HOLOPHANE: This quote is valid for 120 calendar days from date of quote unless otherwise noted on the quote. Shipment lead times begin the day after the order is released and are based on working days only. Shipments are FOB Shipping Point on all orders. HoloPhane shall pay freight on orders of \$3,000 or more (\$750 for replacement ballast kits) to all points in the continental United States and Canada. Upon release of your order, poles and non-standard material cannot be cancelled or returned. Terms are subject to revision. Items with "Hold" status have not been allocated any labor, material, or scheduled production time. The lead time to shipment will begin when HoloPhane receives your clarification or approval to release your purchase order item(s) from "Hold" status. Prices in this acknowledgement are firm for release within a period of six months from the date of order. At the end of six months, HoloPhane, at its option, shall either increase prices by 3% or renegotiate pricing. Thereafter, escalation of 1-1/2% per three month period will be added. In the event of an extraordinary change in raw material costs, HoloPhane reserves the right to renegotiate pricing. Pricing will be reevaluated and confirmed upon receipt of your clarification or approval to release the purchase order item(s) from "Hold" status.
