way affect this Assignment or the rights of Assignee.

14.3. No Implied Waiver. Assignee shall not be deemed to have waived any of its rights or remedies hereunder unless such modification or waiver is in writing and signed by Assignee, and then only to the extent specifically set forth therein. A waiver in one event shall not be construed as continuing or as a waiver of or bar to such right or remedy on a subsequent event.

14.4. **Partial Invalidity.** The invalidity or unenforceability of any one or more provisions of this Assignment shall not render any other provision invalid or unenforceable. In lieu of any invalid or unenforceable provision, there shall be added automatically a valid and enforceable provision as similar in terms to such invalid or unenforceable provision as may be possible.

14.5. **Binding Effect.** The covenants, conditions, waivers, releases and agreements contained in this Assignment shall bind, and the benefits thereof shall inure to, the parties hereto and their respective heirs, executors, administrators, successors and assigns and are intended and shall be held to be real covenants running with the land; provided, however, that this Assignment cannot be assigned by Assignor without the prior written consent of Assignee in each instance, and any such assignment or attempted assignment by Assignor shall be void and of no effect with respect to Assignee.

14.6. **Modifications.** This Assignment may not be supplemented, extended, modified or terminated except by an agreement in writing signed by the party against whom enforcement of any waiver, change, modification or discharge is sought.

14.10. **Governing Law.** This Assignment shall be governed by and construed in accordance with the substantive laws of the State of Florida without reference to conflict of laws principles.

assessments as a single parcel. The property appraiser must be provided the necessary documents, as evidenced in the official records of the clerk of the circuit court of the county, to make a determination as to the Ownership of a Ru-Vel, Inc. parcel for assessment and homestead tax exemption purposes. The taxes and special assessments levied against each Ru-Vel, Inc. parcel shall constitute a lien only upon the Ru-Vel, Inc. parcel assessed and upon no other portion of the Ru-Vel, Inc. property.

XI. Rents and Assessments; Liability; Lien and Priority; Interest; Collection; Collaborative Ownership:

Ru-Vel, Inc. may charge an administrative late fee in addition to such interest, not to exceed the greater of \$25 or 5 percent of each installment of the assessment, for each delinquent installment that the payment is late. Any payment received by Ru-Vel, Inc. must be applied first to any interest accrued by Ru-Vel, Inc., then to any administrative late fee, then to any costs and reasonable attorney fees incurred in collection, and then to the delinquent assessment.
- 11.4 Ru-Vel, Inc. has a lien on each Ru-Vel, Inc. parcel for any unpaid rents and assessments, plus interest, and any authorized administrative late fees. The lien also secures reasonable attorney fees incurred by Ru-Vel, Inc. incident to the collection of the rents and assessments or enforcement of such lien. The lien is effective from and after recording a claim of lien in the public records of Broward County which states the description of the Ru-Vel, Inc. parcel, the name of the Stockholders, the amount due, and the due dates. A lien may not be filed by Ru-Vel, Inc. against a Stockholder's parcel until 30 days after the date on which a notice of intent to file a lien has been delivered to the Stockholders.
- 11.5 Notice of intent to file lien must be sent to a given Stockholders in accordance with Florida law.
- 11.6 Liens for rents and assessments may be foreclosed by suit brought in the name of Ru-Vel, Inc., in like manner as a foreclosure of a mortgage on real property. Ru-Vel, Inc. has the power to bid on Stockholder's parcel at the foreclosure sale and to acquire and hold, lease, mortgage, or convey it. Suit to recover a money judgment for unpaid rents and assessments may be maintained without waiving the lien securing them.

XII. Stockholders' Pre-emptive Rights:

Before issuing, allotting, selling or otherwise disposing of any unissued shares and any issued shares held by Ru-Vel, Inc., the Officers shall first offer those shares pro rata to the Stockholders. The offer shall be made by notice specifying the number of shares offered and limiting a time for acceptance. After the expiration of the time for acceptance or on receipt of written confirmation from the Stockholder or Stockholders to whom the offer is made that the Stockholder or Stockholders decline(s) to accept the offer, and if there are no other Stockholders holding shares who should first receive an offer, the Officers may, for three (3) months thereafter, issue, allot, sell or otherwise dispose of the shares to such persons and in such manner as they think most beneficial to Ru-Vel, Inc.; but the offer to those persons shall not be at a price less than, or on terms more favorable than, the offer to the Stockholders.

XIII. Indemnification of Officers:

Subject to the statutes or laws of the State of Florida, every Officer of Ru-Vel, Inc. and their heirs, executors, administrators and other personal legal representatives shall, from time to time and at all times while holding that office be indemnified and saved harmless by Ru-Vel, Inc. from and against:

- a) any liability and all costs, charges and expenses that such officer(s) sustain or incur in respect of any action, suit, or proceeding that is proposed or commenced against them in respect of anything done or permitted by them while they were acting in good faith in the reasonable execution of the duties of their office or position, and

Anything to the contrary in these documents is unintentional and these By-laws shall be interpreted to be in compliance with Florida law.
- 14.3 Robert’s Rules of Order (as amended from time to time) shall govern the conduct of Ru-Vel, Inc.’s meetings to the extent those are not in conflict with these Amended and Restated By-laws or the laws of the State of Florida.

(L) "Escrow Items" means those items that are described in Section 3.

(M) "Miscellaneous Proceeds" means any compensation, settlement, award of damages, or proceeds paid by any third party (other than insurance proceeds paid under the coverages described in Section 5) for: (i) damage to, or destruction of, the Property; (ii) condemnation or other taking of all or any part of the Property; (iii) conveyance in lieu of condemnation; or (iv) misrepresentations of, or omissions as to, the value and/or condition of the Property.

(N) "Mortgage Insurance" means insurance protecting Lender against the nonpayment of, or default on, the Loan.

(O) "Periodic Payment" means the regularly scheduled amount due for (i) principal and interest under the Note, plus (ii) any amounts under Section 3 of this Security Instrument.

(P) "RESPA" means the Real Estate Settlement Procedures Act (12 U.S.C. Section 2601 et seq.) and its implementing regulation, Regulation X (24 C.F.R. Part 3500), as they might be amended from time to time, or any additional or successor legislation or regulation that governs the same subject matter. As used in this Security Instrument, "RESPA" refers to all requirements and restrictions that are imposed in regard to a "federally related mortgage loan" even if the Loan does not qualify as a "federally related mortgage loan" under RESPA.

(Q) "Successor in Interest of Borrower" means any party that has taken title to the Property, whether or not that party has assumed Borrower's obligations under the Note and/or this Security Instrument.

TRANSFER OF RIGHTS IN THE PROPERTY

This Security Instrument secures to Lender: (i) the repayment of the Loan, and all renewals, extensions and modifications of the Note; and (ii) the performance of Borrower's covenants and agreements under this Security Instrument and the Note. For this purpose, Borrower does hereby mortgage, grant and convey to MERS (solely as nominee for Lender and Lender's successors and assigns) and to the successors and assigns of MERS, the following described property located in the _____ COUNTY (Type of Recording Jurisdiction) of BROWARD (Name of Recording Jurisdiction);

LOT 17, BLOCK 10, OF HOLLYWOOD BEACH FIRST ADDITION, ACCORDING TO THE PLAT THEREOF, AS RECORDED IN THE PLAT BOOK 1, PAGE 31, OF THE PUBLIC RECORDS OF BROWARD COUNTY, FLORIDA.

Parcel ID Number: 11212-01-15300 which currently has the address of
322 NEBRASKA STREET (Street)
HOLLYWOOD (City), Florida 33019 (Zip Code)
("Property Address");

TOGETHER WITH all the improvements now or hereafter erected on the property, and all easements, appurtenances, and fixtures now or hereafter a part of the property. All replacements and additions shall also be covered by this Security Instrument. All of the foregoing is referred to in this Security Instrument as the "Property." Borrower understands and agrees that MERS holds only legal title to the interests granted by Borrower in this Security Instrument, but, if necessary to comply with law or custom, MERS (as nominee for Lender and Lender's successors and assigns) has the right to exercise any or all of those interests, including, but not limited to, the right to foreclose and sell the Property; and to take any action required of Lender including, but not limited to, releasing and canceling this Security Instrument.

BORROWER COVENANTS that Borrower is lawfully seised of the estate hereby conveyed and has the right to mortgage, grant and convey the Property and that the Property is unencumbered, except for encumbrances of record. Borrower warrants and will defend generally the title to the Property against all claims and demands, subject to any encumbrances of record.

THIS SECURITY INSTRUMENT combines uniform covenants for national use and non-uniform covenants with limited variations by jurisdiction to constitute a uniform security instrument covering real property.

UNIFORM COVENANTS. Borrower and Lender covenant and agree as follows:

1. **Payment of Principal, Interest, Escrow Items, Prepayment Charges, and Late Charges.** Borrower shall pay when due the principal of, and interest on, the debt evidenced by the Note and any prepayment charges and late charges due under the Note. Borrower shall also pay funds for Escrow Items pursuant to Section 3. Payments due under the Note and this Security Instrument shall be made in U.S. currency. However, if any check or other instrument received by Lender as payment under the Note or this Security Instrument is returned to Lender unpaid, Lender may require that any or all subsequent payments due under the Note and this Security Instrument be made in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality, or entity; or (d) Electronic Funds Transfer.

Payments are deemed received by Lender when received at the location designated in the Note or at such other location as may be designated by Lender in accordance with the notice provisions in Section 15. Lender may return any payment or partial payment if the payment or partial payments are insufficient to bring the Loan current. Lender may accept any payment or partial payment insufficient to bring the Loan current, without waiver of any rights hereunder or prejudice to its rights to refuse such payment or partial payments in the future, but Lender is not obligated to apply such payments at the time such payments are accepted. If each Periodic Payment is applied as of its scheduled due date, then Lender need not pay interest on unapplied funds. Lender may hold such unapplied funds until Borrower makes payment to bring the Loan current. If Borrower does not do so within a reasonable period of time, Lender shall either apply such funds or return them to Borrower. If not applied earlier, such funds will be applied to the outstanding principal balance under the Note immediately prior to foreclosure. No offset or claim which Borrower might have now or in the future against Lender shall relieve Borrower from making payments due under the Note and this Security Instrument or performing the covenants and agreements secured by this Security Instrument.

2. **Application of Payments or Proceeds.** Except as otherwise described in this Section 2, all payments accepted and applied by Lender shall be applied in the following order of priority: (a) interest due under the Note; (b) principal due under the Note; (c) amounts due under Section 3. Such payments shall be applied to each Periodic Payment in the order in which it became due. Any remaining amounts shall be applied first to late charges, second to any other amounts due under this Security Instrument, and then to reduce the principal balance of the Note.

If Lender receives a payment from Borrower for a delinquent Periodic Payment which includes a sufficient amount to pay any late charge due, the payment may be applied to the delinquent payment and the late charge. If more than one Periodic Payment is outstanding, Lender may apply any payment received from Borrower to the repayment of the Periodic Payments if, and to the extent that, each payment

can be paid in full. To the extent that any excess exists after the payment is applied to the full payment of one or more Periodic Payments, such excess may be applied to any late charges due. Voluntary prepayments shall be applied first to any prepayment charges and then as described in the Note.

Any application of payments, insurance proceeds, or Miscellaneous Proceeds to principal due under the Note shall not extend or postpone the due date, or change the amount, of the Periodic Payments.

3. Funds for Escrow Items. Borrower shall pay to Lender on the day Periodic Payments are due under the Note, until the Note is paid in full, a sum (the "Funds") to provide for payment of amounts due for: (a) taxes and assessments and other items which can attain priority over this Security Instrument as a lien or encumbrance on the Property; (b) leasehold payments or ground rents on the Property, if any; (c) premiums for any and all insurance required by Lender under Section 5; and (d) Mortgage Insurance premiums, if any, or any sums payable by Borrower to Lender in lieu of the payment of Mortgage Insurance premiums in accordance with the provisions of Section 10. These items are called "Escrow Items." At origination or at any time during the term of the Loan, Lender may require that Community Association Dues, Fees, and Assessments, if any, be escrowed by Borrower, and such dues, fees and assessments shall be an Escrow Item. Borrower shall promptly furnish to Lender all notices of amounts to be paid under this Section. Borrower shall pay Lender the Funds for Escrow Items unless Lender waives Borrower's obligation to pay the Funds for any or all Escrow Items. Lender may waive Borrower's obligation to pay to Lender Funds for any or all Escrow Items at any time. Any such waiver may only be in writing. In the event of such waiver, Borrower shall pay directly, when and where payable, the amounts due for any Escrow Items for which payment of Funds has been waived by Lender and, if Lender requires, shall furnish to Lender receipts evidencing such payment within such time period as Lender may require. Borrower's obligation to make such payments and to provide receipts shall for all purposes be deemed to be a covenant and agreement contained in this Security Instrument, as the phrase "covenant and agreement" is used in Section 9. If Borrower is obligated to pay Escrow Items directly, pursuant to a waiver, and Borrower fails to pay the amount due for an Escrow Item, Lender may exercise its rights under Section 9 and pay such amount and Borrower shall then be obligated under Section 9 to repay to Lender any such amount. Lender may revoke the waiver as to any or all Escrow Items at any time by a notice given in accordance with Section 15 and, upon such revocation, Borrower shall pay to Lender all Funds, and in such amounts, that are then required under this Section 3.

Lender may, at any time, collect and hold Funds in an amount (a) sufficient to permit Lender to apply the Funds at the time specified under RESPA, and (b) not to exceed the maximum amount a lender can require under RESPA. Lender shall estimate the amount of Funds due on the basis of current data and reasonable estimates of expenditures of future Escrow Items or otherwise in accordance with Applicable Law.

The Funds shall be held in an institution whose deposits are insured by a federal agency, instrumentality, or entity (including Lender, if Lender is an institution whose deposits are so insured) or in any Federal Home Loan Bank. Lender shall apply the Funds to pay the Escrow Items no later than the time specified under RESPA. Lender shall not charge Borrower for holding and applying the Funds, annually analyzing the escrow account, or verifying the Escrow Items, unless Lender pays Borrower interest on the Funds and Applicable Law permits Lender to make such a charge. Unless an agreement is made in writing or Applicable Law requires interest to be paid on the Funds, Lender shall not be required to pay Borrower any interest or earnings on the Funds. Borrower and Lender can agree in writing, however, that interest

shall be paid on the Funds. Lender shall give to Borrower, without charge, an annual accounting of the Funds as required by RESPA.

If there is a surplus of Funds held in escrow, as defined under RESPA, Lender shall account to Borrower for the excess funds in accordance with RESPA. If there is a shortage of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the shortage in accordance with RESPA, but in no more than 12 monthly payments. If there is a deficiency of Funds held in escrow, as defined under RESPA, Lender shall notify Borrower as required by RESPA, and Borrower shall pay to Lender the amount necessary to make up the deficiency in accordance with RESPA, but in no more than 12 monthly payments.

Upon payment in full of all sums secured by this Security Instrument, Lender shall promptly refund to Borrower any Funds held by Lender.

4. **Charges, Liens.** Borrower shall pay all taxes, assessments, charges, fines, and impositions attributable to the Property which can attain priority over this Security Instrument, leasehold payments or ground rents on the Property, if any, and Community Association Dues, Fees, and Assessments, if any. To the extent that these items are Escrow Items, Borrower shall pay them in the manner provided in Section 3.

Borrower shall promptly discharge any lien which has priority over this Security Instrument unless Borrower: (a) agrees in writing to the payment of the obligation secured by the lien in a manner acceptable to Lender, but only so long as Borrower is performing such agreement; (b) contests the lien in good faith by, or defends against enforcement of the lien in, legal proceedings which in Lender's opinion operate to prevent the enforcement of the lien while those proceedings are pending, but only until such proceedings are concluded; or (c) secures from the holder of the lien an agreement satisfactory to Lender subordinating the lien to this Security Instrument. If Lender determines that any part of the Property is subject to a lien which can attain priority over this Security Instrument, Lender may give Borrower a notice identifying the lien. Within 10 days of the date on which that notice is given, Borrower shall satisfy the lien or take one or more of the actions set forth above in this Section 4.

Lender may require Borrower to pay a one-time charge for a real estate tax verification and/or reporting service used by Lender in connection with this Loan.

5. **Property Insurance.** Borrower shall keep the improvements now existing or hereafter erected on the Property insured against loss by fire, hazards included within the term "extended coverage," and any other hazards including, but not limited to, earthquakes and floods, for which Lender requires insurance. This insurance shall be maintained in the amounts (including deductible levels) and for the periods that Lender requires. What Lender requires pursuant to the preceding sentences can change during the term of the Loan. The insurance carrier providing the insurance shall be chosen by Borrower subject to Lender's right to disapprove Borrower's choice, which right shall not be exercised unreasonably. Lender may require Borrower to pay, in connection with this Loan, either: (a) a one-time charge for flood zone determination, certification and tracking services; or (b) a one-time charge for flood zone determination and certification services and subsequent charges each time remappings or similar changes occur which reasonably might affect such determination or certification. Borrower shall also be responsible for the payment of any fees imposed by the Federal Emergency Management Agency in connection with the review of any flood zone determination resulting from an objection by Borrower.

If Borrower fails to maintain any of the coverages described above, Lender may obtain insurance coverage, at Lender's option and Borrower's expense. Lender is under no obligation to purchase any particular type or amount of coverage. Therefore, such coverage shall cover Lender, but might or might not protect Borrower, Borrower's equity in the Property, or the contents of the Property, against any risk, hazard or liability and might provide greater or lesser coverage than was previously in effect. Borrower acknowledges that the cost of the insurance coverage so obtained might significantly exceed the cost of insurance that Borrower could have obtained. Any amounts disbursed by Lender under this Section 5 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

All insurance policies required by Lender and renewals of such policies shall be subject to Lender's right to disapprove such policies, shall include a standard mortgage clause, and shall name Lender as mortgagee and/or as an additional loss payee. Lender shall have the right to hold the policies and renewal certificates. If Lender requires, Borrower shall promptly give to Lender all receipts of paid premiums and renewal notices. If Borrower obtains any form of insurance coverage, not otherwise required by Lender, for damage to, or destruction of, the Property, such policy shall include a standard mortgage clause and shall name Lender as mortgagee and/or as an additional loss payee.

