Unless otherwise noted in the quote, the installation charge includes the below:

- Receiving shipment on site and off-loading equipment
- Layout and excavation of footing holes for equipment provided by KOMPAN
- Assembly of equipment provided by KOMPAN
- Concrete footings (where applicable)

Below is a list of services that are not automatically included in the quote for equipment installation, but may be available for an extra charge. Please inquire with your local KOMPAN sales associate for details:

- Demolition/removal of existing equipment, surfacing, etc.
- Off-site disposal of packaging from delivered equipment
- Removal of excavated soil from site
- Installation of resilient surfacing
- Installation of playground borders
- Additional site excavation not involving equipment footings
- Permits
- Storage of Equipment
- Site Fence – Security
- Installation in stages
- Non-standard working hours (i.e. nights, weekends, holidays)

Unless otherwise noted, the quoted installation charge assumes the following site conditions:

- Adequate access to the site for vehicles and equipment
- A flat, level site (less than 1% grade) with no existing surfacing, drain rock, or other landscaping material
- Clear markings of play site borders and finished grade height
- Good soil conditions for excavation (i.e. no large rocks, tree roots, underground structures, etc.)
- All underground utilities marked clearly by customer prior to installation crew arriving on site and without those utilities interfering with necessary footing holes
- If products are ordered as “surface mount” and will be anchored to an existing concrete slab, that the slab meets the thickness and strength requirements associated with the equipment.

If any of the above site conditions are not met, this may result in an inability to complete the installation and/or may result in additional installation charges.

Warranty

KOMPAN's rigorous testing standards ensure long-lasting and durable components and materials, enabling us to provide an excellent warranty package.

CLASSIFICATION OF MATERIAL	<p>The warranty with respect to failure due to material or production defects on HDPE panels, stainless steel hardware, and galvanized structural parts such as poles, cross beams, floor frames and top brackets, is for the Lifetime* of the structure.</p> <p>The warranty with respect to failure due to material or production defects on HPL panels, all other galvanized parts, galvanized and aluminum parts with painted top layer, non-painted steel and metal parts, solid and hollow plastic parts, and engineered timber, is limited to 10 years commencing on the date of delivery.</p> <p>The warranty with respect to failure due to material or production defects on springs, painted metal parts, ball bearing assemblies, net constructions, and concrete elements is limited to 5 years commencing on the date of delivery.</p> <p>The warranty with respect to failure due to material or production defects on moveable plastic and metal parts and all ICON electrical components is limited to 2 years commencing on the date of delivery.</p>
LIMITED WARRANTY COVERAGE OF DAMAGED PARTS	<p>The warranty covers all KOMPAN products. Such damaged parts will be replaced by KOMPAN and will be delivered to the customer's address free of charge. ICON electrical components will be installed by a qualified contractor.</p>
WARRANTY COVERAGE APPLIES ONLY IF PRODUCTS HAVE BEEN PROPERLY INSTALLED AND MAINTAINED	<p>The warranty is not effective if products have not been installed properly according to the instructions provided by KOMPAN, or maintained correctly according to the KOMPAN Maintenance Manual. The warranty for the ICON electrical components is dependent on those products being installed by an ICON trained and approved installer.</p>
