SUBJECT: Purchase of Two New Vehicles for Utility Billing Field Service Functions

ISSUE:

The Department of Public Utilities requests the procurement of two (2) 2016 Chevrolet Colorado, 2WD (12M53) Compact Extended Cab 4X2 pickup trucks for the Utility Billing field service functions.

EXPLANATION:

We are in need of two (2) vehicles for the Utility Billing field service functions. In January 2015 Public Utilities took over operations of Utility Billing Field Services from the outside Customer Service contractor DMA. We have been using Underground Utilities Division vehicles to provide these services but our service demand for Utility Billing field service functions necessitate the need for separate vehicles. Back in May, we started the customer Turn-on and Turn-off process in-house and the volume of this activity has been very high so we need new vehicles soon to properly service this demand.

Funds are available from the Motor Vehicles Program (42.4000.90716.536.006452) to be used to purchase the new vehicles. The cost for both vehicles is \$49,524.00 as per the attached Vehicle Quote from the Florida Sheriffs' Association Bid No. 15-23-0904.

RECOMMENDATION:

Please expedite the procurement process for the new vehicles as this will improve our customer service.

C: Francois Domond, Deputy Director-Operations
Joel Wall, Fleet Management Coordinator

SPECIFICATION #41**

2016 Chevrolet Colorado 2WD (12M53)

The Chevrolet Colorado 2WD (12M53) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$22,958.00	\$22,858.00	\$22,458.00	\$22,658.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

1. Requested Vendor: Stingray Chevrolet

Vendor Number: 34087

Address: 2002 N. Frontage Rd., Plant City, FL 33563

Contact Person: Peter Popiel

Title: Government Sales Fleet Manager

Phone: 813-359-5016

Email: magicpeterfleet@gmail.com

2. Contract title requesting to piggyback?

Awarding Agency: Florida Sheriffs Association Contract Bid Award (15-23-0904).

Contract Expiration Date: September 30, 2016

Copy of Contract and Awarding Agency documentation is attached.

Yes No

3. Product/Service being requested (be specific). (1) 2016 Chevrolet Express Cargo Van, Specification #33 (CG23405).

4. Detailed description of the products/services function and purpose. The Police Department is requiring a 2016 Chevrolet Express Cargo Van for the operations of Street Crime Scene Investigation. The crime scene van serves as a platform of a mobile crime lab which responds to various scenes of crimes on a daily basis. The van will be equipped with shelving and storage cabinets which facilitate the storage and security of evidence

collected at the scene and the supplies used to process the scenes. The vehicle also serves as a secure vault while at the scene in order to preserve evidence that has been collected until it can be transported. The security of the evidence must be preserved in order to withstand the scrutiny of court proceedings for prosecution. The 2016 Chevrolet Express Cargo Van model was determined to be the best fit for the Police CSI services and operations.

5. Please explain what process the Department/Office took to verify and/or identify this contract. Recommended by the Police and Public Works Departments.

6. Were alternative contracts evaluated to determine that the City is obtaining the most advantageous contract pricing for the required product/service?

Yes No

Please explain This is the best price going for this vehicle and pricing is based on the Florida Sheriff's Association Contract. The State of Florida Contract was the higher bid. The Manufacturer is producing a limited amount of these vehicles to fleets, and in order for the City of Hollywood to secure this order we will need to send a letter of intent as soon as possible to the Dealer.

7. Total cost of the requested product/service. \$25,700.00

8. Total estimated annual (fiscal year) cost of requested product/service. (1) vehicle = \$25,700.00
Account Number # 57.5100.15106.590.036452

9. Is this product/service covered by a warranty? Yes No

If yes, please attach a copy of the warranty details.

10. Would this purchase(s) result in the potential of future purchases for related products/services being restricted to a particular vendor or create a specific vendor as sole source provider for related items?

Yes No

If yes, please describe the related products/services and estimated cost(s.) _____

11. Would this purchase(s) result in any future maintenance costs which are not included in the initial purchase?

Yes No

If yes, please attach a draft maintenance plan which includes cost estimates and funding source(s.)

12. Is this a grant related purchase? Yes No

If yes, please provide details (timeline, expiration dates, milestones, special procurement requirements, etc.)

Will this require matching funds? Yes No

What is the grant source? N/A

What is the grant (dollar) amount? N/A

UTILITY CARGO VAN SPECIFICATION #33

2016 Chevrolet Express Cargo Van (CG23405)

The Chevrolet Express Cargo Van (CG23405) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$20,796.00	\$20,413.00	\$20,296.00	\$21,165.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

CITY OF HOLLYWOOD
INTER-OFFICE MEMORANDUM
Water Quality Services Division

DATE: December 7, 2015 **File:** WQS-16-001

TO: Sylvia Glazer, Director - Public Works

VIA: Steve Joseph, P.E., Director - Public Utilities *[Signature]*

VIA: Francois, P.E., Deputy Director Operations - Public Utilities *[Signature] 12/7/15*

FROM: Cassandra Myers, Water Quality Services Manager *KDM*

SUBJECT: Request for Replacement of Vehicle #8018

ISSUE:

The Department of Public Utilities (DPU) requests a transfer of funds related to procuring replacement vehicle #8018.

EXPLANATION:

The subject vehicle was placed out of service by the Department of Public Works, Fleet Maintenance because of excessive rust on the undercarriage and chassis. Vehicle #8018 is used by the Department of Public Utilities (DPU), Water Quality Services (WQS) Division to perform environmentally sensitive assignments to satisfy permit requirements placed on the City by regulatory agencies (i.e. Department of Health and Florida Department of Environment Protection). The vehicle is a full size van outfitted with special equipment necessary for sampling and testing of the water distribution system throughout the entire City's service area.

In the interim, WQS staff has been using a replacement vehicle which Fleet Maintenance provided; however, this replacement vehicle operates on natural gas and is not suitable for the required tasks. Therefore, expeditious replacement of this vehicle will be greatly appreciated.

The related account for payment for this vehicle will be established by Finance upon approval by the City manager.

RECOMMENDATION:

The Department of Public Utilities requests and recommends expeditious replacement of vehicle #8018.

UTILITY CARGO VAN SPECIFICATION #33

2016 Chevrolet Express Cargo Van (CG23405)

The Chevrolet Express Cargo Van (CG23405) purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$20,796.00	\$20,413.00	\$20,296.00	\$21,165.00

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Subject: 2016MY - VANS - Order Status as of November 30th - - Remaining Allocation Update

Note:

Based on a November 30th – Govt (FBC) 2016MY Van Order Status released by GM Fleet:

The SE Region has approximately (300) Van Allocation/Build slots remaining.

I estimate that this Allocation will last until approximately December 31st.

Get Your VAN ORDERS in ASAP or there will be NO Allocation to get them Built.