In the event of loss, Borrower shall give prompt notice to the insurance carrier and Lender. Lender may make proof of loss if not made promptly by Borrower. Unless Lender and Borrower otherwise agree in writing, any insurance proceeds, whether or not the underlying insurance was required by Lender, shall be applied to restoration or repair of the Property, if the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such insurance proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such insurance proceeds, Lender shall not be required to pay Borrower any interest or earnings on such proceeds. Fees for public adjusters, or other third parties, retained by Borrower shall not be paid out of the insurance proceeds and shall be the sole obligation of Borrower. If the restoration or repair is not economically feasible or Lender's security would be lessened, the insurance proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such insurance proceeds shall be applied in the order provided for in Section 2.

If Borrower abandons the Property, Lender may file, negotiate and settle any available insurance claim and related matters. If Borrower does not respond within 30 days to a notice from Lender that the insurance carrier has offered to settle a claim, then Lender may negotiate and settle the claim. The 30-day period will begin when the notice is given. In either event, or if Lender acquires the Property under Section 22 or otherwise, Borrower hereby assigns to Lender (a) Borrower's rights to any insurance proceeds in an amount not to exceed the amounts unpaid under the Note or this Security Instrument, and (b) any other of Borrower's rights (other than the right to any refund of unearned premiums paid by Borrower) under all insurance policies covering the Property, insofar as such rights are applicable to the coverage of the Property. Lender may use the insurance proceeds either to repair or restore the Property or to pay amounts unpaid under the Note or this Security Instrument, whether or not then due.

6. **Occupancy.** Borrower shall occupy, establish, and use the Property as Borrower's principal residence within 60 days after the execution of this Security Instrument and shall continue to occupy the Property as Borrower's principal residence for at least one year after the date of occupancy, unless Lender otherwise agrees in writing, which consent shall not be unreasonably withheld, or unless extenuating circumstances exist which are beyond Borrower's control.

7. **Preservation, Maintenance and Protection of the Property; Inspections.** Borrower shall not destroy, damage or impair the Property, allow the Property to deteriorate or commit waste on the Property. Whether or not Borrower is residing in the Property, Borrower shall maintain the Property in order to prevent the Property from deteriorating or decreasing in value due to its condition. Unless it is determined pursuant to Section 5 that repair or restoration is not economically feasible, Borrower shall promptly repair the Property if damaged to avoid further deterioration or damage. If insurance or condemnation proceeds are paid in connection with damage to, or the taking of, the Property, Borrower shall be responsible for repairing or restoring the Property only if Lender has released proceeds for such purposes. Lender may disburse proceeds for the repairs and restoration in a single payment or in a series of progress payments as the work is completed. If the insurance or condemnation proceeds are not sufficient to repair or restore the Property, Borrower is not relieved of Borrower's obligation for the completion of such repair or restoration.

Lender or its agent may make reasonable entries upon and inspections of the Property. If it has reasonable cause, Lender may inspect the interior of the improvements on the Property. Lender shall give Borrower notice at the time of or prior to such an interior inspection specifying such reasonable cause.

8. **Borrower's Loan Application.** Borrower shall be in default if, during the Loan application process, Borrower or any persons or entities acting at the direction of Borrower or with Borrower's knowledge or consent gave materially false, misleading, or inaccurate information or statements to Lender (or failed to provide Lender with material information) in connection with the Loan. Material representations include, but are not limited to, representations concerning Borrower's occupancy of the Property as Borrower's principal residence.

9. **Protection of Lender's Interest in the Property and Rights Under this Security Instrument.** If (a) Borrower fails to perform the covenants and agreements contained in this Security Instrument, (b) there is a legal proceeding that might significantly affect Lender's interest in the Property and/or rights under this Security Instrument (such as a proceeding in bankruptcy, probate, for condemnation or forfeiture, for enforcement of a lien which may attain priority over this Security Instrument or to enforce laws or regulations), or (c) Borrower has abandoned the Property, then Lender may do and pay for whatever is reasonable or appropriate to protect Lender's interest in the Property and rights under this Security Instrument, including protecting and/or assessing the value of the Property, and securing and/or repairing the Property. Lender's actions can include, but are not limited to: (a) paying any sums secured by a lien which has priority over this Security Instrument; (b) appearing in court; and (c) paying reasonable attorneys' fees to protect its interest in the Property and/or rights under this Security Instrument, including its secured position in a bankruptcy proceeding. Securing the Property includes, but is not limited to, entering the Property to make repairs, change locks, replace or board up doors and windows, drain water from pipes, eliminate building or other code violations or dangerous conditions, and have utilities turned on or off. Although Lender may take action under this Section 9, Lender does not have to do so and is not under any duty or obligation to do so. It is agreed that Lender incurs no liability for not taking any or all actions authorized under this Section 9.

Any amounts disbursed by Lender under this Section 9 shall become additional debt of Borrower secured by this Security Instrument. These amounts shall bear interest at the Note rate from the date of disbursement and shall be payable, with such interest, upon notice from Lender to Borrower requesting payment.

If this Security Instrument is on a leasehold, Borrower shall comply with all the provisions of the lease. If Borrower acquires fee title to the Property, the leasehold and the fee title shall not merge unless Lender agrees to the merger in writing.

10. **Mortgage Insurance.** If Lender required Mortgage Insurance as a condition of making the Loan, Borrower shall pay the premiums required to maintain the Mortgage Insurance in effect. If, for any reason, the Mortgage Insurance coverage required by Lender ceases to be available from the mortgage insurer that previously provided such insurance and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to obtain coverage substantially equivalent to the Mortgage Insurance previously in effect, at a cost substantially equivalent to the cost to Borrower of the Mortgage Insurance previously in effect, from an alternate mortgage insurer selected by Lender. If substantially equivalent Mortgage Insurance coverage is not available, Borrower shall continue to pay to Lender the amount of the separately designated payments that were due when the Insurance coverage ceased to be in effect. Lender will accept, use and retain these payments as a non-refundable loss reserve in lieu of Mortgage Insurance. Such loss reserve shall be non-refundable, notwithstanding the fact that the Loan is ultimately paid in full, and Lender shall not be required to pay Borrower any interest or earnings on such loss reserve. Lender can no longer require loss reserve payments if Mortgage Insurance coverage (in the amount and for the period that Lender requires) provided by an insurer selected by Lender again becomes available, is obtained, and Lender requires separately designated payments toward the premiums for Mortgage Insurance. If Lender required Mortgage Insurance as a condition of making the Loan and Borrower was required to make separately designated payments toward the premiums for Mortgage Insurance, Borrower shall pay the premiums required to maintain Mortgage Insurance in effect, or to provide a non-refundable loss reserve, until Lender's requirement for Mortgage Insurance ends in accordance with any written agreement between Borrower and Lender providing for such termination or until termination is required by Applicable Law. Nothing in this Section 10 affects Borrower's obligation to pay interest at the rate provided in the Note.

Mortgage Insurance reimburses Lender (or any entity that purchases the Note) for certain losses it may incur if Borrower does not repay the Loan as agreed. Borrower is not a party to the Mortgage Insurance.

Mortgage insurers evaluate their total risk on all such insurance in force from time to time, and may enter into agreements with other parties that share or modify their risk, or reduce losses. These agreements are on terms and conditions that are satisfactory to the mortgage insurer and the other party (or parties) to these agreements. These agreements may require the mortgage insurer to make payments using any source of funds that the mortgage insurer may have available (which may include funds obtained from Mortgage Insurance premiums).

As a result of these agreements, Lender, any purchaser of the Note, another insurer, any reinsurer, any other entity, or any affiliate of any of the foregoing, may receive (directly or indirectly) amounts that derive from (or might be characterized as) a portion of Borrower's payments for Mortgage Insurance, in exchange for sharing or modifying the mortgage insurer's risk, or reducing losses. If such agreement provides that an affiliate of Lender takes a share of the insurer's risk in exchange for a share of the premiums paid to the insurer, the arrangement is often termed "captive reinsurance." Further:

(a) Any such agreements will not affect the amounts that Borrower has agreed to pay for Mortgage Insurance, or any other terms of the Loan. Such agreements will not increase the amount Borrower will owe for Mortgage Insurance, and they will not entitle Borrower to any refund.

(b) Any such agreements will not affect the rights Borrower has - if any - with respect to the Mortgage Insurance under the Homeowners Protection Act of 1998 or any other law. These rights may include the right to receive certain disclosures, to request and obtain cancellation of the Mortgage Insurance, to have the Mortgage Insurance terminated automatically, and/or to receive a refund of any Mortgage Insurance premiums that were unearned at the time of such cancellation or termination.

11. Assignment of Miscellaneous Proceeds; Forfeiture. All Miscellaneous Proceeds are hereby assigned to and shall be paid to Lender.

If the Property is damaged, such Miscellaneous Proceeds shall be applied to restoration or repair of the Property. If the restoration or repair is economically feasible and Lender's security is not lessened. During such repair and restoration period, Lender shall have the right to hold such Miscellaneous Proceeds until Lender has had an opportunity to inspect such Property to ensure the work has been completed to Lender's satisfaction, provided that such inspection shall be undertaken promptly. Lender may pay for the repairs and restoration in a single disbursement or in a series of progress payments as the work is completed. Unless an agreement is made in writing or Applicable Law requires interest to be paid on such Miscellaneous Proceeds, Lender shall not be required to pay Borrower any interest or earnings on such Miscellaneous Proceeds. If the restoration or repair is not economically feasible or Lender's security would be lessened, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower. Such Miscellaneous Proceeds shall be applied in the order provided for in Section 2.

In the event of a total taking, destruction, or loss in value of the Property, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument, whether or not then due, with the excess, if any, paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is equal to or greater than the amount of the sums secured by this Security Instrument immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the sums secured by this Security Instrument shall be reduced by the amount of the Miscellaneous Proceeds multiplied by the following fraction: (a) the total amount of the sums secured immediately before the partial taking, destruction, or loss in value divided by (b) the fair market value of the Property immediately before the partial taking, destruction, or loss in value. Any balance shall be paid to Borrower.

In the event of a partial taking, destruction, or loss in value of the Property in which the fair market value of the Property immediately before the partial taking, destruction, or loss in value is less than the amount of the sums secured immediately before the partial taking, destruction, or loss in value, unless Borrower and Lender otherwise agree in writing, the Miscellaneous Proceeds shall be applied to the sums secured by this Security Instrument whether or not the sums are then due.

If the Property is abandoned by Borrower, or if, after notice by Lender to Borrower that the Opposing Party (as defined in the next sentence) offers to make an award to settle a claim for damages, Borrower fails to respond to Lender within 30 days after the date the notice is given, Lender is authorized to collect and apply the Miscellaneous Proceeds either to restoration or repair of the Property or to the sums secured by this Security Instrument, whether or not then due. "Opposing Party" means the third party that owes Borrower Miscellaneous Proceeds or the party against whom Borrower has a right of action in regard to Miscellaneous Proceeds.

Borrower shall be in default if any action or proceeding, whether civil or criminal, is begun that, in Lender's judgment, could result in forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. Borrower can cure such a default and, if acceleration has occurred, reinstate as provided in Section 19, by causing the action or proceeding to be dismissed with a ruling that, in Lender's judgment, precludes forfeiture of the Property or other material impairment of Lender's interest in the Property or rights under this Security Instrument. The proceeds of

any award or claim for damages that are attributable to the impairment of Lender's interest in the Property are hereby assigned and shall be paid to Lender.

All Miscellaneous Proceeds that are not applied to restoration or repair of the Property shall be applied in the order provided for in Section 2.

12. Borrower Not Released; Forbearance By Lender Not a Waiver. Extension of the time for payment or modification of amortization of the sums secured by this Security Instrument granted by Lender to Borrower or any Successor in Interest of Borrower shall not operate to release the liability of Borrower or any Successors in Interest of Borrower. Lender shall not be required to commence proceedings against any Successor in Interest of Borrower or to refuse to extend time for payment or otherwise modify amortization of the sums secured by this Security Instrument by reason of any demand made by the original Borrower or any Successors in Interest of Borrower. Any forbearance by Lender in exercising any right or remedy including, without limitation, Lender's acceptance of payments from third persons, entities or Successors in Interest of Borrower or in amounts less than the amount then due, shall not be a waiver of or preclude the exercise of any right or remedy.

13. Joint and Several Liability; Co-signers; Successors and Assigns Bound. Borrower covenants and agrees that Borrower's obligations and liability shall be joint and several. However, any Borrower who co-signs this Security Instrument but does not execute the Note (a "co-signer"): (a) is co-signing this Security Instrument only to mortgage, grant and convey the co-signer's interest in the Property under the terms of this Security Instrument; (b) is not personally obligated to pay the sums secured by this Security Instrument; and (c) agrees that Lender and any other Borrower can agree to extend, modify, forbear or make any accommodations with regard to the terms of this Security Instrument or the Note without the co-signer's consent.

Subject to the provisions of Section 18, any Successor in Interest of Borrower who assumes Borrower's obligations under this Security Instrument in writing, and is approved by Lender, shall obtain all of Borrower's rights and benefits under this Security Instrument. Borrower shall not be released from Borrower's obligations and liability under this Security Instrument unless Lender agrees to such release in writing. The covenants and agreements of this Security Instrument shall bind (except as provided in Section 20) and benefit the successors and assigns of Lender.

14. Loan Charges. Lender may charge Borrower fees for services performed in connection with Borrower's default, for the purpose of protecting Lender's interest in the Property and rights under this Security Instrument, including, but not limited to, attorneys' fees, property inspection and valuation fees. In regard to any other fees, the absence of express authority in this Security Instrument to charge a specific fee to Borrower shall not be construed as a prohibition on the charging of such fee. Lender may not charge fees that are expressly prohibited by this Security Instrument or by Applicable Law.

If the Loan is subject to a law which sets maximum loan charges, and that law is finally interpreted so that the interest or other loan charges collected or to be collected in connection with the Loan exceed the permitted limits, then: (a) any such loan charge shall be reduced by the amount necessary to reduce the charge to the permitted limit; and (b) any sums already collected from Borrower which exceeded permitted limits will be refunded to Borrower. Lender may choose to make this refund by reducing the principal owed under the Note or by making a direct payment to Borrower. If a refund reduces principal, the reduction will be treated as a partial prepayment without any prepayment charge (whether or not a prepayment charge is provided for under the Note). Borrower's acceptance of any such refund made by direct payment to Borrower will constitute a waiver of any right of action Borrower might have arising out of such overcharge.

15. Notices. All notices given by Borrower or Lender in connection with this Security Instrument must be in writing. Any notice to Borrower in connection with this Security Instrument shall be deemed to have been given to Borrower when mailed by first class mail or when actually delivered to Borrower's notice address if sent by other means. Notice to any one Borrower shall constitute notice to all Borrowers.

unless Applicable Law expressly requires otherwise. The notice address shall be the Property Address unless Borrower has designated a substitute notice address by notice to Lender. Borrower shall promptly notify Lender of Borrower's change of address. If Lender specifies a procedure for reporting Borrower's change of address, then Borrower shall only report a change of address through that specified procedure. There may be only one designated notice address under this Security Instrument at any one time. Any notice to Lender shall be given by delivering it or by mailing it by first class mail to Lender's address stated herein unless Lender has designated another address by notice to Borrower. Any notice in connection with this Security Instrument shall not be deemed to have been given to Lender until actually received by Lender. If any notice required by this Security Instrument is also required under Applicable Law, the Applicable Law requirement will satisfy the corresponding requirement under this Security Instrument.

16. **Governing Law; Severability; Rules of Construction.** This Security Instrument shall be governed by federal law and the law of the jurisdiction in which the Property is located. All rights and obligations contained in this Security Instrument are subject to any requirements and limitations of Applicable Law. Applicable Law might explicitly or implicitly allow the parties to agree by contract or it might be silent, but such silence shall not be construed as a prohibition against agreement by contract. In the event that any provision or clause of this Security Instrument or the Note conflicts with Applicable Law, such conflict shall not affect other provisions of this Security Instrument or the Note which can be given effect without the conflicting provision.

As used in this Security Instrument: (a) words of the masculine gender shall mean and include corresponding neuter words or words of the feminine gender; (b) words in the singular shall mean and include the plural and vice versa; and (c) the word "may" gives sole discretion without any obligation to take any action.

17. **Borrower's Copy.** Borrower shall be given one copy of the Note and of this Security Instrument.

18. **Transfer of the Property or a Beneficial Interest in Borrower.** As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law.

If Lender exercises this option, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

19. **Borrower's Right to Reinstate After Acceleration.** If Borrower meets certain conditions, Borrower shall have the right to have enforcement of this Security Instrument discontinued at any time prior to the earliest of: (a) five days before sale of the Property pursuant to any power of sale contained in this Security Instrument; (b) such other period as Applicable Law might specify for the termination of Borrower's right to reinstate; or (c) entry of a judgment enforcing this Security Instrument. Those conditions are that Borrower: (a) pays Lender all sums which then would be due under this Security Instrument and the Note as if no acceleration had occurred; (b) cures any default of any other covenants or agreements; (c) pays all expenses incurred in enforcing this Security Instrument, including, but not limited to, reasonable attorneys' fees, property inspection and valuation fees, and other fees incurred for the

purpose of protecting Lender's interest in the Property and rights under this Security Instrument; and (d) takes such action as Lender may reasonably require to assure that Lender's interest in the Property and rights under this Security Instrument, and Borrower's obligation to pay the sums secured by this Security Instrument, shall continue unchanged. Lender may require that Borrower pay such reinstatement sums and expenses in one or more of the following forms, as selected by Lender: (a) cash; (b) money order; (c) certified check, bank check, treasurer's check or cashier's check, provided any such check is drawn upon an institution whose deposits are insured by a federal agency, instrumentality or entity; or (d) Electronic Funds Transfer. Upon reinstatement by Borrower, this Security Instrument and obligations secured hereby shall remain fully effective as if no acceleration had occurred. However, this right to reinstate shall not apply in the case of acceleration under Section 18.

