What types of projects would you like to see the committee work on?

Historic Preservation Board - Questions*

Please answer these five questions above. 1. How have you prepared yourself to serve on the Historic Preservation Board? 2. Explain how your personal and/or professional experiences will contribute to the meeting the goal(s) of the Board or City. * Personal experiences, * Professional experiences. 3. What is your perspective on balancing growth of the City's tax base, within the Historic Districts, while maintaining neighborhood stabilization? 4. How would you balance historic architecture with modern architectural styles? 5. What do you like about the City's different Historic Districts?

Hollywood Housing Authority - Questions*

Please answer these five questions above. 1. In your opinion what is the greatest challenge to keeping housing affordable in Hollywood? 2. Which of the following disciplines are you most skilled? * Property Management, * Affordable Housing Administration, * Housing Market Stability, * Affordable Housing Construction, * Affordable Housing Activism. 3. Which of the following disciplines are you most passionate? * Property Management, * Rental Housing Affordability, * Housing Market Stability, * New Housing Construction, * Fair Housing. 4. What (if any) life experience motivated you toward volunteerism? 5. What role does housing diversity play in Hollywood's economic health?

Marine Advisory Board - Questions*

1 - I am a boat owner and my boat is located in Loggerhead Marina Hollywood. And I live near North Lake and spend much of my free time near the beach and waterways. I am also an avid Paddle boarder and frequently visit Hollywood Beach or West Lake.

2 - I have spent most of my life with boats. My father owned (still owns) a boat and so did several of my friends while growing up. I am an experienced boater and have a great appreciation for the water. I want to see the waterways in and around Hollywood thrive and stay safe for all to enjoy, including for my children. I also think Hollywood's waterways are one of it's biggest assets and attractions. Being a long time Hollywood resident, my past boater experience, being a current boat owner and a deep appreciation for the water will all guide my decisions on the Marine Advisory Board.

3 - Yes, I will be able to dedicate 2-3 hours a month to attend meetings. I work from a home office in Hollywood and spend most of my time here.

4 - Yes, I have been a boater since childhood. My father and many of my friends have boats. I have spent many years fishing, boating, paddle boarding and diving. I am also a current boat owner (30' Hunter Sailboat) which is current docked at Loggerhead Hollywood Marina.

5 - My vision for the city of Hollywood's Waterway system is to see it stay clean and safe for all to enjoy. I am a big advocate for the recent push to establish a Mooring field in both North and South Lake. I think a Mooring field would add to the charm of Hollywood Beach and the Lakes community and complement very well the Margaritaville Development and other Beach Development that is underway. I think it could also attract more visitors and business to the area and prevent the risk of derelict boats from being abandoned in our waterways. I would support most things that improve safety and clean waterways.

Please answer these five questions above. 1. What is your involvement with the City of Hollywood's Waterways? 2. What will guide your decisions on this board? 3. Are you able to dedicate 2-3 hours a month to attend the meetings? Attendance is paramount to this Board being able to get things done. 4. Are you currently or have you been a boater, marine industry professional or involved in any other marine related industry? 5. What is your vision for the city of Hollywood's Waterway system?

Neighborhood Watch Advisory Board - Questions*

Please answer these five questions above. 1. What do you see as the function of the Neighborhood Watch program? 2. What do you feel you could bring as a member of the Neighborhood Watch Advisory Board? 3. How do you plan to recruit Area Coordinators and grow the network of Neighborhood Watch members? 4. Are you proficient in social media and computer skills? 5. This position requires 8 hours a month, are you able to commit time that this position requires?

Parks, Recreation & Cultural Arts Advisory Board - Questions*

Please answer these six questions above. 1. How many events have you attended in the past year at any of the parks and athletics facilities in the City? 2. How many City-sponsored special events have you attended for the past year? 3. Are you available to attend regular Board meetings? Regular meetings are on the 1st Thursday of the month for 8 months per calendar year. 4. What is your one area of highest interest related to the parks, recreation and cultural arts for the City? 5. What other relevant organizations, clubs, or associations were you previously, and/or currently are involved in? 6. How does parks, recreation and cultural arts contribute to quality of life?

