Please describe your professional and/or volunteer experience or background, which best qualifies you for selection to the board / committee	I have over 16 years of experience in the Visual and Performing Arts. My studio on average brings in 150+ students a week that not only take classes in the realm of the arts with us, but we also entertain and support our families all while focusing on the arts. Our families are community members of Hollywood and our neighboring cities. They bring to us what

their wants and needs are in their community and in turn I filter that to our committee. I am also very invested in my city with ties to the Hollywood Chamber as well as several business owner in the downtown and Hollywood Beach. In fact, I just moved directly downtown to further my commitment to Muzart as well as a new venture in Real Estate with a focus on Hollywood. I was elected to sit on this board for the last term and my fellow committee members as well as our CRA Operations Manager, Lisa Liotta, could support that I am very participatory for almost every meeting. This is what best qualifies me to join the board for another term.