20. **Sale of Note; Change of Loan Servicer; Notice of Grievance.** The Note or a partial interest in the Note (together with this Security Instrument) can be sold one or more times without prior notice to Borrower. A sale might result in a change in the entity (known as the "Loan Servicer") that collects Periodic Payments due under the Note and this Security Instrument and performs other mortgage loan servicing obligations under the Note, this Security Instrument, and Applicable Law. There also might be one or more changes of the Loan Servicer unrelated to a sale of the Note. If there is a change of the Loan Servicer, Borrower will be given written notice of the change which will state the name and address of the new Loan Servicer, the address to which payments should be made and any other information RESPA requires in connection with a notice of transfer of servicing. If the Note is sold and thereafter the Loan is serviced by a Loan Servicer other than the purchaser of the Note, the mortgage loan servicing obligations to Borrower will remain with the Loan Servicer or be transferred to a successor Loan Servicer and are not assumed by the Note purchaser unless otherwise provided by the Note purchaser.

Neither Borrower nor Lender may commence, join, or be joined to any judicial action (as either an individual litigant or the member of a class) that arises from the other party's actions pursuant to this Security Instrument or that alleges that the other party has breached any provision of, or any duty owed by reason of, this Security Instrument, until such Borrower or Lender has notified the other party (with such notice given in compliance with the requirements of Section 15) of such alleged breach and afforded the other party hereto a reasonable period after the giving of such notice to take corrective action. If Applicable Law provides a time period which must elapse before certain action can be taken, that time period will be deemed to be reasonable for purposes of this paragraph. The notice of acceleration and opportunity to cure given to Borrower pursuant to Section 22 and the notice of acceleration given to Borrower pursuant to Section 18 shall be deemed to satisfy the notice and opportunity to take corrective action provisions of this Section 20.

21. **Hazardous Substances.** As used in this Section 21: (a) "Hazardous Substances" are those substances defined as toxic or hazardous substances, pollutants, or wastes by Environmental Law and the following substances: gasoline, kerosene, other flammable or toxic petroleum products, toxic pesticides and herbicides, volatile solvents, materials containing asbestos or formaldehyde, and radioactive materials; (b) "Environmental Law" means federal laws and laws of the jurisdiction where the Property is located that relate to health, safety or environmental protection; (c) "Environmental Cleanup" includes any response action, remedial action, or removal action, as defined in Environmental Law; and (d) an "Environmental Condition" means a condition that can cause, contribute to, or otherwise trigger an Environmental Cleanup.

Borrower shall not cause or permit the presence, use, disposal, storage, or release of any Hazardous Substances, or threaten to release any Hazardous Substances, on or in the Property. Borrower shall not do, nor allow anyone else to do, anything affecting the Property (a) that is in violation of any Environmental Law, (b) which creates an Environmental Condition, or (c) which, due to the presence, use, or release of a Hazardous Substance, creates a condition that adversely affects the value of the Property. The preceding two sentences shall not apply to the presence, use, or storage on the Property of small quantities of Hazardous Substances that are generally recognized to be appropriate to normal residential uses and to maintenance of the Property (including, but not limited to, hazardous substances in consumer products).

Borrower shall promptly give Lender written notice of (a) any investigation, claim, demand, lawsuit or other action by any governmental or regulatory agency or private party involving the Property and any Hazardous Substance or Environmental Law of which Borrower has actual knowledge, (b) any Environmental Condition, including but not limited to, any spilling, leaking, discharge, release or threat of release of any Hazardous Substance, and (c) any condition caused by the presence, use or release of a Hazardous Substance which adversely affects the value of the Property. If Borrower learns, or is notified by any governmental or regulatory authority, or any private party, that any removal or other remediation of any Hazardous Substance affecting the Property is necessary, Borrower shall promptly take all necessary remedial actions in accordance with Environmental Law. Nothing herein shall create any obligation on Lender for an Environmental Cleanup.

NON-UNIFORM COVENANTS. Borrower and Lender further covenant and agree as follows:

22. Acceleration; Remedies. Lender shall give notice to Borrower prior to acceleration following Borrower's breach of any covenant or agreement in this Security Instrument (but not prior to acceleration under Section 18 unless Applicable Law provides otherwise). The notice shall specify: (a) the default; (b) the action required to cure the default; (c) a date, not less than 30 days from the date the notice is given to Borrower, by which the default must be cured; and (d) that failure to cure the default on or before the date specified in the notice may result in acceleration of the sums secured by this Security Instrument, foreclosure by judicial proceeding and sale of the Property. The notice shall further inform Borrower of the right to reinstate after acceleration and the right to assert in the foreclosure proceeding the non-existence of a default or any other defense of Borrower to acceleration and foreclosure. If the default is not cured on or before the date specified in the notice, Lender at its option may require immediate payment in full of all sums secured by this Security Instrument without further demand and may foreclose this Security Instrument by judicial proceeding. Lender shall be entitled to collect all expenses incurred in pursuing the remedies provided in this Section 22, including, but not limited to, reasonable attorneys' fees and costs of title evidence.

23. Release. Upon payment of all sums secured by this Security Instrument, Lender shall release this Security Instrument. Borrower shall pay any recordation costs. Lender may charge Borrower a fee for releasing this Security Instrument, but only if the fee is paid to a third party for services rendered and the charging of the fee is permitted under Applicable Law.

24. Attorneys' Fees. As used in this Security Instrument and the Note, "attorneys' fees" shall include any attorneys' fees awarded by an appellate court and any attorneys' fees incurred in a bankruptcy proceeding.

25. Jury Trial Waiver. The Borrower hereby waives any right to a trial by jury in any action, proceeding, claim, or counterclaim, whether in contract or tort, at law or in equity, arising out of or in any way related to this Security Instrument or the Note.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Security Instrument and in any Rider executed by Borrower and recorded with it.

A. ADDITIONAL PROPERTY SUBJECT TO THE SECURITY INSTRUMENT. B. USE OF PROPERTY; COMPLIANCE WITH LAW. Borrower shall not seek, agree to or make a change in the use of the Property or its zoning classification, unless Lender has agreed in writing to the change. Borrower shall comply with all laws, ordinances, regulations and requirements of any governmental body applicable to the Property.

C. SUBORDINATE LIENS. Except as permitted by federal law, Borrower shall not allow any lien inferior to the Security Instrument to be perfected against the Property without Lender's prior written permission.

D. RENT LOSS INSURANCE. Borrower shall maintain insurance against rent loss in addition to the other hazards for which insurance is required by Section 5.

E. "BORROWER'S RIGHT TO REINSTATE" DELETED. Section 19 is deleted.

F. BORROWER'S OCCUPANCY. Unless Lender and Borrower otherwise agree in writing, Section 6 concerning Borrower's occupancy of the Property is deleted.

G. ASSIGNMENT OF LEASES. Upon Lender's request after default, Borrower shall assign to Lender all leases of the Property and all security deposits made in connection with leases of the Property. Upon the assignment, Lender shall have the right to modify, extend or terminate the existing leases and to execute new leases, in Lender's sole discretion. As used in this paragraph G, the word "lease" shall mean "sublease" if the Security Instrument is on a leasehold.

H. ASSIGNMENT OF RENTS; APPOINTMENT OF RECEIVER; LENDER IN POSSESSION. Borrower absolutely and unconditionally assigns and transfers to Lender all the rents and revenues ("Rents") of the Property, regardless of to whom the Rents of the Property are payable. Borrower authorizes Lender or Lender's agents to collect the Rents, and agrees that each tenant of the Property shall pay the Rents to Lender or Lender's agents. However, Borrower shall receive the Rents until: (i) Lender has given Borrower notice of default pursuant to Section 22 of the Security Instrument, and (ii) Lender has given notice to the tenant(s) that the Rents are to be paid to Lender or Lender's agent. This assignment of Rents constitutes an absolute assignment and not an assignment for additional security only.

If Lender gives notice of default to Borrower: (i) all Rents received by Borrower shall be held by Borrower as trustee for the benefit of Lender only, to be applied to the sums secured by the Security Instrument; (ii) Lender shall be entitled to collect and receive all of the Rents of the Property; (iii) Borrower agrees that each tenant of the Property shall pay all Rents due and unpaid to Lender or Lender's agents upon Lender's written demand to the tenant; (iv) unless applicable law provides otherwise, all Rents collected by Lender or Lender's agents shall be applied first to the costs of taking control of and managing the Property and collecting the Rents, including, but not limited to, attorney's fees, receiver's fees, premiums on receiver's bonds, repair and maintenance costs, insurance premiums, taxes, assessments and other charges on the Property, and then to the sums secured by the Security Instrument; (v) Lender, Lender's agents or any judicially appointed receiver shall be liable to account for only those Rents actually received; and (vi) Lender shall be entitled to have a receiver appointed to take possession of and manage the Property and collect the Rents and profits derived from the Property without any showing as to the inadequacy of the Property as security.

If the Rents of the Property are not sufficient to cover the costs of taking control of and managing the Property and of collecting the Rents any funds expended by Lender for such purposes shall become indebtedness of Borrower to Lender secured by the Security Instrument pursuant to Section 9.

Borrower represents and warrants that Borrower has not executed any prior assignment of the Rents and has not performed, and will not perform, any act that would prevent Lender from exercising its rights under this paragraph.

Lender, or Lender's agents or a judicially appointed receiver, shall not be required to enter upon, take control of or maintain the Property before or after giving notice of default to Borrower. However, Lender, or Lender's agents or a judicially appointed receiver, may do so at any time when a default occurs. Any application of Rents shall not cure or waive any default or invalidate any other right or remedy of Lender. This assignment of Rents of the Property shall terminate when all the sums secured by the Security Instrument are paid in full.

I. CROSS-DEFAULT PROVISION. Borrower's default or breach under any note or agreement in which Lender has an interest shall be a breach under the Security Instrument and Lender may invoke any of the remedies permitted by the Security Instrument.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this 1-4 Family Rider.

ADJUSTABLE RATE RIDER
(MTA-Twelve Month Average Index - Payment Caps)

LOAN NO.: 5238872271

MIN: 100039252388722712
MERS Phone: 1-888-678-6377

THIS ADJUSTABLE RATE RIDER is made this 20th day of APRIL, 2006, and is incorporated into and shall be deemed to amend and supplement the Mortgage, Deed of Trust, or Security Deed (the "Security Instrument") of the same date given by the undersigned ("Borrower") to secure Borrower's Adjustable Rate Note (the "Note") to FIRST MAGNUS FINANCIAL CORPORATION, AN ARIZONA CORPORATION

("Lender") of the same date and covering the property described in the Security Instrument and located at:

322 NEBRASKA STREET, HOLLYWOOD, FL 33019
[Property Address]

THE NOTE CONTAINS PROVISIONS THAT WILL CHANGE THE INTEREST RATE AND THE MONTHLY PAYMENT. THERE MAY BE A LIMIT ON THE AMOUNT THAT THE MONTHLY PAYMENT CAN INCREASE OR DECREASE. THE PRINCIPAL AMOUNT TO REPAY COULD BE GREATER THAN THE AMOUNT ORIGINALLY BORROWED, BUT NOT MORE THAN THE MAXIMUM LIMIT STATED IN THE NOTE

ADDITIONAL COVENANTS: In addition to the covenants and agreements made in the Security Instrument, Borrower and Lender further covenant and agrees as follows:

A. INTEREST RATE AND MONTHLY PAYMENT CHANGES

The Note provides for changes in the interest rate and the monthly payments, as follows:

2. INTEREST

(A) Interest Rate

Interest will be charged on unpaid Principal until the full amount of Principal has been paid. I will pay interest at a yearly rate of 2.000 %. The interest rate I will pay may change.

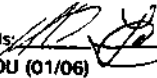

The interest rate required by this Section 2 is the rate I will pay both before and after any default described in Section 7(B) of the Note.

(B) Interest Rate Change Dates

The interest rate I will pay may change on the 1st day of JUNE, 2006 and on that day every month thereafter. Each date on which my interest rate could change is

PayOption MTA ARM Rider

Initials: 

called an "Interest Rate Change Date." The new rate of interest will become effective on each Interest Rate Change Date. The interest rate may change monthly, but the monthly payment is recalculated in accordance with Section 3.

(C) Index

Beginning with the first Interest Rate Change Date, my adjustable interest rate will be based on an Index. The "Index" is the "Twelve-Month Average" of the annual yields on actively traded United States Treasury Securities adjusted to a constant maturity of one year as published by the Federal Reserve Board in the Federal Reserve Statistical Release entitled "Selected Interest Rates (H.15)" (the "Monthly Yields"). The Twelve Month Average is determined by adding together the Monthly Yields for the most recently available twelve months and dividing by 12. The most recent Index figure available as of the date 15 days before each Interest Rate Change Date is called the "Current Index".

If the Index is no longer available, the Note Holder will choose a new index that is based upon comparable information. The Note Holder will give me notice of this choice.

(D) Calculation of Interest Rate Changes

Before each Interest Rate Change Date, the Note Holder will calculate my new interest rate by adding **THREE AND 450/1000THS** percentage point(s) **3.450** % ("Margin") to the Current Index. The Note Holder will then round the result of this addition to the nearest one-eighth of one percentage point (0.125%). This rounded amount will be my new interest rate until the next Interest Rate Change Date. My interest will never be greater than **9.950** %. Beginning with the first Interest Rate Change Date, my interest rate will never be lower than the Margin.

3. PAYMENTS

(A) Time and Place of Payments

I will make a payment every month.

I will make my monthly payments on the 1st day of each month beginning on **JUNE, 2006**. I will make these payments every month until I have paid all the Principal and interest and any other charges described below that I may owe under this Note. Each monthly payment will be applied as of its scheduled due date and will be applied to interest before Principal. If, on **MAY 01, 2046**, I still owe amounts under this Note, I will pay those amounts in full on that date, which is called the "Maturity Date."

I will make my monthly payments at **FIRST MAGNUS FINANCIAL CORPORATION, AN ARIZONA CORPORATION**
603 NORTH WILMOT ROAD, TUCSON, AZ 85711

or at a different place if required by the Note Holder.

(B) Amount of My Initial Monthly Payments

Each of my initial monthly payments until the first Payment Change Date will be in the amount of U.S. \$ **1,256.73** unless adjusted under Section 3(F).

PayOption MTA ARM Rider
 FE-6316 (0511)

Page 2 of 6

Initials: 

(C) Payment Change Dates

My monthly payment may change as required by Section 3(D) below beginning on the 1st day of JUNE, 2007, and on that day every 12th month thereafter. Each of these dates is called a "Payment Change Date." My monthly payment also will change at any time Section 3(F) or 3(G) below requires me to pay a different monthly payment. The "Minimum Payment" is the minimum amount Note Holder will accept for my monthly payment which is determined at the last Payment Change Date or as provided in Section 3(F) or 3(G) below. If the Minimum Payment is not sufficient to cover the amount of the interest due then negative amortization will occur.

I will pay the amount of my new Minimum Payment each month beginning on each Payment Change Date or as provided in Section 3(F) or 3(G) below.

(D) Calculation of Monthly Payment Changes

At least 30 days before each Payment Change Date, the Note Holder will calculate the amount of the monthly payment that would be sufficient to repay the unpaid Principal that I am expected to owe at the Payment Change Date in full on the maturity date in substantially equal payments at the interest rate effective during the month preceding the Payment Change Date. The result of this calculation is called the "Full Payment." Unless Section 3(F) or 3(G) apply, the amount of my new monthly payment effective on a Payment Change Date, will not increase by more than 7.5% of my prior monthly payment. This 7.5% limitation is called the "Payment Cap." This Payment Cap applies only to the Principal and Interest payment and does not apply to any escrow payments Lender may require under the Security Instrument. The Note Holder will apply the Payment Cap by taking the amount of my Minimum Payment due the month preceding the Payment Change Date and multiplying it by the number 1.075. The result of this calculation is called the "Limited Payment." Unless Section 3(F) or 3(G) below requires me to pay a different amount, my new Minimum Payment will be the lesser of the Limited Payment and the Full Payment. I also have the option to pay the Full Payment for my monthly payment.

(E) Additions to My Unpaid Principal

Since my monthly payment amount changes less frequently than the interest rate, and since the monthly payment is subject to the payment limitations described in Section 3(D), my Minimum Payment could be less than or greater than the amount of the interest portion of the monthly payment that would be sufficient to repay the unpaid Principal I owe at the monthly payment date in full on the Maturity Date in substantially equal payments. For each month that my monthly payment is less than the interest portion, the Note Holder will subtract the amount of my monthly payment from the amount of the interest portion and will add the difference to my unpaid Principal, and interest will accrue on the amount of this difference at the interest rate required by Section 2. For each month that the monthly payment is greater than the interest portion, the Note Holder will apply the payment as provided in Section 3(A).

(F) Limit on My Unpaid Principal; Increased Monthly Payment

My unpaid Principal can never exceed the Maximum Limit equal to ONE HUNDRED FIFTEEN AND 000/1000THS percent (115.000 %) of the Principal amount I originally borrowed. My unpaid Principal could exceed that Maximum Limit due to Minimum Payments and interest rate increases. In that event, on the date that my paying my monthly payment would cause me to exceed that limit, I will instead pay a new monthly payment. This means that my monthly payment may change more frequently than annually and such payment changes will not be limited by the 7.5% Payment Cap. The new Minimum Payment will be in an amount that would be sufficient to repay my then unpaid Principal in full on the Maturity Date in substantially equal payments at the current interest rate.

(G) Required Full Payment

On the fifth Payment Change Date and on each succeeding fifth Payment Change Date thereafter, I will begin paying the Full Payment as my Minimum Payment until my monthly payment changes again. I also will begin paying the Full Payment as my Minimum Payment on the final Payment Change Date.

