The Underwriters shall provide the City with the information required by Section 218.385, Florida Statutes, in connection with the negotiated sale of the Series 2016A Bonds, prior to sale in the form attached as Exhibit A to the Purchase Contract.

The Mayor, City Manager or Financial Services Director is hereby authorized to execute and deliver a Paying Agent Agreement between the City and the Paying Agent and Registrar in a form to be approved by the City Attorney. The Mayor, City Manager, Financial Services Director and any other proper officers of the City are hereby authorized to execute and deliver any and all other instruments, documents and contracts on behalf of the City which are necessary or desirable in connection with the execution and delivery of the Series 2016A Bonds and the refunding of the Prior Obligations and which are not inconsistent with the terms and provisions of the Resolution and other actions relating to the Series 2016A Bonds heretofore taken by the City.

Section 12. Authorization of Execution of Escrow Deposit Agreement. The Mayor, City Manager or Financial Services Director is hereby authorized to execute and deliver one or more Escrow Deposit Agreements between the City and the Escrow Agent for the holders of all or a portion of the Prior Obligations (collectively, the "Escrow Deposit Agreement"). annexed hereto as Exhibit D with such changes, modifications, deletions and insertions, as the Mayor, City Manager or Financial Services Director, with the advice of Bond Counsel and the City Attorney, may deem necessary and appropriate. The City reserves the right to initially issue the Series 2016A Bonds directly to the beneficial Registered Owners if the City determines that use of the book-entry system would cause the interest on the Series 2016A Bonds to be included in gross income pursuant to the Internal Revenue Code of 1986, as amended, or is otherwise not in the best interests of the City or the Owners.

Section 16. Continuing Disclosure. The City hereby covenants and agrees that, in order to provide for compliance by the City with the secondary market disclosure requirements of the Rule, it will comply with and carry out all of the provisions of the Continuing Disclosure Certificate. The Continuing Disclosure Certificate shall be in substantially the form attached hereto as Exhibit E, with such changes, amendments, modifications, omissions and additions as shall be approved by the Mayor and the Director of Financial Services. The execution and delivery of the Continuing Disclosure Certificate by the Mayor and the Director of Financial Services shall constitute conclusive evidence of the approval thereof. Notwithstanding any other provision of this Resolution, failure of the City to comply with the Continuing Disclosure Certificate shall not be considered an event of default under the Resolution; provided, however, any Series 2016A Bondholder may take such actions as may be necessary and appropriate, including seeking mandate or specific performance by court order, to cause the City to comply with its obligations under this Section 16 and the Continuing Disclosure Certificate.

Section 17. Severability of Invalid Provisions. If any one or more of the covenants, agreements, or provisions herein contained shall be held contrary to any express provision of law or contrary to the policy of express law, though not expressly prohibited, or against public policy, or shall for any reason whatsoever be held invalid, then such covenants, agreements, or provisions shall be null and void and shall be deemed separable from the remaining covenants, agreements, or provisions and shall in no way affect the validity of any of the other provisions hereof or of the Series 2016A Bonds.
