All invoices submitted to the City must be itemized to indicate the number of hours worked. It is acknowledged and agreed to by the Consultant that the dollar limitation set forth in this section is a limitation upon, and describes the maximum extent of, the City's obligation to pay the Consultant but does not include a limitation upon the Consultant's duty to perform all services set forth in Exhibit "A" for an amount that is not more than the maximum stated above.

Invoices shall be paid within thirty (30) days following the City Representative's approval. In addition to detailed invoices, upon request of the City's Representative, the Consultant will provide the City with detailed periodic status reports on the project.
- C. Final Invoice: In order for both parties herein to close their books and records, the Consultant shall clearly state "final invoice" on the Consultant's final/last billing to the City. This final invoice shall also certify that all services provided by the Consultant have been properly performed and all charges and costs have been invoiced to the City. Because this account will thereupon be closed, any and other further charges not properly included on this final invoice are waived by the Consultant.

ARTICLE 4 - PERSONNEL

The Consultant is, and shall be, in the performance of all work, services and activities under this Agreement, an independent contractor, and not an employee, agent, or servant of the City. All persons engaged in any of the work or services performed pursuant to this Agreement shall at all times, and in all places, be subject to the Consultant's sole direction, supervision, and control. The Consultant shall exercise control over the means and manner in which it and its employees perform the work, and in all respects the relationship of the Contractor's employees to the City shall not be that of employees or agents of the City. This Agreement does not create a partnership or joint venture between the parties.

The Consultant represents that it has, or will secure at its own expense, all necessary personnel required to perform the services under this Agreement. No remedy herein conferred upon any party is intended to be exclusive of any other remedy, and each and every such remedy shall be cumulative and shall be in addition to every other remedy given hereunder or now or hereafter existing at law or in equity or by statute or otherwise. No single or partial exercise by any party of any right, power, or remedy hereunder shall preclude any other or further exercise thereof.

ARTICLE 9 - CONFLICT OF INTEREST

The Consultant represents that it has no interest and shall acquire no interest, either direct or indirect, which would conflict in any manner with the performance of services required hereunder, as provided for in the Code of Ethics for Public Officers and Employees (Chapter 112, Part III, Florida Statutes). The Consultant further represents that no person having any such interest shall be employed for said performance.

The Consultant shall promptly notify the City's representative, in writing, by certified mail, of all potential conflicts of interest that may result from any prospective business association, interest or other circumstance which may influence or appear to influence the Consultant's judgment or quality of services being provided hereunder. Such written notification shall identify the prospective business association, interest or circumstance, the nature of work that the Consultant may undertake and request an opinion of the City as to whether the association, interest or circumstance would, in the opinion of the City, constitute a conflict of interest if entered into by the Consultant. The City agrees to notify the Consultant of its opinion by certified mail within thirty (30) days of receipt of notice by the Consultant. If, in the opinion of the City, the prospective business association, interest or circumstance would not constitute a conflict of interest by the Consultant, the City shall so state in its opinion and the Consultant shall, at its option, enter into said association, interest or circumstance and it shall be deemed not to be a conflict of interest with respect to services provided to the City by the Consultant under the terms of this Agreement.

ARTICLE 10 - DEBT

The Consultant shall not pledge the City's credit or attempt to make it a guarantor of payment or surety for any contract, debt, obligation, judgment, lien or any form of indebtedness. The Consultant further warrants and represents that it has no obligation or indebtedness that would impair its ability to fulfill the terms of this Agreement.

ARTICLE 11 - DISCLOSURE AND OWNERSHIP OF DOCUMENTS

The Consultant shall deliver to the City's Representative for approval and acceptance, and before being eligible for final payment of any amounts due, all documents and materials prepared by and for the City under this Agreement.

All written and oral information not in the public domain or not previously known, and all information and data obtained, developed, or supplied by the City or at its expense will be kept confidential by the Consultant and will not be disclosed to any other party, directly or indirectly, without the City's prior written consent unless required by law. All drawings, maps, sketches, programs, data base, reports and other data developed, or purchased, under this Agreement for or at the City's expense shall be and remain the City's property and may be reproduced and reused at the discretion of the City.

The City and the Consultant shall comply with the provisions of Chapter 119, Florida Statutes (Public Records Law).

All covenants, agreements, representations and warranties made herein, or otherwise made in writing by any party pursuant hereto, including but not limited to any representations made herein relating to disclosure or ownership of documents, shall survive the execution and delivery of this Agreement and the consummation of the transactions contemplated hereby.