(H) Payment Options

After the first Interest Rate Change Date, Lender may provide me with up to three (3) additional payment options that are greater than the Minimum Payment, which are called "Payment Options." I may be given the following Payment Options:

- (i) **Interest Only Payment:** the amount that would pay the interest portion of the monthly payment at the current interest rate. The Principal balance will not be decreased by this Payment Option and it is only available if the interest portion exceeds the Minimum Payment.
- (ii) **Fully Amortized Payment:** the amount necessary to pay the loan off (Principal and interest) at the Maturity Date in substantially equal payments.
- (iii) **15 Year Amortized Payment:** the amount necessary to pay the loan off (Principal and interest) within a fifteen (15) year term from the first payment due date in substantially equal payments. This monthly payment amount is calculated on the assumption that the current rate will remain in effect for the remaining term.

These Payment Options are only applicable if they are greater than the Minimum Payment.

B. TRANSFER OF THE PROPERTY OR A BENEFICIAL INTEREST IN BORROWER

Section 18 of the Security Instrument entitled "Transfer of the Property or a Beneficial Interest in Borrower" is amended to read as follows:

Initials: 

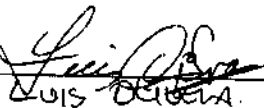

Transfer of the Property or a Beneficial Interest in Borrower. As used in this Section 18, "Interest in the Property" means any legal or beneficial interest in the Property, including, but not limited to, those beneficial interests transferred in a bond for deed, contract for deed, installment sales contract or escrow agreement, the intent of which is the transfer of title by Borrower at a future date to a purchaser.

If all or any part of the Property or any Interest in the Property is sold or transferred (or if Borrower is not a natural person and a beneficial interest in Borrower is sold or transferred) without Lender's prior written consent, Lender may require immediate payment in full of all sums secured by this Security Instrument. However, this option shall not be exercised by Lender if such exercise is prohibited by Applicable Law. Lender also shall not exercise this option if: (a) Borrower causes to be submitted to Lender information required by Lender to evaluate the intended transferee as if a new loan were being made to the transferee; and (b) Lender reasonably determines that Lender's security will not be impaired by the loan assumption and that the risk of a breach of any covenant or agreement in this Security Instrument is acceptable to Lender.

To the extent permitted by Applicable Law, Lender may charge a reasonable fee as a condition to Lender's consent to the loan assumption. Lender may also require the transferee to sign an assumption agreement that is acceptable to Lender and that obligates the transferee to keep all the promises and agreements made in the Note and in this Security Instrument. Borrower will continue to be obligated under the Note and this Security Instrument unless Lender releases Borrower in writing.

If Lender exercises the option to require immediate payment in full, Lender shall give Borrower notice of acceleration. The notice shall provide a period of not less than 30 days from the date the notice is given in accordance with Section 15 within which Borrower must pay all sums secured by this Security Instrument. If Borrower fails to pay these sums prior to the expiration of this period, Lender may invoke any remedies permitted by this Security Instrument without further notice or demand on Borrower.

BY SIGNING BELOW, Borrower accepts and agrees to the terms and covenants contained in this Adjustable Rate Rider.

LIEN MODIFICATION AGREEMENT

This Lien Modification Agreement ("Agreement") is effective January 1, 2020, between MARIA OLIVERA, ("Property Owner") and Select Portfolio Servicing, Inc., acting on behalf of the lien holder, ("Lien Holder"). If Property Owner's representations and covenants in Section 1 continue to be true in all material respects, then this Agreement will amend and supplement, as set forth in Section 2, the lien documents dated April 20, 2006, securing the original principal sum of \$415,000.00 ("Lien Documents"), which encumber the real and personal property described in the Lien Documents (defined in the Lien Documents as the "Property"), known as

322 NEBRASKA ST
HOLLYWOOD, FL 33019

Lien Holder acknowledges that the mortgage loan related to the Property has been discharged. Even though the Property Owner's personal liability on the note is discharged, the terms of the Lien Documents remain in effect. Lien Holder continues to have an enforceable lien on the Property. This lien modification agreement does not constitute a reaffirmation of debt under United States Code Title 11.

1. Property Owner Representations and Covenants. Property Owner certifies, represents, covenants, and agrees as follows:
 - a. Property Owner is experiencing a financial hardship, and as a result, (i) is in default under the Lien Documents or default is imminent, and (ii) Property Owner does not have sufficient income or access to sufficient liquid assets to make the monthly mortgage payments now or in the near future.
 - b. There has been no impermissible change in the ownership of the Property since Property Owner signed the Lien Documents.
 - c. If requested by Lien Holder, Property Owner has provided documentation for all income that they receive.
 - d. All documents and information Property Owner has provided to Lien Holder in connection with this Agreement, including the documents and information regarding eligibility for this Agreement, are complete, true and correct.
 - e. Property Owner has made or will make all payments required under a trial modification plan or lien workout plan, if applicable.
 - f. The property is neither in a state of disrepair, nor condemned.
2. The Modification. If Property Owner's representations and covenants in Section 1 continue to be true in all material respects and all preconditions to the modification set forth in Section 2 have been met, the Lien Documents will automatically become modified on January 1, 2020 (the "Modification Effective Date") and all late charges that remain unpaid will be waived. Property Owner understands that if they fail to make any payments as a precondition to this modification under a workout plan or trial modification plan, this modification will not take effect. The first modified payment will be due on February 1, 2020.
 - a. The Maturity Date will be: April 1, 2046.
 - b. The modified principal balance to satisfy the Lien will include all amounts and arrearages that will be past due as of the Modification Effective Date (including unpaid and deferred interest, fees, escrow advances and other costs, but excluding unpaid late charges, collectively, Unpaid Amounts) less any amounts paid to the Lien Holder but not previously credited to the account associated with the Lien Documents. The new principal balance to satisfy the Lien will be \$762,103.60 (the "New Principal Balance"). Property Owner understands that by agreeing to add the Unpaid Amounts to the outstanding balance to satisfy the Lien, the added Unpaid Amounts accrue interest based on the interest rate in effect under this Agreement. Property Owner also understands that this means interest will now accrue on the unpaid interest that is added to the outstanding balance to satisfy the Lien, which would not happen without this Agreement.
 - c. \$117,282.01 of the New Principal Balance shall be deferred (the "Deferred Principal Balance") and will be treated as a non-interest bearing principal forbearance. Property Owner will not pay interest or make monthly payments on the Deferred Principal Balance. The New Principal Balance less the Deferred Principal Balance shall be referred to as the "Interest Bearing Principal Balance" and this amount is \$644,821.59. Interest at the rate of 3.750% will begin to accrue on the Interest Bearing Principal Balance as of January 1, 2020 and the first new monthly payment on the Interest Bearing Principal Balance will be due on February 1, 2020. The payment schedule for the modified Lien Documents is as follows:

Months	Interest Rate	Interest Rate Change Date	Monthly Principal and Interest Payment Amount	Estimated Monthly Escrow Payment Amount*	Total Monthly Payment*	Payment Begins On	Number of Monthly Payments
1-315	3.750%	N/A	\$2,595.57	\$1,516.97, which may adjust periodically	\$4,112.54, which may adjust periodically	February 1, 2020	315
A final balloon payment on the Interest Bearing Principal Balance of \$334,220.68 is due on the Maturity Date.							

The Deferred Principal Balance of \$117,282.01 will be due as a balloon payment on the earlier of, payoff of the Interest Bearing Principal Balance, transfer of the property or on the Modified Maturity Date. The above terms in this Section 2.c shall supersede any provisions to the contrary in the Lien Documents, including but not limited to, provisions for an adjustable or step interest rate.

*The escrow payments may be adjusted periodically in accordance with applicable law and therefore the total monthly payment may change accordingly.

The above terms in this Section 2.c shall supersede any provisions to the contrary in the Lien Documents, including but not limited to, provisions for an adjustable, step or simple interest rate. Interest will be charged on unpaid principal until the full amount of the New Principal Balance has been paid. Property Owner will pay interest at a yearly rate of 3.750%.

Property Owner understands that, if they have a pay option adjustable rate account, upon modification, the minimum monthly payment option, the interest-only or any other payment options will no longer be offered and that the monthly payments described in the above payment schedule for the modified Lien will be the minimum payment that will be due each month for the remaining term of the Lien. The modified Lien will not have a negative amortization feature that would allow Property Owner to pay less than the interest due resulting in any unpaid interest to be added to the outstanding principal balance.

BALLOON NOTICE. In order to reach an affordable payment, we extended your amortization term, which is the rate or speed by which your mortgage is calculated to be paid off; however, your maturity term, which is the period of time until your mortgage becomes due and payable, could not be fully extended to an equal term. This is because the investor on your account allows us to change your amortization term but does not allow us to change the maturity term to match. As a result of the difference between these two periods, there will be an amount due of \$334,220.68 on the date your lien matures on April 1, 2046. The amount outstanding at maturity is in addition to your monthly scheduled payment and the principal forbearance of \$117,282.01 that you received as part of your modification.

- d. Property Owner has agreed to establish an escrow account to pay for property taxes and homeowner's insurance and pay a monthly escrow payment in the initial amount of \$1,516.97. Property Owner's total monthly payment of principal, interest and escrow will therefore be equal to \$4,112.54. Property Owner acknowledges that the payments attributable to insurance and taxes are determined by the state taxing authorities and insurance companies and therefore, are subject to change from time to time. Property Owner will be notified of any changes.

3. **Other Agreements.** Property Owner and Lien Holder also agree to the following:

- a. This Agreement shall supersede any modification, forbearance, trial period plan, or other workout plan that Property Owner previously entered into with Lien Holder.
- b. The Lien Documents, as modified by this Agreement, are duly valid, binding agreements, enforceable in accordance with their terms and are hereby reaffirmed.
- c. All terms of the Lien Documents, except as expressly modified by this Agreement, or by the U.S. Bankruptcy Code, remain in full force and effect. Nothing in this Agreement shall be understood or construed to be a satisfaction or release in whole or in part of the terms contained in the Lien Documents.
- d. All covenants, agreements, and requirements of the Lien Documents, including all requirements to make payments of taxes, insurance premiums, assessments, escrow items, impounds, and all other payments under the Lien Documents remain in full force and effect.

- e. If any document is lost, misplaced, misstated or inaccurately reflects the true and correct terms and conditions of the Lien Documents as amended by this Agreement, within ten (10) days after receipt of the Lien Holder's request, Property Owner will execute, acknowledge, initial, and deliver to the Lien Holder any documentation the Lien Holder deems necessary to replace or correct the lost, misplaced, misstated or inaccurate document(s). If Property Owner fails to do so, Property Owner will be liable for any and all loss or damage which the Lien Holder reasonably sustains as a result of Property Owner's failure. At Lien Holder's option, this Agreement will be void and of no legal effect upon notice of such loss, misplacement, misstatement, or inaccuracy. If Property Owner elects not to sign any such corrective documentation, the terms of the original Lien Documents shall continue in full force and effect, such terms will not be modified by this Agreement, and Property Owner will not be eligible for a modification.
- f. The mortgage insurance premiums, if applicable, may increase as a result of the capitalization, which will result in a higher total monthly payment. Furthermore, the date on which Property Owner may request cancellation of mortgage insurance may change as a result of the New Principal Balance.
- g. As of the Modification Effective Date, notwithstanding any other provision of the Lien Documents, Property Owner agrees as follows: If all or any part of the Property or any interest in it is sold or transferred without the Lien Holder's prior written consent, the Lien Holder may, at its option, require immediate payment in full of all sums secured by the Lien Documents. However, the Lien Holder shall not exercise this option if federal law prohibits the exercise of such option as of the date of such sale or transfer. If the Lien Holder exercises this option, the Lien Holder shall give Property Owner notice of acceleration. The notice shall provide a period of not less than thirty (30) days – depending on state law and other requirements – from the date the notice is delivered or mailed within which all sums secured by the Lien Documents must be paid. If these sums are not paid prior to the expiration of this period, the Lien Holder may invoke any remedies permitted by the Lien Documents without further notice or demand on Property Owner.
- h. As of the Modification Effective Date, a buyer of the Property will not be permitted, under any circumstance, to assume the Mortgage. In any event, this Agreement may not be assigned to, or assumed by, a buyer of the Property.
- i. All payment amounts specified in this Agreement assume that payments will be made as scheduled.
- j. If Property Owner is in bankruptcy upon execution of this document, Property Owner will cooperate fully with Lien Holder in obtaining any required bankruptcy court and trustee approvals in accordance with local court rules and procedures. Property Owner understands that if such approvals are not received, then the terms of this Agreement will be null and void. If this Agreement becomes null and void, the terms of the original Lien Documents shall continue in full force and effect, and such terms shall not be modified by this Agreement.
- k. In agreeing to the changes to the Lien Documents as reflected in this Agreement, Lien Holder has relied upon the truth and accuracy of all of the representations made by Property Owner, both in this Agreement and in any documentation provided by or on behalf of Property Owner in connection with this Agreement. If Lien Holder subsequently determines that such representations or documentation were not truthful or accurate, Lien Holder may, at its option, rescind this Agreement and reinstate the original terms of the Lien Documents as if this Agreement never occurred.

TAX CONSEQUENCES OF LOAN MODIFICATIONS. There may be income tax consequences related to this loan modification. Because you will be responsible for paying any income tax due as a result of this loan modification, you may wish to consult a tax advisor before accepting this loan modification.

THE FOLLOWING DESCRIBED PROPERTY LOCATED IN THE COUNTY OF BROWARD:

LOT 17 BLOCK 10 OF HOLLYWOOD BEACH FIRST ADDITION, ACCORDING TO THE PLAT THEREOF, AS RECORDED IN THE PLAT BOOK 1, PAGE 31, OF THE PUBLIC RECORDS OF BROWARD COUNTY, FLORIDA.

**Notice of Special Flood Hazards and Availability of Federal Disaster Relief Assistance
for National Flood Insurance Program Participating Communities**

Customer Name:
MARIA OLIVERA
4900 SW 36TH CT
HOLLYWOOD, FL 33023

Dear Homeowner(s):

Select Portfolio Servicing, Inc. (SPS) is giving you this notice to inform you that:

The building or mobile home securing the loan for which you applied is or will be located in an area with special flood hazards.

The area has been identified by the Administrator of the Federal Emergency Management Agency (FEMA) as a special flood hazard area using FEMA's Flood Insurance Rate Map or the Flood Hazard Boundary Map for the following community: 125113. This area has a one percent (1%) chance of a flood equal to or exceeding the base flood elevation (a 100-year flood) in any given year. During the life of a 30-year mortgage loan, the risk of a 100-year flood in a special flood hazard area is 26 percent (26%).

Federal law allows a lender and borrower jointly to request the Administrator of FEMA to review the determination of whether the property securing the loan is located in a special flood hazard area. If you would like to make such a request, please contact us for further information.

- The community in which the property securing the loan is located participates in the National Flood Insurance Program (NFIP). Federal law will not allow us to make you the loan that you have applied for if you do not purchase flood insurance. The flood insurance must be maintained for the life of the loan. If you fail to purchase or renew flood insurance on the property, Federal law authorizes and requires us to purchase the flood insurance for you at your expense.
- At a minimum, flood insurance coverage purchased must be in an amount equal to the lesser of:
 1. The outstanding principal balance of all loans secured by the property (for home equity line(s) of credit, the full value of the credit line(s)); or
 2. The full insurable value of the buildings on the property and their contents if also taken as collateral; or
 3. The maximum amount of coverage available under the NFIP policy covering the type of building or collateral.

Flood insurance coverage under the NFIP is limited to the building or mobile home and any personal property that secures your loan and not the land itself.

- Federal disaster relief assistance (usually in the form of a low-interest loan) may be available for damages incurred in excess of your flood insurance if your community's participation in the NFIP is in accordance with NFIP requirements.
- Although you may not be required to maintain flood insurance on all structures, you may still wish to do so, and your mortgage lender may still require you to do so to protect the collateral securing the mortgage. If you choose not to maintain flood insurance on a structure and it floods, you are responsible for all flood losses relating to that structure.

Limitations: If the property is located in a community that participates in the NFIP but the property is also located in a Coastal Barrier Resource System (CBRS) or Otherwise Protected Area (OPA), NFIP coverage may not be available. Refer to the Standard Flood Hazard Determination Form or contact your licensed flood insurance professional to see if your property is in a CBRS or OPA, and if so, whether coverage under the NFIP or under a non-NFIP policy issued by a private insurance company is available.

Availability of Private Flood Insurance Coverage

Flood insurance coverage under the NFIP may be purchased through an insurance agent who will obtain the policy either directly through the NFIP or through an insurance company that participates in the NFIP. Flood insurance that provides the same level of coverage as a standard flood insurance policy under the NFIP may be available from private insurers that do not participate in the NFIP. You should compare the flood insurance coverage, deductibles, exclusions, conditions, and premiums associated with flood insurance policies issued on behalf of the NFIP and policies issued on behalf of private insurance companies and contact an insurance agent as to the availability, cost, and comparisons of flood insurance coverage.

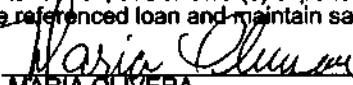

Escrow Requirement for Residential Loans

Federal law may require a lender or its servicer to escrow all premiums and fees for flood insurance that covers any residential building or mobile home securing a loan that is located in an area with special flood hazards. If your lender notifies you that an escrow account is required for your loan, then you must pay your flood insurance premiums and fees to the lender or its servicer with the same frequency as you make loan payments for the duration of your loan. These premiums and fees will be deposited in the escrow account, which will be used to pay the flood insurance provider.

Acknowledgement by Borrower(s)

Borrower(s) agrees to furnish, at Borrower(s) expense, a flood insurance policy satisfying Lender's requirements on or before closing of the above referenced loan and maintain same thereafter. Delivery of these notices is hereby acknowledged.

TO HAVE AND TO HOLD the same unto the Assignee, and its successors and assigns forever, upon the terms and conditions and for the uses hereinafter set forth.

AND Assignor hereby further agrees as follows:

Section 1.
Definitions.