Planning & Development Board - Questions*

Please answer these five questions above. 1. How have you prepared yourself to serve on the Planning and Development Board? 2. Explain how your personal and/or professional experiences will contribute to the meeting the goal(s) of the Board or City. * Personal experiences, * Professional experiences. 3. What is your perspective on balancing growth of the City's tax base while maintaining neighborhood stabilization? 4. What recent developments within the City are most proud of? 5. What is a Comprehensive Plan?

Police Officer's Pension Board - Questions*

Please answer these five questions above. 1. What is a fiduciary? And what is your responsibility to the police pension plan as a fiduciary? 2. What is the Sunshine Law? 3. What is Asset Allocation & Diversification? 4. Explain the history of Chapter 99-1 and Chapter 185? 5. Define the role of the Actuary and the Auditor?

Unsafe Structures Board - Questions*

Please answer these five questions above. 1. What legal document describes the process by which buildings and structures are designated unsafe? 2. What is the difference between unsightly and unsafe? 3. Once a notice is posted on an unsafe structure by the Building Official, how many occupants are allowed to enter the structure? 4. Can construction work that was commenced without a building permit be deemed unsafe? 5. What is the significance of the code requiring a citizen with experience and background in social problems to sit on the Unsafe Structures Board?

Young Circle ArtsPark Advisory Board - Questions*

Please answer these five questions above. 1. What are your primary interest in City Government and City Services? 2. How many ArtsPark events have you attended within the past year? 3. What other relevant organizations, clubs, or associations were you previously, and/or currently are involved in? 4. Are you available to attend regular committee board meetings scheduled for the Second Tuesday each month at 5:30 pm? 5. What is your one area of highest interest related to the ArtsPark at Young Circle?

Are you interested in serving on more than one board/committee?*

No

If so, how many?*

0

Applicant must attend at least one board/committee meeting prior to consideration of application for every board applied. Please list board/committee meetings you attended in the last year?*

Marine Advisory

Are you currently on a County or City Board?*

No

If yes, please describe

If you are applying for a board / committee, which has specific requirements / categories, please detail how your background and/or experience meets the required criteria.*

I am a life long Hollywood resident, grew up with boats, currently own a boat that is docked at Loggerhead Marina Hollywood and frequently paddle board at Hollywood Beach, and both North and West Lake.

David Kermis - Resume.docx

David A. Kermis

1249 Polk St Hollywood, FL 33019

Phone: 954-662-4724 E-Mail: David_Kermis@ultimatesoftware.com

Objective

To utilize my experience in the HCMS industry and apply my knowledge and ideas in a leadership role to create, build and implement new products and features for the UltiPro product and service offerings. I feel that I am uniquely qualified for this type of role based on my 19+ years of work at Ultimate Software working directly with customers, product development teams, partners, functional consultants and sales team members to identify and create innovative solutions that have crossed into almost all the UltiPro products and across most customer industries.

Experience - Ultimate Software

Solution Architect / Product Development Customs Team

October 2007 - Present

- Specialized in identifying innovative HCMS solutions that streamlined business processes, automated administrative tasks and integrated data.
- Analyzed complex business problems, researched and documented solution options, provided recommendations and pricing and worked with development teams to implement solutions.
- Developed a “big picture” view of the HCMS space by working on projects that covered many different industries and crossed into almost all the UltiPro Product lines and services, including payroll, HR, manager self-service, recruitment and onboarding, benefit management, compensation management, global employee management, reporting, managed services, check printing and tax services.
- Worked directly with customers (HR and payroll administrators, IT leaders, managers and executives), consultants, business partners and other HCMS industry specialists.
- Partnered with product owners and domain experts to better understand and learn about product features, business requirements, roadmap plans and technical solution options. Also worked directly with pre-sales, activation teams, post-live teams, security, SaaS infrastructure teams and support teams.
- Defined requirements and provided product owner level responsibilities for custom template development (which included integration solutions, automated security role assignments, document acknowledgement, salary planning and budgeting, timesheet module and benefit enrollment).

