Pam,

Thank you for contacting me about this issue. You'll recall that we spoke about this over a year ago. I told you I would keep my mind open as to the naming of the park.

I have been thinking about this for quite some time. Having considered the matter very carefully, I am supportive of naming the park after your dad. I think your dad was a catalyst in getting that park to where it is, today. Naming a park after someone is a very serious matter, which is why I spent plenty of time thinking about it.

The City Commission reconvenes at the end of August, and I intend to seek my colleagues' support for this endeavor. I hope you will share this information with your family as I know they are supportive of your efforts to name the park after your dad.

In conclusion, your dad was a hell-of-a-good-guy. I am hopeful that with my support and that of the community, we can get this done.

Until we speak again, I wish you and your family all the best.

Mayor Bober, Vice Mayor Biederman and City Commissioners Asseff, Callari, Hernandez, Sherwood and Blattner:

As you are aware, Pete Brewer and others are trying to have the Coral House and the 6 acre area from the Sheridan Stationside project, be named as a Park after my Dad. The Hollywood Council Civic Association, the Hollywood Hills Civic Association and many residents of the City and their Civic Associations are behind us.

The HCCA unanimously voted to create an ongoing, living monument to the life and work of a great civic activist, Chuck Vollman. Naming the property in his memory would be an appropriate and fitting way to do this.

I am looking for your help so we can we get this accomplished. How does "Charles F. Vollman Civic Activist Park" sound?

Considering what Dad has done throughout living in Hollywood since 1955 and what this would mean to ALL Civic Activists.

We know this project has started and we feel that we need to stay on top of this matter.

On behalf of the Vollman family, we would appreciate your consideration for this worthwhile event.

Hi Cathy,

We appreciate your efforts to work with us to find out what our options are regarding the house and park land at the Sheridan Station site that the developers pledged to give to the City. We believe the developer has an obligation to fulfill the written pledge he has made.

HCCA has unanimously voted to create an ongoing, living monument to the life and work of a great civic activist, Chuck Vollman. Naming the property in his memory would be an appropriate and fitting way to do this.

If the legal problems posed by this plan puts it in jeopardy, and if it isn't possible to do this in a timely manner, we would appreciate being able to discuss another appropriate way to complete our mission. Mr. Vollman's widow is quite ill, and we want her to be able to attend the dedication and enjoy the fellowship of the people who knew and so admired Chuck.

Again, thank you so much for working with the community.

Best,

Charlotte

Mayor Bober, Vice-Mayor Blattner and Commissioners,

We understand that the developers of Sheridan Stationside are visiting you with changes to their plans.

Please ensure that any changes require that the building and park land be dedicated to the City as a condition of approval of changes. We have been waiting for a number of years, and are concerned that the rights could be sold to another developer who knew not Mr. Vollman.

We want to see solid development that brings tax revenue to the City. We also want, as you know, to be able to name that park after the legendary civic activist Charles "Chuck" Vollman while most of us who knew him are still alive.

Sincerely,
Charlotte Greenbarg
President, HCCA

Good Afternoon Mayor Bober, Vice Mayor Biederman, Commissioner Asseff, Commissioner Hernandez, Commissioner Callari, Commissioner Blattner and Commissioner Sherwood,

I would like to appeal to you in asking what needs to be done naming the "Park" , formerly Okomo trailer park after Charles F. Vollman. Chuck was a well-known and well-respected City of Hollywood resident and activist. The Hollywood Council of Civic Associations have agreed in conjunction with its residents that the "6 acre park" should be named after a well-known activist of the Great City of Hollywood, Charles F. Vollman. Several suggestions have been submitted in writing to the City Commission over the years, ie: Charles F. Vollman Park, Chuck Vollman Park, Chuck Vollman Activist Park This honor of naming this park after Chuck would go a long way to ALL our activists who play an important role in helping our beautiful city.

I respectfully ask the naming of this park be carefully considered to Charles "Chuck" Vollman, Activist Park. This man who truly loved this great city and the people who lived here, made a major impact over the years. Chuck stood for many things over the years, but this project was one that he was working on since its inception until he passed away in July 2008 meant so much to him. Our Mom, who passed away July 15, 2014 just three days before Dads six year anniversary of his death, asked me to continue the fight to have this park named after him and what he stood for. Thanking you for your time and consideration.

Mayor Bober,

I just spoke with Mr. Pete Brewer who had suggested that a park be named after my father, Charles F. Vollman. By reading the below e-mails, I am hoping that with your help we can get this done.

Thank you Mr. Brewer for suggestion the Park be named after my father.
The Vollman family have ALWAYS wanted to have a park named after our Dad and we would love to see this come to fruition with your help.
It would mean a lot to our family and most importantly Dad (Chuck), how do we get this done?

You are welcome Pam. While going thru some old files I ran across an old picture Chuck had made while we were fighting the 16 story buildings being proposed for the Sheridan Tri-rail project. Together our neighborhoods were able to reduced the size and preserved must of the Taft St. site for a park. Now our neighbors need to continued to work together and make the developers complete the promised park. I would suggest that this park be named "The Chuck Vollman Park" after all of his outstanding work for our entire community.