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Mortgage. As used herein, the following terms shall have the following meanings:

(a) "Leases" or each a "Lease" shall mean any and all leases, to the extent of the interest therein of Assignor, subleases or sub-subleases, licenses, concessions or other agreements (whether written or oral and whether now or hereafter in effect) pursuant to which any Person is granted a possessory interest in, or right to use or occupy all or any portion of, the Property or the buildings located on the Property (the "Buildings"), and all modifications, amendments or other agreements relating to such leases, subleases, sub-subleases or other agreements, and every guarantee of the performance and observance of the covenants, conditions and agreements to be performed and observed by the other party thereto. For purposes of this Assignment, a "Long Term Lease" or "Long Term Leases" shall mean any and all Leases with a term of one (1) year or more.

(b) "Rents" shall mean all the rents, additional rents, increases in rents, advance rents, issues, revenues, income, proceeds, profits, royalties, security deposits and other types of deposits, and other benefits paid or payable and to become due or payable to Assignor in respect of the use, occupancy, license or possession of any portion or portions of the Property or the

Buildings pursuant to the Leases, and the rights to enforce, whether at law or in equity or by any other means, all provisions thereof.

Section 2.
Certain Representations, Warranties and Covenants.

Assignor represents, warrants and covenants to the Assignee that:

(a) Copies of all Long Term Leases, if any, which have been provided to Assignor prior to the date hereof are true, correct and complete and there have been no modifications or amendments thereto;

(b) No Event of Default or event which, with notice or lapse of time or both, would constitute an Event of Default has occurred under the Leases;

(c) The lessee under the Leases (each a "Lessee", collectively, the "Lessees") and Assignor have and shall have no agreements concerning free rent, partial rent, rebate of rental payments or any other type of rental concession, and no Rent has been paid more than sixty days in advance;

(d) The Leases shall be the only agreements between the Lessee and Assignor affecting the Property, and the Long Term Leases are the legal, valid, and binding obligation of the Assignor and are enforceable against the Lessee in accordance with their terms;

(e) No actions, whether voluntary or otherwise are pending against the Lessee of any Long Term Lease or Assignor under the bankruptcy laws of the United States or any state thereof;

(f) The payment of the Rents to accrue under any Long Term Lease will not be waived, released, reduced, discounted or otherwise discharged or compromised by Assignor except as permitted in the Mortgage. Assignor waives any rights of set off against any Lessee under any Long Term Leases. Assignor agrees that it will not assign any of the Rents except to a purchaser or grantee of the Property permitted under the Mortgage or in accordance with any of the other loan documents executed in connection with the Loan (the "Loan Documents");

(g) Assignor has not performed, and will not perform, any acts, and has not executed, and will not execute, any instrument that would prevent Assignee from exercising its rights under this Assignment;

(h) Assignor shall not accept any monthly installments of rent from Lessee which is more than sixty (60) days in advance of its due date;

(i) Assignor will not consent to any request by Lessee to make any addition, improvement, or change in or to the Premises or any structure or improvement thereon or subject to the aforesaid Mortgage, which addition, improvements, or changes to the Premises would impair the security of the Assignee or adversely affect the structural integrity of the Property or any improvements subject to the Mortgage or any part thereof, unless and until it also receives the prior written consent of Assignee, which consent shall not be unreasonably withheld;

(j) Assignor shall not enter into or agree to any material amendment or modification to the Long Term Leases with Lessee without the prior written consent of Assignee. Assignor shall not consent to any Lessee voluntarily subordinating or subjecting its Lease or any interest therein to any lien or encumbrance without the prior written consent of Assignee; and

(k) Assignor shall deliver to Assignee a copy of all of Lessee's notices, requests, or demands delivered by Lessee under any Long Term Lease to Assignor regarding any defaults under the Long Term Lease or regarding anything which may directly or indirectly affect Assignee's lien on the Property or rights hereunder or under the loan documents executed in connection herewith, addressed to Assignee at the address set forth above. Assignor shall also deliver to Assignee any and all notices, demands, or requests delivered by Assignor from Lessee relating to any alleged defaults under any of the aforesaid Long Term Leases or regarding anything which may directly or indirectly affect Assignee's lien on the Property or rights hereunder or under the loan documents executed in connection herewith.

Notwithstanding, nothing herein shall prevent the Assignor from acting in a commercially reasonable manner with respect to any such Leases.

Section 3. Deferred Exercise of Rights.

(a) As part of the consideration for the indebtedness evidenced by the Note, Assignor does hereby absolutely and unconditionally assign to Assignee all present and future Leases and the Rents. This Assignment constitutes a present and absolute assignment and is intended to be unconditional and not as an assignment for additional security only. It is further intended that it not be necessary for Assignee to institute legal proceedings, absent legal requirements to the contrary, to enforce the provisions hereof. Assignor hereby authorizes Assignee or its agents to collect the aforesaid Rents and hereby directs each Lessee of the Property to pay such Rents to Assignee or such agents; provided, however, that prior to notice from Assignee to Assignor of an Event of Default by Assignor hereunder or under any other Loan Document, Assignor shall have a license, but limited as provided in this Assignment and in any of the other Loan Documents: (i) to collect, as trustee for Assignor and Assignee, all of the Rents, and Assignor shall receive and apply such Rents (not necessarily in the following order), subject to any obligation to escrow same with Assignee, to the payment of Taxes upon the Premises before penalty or interest are due thereon, to the cost of such insurance, maintenance and repairs as may be required by the terms of the Mortgage, to satisfy all of Assignor's obligations under the Leases, and to pay interest and principal and other charges becoming due, as and when due and payable, under the Loan Documents, with the balance, so long as no Event of Default has occurred hereunder or under the other Loan Documents, to the account of Assignor; and (ii) to otherwise deal with, and enjoy the rights of the Assignor under, the Leases as otherwise permitted by the Mortgage.

(b) Upon receipt by Assignor of written notification from Assignee, stating that an Event of Default by Assignor exists and Assignee is exercising its rights hereunder, and without the necessity of Assignee entering upon and taking and maintaining full control of the Property in person, by agent or by court-appointed receiver, the license referred to in paragraph (a) above shall immediately be revoked. Thereupon, Assignee shall immediately be entitled to possession of all Rents of the Property as the same become due and payable, and Assignor hereby authorizes and directs any Lessee and any successor to all or any part of the interests of any such Lessee to pay to Assignee the Rents due and to become due under the Leases. A demand on any Lessee

made by Assignee for such payment of Rents shall be sufficient warrant to the Lessee to make future payments of Rents to Assignee without the necessity for further consent by the Assignor. Assignor agrees that upon the occurrence of an Event of Default (i) each Lessee shall have the right to rely upon any such request by Assignee, (ii) each Lessee shall pay such Rents to Assignee without any obligation or right to inquire as to whether such default actually exists and notwithstanding any notice from or claim of Assignor to the contrary, (iii) Assignor shall have no right to claim against any Lessee for any such Rents so paid by the Lessee to Assignee and (iv) Assignee shall be entitled to collect, receive and retain all Rents regardless of when and to whom such Rents are and have been paid and regardless of the form or location of such Rents. Any Rents held or received by Assignor after such written request from Assignee shall be held or received by Assignor as trustees for the benefit of Assignee only.

Section 4.
Effect on Rights Under Other Documents.

Nothing contained in this Assignment and no act done or omitted by Assignee pursuant to the powers and rights granted it hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under any Loan Document, and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Assignee under the terms of any Loan Document. The rights of Assignee under the other Loan Documents may be exercised by Assignee either prior to, simultaneously with, or subsequent to any action taken by it hereunder. This Assignment is intended to be supplementary to and not in substitution for or in derogation of any assignment of rents or grant of a security interest contained in the Mortgage or in any other Loan Document.

Section 5.
Event of Default.

Upon or at any time after the occurrence and during the continuance of an Event of Default, then in addition to and without limiting any of the Assignee's rights and remedies hereunder and under the other Loan Documents and as otherwise available at law or in equity:

(a) Assignee, at its option, to the extent allowable by law, without waiving such Event of Default but after notice to Assignor, without regard to the adequacy of the security for the Loan, either in person or by agent, without bringing any action or proceeding, or by a receiver appointed by a court, without taking possession of the Property in its own name, may demand, sue for or otherwise collect and receive all Rents, including those past-due and unpaid, for application to the payment of the Loan in such manner and order as Assignee, in its sole discretion, may determine, subject to the terms of the Mortgage. The exercise by Assignee of the option granted it in this Section and the collection of the Rents and the application thereof as herein provided shall not be considered a waiver of any Event of Default by Assignor under the Mortgage or any other Loan Document;

(b) Assignor hereby acknowledges and agrees that payment of any item by a Lessee to the Assignee as hereinabove provided shall constitute payment in full of such item of Rent by such Lessee, as fully and with the same effect as if it had been paid to Assignor;

(c) Assignee in respect of the Leases and Rents shall have all of the rights and remedies of a secured party under the Florida Commercial Code and Florida Statutes to the extent of such

rights thereunder and additional rights and remedies to which a secured party is entitled under the laws in effect in any jurisdiction where any rights and remedies hereunder may be asserted.

Section 6.
Application of Rents and Proceeds.

Rents shall be applied after an Event of Default in accordance with the Mortgage.

Section 7.
Attorney-in-Fact.

Upon the occurrence and during the continuance of any Event of Default, Assignor hereby appoints Assignee the attorney-in-fact of Assignor to take any action and execute any instruments that Assignor is obligated, or has covenanted and agreed under the Loan Documents to take or execute, which appointment as attorney-in-fact is irrevocable and coupled with an interest. Without limiting the generality of the foregoing provisions of this Section 7, upon the occurrence and during the continuance of an Event of Default, Assignor does hereby irrevocably appoint the Assignee as its attorney-in-fact with full power, in the name and stead of Assignor to demand, collect, receive and give complete acquittance for any and all of the Rents now due or that may hereafter become due, and at the Assignee's discretion, to file any claim, to take any other action, to institute any proceeding or to make any settlement of any claim, either in its own name or in the name of Assignor or otherwise, which the Assignee may deem necessary or desirable in order to collect and enforce the payment of Rents.

Section 8.
Termination.

The Assignee, by the acceptance of this Assignment, agrees that when the Loan and all obligations thereunder shall have been paid in full, this Assignment shall terminate, and the Assignee shall execute and deliver to Assignor upon such termination such instruments of re-assignment and Florida Uniform Commercial Code termination statements, all without recourse and without any representation or warranty whatsoever, as shall be reasonably requested by Assignor.

Section 9.
Expenses.

Assignor agrees to pay to the Assignee all out-of-pocket expenses (including reasonable expenses for attorneys' fees and costs of every kind) of, or incident to, the enforcement of any of the provisions of this Assignment or performance by the Assignee of any obligations of Assignor hereunder which Assignor has failed or refused to perform.

Section 10.
Further Assurances.

Assignor agrees that, from time to time upon the written request of the Assignee, it will give, execute, deliver, file, and/or record any financing statements, notice, instrument, document, agreement or other papers and do such other acts and things that may be necessary and desirable (in the reasonable judgment of the Assignee) to create, preserve, perfect or validate this

Assignment or to enable Assignee to exercise and enforce its rights hereunder with respect to such Assignment.

Section 11.
No Obligation by the Assignee.

(a) By virtue of this Assignment, the Assignee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any of the Leases.

(b) This Assignment shall not operate to place responsibility for the control, care, management or repair of the Property upon the Assignee, nor shall it operate to make the Assignee responsible or liable for any waste committed on the Property by any Lessee or other party in possession or for any dangerous or defective condition of the Property or for any negligence in the management, upkeep, repair or control thereof.

Section 12.
Miscellaneous.

(a) No failure on the part of the Assignee or any of its agents to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Assignee or any of its agents of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein are cumulative and are not exclusive of any remedies provided by law. Notwithstanding anything to the contrary contained herein, Assignee shall act in a commercially reasonable manner when exercising any power, right or remedy hereunder.

(b) THIS ASSIGNMENT SHALL BE GOVERNED BY, AND BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE IN WHICH THE PROPERTY IS SITUATED, WITHOUT GIVING EFFECT TO THE CONFLICTS-OF-LAWS RULES AND PRINCIPLES OF SUCH STATE.

(c) All rights and remedies set forth in this Assignment are cumulative, and the Assignee may recover judgment thereon, issue execution therefor, and resort to every other right or remedy available at law or in equity, without first exhausting and without affecting or impairing the security of any right or remedy afforded hereby; and no such right or remedy set forth in this Assignment shall be deemed exclusive of any of the remedies or rights granted to the Assignee in any of the Loan Documents. Nothing contained in this Assignment shall be deemed to limit or restrict the rights and remedies of the Assignee under any of the other Loan Documents.

(d) Until the indebtedness secured by the Loan Documents is paid in full, Assignor will deliver from time to time to the Assignee executed originals to the extent available, otherwise photocopies certified by Assignor as true, correct and complete, of executed originals, of any and all existing Long Term Leases, and executed originals, or photocopies of executed originals, so certified by Assignor, if an executed original is not available, of all other and future Long Term Leases upon all or any part of the Property and upon request of Assignee will specifically transfer and assign to Assignee such other and future Long Term Leases upon the same terms and conditions as herein contained. Assignor hereby covenants and agrees to make, execute and deliver to Assignee, upon demand and at any time or times, any and all further assignments and

other instruments as Assignee may determine for carrying out the purposes and intent of this Assignment.

(e) This Assignment may not be amended except by an instrument in writing signed by the Assignor and the Assignee.

Section 13.
Defeasance.

If Assignor shall pay or cause to be paid in full to Assignee all monetary obligations hereunder and under the Mortgage and the Note on or before the date on which they are due and payable, and in the manner stipulated herein and therein, all without deduction or credit for taxes or other charges paid by Assignor, and if Assignor shall have kept, performed and observed all the covenants and conditions contained herein and all of the other Loan Documents, then Assignee shall deliver to Assignor all such documents in recordable form to release the Property from the encumbrances created hereby and by the Mortgage, but otherwise this Assignment shall remain in full force and effect.

Section 14.
Successors and Assigns.

Assignor may not assign their rights under this Assignment except as permitted under the Mortgage. Assignor hereby acknowledges and agrees that Assignee may assign this Assignment as permitted under the Mortgage. Subject to the foregoing, this Assignment shall be binding upon, and shall inure to the benefit of, Assignor and the Assignee and their respective successors and assigns.

Section 15.
Notices.

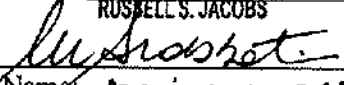

All notices, requests and other communications provided for herein shall be given or made in writing in the manner specified in the Mortgage.

All such funds, together with accrued interest, shall be paid to Mortgagee on demand.

4. Maintenance of Insurance and Application of Proceeds.

(a) The interest of the Mortgagor shall at all times be protected by adequate fire and multiple perils insurance covering all development and construction work, buildings, improvements, and off-site and on-site materials on the Property through a company or companies acceptable to the Mortgagee, and in an amount equal to the full insurable value of the buildings and improvements. Without limitation of the foregoing, the Mortgagee shall receive original insurance policies or the original ACCORD evidence thereof, as to the fire and extended coverage insurance (including windstorm coverage), builder's risk, workmen's compensation insurance, liability insurance, business interruption insurance and rent loss insurance for 1 year of interruption/loss, and, when applicable, flood insurance on the Property, in amounts form and issued by companies satisfactory to Mortgagee in Mortgagee's sole and absolute discretion, together with endorsements to the policies including but not limited to a Law and Ordinance endorsement and a "delay in completion" endorsement, naming Mortgagee as the first mortgagee. Notwithstanding the foregoing, as to any improvements under construction, the fire and extended coverage insurance and the business interruption/rental loss insurance shall not be required to be obtained until substantial completion of those improvements.

(b) Mortgagor shall also maintain a policy of general commercial liability insurance, in amounts, in form, and issued by a company satisfactory to Bank.

(c) All such policies shall be issued by an insurer licensed to do business in the county (or its equivalent) and the state where the Property is located and whose claims paying ability is rated at least "A" by Standard and Poor's or A/A - VIII by A.M. Best as published in Best's Key Rating Guide. Loss under such insurance policies shall be payable first to the Mortgagee to the extent of its interest. The original policy or policies with premiums paid shall be in the possession of the Mortgagor no later than the commencement of development work, or commencement of house construction. Unless otherwise expressly provided in any other Loan Document, the proceeds from any loss covered by insurance shall be, at the sole option and discretion of the Mortgagee applied to restoration of the Property or toward repayment of the loan secured by this Mortgage. If the Mortgagor shall fail to cause any required insurance to be carried and paid for, the Mortgagee may place and pay for such insurance or any part thereof without waiving or affecting the option to foreclose or any right hereunder, and each and every such payment shall bear interest from date thereof at the Default Rate.

5. Waste. The Mortgagor shall permit, commit, or suffer no waste, impairment or deterioration of the Property, except reasonable wear and tear, and in the event of failure of the Mortgagor to keep the buildings constituting a portion of the Property or improvements thereon in good condition and repair, the Mortgagee may make such repairs as in its discretion it may deem necessary for the proper preservation thereof, and the full amount of each and every such payment shall be due and payable thirty (30) days after demand, and shall be secured by the lien of this Mortgage.

6. Acceleration of Maturity of Note upon Default. If, following any grace, notice or cure period allowed by the Note or any Loan Agreement: (i) any of the sums of money referred to in the Note or in this Mortgage be not promptly and fully paid when the same severally become due and payable; or (ii) each and every stipulation, agreement, condition and covenant of the Note, this Mortgage or the other Loan Documents, is not promptly and fully performed, complied with and

abided by; then: (a) all obligations due and payable under the Note and under this Mortgage, including but not limited to sums advanced by the Mortgagee to protect its security or lien position in the Property or any of its rights under this Mortgage, shall immediately and without further notice to Mortgagor bear interest at the Default Rate as defined in the Note; (b) the aggregate sum mentioned in the Note, together with all other obligations under the Note, this Mortgage and the other Loan Documents, shall become due and payable forthwith or thereafter at the option of the Mortgagee, as fully and completely as if the full principal amount hereby secured were originally stipulated to be paid on such date, anything in the Loan Documents or herein to the contrary notwithstanding; and (c) Mortgagee shall be entitled to exercise all rights and remedies available at law and in equity, including the foreclosure of this Mortgage.

7. Foreclosure of Lien. If proceedings to foreclose or enforce any other mortgage or other lien of any kind encumbering the Property should be instituted, the Mortgagee may, at its option, immediately or thereafter declare this Mortgage and the indebtedness secured hereby due and payable.

8. Appointment of Receiver. Until default in the performance of the covenants and agreements of this Mortgage, the Mortgagor shall be entitled to collect the rents, issues and profits from the Property, but in case of a default in any of the terms of this Mortgage or the filing of a bill to foreclose this or any other mortgage encumbering the Property, the Mortgagee shall immediately, and without notice and as a matter of strict right, be entitled to the appointment of a receiver of the Property and to the rents, issues, profits, prepaid rentals or security monies, deposits and revenues thereof, from whatsoever source derived, with the usual powers and duties of receivers in such cases, and such appointment shall be made by such court as a matter of strict right to the Mortgagee and without reference to the adequacy or inadequacy of the value of the Property, or to the solvency or insolvency of the Mortgagor, and such rents, profits, prepaid rentals or security monies, deposits, income and revenue shall be applied by such receiver to the payment of the indebtedness, costs and charges secured by this Mortgage, according to the order of such court, and such receiver may be continued in possession of the Property until the time of the sale thereof under such foreclosure and until the confirmation of such sale by the court.

9. Contest of Lien. If any action or proceeding shall be commenced by any person other than the holder of this Mortgage, to which action or proceeding the holder of this Mortgage is made a party, or in which it shall become necessary to defend or uphold the lien of this Mortgage, all sums paid by the holder of this Mortgage for the expense of any litigation, including appellate proceedings, to prosecute, or defend the rights and liens created by this Mortgage (including reasonable attorneys' fees and costs), shall be paid by the Mortgagor, together with interest thereon at the Default Rate, and any such sum, and the interest thereon, shall be a claim upon the Property, attaching or accruing subsequent to the lien of this Mortgage, and shall be deemed to be secured by this Mortgage and evidenced by the Note. In any action or proceedings to foreclose this Mortgage or to recover or collect the debt secured thereby, the provisions of law respecting the recovery of costs, disbursements and allowances shall prevail, unaffected by this covenant.

10. Condemnation and Related Actions: In the event that the Property, or any part thereof, or any interest therein, shall be condemned and taken for public use under the power of eminent domain, or shall be affected by governmental or private action in a manner that entitles Mortgagor to an award of damages, compensation or other consideration of any kind (including without limitation any award under the Bert J. Harris Act, Fla. Stat. Ch. 70, as it may be amended from time to time), Mortgagor hereby confirms its grant to Mortgagee of a security interest in all

such awards, including without limitation damages and other consideration given on account of such taking or other action, and same shall be paid directly to the Mortgagee, up to the aggregate amount then evidenced and secured by the Note and this Mortgage, and shall be applied to the payments due thereunder in inverse order of maturity.

11. Subrogation of Mortgage. To the extent of the indebtedness of the Mortgagor to the Mortgagee described herein or secured hereby, the Mortgagee is hereby subrogated to the lien or liens and to the rights of the owner and holders thereof of each and every mortgage, lien or other encumbrance on the Property which is paid or satisfied, in whole or in part, out of the proceeds of the Note, and the respective liens of said mortgages, liens or other encumbrances shall be, and the same and each of them hereby is preserved and shall pass to and be held by the Mortgagee as security for the Note, to the same extent that it would have been preserved and would have been passed to and been held by the Mortgagee had it been duly and regularly assigned, transferred, set over and delivered unto the Mortgagee by separate deed of assignment, notwithstanding the fact that the same may be satisfied and canceled of record, it being the intention of the parties hereto that the same will be satisfied and canceled of record by the holders thereof at or about the time of the recording of this Mortgage.

12. Costs and Expenses of Enforcement. The Mortgagor shall pay all and singular costs, charges and expenses, including attorneys' fees and costs (whether or not suit is brought or appeal taken therefrom), reasonably incurred or paid at any time by the Mortgagee because of the failure on the part of the Mortgagor to perform, comply with and abide by each and every stipulation, agreement, condition and covenant of the Note and this Mortgage, or either, and every such payment shall bear interest from date of such expenditure at the Default Rate.

13. Extension of Time and/or Modification of Terms. No extension of time or modification of the terms of the Note and this Mortgage, and no release of any part or parts of the Property shall, without the consent of the Mortgagee, release, relieve, or discharge the Mortgagor from the payment of any of the sums hereby secured, but in such event the Mortgagor shall nevertheless be liable to pay such sums according to the terms of such extension or modifications unless specifically released and discharged in writing by the Mortgagee; further, acceptance of part payment of any installment of principal or interest, or both, or of part performance of any covenant or delay for any period of time in exercising the option to mature the entire debt, shall not operate as a waiver of the right to exercise such option or act upon such default, partial acceptance or any subsequent default.

14. Escrow for Real Estate Taxes and Insurance. Mortgagor shall pay escrows for taxes and insurance if required by the Note or the Loan Agreement. If the Note does not require such payment, then in order more fully to protect the security of this Mortgage, the Mortgagee, at its option at any time after the occurrence of a default under the Note, regardless of whether such default is cured, may at any time require that the Mortgagor pay to the Mortgagee in monthly payments, on the same dates that monthly payments are due under the Note, until all obligations under the Note and the other Loan Documents are fully paid, the following sums in escrow: (a) an amount equal to 1/10th of the current year's real estate tax levy against the Property (if not available, the amount of the prior year's real estate tax levy will be used); and (b) an amount equal to 1/10th of the insurance premiums for coverages required by the Mortgagee. Should a deficiency exist between the escrowed amounts so paid and the amounts due, the Mortgagor shall pay the deficiency amount to Mortgagee within three business days following written demand. Provided the Mortgagee has received sufficient escrowed funds as herein required, the Mortgagee may, and shall

upon request of Mortgagor, make the real estate tax and insurance premium payments from the escrowed funds. Notwithstanding the foregoing, the Mortgagee shall at all times have the right, after a default by Mortgagor, to apply such escrow funds to the obligations secured by the Note and this Mortgage in such order as the Mortgagee deems appropriate.

15. Adjustments on Real Estate Taxes. If the total of the payments made by the Mortgagor for property taxes shall exceed the amount of the payments actually made by the Mortgagee for taxes, such excess shall be credited by the Mortgagee to subsequent payments of the same nature to be made by the Mortgagor. If, however, said monthly payments made by the Mortgagor shall not be sufficient to pay taxes when the same shall become due and payable, then the Mortgagor shall pay to the Mortgagee any amount necessary to make up the deficiency, on or before the date when payment of such taxes shall be due. If at any time the Mortgagor shall tender to the Mortgagee in accordance with the provisions of the Note secured by this Mortgage, full payment of the entire indebtedness, the Mortgagee shall credit to the account of the Mortgagor any balance remaining in the funds accumulated by the Mortgagee for the payment of taxes. If there shall be a default under any of the provisions of the Note or this Mortgage and an action or proceeding shall be commenced to foreclose same, the Mortgagee shall be, and hereby is, authorized and empowered to apply, at the time of the commencement of the action or proceeding, or at any time thereafter, the balance then remaining in the funds accumulated for taxes as a credit against the amount of principal then remaining under the Note or this Mortgage.

16. Future Advances. It is the intent hereof to secure payment of the Note whether the entire amount shall have been advanced to the Mortgagor on the date hereof or at a later date, and to secure any other amount that may be added to the mortgage indebtedness under the terms of this instrument. This Mortgage secures the principal debt as set out in the Note, advances received by the Mortgagor from the Mortgagee during the term hereof, all other indebtedness that may hereafter be due, owing or existing from the Mortgagor to the Mortgagee during the existence of this Mortgage, and any renewal or renewals of the Note or any other note(s) for said present or future indebtedness, including but not limited to modifications of the terms and conditions of the Note such as extensions of the maturity date, increases or decreases of the interest rate and/or changes in the terms of repayment. Notwithstanding any provision hereof, it is the intention to secure all future advances, as defined and/or provided for under Chapter 697 of the Florida Statutes, made commencing with the date hereof and continuing through twenty years after date hereof, by the lien of this Mortgage in all respects as though such advances had been made simultaneously with the execution hereof and secured hereby; provided, however, that all such further or future advances shall be wholly optional with the Mortgagee and further provided, however, that no such advance or advances shall cause the unpaid principal obligation here secured to exceed 500% of the original aggregate principal amount of the Note, except that there may be added to such amount interest thereon and any and all disbursements made by the Mortgagee for the payment of taxes, levies or insurance on the Property covered by the lien of this Mortgage with interest on such disbursements at the Default Rate, and for reasonable attorneys fees and court costs incurred in the collection of any or all of such sums of money, including all such fees and costs in connection with appellate proceedings.

17. Separate and Cumulative Rights. Mortgagor agrees that all rights of the Mortgagee arising under the provisions and covenants in this Mortgage shall be separate, distinct and cumulative, and that none shall be in exclusion of the other; and that, further, no act of the Mortgagee shall be construed as an election to proceed under any one provision or covenant herein to the exclusion of any other, notwithstanding anything herein to the contrary.

18. Severability. It is further mutually agreed between the parties hereto and made a specific part of this instrument, that in case any word, clause, term, phrase or paragraph used in the aforesaid Note and/or this Mortgage should be held to be unconstitutional or illegal by any court of competent jurisdiction, the same shall not affect, alter or otherwise impair the meaning of any other word, clause, term, phrase or paragraph in this Note and Mortgage, and the same shall stand in full force and effect and shall be obligatory upon the assignees, heirs and legal representatives of both respective parties hereto.

19. Prior Mortgages. Mortgagor represents and warrants to Mortgagee that no mortgage which encumbers all or any of the Property is prior in time and/or superior in dignity (the "Prior Mortgage") to this Mortgage. In the event this representation is not accurate, then in addition to the right of Mortgagee to exercise its other rights and remedies, Mortgagor hereby authorizes Mortgagee to expend funds and to take any other action which Mortgagee may deem necessary to satisfy in whole or in part any Prior Mortgage; all such funds and all such action taken shall be at Mortgagor's expense and any funds so expended shall become part of the indebtedness secured by this Mortgage and shall bear interest from the date of expenditure by the Mortgagee at the Default Rate until paid. All such funds, together with accrued interest, shall be paid to Mortgagee on demand.

20. Gender. In this Mortgage and the Note it secures, the singular shall include the plural and the masculine shall include the feminine neuter.

21. Entire Agreement; Modifications. This Mortgage constitutes the entire agreement between the parties hereto with respect to the Property and the terms and provisions hereof may not be modified except by written instrument signed by the party to be charged.

22. Time of the essence. Time is of the essence of this Mortgage and no waiver of any obligation hereunder or of the obligation secured hereby shall at any time thereafter be held to be a waiver of the terms hereof or of the Note secured hereby.

23. Abandonment. If at any time while this Mortgage is in default, the Property shall be abandoned, vacated or left unattended, the Mortgagee, if in its discretion such steps are necessary for the protection of the Property, shall have the right, power and authority at its option to enter upon the Property and to secure same by changing locks thereon, to paint and repair such premises, and to place signs thereon notifying that it has taken possession of the Property, and it may also place signs thereon offering to sell the Property subject to its acquisition of title thereto by foreclosure proceedings or otherwise; and any such action by the Mortgagee as described above shall not be deemed to be a trespass or trespasses or unlawful detainer upon such Property. All sums paid or advanced by the Mortgagee in the protection of the Property as herein provided shall be charged into the mortgage account and become an integral part thereof, subject in all respects to the terms, conditions and covenants of the Note and this Mortgage, as fully and to the same extent as though a part of the original indebtedness evidenced by said Note and secured by this Mortgage, excepting, however, that said sums shall be repaid to the Mortgagee forthwith upon its demand, together with interest on such sums at the Default Rate.

24. Assignment of Leases and Property Income. Mortgagor hereby absolutely and unconditionally assigns and transfers to Mortgagee, (i) all right, title and interest of Mortgagor in and under all leases, lettings, tenancies and licenses of the Property or any part thereof now or

hereafter entered into and all amendments, extensions, renewals and guaranties thereof, all security therefor, and all moneys payable thereunder (collectively, the "Leases") and (ii) all rents, income, accounts, receivables, issues, profits, security deposits and other benefits to which Mortgagor may now or hereafter be entitled from the Property or in connection with the Leases (collectively, the "Property Income"). Mortgagor shall not otherwise assign, transfer or encumber in any manner the Leases or the Property Income or any portion thereof. Mortgagor shall have a license to collect and use the Property Income as the same becomes due and payable, revocable by Mortgagee, so long as no default has occurred, but may not collect any Property Income more than two (2) months in advance of the date the same becomes due. The assignment in this Section shall constitute an absolute and present assignment of the Leases and the Property Income, and not an additional assignment for security, and the existence or exercise of the Mortgagor's revocable license to collect Property Income shall not operate to subordinate this assignment to any subsequent assignment. The exercise by Mortgagee of any of its rights or remedies under this Section shall not be deemed or construed to make Mortgagee a mortgagee-in-possession.

25. Transfer; Assumption of Mortgage. It is a requirement hereunder that written approval from the Mortgagee must be obtained prior to any sale, gift, exchange, conveyance, encumbrance or other transfer (collectively, a "Transfer"), as defined in the Note, as to any of the Property or any direct or indirect ownership interest in Mortgagor. In the event such prior written approval has not been obtained prior to any such Transfer, the entire unpaid indebtedness under the Note and this Mortgage shall be due and payable at the time of any such Transfer. In the event the Mortgagee should in its sole discretion agree to the Transfer of any Property or ownership interest to, and/or the assumption of this Mortgage by, a third party, the Mortgagee shall have the right to require complete financial information from such transferee, and the right to charge a customary fee. In the event a Transfer should be made by the Mortgagor, and the grantee named in such Transfer fails or refuses to assume the payment of the obligations evidenced by the Note and other Loan Documents and secured by this Mortgage, in accordance with their respective terms, then and in that event, at the option and upon the demand of the Mortgagee all sums of money secured hereby shall immediately become forthwith due and payable. In the event the ownership of said Property or any part thereof becomes vested in a person other than the Mortgagor, the Mortgagee may, without notice to the Mortgagor, deal with such successor or successors in interest with reference to this Mortgage and the debt hereby secured in the same manner as with the Mortgagor, and may forbear to sue or may extend time for payment of the debt secured hereby, without discharging or in any way affecting the liability of the Mortgagor hereunder or upon the debt hereby secured.

26. Financial Statements. The Mortgagor shall furnish to the Mortgagee such statements of financial condition as may be required by the Note or any Loan Agreement.

27. Loan Agreement. In the event this Mortgage secures a Loan Agreement, each of the terms, covenants and conditions of the Loan Agreement is incorporated herein as if said Loan Agreement were set forth herein in its entirety. In the event of any conflict between the terms of this Mortgage and any Loan Agreement, the terms most favorable to the Mortgagee, in the Mortgagee's sole discretion, shall govern.

28. Uniform Commercial Code requirements. The Mortgagor hereby authorizes the Mortgagee, for so long as any obligations under the Note or this Mortgage shall be outstanding, unilaterally to file any and all financing statements as necessary or proper to perfect Mortgagee's security interest in the collateral for the obligations secured by this Mortgage, and unilaterally to

add information to this Mortgage, such as the signature of the Mortgagee and addresses of Mortgagor and/or Mortgagee, so as to comply with any requirements of the Florida Uniform Commercial Code necessary to constitute this Mortgage as a security agreement and/or financing statement, and Mortgagee is further authorized in its sole discretion to file this Mortgage of record containing such additional information. As to all collateral for the obligations secured by this Mortgage, Mortgagee shall have all rights of a secured party under the Uniform Commercial Code of Florida as in effect from time to time.

29. Environmental Representations. Without limitation of any separate indemnity executed by Mortgagor in favor of Mortgagee, Mortgagor represents and warrants that (a) no asbestos, substance containing asbestos, contaminants, hazardous materials or waste, or any other substance deemed hazardous by federal, state or local laws, rules, regulations or orders respecting such substances or materials is or will be present in, on, or under the Property, and/or has been installed or constructed upon or in the improvements comprising a part of the Property, and Mortgagor has not and will not install or permit to be installed in, on or about the improvements comprising a part of the Property, any such asbestos, substance containing asbestos or other hazardous substance or materials; and (b) the Property is free from all hazardous or toxic wastes, oil or fuel spills, and underground storage tanks. Mortgagor shall comply with all federal, state or local laws, regulations or orders with respect to the discharge and removal of hazardous or toxic substances and wastes and shall keep the Property free of and from any lien imposed against the Property pursuant to such laws, regulations and orders. Mortgagor shall not knowingly install or knowingly permit to be installed on the Property any underground storage tank or any substance deemed hazardous or toxic waste by federal, state or local laws, regulations, orders and ordinances. Mortgagor shall indemnify and save Mortgagee harmless from and against any loss, cost, liability and expense which Mortgagee may incur in connection with any hazardous materials or other environmental issues arising with respect to the Property and agrees that this covenant shall survive repayment of the obligations secured by this Mortgage.

30. Security Agreement. Mortgagor covenants, warrants, represents and agrees with and to Mortgagee as follows:

(a) This Mortgage constitutes a security agreement under the Uniform Commercial Code of the State of Florida (the "Code") and serves as a fixture filing in accordance with the Code. This Mortgage creates a security interest in favor of Mortgagee as secured party under the Code with respect to all real property and fixtures described in this Mortgage which is covered by the Code. The mention of any portion of such property in a financing statement filed in the records normally pertaining to personal property shall not derogate from or impair in any manner the intention of Mortgagor and Mortgagee hereby declared that all items of collateral described in this Mortgage are part of the real property encumbered hereby to the fullest extent permitted by law, regardless of whether any such item is physically attached to the improvements or whether serial numbers are used for the better identification of certain items. Specifically, the mention in any such financing statement of (i) the rights in or the proceeds of any policy of insurance, (ii) any condemnation proceeds, (iii) Mortgagor's interest in any Leases or Property Income, or (iv) any other items of collateral described in this Mortgage, shall not be construed to alter, impair or impugn any rights of Mortgagee as determined by this Mortgage or the priority of Mortgagee's lien upon and security interest in such collateral. Any such mention shall be for the protection of Mortgagee in the event that notice of Mortgagee's priority of interest as to any portion of the Property is required to be filed in accordance with the Code to be effective against or take

priority over the interest of any particular class of persons, including the federal government or any subdivision or instrumentality thereof.

(b) Except for the security interest granted by this Mortgage, Mortgagor is and, as to portions of the collateral described in this Mortgage to be acquired after the date hereof will be, the sole owner of all such collateral, free from any lien, security interest, encumbrance or adverse claim thereon of any kind whatsoever. Mortgagor shall notify Mortgagee of, and shall defend the collateral described in this Mortgage against, all claims and demands of all persons at any time claiming the same or any interest therein.

(c) Except as otherwise provided in this Mortgage or in the Loan Agreement, Mortgagor shall not lease, sell, convey or in any manner transfer the collateral described in this Mortgage without the prior written consent of Mortgagee.

(d) The collateral described in this Mortgage is not used or bought for personal, family or household purposes.

(e) The Mortgagor shall not remove or permit the removal of the collateral described in this Mortgage from the Property without the prior consent of Mortgagee, except such portions or items of such collateral as are in need of replacement or worn out in ordinary usage, all of which shall be promptly replaced by Mortgagor with items of equal or greater value.

(f) In the event of any change in name, identity or structure of Mortgagor, Mortgagor shall notify Mortgagee thereof and promptly after request shall execute, file and record such Code forms as are necessary to maintain the priority of Mortgagee's lien upon and security interest in the collateral described in this Mortgage, and shall pay all expenses and fees in connection with the filing and recording thereof. If Mortgagee shall require the filing or recording of additional Code forms or continuation statements, Mortgagee shall be entitled, without the consent of Mortgagor, to execute, file and record such Code forms or continuation statements as Mortgagee shall deem necessary on behalf of Mortgagor as provided hereinbelow if permitted by applicable law, and shall pay all expenses and fees in connection with the filing and recording thereof. If Mortgagee shall initially pay such expenses, Mortgagor shall promptly reimburse Mortgagee for the expenses.

(g) Mortgagor hereby irrevocably appoints Mortgagee as its attorney-in-fact, coupled with an interest, to execute in the name of and on behalf of Mortgagor any and all financing statements and continuations thereof, and to file with the appropriate public office on its behalf and at its expense any financing or other statements signed only by Mortgagee, as secured party, in connection with the collateral covered by this Mortgage.

A CARBON, PHOTOGRAPHIC OR OTHER REPRODUCTION OF THIS MORTGAGE OR ANY FINANCING STATEMENT RELATING TO THIS MORTGAGE SHALL BE SUFFICIENT AS A FINANCING STATEMENT.

31. Miscellaneous.

32.1 No Additional Indebtedness. Mortgagor will not borrow any additional sums of money, whether secured or unsecured, and will not incur any indebtedness, whether secured or

unsecured, except the customary, necessary and usual trade payables incurred in connection with the operation and maintenance of the Property.

32.2 Litigation. There are no actions, suits or proceedings pending or, to the knowledge of Mortgagor, threatened against or affecting any portion of the Property, Manager, any Guarantor, or the party or parties selling the Property to Mortgagor. While the obligations and indebtedness secured by this Mortgage remain outstanding, Mortgagor covenants to immediately notify Mortgagee if at any time the representation set forth in this Paragraph is no longer true. If such actions, suits or proceedings would constitute a default under this Mortgage and/or the other Loan Documents, such notification shall not serve to mitigate the default and Mortgagor shall continue to be in default under this Mortgage and/or the other Loan Documents.

32.3 Judicial and Administrative Proceedings. There are no judicial, administrative, mediation or arbitration actions, suits or proceedings pending, or to Mortgagor's knowledge threatened, against Mortgagor, any Guarantor, or the party or parties selling the Property to the Mortgagor, and there are no outstanding and unpaid judgments or arbitration awards against Mortgagor or any Guarantor which would have a materially adverse effect on the financial conditions or business or properties of Mortgagor or any Guarantor. Mortgagor is not in default with respect to any regulation, order, writ or decree of any court or governmental or municipal department, commission, board, bureau, agency, or instrumentality.

32.4 No Defaults. Neither Borrower, Mortgagor nor any Guarantor is in default under any agreement or instrument to which it is a party or by which it may be bound. The execution and delivery of the Loan Documents and the consummation of the transaction contemplated thereby do not conflict with or result in a breach of any regulation, order, writ, injunction or decree of any court or governmental or municipal instrumentality or in the breach of or default under any indenture, contract, agreement or other instrument to which Mortgagor or any Guarantors is a party to by which any is bound.

32.5 No Violation. There are no violations or notices of violations of any federal law or municipal ordinance or order or requirement of the state in which the Property is located or any municipal department or other governmental authority having jurisdiction affecting the Property.

32.6 No Governmental Action. There are no pending or to the best of Mortgagor's knowledge, threatened liens or governmental actions, notices of violation, notices of noncompliance or other proceedings of any kind that, if adversely determined, would impair the value of the Property or the priority of the lien of this Mortgage or of any of the other Loan Documents or result in a special assessment against the Property.

32.7 Full and Fair Disclosure. All reports, certificates, affidavits, statements and other data furnished by Mortgagor and Guarantors to Mortgagee in connection with the Loan are true and correct in all material respects and do not omit to state any fact or circumstance necessary to make the statements contained therein not misleading.

32.8 No Other Financing. There are no security agreements or financing statements affecting any of the Property other than the security agreements and financing statements created in favor of Mortgagee.

32.9 Further Assurances. Mortgagor will, at any time on Mortgagee's request, make, do, execute and deliver to Mortgagee, and, where appropriate, shall cause to be recorded or filed, any and all further acts, mortgages, documents and assurances as may be necessary or desirable to, effectuate, complete and confirm the transactions contemplated under the Loan Documents.

32. Hedge Obligations.

33.1 In addition to the Note and other obligations secured by this Mortgage, this Mortgage secures the obligations of Mortgagor under (a) any ISDA Master Agreement now or hereafter entered into between Mortgagor and any hedge provider approved by Mortgagee (the "Provider"); (b) any "Confirmations" executed pursuant to such Master Agreement or in which such Master Agreement or any form thereof is incorporated by reference; and (c) under any additional Confirmations entered into pursuant thereto (collectively, "Hedge Obligations"). Mortgagor hereby acknowledges that Provider has appointed Mortgagee as Provider's Collateral Agent to hold and manage all security for the Hedge Obligations, with full power and authority to manage, enforce, administer, modify, renew, amend, satisfy, release, subordinate and otherwise deal with such security, including this Mortgage, without the consent of Provider. Without limitation of the foregoing, Mortgagor hereby acknowledges and agrees that Collateral Agent shall have full power and authority to enforce the obligations of the Note, this Mortgage, and all other Loan Documents, including without limitation by an action to foreclose this mortgage, in its own name and without the necessity to join Provider as a party to any such proceeding.

33.2 An Event of Default under the Hedge Obligations shall constitute a default under the Note, and, notwithstanding anything to the contrary in the Note, Mortgagor shall not be entitled to notice or forbearance (other than such notice, grace or cure period as is afforded under the documents evidencing the Hedge Obligations) as a condition to exercise by Mortgagee of its remedies with respect to such default.

33.3 All references in this Mortgage to the "promissory note" or "Note" secured hereby shall also include the Hedge Obligations. Borrower hereby promises to pay and perform all Hedge Obligations promptly when due. Without limitation of the foregoing, Mortgagee may (but shall not be obligated to) disburse, from any interest reserve or contingency funds established under the Note or other Loan Documents, and any other loan proceeds determined by Mortgagee in its sole discretion to be available for this purpose, the amounts necessary to pay all Hedge Obligations when due, including without limitation any sums due to the Provider on account of any and all interest rate changes that from time to time require such payment under the Hedge Obligations.

33.4 If at any time (i) documentary stamp or intangible tax is or becomes due or is claimed or demanded by the State of Florida with respect to the Hedge Obligations or this instrument, or (ii) Mortgagee is precluded from, or delayed in, exercising any rights or remedies available to it as a result of a claim or demand that the intangible tax and/or documentary stamp tax is or becomes due on the Hedge Obligations or this instrument, then Mortgagor shall be liable to pay for the same, together with any interest or penalties imposed in connection therewith upon demand by Mortgagee. If Mortgagor shall fail, neglect or refuse to pay any such taxes, interest or penalties on demand, the same shall be a default under the Note and this Mortgage, and Mortgagee, at its option, may pay the same, and any funds so advanced by Mortgagee shall bear interest at the default rate set forth in the Note, shall be secured by the Mortgage and shall be immediately due and payable on demand to Mortgagee by Mortgagor. Mortgagor agrees to indemnify and hold

Mortgagee harmless from and against any and all loss, cost, liabilities, expenses, interest and penalties (including reasonable attorneys' fees and costs at trial and all appellate levels), incurred or sustained by Mortgagee as a result of any claims, demands, assessments or judgments for Florida documentary stamp tax and/or Florida intangible tax in connection with the Hedge Obligations and this instrument. The obligations contained in this paragraph shall be unconditional, absolute, irrevocable and continuing notwithstanding any additional agreements, the payment of the other obligations secured by this Mortgage, for any other reason whatsoever, and the obligations contained in this paragraph shall survive the payment of such other obligations.

33.5 The Hedge Obligations defined herein are contingent, and the dollar amount thereof cannot be ascertained therefrom. Accordingly, no Florida documentary stamp or intangible tax is due with respect to the Hedge Obligations.

ASSIGNMENT OF LEASES, RENTS AND PROFITS

This Assignment of Leases, Rents and Profits (the "Assignment") is made and entered into as of the 14 day of March, 2022, by Paradise Julia Terrace LLC, a Florida limited liability company, whose address is 3350 S.W. 57th Place, Ft. Lauderdale, Florida 33312 and YS Real Estate Investments LLC, an Arkansas limited liability company, whose address is 14 Belvedere Lane, Lakewood, New Jersey 08701, (collectively the "Borrower") and International Finance Bank, (the "Lender") whose address is 777 S.W. 37th Avenue, Suite 700, Miami, Florida 33135

In Consideration of the loan to Borrower from Lender evidenced by a Promissory Note in the amount of Five Million Six Hundred Thousand 00/100 Dollars (\$5,600,000.00) (the "Note"), and secured by a mortgage (the "Mortgage") on the property legally described in Exhibit "A" hereto (such sums advanced or to be advanced by Lender are hereinafter referred to as "Indebtedness"), and as additional and collateral security for the payment of the Indebtedness and the performance of the obligations of the Borrower under such Note and the Mortgage;

Borrower Hereby Conditionally Assigns, Transfers and Sets Over unto Lender all of Borrower's right, title and interest in and to any and to the leases more particularly described in Exhibit "B" attached hereto and made part hereof ("Mortgaged Premises"), irrespective of whether such leases or subleases are or were created before, simultaneously with or subsequent to the date of such Note and Mortgage, together with any and all security deposits and rents due or to become due pursuant to the terms of such leases or subleases, which lease and subleases are hereinafter collectively referred to for convenience as the "Leases".

To Have and to Hold the same unto the Lender, its successors and assigns, forever.

This Assignment Is Made For The Purpose of Securing:

- (1) The payment of all sums becoming due under the Note and the Mortgage, including, without limitation, any sums in addition to those evidenced by

the Notes which may be advanced in the future by Lender pursuant to the provisions of the Mortgage;

- (2) Performance by Borrower of its respective obligations under the Note and Mortgage and any other instruments securing the Indebtedness; and
- (3) Performance and discharge of each and every obligation of Borrower herein.

To Protect The Security Of This Assignment, Borrower Covenants And Agrees:

1. To faithfully perform every obligation of all Leases now or hereafter existing; to enforce, or secure the performance of, at the sole cost and expense of Borrower, every obligation of all Leases by the lessees thereunder (hereinafter collectively referred to as the "Lessees") to be performed; not to collect any of the payments, rents, income and profits arising or accruing under any Leases more than two (2) months in advance of the time when the same shall become due, nor anticipate the payments or rents thereunder, except for a security deposit; not to waive or release the Lessees under the Lease from their obligations thereunder; not to cancel or terminate the Leases or accept a surrender thereof or convey or transfer the Mortgaged Premises so as to effect a termination or diminution of the obligations of the Lessees thereunder and not to cancel or terminate any of the Leases.

2. At the expense of Borrower, to appear in and defend any action or proceeding connected with the Leases and to pay all costs and expenses of Lender, including court costs and attorneys' fees, in any action or proceeding in which Lender may appear.

3. Should Borrower fail to make any payment or perform any of the obligations imposed on it hereunder, the Lender shall have the right, but not the obligation, without notice to or demand on Borrower and without releasing Borrower from any obligations hereunder, to make such payment and do such act.

4. To pay immediately upon demand all sums expended by Lender under the authority hereof, together with interest in an amount equal to the maximum interest rate which Borrower is permitted by applicable law to pay, from the date that such expense is incurred by the Lender to the date of payment to Lender.

And It Is Hereby Mutually Agreed That:

1. So long as there shall be no default by Borrower in the performance of any obligation herein or in the Note or Mortgage beyond any applicable notice and cure period, Borrower shall have the right to collect, but not prior to the date when due, all monies and rents payable under any of the Leases.

2. Without Lender being obligated to do any such act, upon any default in the payment of the Indebtedness or in the performance of any obligation herein or in the Notes, or

Mortgage beyond any applicable notice and cure period, Lender may declare all sums secured hereby immediately due and payable, and may, at its option, without notice, but simultaneously with the filing of the first process incident to an action to foreclose the Mortgage, either in person or by agent, with or without bringing any court action or legal proceedings, or by a receiver to be appointed by a court, enter upon and take possession of the Mortgaged Premises and manage and operate the same or any part thereof, and do any acts which Lender deems proper to protect the security herein given including, without limitation, the negotiation of leases with present or prospective tenants, and whether with or without taking possession of the Mortgaged Premises, sue for or otherwise collect and receive rents and apply the same, less the costs and expenses of operating the Mortgaged Premises including reasonable attorneys' fees, towards discharging the Indebtedness or any other sums due hereunder or under the Note or Mortgage. The entering upon and taking possession of the Mortgaged Premises, the collection of such rents and the application thereof shall not operate to cure any default under the Note or Mortgage.

3. If the Indebtedness shall be paid and all obligations of Borrower under the Note and Mortgage and under this Assignment are discharged, then this Agreement shall be null and void and of no further force and effect and shall be released upon the request and at the expense of Borrower. A satisfaction of the Mortgage shall constitute a release of Lender's rights under this Assignment.

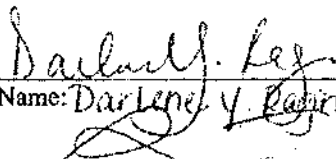

4. The rights herein granted to Lender are in addition to and not in lieu of the rights of Lender under the Note and Mortgage.

5. This Assignment shall apply to, inure to the benefit of, and bind the parties hereto and their respective successors and assigns.

Witness the due execution hereof as of the date first above written.

TO HAVE AND TO HOLD the same unto the Assignee, and its successors and assigns forever, upon the terms and conditions and for the uses hereinafter set forth.

AND Assignor hereby further agrees as follows:

Section 1.
Definitions.

Capitalized terms used herein without definition shall have the respective meanings ascribed to them in the Mortgage. As used herein, the following terms shall have the following meanings:

(a) "Leases" or each a "Lease" shall mean any and all leases, to the extent of the interest therein of Assignor, subleases or sub-subleases, licenses, concessions or other agreements (whether written or oral and whether now or hereafter in effect) pursuant to which any Person is granted a possessory interest in, or right to use or occupy all or any portion of, the Property or the buildings located on the Property (the "Buildings"), and all modifications, amendments or other agreements relating to such leases, subleases, sub-subleases or other agreements, and every guarantee of the performance and observance of the covenants, conditions and agreements to be performed and observed by the other party thereto. For purposes of this Assignment, a "Long Term Lease" or "Long Term Leases" shall mean any and all Leases with a term of one (1) year or more.

(b) "Rents" shall mean all the rents, additional rents, increases in rents, advance rents, issues, revenues, income, proceeds, profits, royalties, security deposits and other types of deposits, and other benefits paid or payable and to become due or payable to Assignor in respect of the use, occupancy, license or possession of any portion or portions of the Property or the

Buildings pursuant to the Leases, and the rights to enforce, whether at law or in equity or by any other means, all provisions thereof.

Section 2.
Certain Representations, Warranties and Covenants.

Assignor represents, warrants and covenants to the Assignee that:

(a) Copies of all Long Term Leases, if any, which have been provided to Assignor prior to the date hereof are true, correct and complete and there have been no modifications or amendments thereto;

(b) No Event of Default or event which, with notice or lapse of time or both, would constitute an Event of Default has occurred under the Leases;

(c) The lessee under the Leases (each a "Lessee", collectively, the "Lessees") and Assignor have and shall have no agreements concerning free rent, partial rent, rebate of rental payments or any other type of rental concession, and no Rent has been paid more than sixty days in advance;

(d) The Leases shall be the only agreements between the Lessee and Assignor affecting the Property, and the Long Term Leases are the legal, valid, and binding obligation of the Assignor and are enforceable against the Lessee in accordance with their terms;

(e) No actions, whether voluntary or otherwise are pending against the Lessee of any Long Term Lease or Assignor under the bankruptcy laws of the United States or any state thereof;

(f) The payment of the Rents to accrue under any Long Term Lease will not be waived, released, reduced, discounted or otherwise discharged or compromised by Assignor except as permitted in the Mortgage. Assignor waives any rights of set off against any Lessee under any Long Term Leases. Assignor agrees that it will not assign any of the Rents except to a purchaser or grantee of the Property permitted under the Mortgage or in accordance with any of the other loan documents executed in connection with the Loan (the "Loan Documents");

(g) Assignor has not performed, and will not perform, any acts, and has not executed, and will not execute, any instrument that would prevent Assignee from exercising its rights under this Assignment;

(h) Assignor shall not accept any monthly installments of rent from Lessee which is more than sixty (60) days in advance of its due date;

(i) Assignor will not consent to any request by Lessee to make any addition, improvement, or change in or to the Premises or any structure or improvement thereon or subject to the aforesaid Mortgage, which addition, improvements, or changes to the Premises would impair the security of the Assignee or adversely affect the structural integrity of the Property or any improvements subject to the Mortgage or any part thereof, unless and until it also receives the prior written consent of Assignee, which consent shall not be unreasonably withheld;

(j) Assignor shall not enter into or agree to any material amendment or modification to the Long Term Leases with Lessee without the prior written consent of Assignee. Assignor shall not consent to any Lessee voluntarily subordinating or subjecting its Lease or any interest therein to any lien or encumbrance without the prior written consent of Assignee; and

(k) Assignor shall deliver to Assignee a copy of all of Lessee's notices, requests, or demands delivered by Lessee under any Long Term Lease to Assignor regarding any defaults under the Long Term Lease or regarding anything which may directly or indirectly affect Assignee's lien on the Property or rights hereunder or under the loan documents executed in connection herewith, addressed to Assignee at the address set forth above. Assignor shall also deliver to Assignee any and all notices, demands, or requests delivered by Assignor from Lessee relating to any alleged defaults under any of the aforesaid Long Term Leases or regarding anything which may directly or indirectly affect Assignee's lien on the Property or rights hereunder or under the loan documents executed in connection herewith.

Notwithstanding, nothing herein shall prevent the Assignor from acting in a commercially reasonable manner with respect to any such Leases.

Section 3. Deferred Exercise of Rights.

(a) As part of the consideration for the indebtedness evidenced by the Note, Assignor does hereby absolutely and unconditionally assign to Assignee all present and future Leases and the Rents. This Assignment constitutes a present and absolute assignment and is intended to be unconditional and not as an assignment for additional security only. It is further intended that it not be necessary for Assignee to institute legal proceedings, absent legal requirements to the contrary, to enforce the provisions hereof. Assignor hereby authorizes Assignee or its agents to collect the aforesaid Rents and hereby directs each Lessee of the Property to pay such Rents to Assignee or such agents; provided, however, that prior to notice from Assignee to Assignor of an Event of Default by Assignor hereunder or under any other Loan Document, Assignor shall have a license, but limited as provided in this Assignment and in any of the other Loan Documents: (i) to collect, as trustee for Assignor and Assignee, all of the Rents, and Assignor shall receive and apply such Rents (not necessarily in the following order), subject to any obligation to escrow same with Assignee, to the payment of Taxes upon the Premises before penalty or interest are due thereon, to the cost of such insurance, maintenance and repairs as may be required by the terms of the Mortgage, to satisfy all of Assignor's obligations under the Leases, and to pay interest and principal and other charges becoming due, as and when due and payable, under the Loan Documents, with the balance, so long as no Event of Default has occurred hereunder or under the other Loan Documents, to the account of Assignor; and (ii) to otherwise deal with, and enjoy the rights of the Assignor under, the Leases as otherwise permitted by the Mortgage.

(b) Upon receipt by Assignor of written notification from Assignee, stating that an Event of Default by Assignor exists and Assignee is exercising its rights hereunder, and without the necessity of Assignee entering upon and taking and maintaining full control of the Property in person, by agent or by court-appointed receiver, the license referred to in paragraph (a) above shall immediately be revoked. Thereupon, Assignee shall immediately be entitled to possession of all Rents of the Property as the same become due and payable, and Assignor hereby authorizes and directs any Lessee and any successor to all or any part of the interests of any such Lessee to pay to Assignee the Rents due and to become due under the Leases. A demand on any Lessee

made by Assignee for such payment of Rents shall be sufficient warrant to the Lessee to make future payments of Rents to Assignee without the necessity for further consent by the Assignor. Assignor agrees that upon the occurrence of an Event of Default (i) each Lessee shall have the right to rely upon any such request by Assignee, (ii) each Lessee shall pay such Rents to Assignee without any obligation or right to inquire as to whether such default actually exists and notwithstanding any notice from or claim of Assignor to the contrary, (iii) Assignor shall have no right to claim against any Lessee for any such Rents so paid by the Lessee to Assignee and (iv) Assignee shall be entitled to collect, receive and retain all Rents regardless of when and to whom such Rents are and have been paid and regardless of the form or location of such Rents. Any Rents held or received by Assignor after such written request from Assignee shall be held or received by Assignor as trustees for the benefit of Assignee only.

Section 4.
Effect on Rights Under Other Documents.

Nothing contained in this Assignment and no act done or omitted by Assignee pursuant to the powers and rights granted it hereunder shall be deemed to be a waiver by Assignee of its rights and remedies under any Loan Document, and this Assignment is made and accepted without prejudice to any of the rights and remedies possessed by Assignee under the terms of any Loan Document. The rights of Assignee under the other Loan Documents may be exercised by Assignee either prior to, simultaneously with, or subsequent to any action taken by it hereunder. This Assignment is intended to be supplementary to and not in substitution for or in derogation of any assignment of rents or grant of a security interest contained in the Mortgage or in any other Loan Document.

Section 5.
Event of Default.

Upon or at any time after the occurrence and during the continuance of an Event of Default, then in addition to and without limiting any of the Assignee's rights and remedies hereunder and under the other Loan Documents and as otherwise available at law or in equity:

(a) Assignee, at its option, to the extent allowable by law, without waiving such Event of Default but after notice to Assignor, without regard to the adequacy of the security for the Loan, either in person or by agent, without bringing any action or proceeding, or by a receiver appointed by a court, without taking possession of the Property in its own name, may demand, sue for or otherwise collect and receive all Rents, including those past-due and unpaid, for application to the payment of the Loan in such manner and order as Assignee, in its sole discretion, may determine, subject to the terms of the Mortgage. The exercise by Assignee of the option granted it in this Section and the collection of the Rents and the application thereof as herein provided shall not be considered a waiver of any Event of Default by Assignor under the Mortgage or any other Loan Document;

(b) Assignor hereby acknowledges and agrees that payment of any item by a Lessee to the Assignee as hereinabove provided shall constitute payment in full of such item of Rent by such Lessee, as fully and with the same effect as if it had been paid to Assignor;

(c) Assignee in respect of the Leases and Rents shall have all of the rights and remedies of a secured party under the Florida Commercial Code and Florida Statutes to the extent of such

rights thereunder and additional rights and remedies to which a secured party is entitled under the laws in effect in any jurisdiction where any rights and remedies hereunder may be asserted.

Section 6.
Application of Rents and Proceeds.

Rents shall be applied after an Event of Default in accordance with the Mortgage.

Section 7.
Attorney-in-Fact.

Upon the occurrence and during the continuance of any Event of Default, Assignor hereby appoints Assignee the attorney-in-fact of Assignor to take any action and execute any instruments that Assignor is obligated, or has covenanted and agreed under the Loan Documents to take or execute, which appointment as attorney-in-fact is irrevocable and coupled with an interest. Without limiting the generality of the foregoing provisions of this Section 7, upon the occurrence and during the continuance of an Event of Default, Assignor does hereby irrevocably appoint the Assignee as its attorney-in-fact with full power, in the name and stead of Assignor to demand, collect, receive and give complete acquittance for any and all of the Rents now due or that may hereafter become due, and at the Assignee's discretion, to file any claim, to take any other action, to institute any proceeding or to make any settlement of any claim, either in its own name or in the name of Assignor or otherwise, which the Assignee may deem necessary or desirable in order to collect and enforce the payment of Rents.

Section 8.
Termination.

The Assignee, by the acceptance of this Assignment, agrees that when the Loan and all obligations thereunder shall have been paid in full, this Assignment shall terminate, and the Assignee shall execute and deliver to Assignor upon such termination such instruments of re-assignment and Florida Uniform Commercial Code termination statements, all without recourse and without any representation or warranty whatsoever, as shall be reasonably requested by Assignor.

Section 9.
Expenses.

Assignor agrees to pay to the Assignee all out-of-pocket expenses (including reasonable expenses for attorneys' fees and costs of every kind) of, or incident to, the enforcement of any of the provisions of this Assignment or performance by the Assignee of any obligations of Assignor hereunder which Assignor has failed or refused to perform.

Section 10.
Further Assurances.

Assignor agrees that, from time to time upon the written request of the Assignee, it will give, execute, deliver, file, and/or record any financing statements, notice, instrument, document, agreement or other papers and do such other acts and things that may be necessary and desirable (in the reasonable judgment of the Assignee) to create, preserve, perfect or validate this

Assignment or to enable Assignee to exercise and enforce its rights hereunder with respect to such Assignment.

Section 11.
No Obligation by the Assignee.

(a) By virtue of this Assignment, the Assignee shall not be obligated to perform or discharge, nor does it hereby undertake to perform or discharge, any obligation, duty or liability under any of the Leases.

(b) This Assignment shall not operate to place responsibility for the control, care, management or repair of the Property upon the Assignee, nor shall it operate to make the Assignee responsible or liable for any waste committed on the Property by any Lessee or other party in possession or for any dangerous or defective condition of the Property or for any negligence in the management, upkeep, repair or control thereof.

Section 12.
Miscellaneous.

(a) No failure on the part of the Assignee or any of its agents to exercise, and no course of dealing with respect to, and no delay in exercising, any right, power or remedy hereunder shall operate as a waiver thereof; nor shall any single or partial exercise by the Assignee or any of its agents of any right, power or remedy hereunder preclude any other or further exercise thereof or the exercise of any other right, power or remedy. The remedies herein are cumulative and are not exclusive of any remedies provided by law. Notwithstanding anything to the contrary contained herein, Assignee shall act in a commercially reasonable manner when exercising any power, right or remedy hereunder.

(b) THIS ASSIGNMENT SHALL BE GOVERNED BY, AND BE CONSTRUED IN ACCORDANCE WITH THE LAWS OF THE STATE IN WHICH THE PROPERTY IS SITUATED, WITHOUT GIVING EFFECT TO THE CONFLICTS-OF-LAWS RULES AND PRINCIPLES OF SUCH STATE.

(c) All rights and remedies set forth in this Assignment are cumulative, and the Assignee may recover judgment thereon, issue execution therefor, and resort to every other right or remedy available at law or in equity, without first exhausting and without affecting or impairing the security of any right or remedy afforded hereby; and no such right or remedy set forth in this Assignment shall be deemed exclusive of any of the remedies or rights granted to the Assignee in any of the Loan Documents. Nothing contained in this Assignment shall be deemed to limit or restrict the rights and remedies of the Assignee under any of the other Loan Documents.

(d) Until the indebtedness secured by the Loan Documents is paid in full, Assignor will deliver from time to time to the Assignee executed originals to the extent available, otherwise photocopies certified by Assignor as true, correct and complete, of executed originals, of any and all existing Long Term Leases, and executed originals, or photocopies of executed originals, so certified by Assignor, if an executed original is not available, of all other and future Long Term Leases upon all or any part of the Property and upon request of Assignee will specifically transfer and assign to Assignee such other and future Long Term Leases upon the same terms and conditions as herein contained. Assignor hereby covenants and agrees to make, execute and deliver to Assignee, upon demand and at any time or times, any and all further assignments and

other instruments as Assignee may determine for carrying out the purposes and intent of this Assignment.

(e) This Assignment may not be amended except by an instrument in writing signed by the Assignor and the Assignee.

Section 13.
Defeasance.

If Assignor shall pay or cause to be paid in full to Assignee all monetary obligations hereunder and under the Mortgage and the Note on or before the date on which they are due and payable, and in the manner stipulated herein and therein, all without deduction or credit for taxes or other charges paid by Assignor, and if Assignor shall have kept, performed and observed all the covenants and conditions contained herein and all of the other Loan Documents, then Assignee shall deliver to Assignor all such documents in recordable form to release the Property from the encumbrances created hereby and by the Mortgage, but otherwise this Assignment shall remain in full force and effect.

Section 14.
Successors and Assigns.

Assignor may not assign their rights under this Assignment except as permitted under the Mortgage. Assignor hereby acknowledges and agrees that Assignee may assign this Assignment as permitted under the Mortgage. Subject to the foregoing, this Assignment shall be binding upon, and shall inure to the benefit of, Assignor and the Assignee and their respective successors and assigns.

Section 15.
Notices.

All notices, requests and other communications provided for herein shall be given or made in writing in the manner specified in the Mortgage.

"MORTGAGOR" and "MORTGAGEE", as used herein, shall include the heirs, personal representatives, successors and assigns thereof, and shall refer to the singular or plural, masculine or feminine, as the context may require.

A. On August 16, 2017 MARQUIS BANK (the "ORIGINAL MORTGAGEE") extended a loan to MORTGAGOR in the original principal amount of \$1,620,000.00 (the "Existing

Loan”), which Existing Loan was evidenced by the MORTGAGOR’s execution and delivery of a promissory note of even date therewith in favor of ORIGINAL MORTGAGEE in said amount (the “Existing Note”). Repayment of the Existing Note was secured by, among other things, a Mortgage and Security Agreement executed and delivered by MORTGAGOR in favor of ORIGINAL MORTGAGEE (the “Existing Mortgage”), encumbering certain property situate in Broward County, Florida more particularly described in said Existing Mortgage (the “Original Property”), and more particularly described in said Existing Mortgage, which Existing Mortgage was recorded under Instrument No. 114601364 of the Public Records of Broward County, Florida,

B. Simultaneous therewith, MORTGAGOR executed and delivered in favor of ORIGINAL MORTGAGEE, a Collateral Assignment of Leases, Rents, and Profits (the “Original Assignment”), which Assignment was recorded under Instrument No. 114601365 of the Public Records of Broward County, Florida (the “Existing Assignment”).

C. Simultaneous therewith, MORTGAGOR executed and delivered in favor of ORIGINAL MORTGAGEE, a UCC-1 Financing Statement (the “Existing County UCC”), which Existing County UCC was recorded under Instrument Number 114601366 of the Public Records of Broward County, Florida and with the Florida Secured Transaction Registry under File Number 201702644853 (the “Existing State UCC”) (the Existing County UCC and the Existing State UCC being hereinafter jointly referred to as the “Existing Financing Statements”).

D. MORTGAGEE is the successor by merger to ORIGINAL MORTGAGEE.

E. MORTGAGOR has agreed to provide substitute collateral to MORTGAGEE for the Existing Loan and has agreed to modify the Existing Mortgage, Existing Assignment and Existing Financing Statements to spread the lien of the Existing Mortgage, Existing Assignment and Existing Financing Statements so that, in addition to the Original Property currently encumbered thereby, they shall also encumber certain additional property situate in Broward County, Florida (the “Additional Property”), more particularly described on Exhibit “A” attached hereto and made a part hereof.

F. MORTGAGEE has agreed to enter into the requested modifications with MORTGAGOR, subject to the terms and conditions hereof.

NOW, THEREFORE, in consideration of the mutual covenants herein contained, and to induce MORTGAGEE to agree to the requested modifications, it is agreed by and between MORTGAGOR and MORTGAGEE as follows:

1. That the above recitations are true and correct and are incorporated herein as though set forth in detail.

2. MORTGAGOR acknowledges and confirms as follows:

a) that the Existing Mortgage, as modified constitutes a valid and binding first lien encumbrance on the Original Property;

b) that the Existing Assignment constitutes a valid and superior first assignment of MORTGAGOR's interest in the leases,

c) That the Existing Financing Statements constitute a valid and binding first security interest in the personal property described therein; and,

d) that MORTGAGOR is presently indebted to MORTGAGEE in the principal amount of \$ 540,024.85 outstanding under the Existing Note, as extended, together with accrued interest thereon from the date last paid, as of the date hereof, without any defenses, set-offs or counterclaims.

3. MORTGAGOR and MORTGAGEE hereby covenant and agree that the Existing Mortgage, Existing Assignment and Existing Financing Statements be, and the same are hereby, amended and spread to encumber the Additional Property, with the same force and effect as if said Additional Property were originally delineated in said Existing Mortgage, Existing Assignment and Existing Financing Statements and that all of the terms, covenants and conditions of said Existing Mortgage, Existing Assignment and Existing Financing Statements shall apply to the Additional Property.

4. The parties hereto acknowledge and agree that the maturity date of the Existing Note is and shall remain August 16, 2027.

5. MORTGAGOR, at its expense, shall provide MORTGAGEE with a substitution loan Title Insurance Policy. MORTGAGEE shall be provided with any such further endorsements as MORTGAGEE may, from time to time, reasonably request.

6. MORTGAGOR, by its execution at the foot hereof, acknowledges and agrees that a default under the terms and provisions of any and all documentation executed by MORTGAGOR in favor of ORIGINAL MORTGAGEE and/or MORTGAGEE, whether now existing or hereafter created, shall constitute a default hereunder, and, in such event, shall entitle MORTGAGEE to exercise any and all of the rights and remedies provided for under the Existing Mortgage, and Existing Assignment, as modified and spread.

7. The Existing Mortgage, Existing Assignment and Existing Financing Statements, as modified and spread by this Agreement, shall continue to secure all of the obligations of MORTGAGOR to ORIGINAL MORTGAGEE and/or MORTGAGEE, whether now existing or hereafter created, including, but not limited to, the Existing Note, and all renewals, modifications and substitutions thereof.

8. to ORIGINAL MORTGAGEE and/or MORTGAGEE.

9. Except as modified herein, all of the terms, covenants and conditions of the Existing Mortgage, Existing Assignment and Existing Financing Statement are hereby ratified, confirmed and approved in all respects.

10. This Agreement shall be binding upon and inure to the benefit of the MORTGAGOR and MORTGAGEE, and their respective heirs, personal representatives, successors and assigns, and the terms and provisions hereof, as well as the representations and warranties contained herein, shall survive the execution and delivery hereof.

11. THIS PROVISION IS A MATERIAL INDUCEMENT FOR MORTGAGEE ENTERING INTO THIS AGREEMENT WITH MORTGAGOR.