Engineering Manager / Product Development Team

August 2004 - October 2007

- Supervised software engineering team that designed, developed and supported various payroll and self-service applications used for the Ceridian BSP partnership.
- Recruited and mentored software engineering team members, directed development team efforts for stated goals and objectives and completed performance reviews.
- Worked with senior management and executives to create product roadmaps, define business goals and objectives and create staffing budgets.
- Managed the UltiPro build team, which was responsible for the UltiPro automated software build process.

Programmer / Product Development

October 1996 - May 2000, September 2002 - August 2004

- Designed and developed the first UltiPro Web Portal product.

- Worked with customers to build and implement UltiPro Web Portal custom applications.
- Built multiple internal applications using the Lotus Notes platform.

Internal Applications Manager / IT Department

February 2001 – September 2002

- Managed internal software applications used by different groups within the organization.
- Responsibilities included managing and supervising business analysts and developers for application systems development, maintenance and support.
- Supervised team and provided technical leadership, including hiring, performance evaluations and creating asset and staff budgets.

Experience – Cambridge Technology Partners

Software Development Consultant

January 1995 – October 1996

- Worked with multiple companies (HP, General Electric, M&M Mars, others) as a software consultant to design, build and implement Lotus Notes applications. Included living and working in Amsterdam on a global application software development project.

Education

University of Florida – Bachelor of Science Industrial and Systems Engineering

1989 - 2004

Graduated with Honors. Prior to graduating, completed a 1-year engineering co-op with General Dynamics Electric Boat Division as an intern building nuclear submarines. This experience is what led me into the software development business. Also worked at Shands Hospital as an engineering intern analyzing different work tasks and recommending process improvement strategies.

Skills

.NET Application Development, ASP.NET, C#, ASP Classic, SQL, Visual Basic, Web Services / API's, HTML, JavaScript, CSS, XML, Visual Studio, JAVA, Cognos Reporting. Non-technical skills include excellent business process analysis, communication, partnering and collaboration skills.

How many City-sponsored special events have you attended for the past year? 3. Are you available to attend regular Board meetings? Regular meetings are on the 1st Thursday of the month for 8 months per calendar year. 4. What is your one area of highest interest related to the parks, recreation and cultural arts for the City? 5. What other relevant organizations, clubs, or associations were you previously, and/or currently are involved in? 6. How does parks, recreation and cultural arts contribute to quality of life?

Planning & Development Board - Questions*

My main experience is living in many different cities (New York, Stockholm, Sweden, Washington DC Metropolitan area, Seattle Washington, West Palm Beach) and working for the Federal Government for most of my career. I would like to be on this committee in order to be an active member of this community and maintain its' excellence.

Please answer these five questions above. 1. How have you prepared yourself to serve on the Planning and Development Board? 2. Explain how your personal and/or professional experiences will contribute to the meeting the goal(s) of the Board or City. * Personal experiences, * Professional experiences. 3. What is your perspective on balancing growth of the City's tax base while maintaining neighborhood stabilization? 4. What recent developments within the City are most proud of? 5. What is a Comprehensive Plan?

Police Officer's Pension Board - Questions*

Please answer these five questions above. 1. What is a fiduciary? And what is your responsibility to the police pension plan as a fiduciary? 2. What is the Sunshine Law? 3. What is Asset Allocation & Diversification? 4. Explain the history of Chapter 99-1 and Chapter 185? 5. Define the role of the Actuary and the Auditor?

Unsafe Structures Board - Questions*

Please answer these five questions above. 1. What legal document describes the process by which buildings and structures are designated unsafe? 2. What is the difference between unsightly and unsafe? 3. Once a notice is posted on an unsafe structure by the Building Official, how many occupants are allowed to enter the structure? 4. Can construction work that was commenced without a building permit be deemed unsafe? 5. What is the significance of the code requiring a citizen with experience and background in social problems to sit on the Unsafe Structures Board?

Young Circle ArtsPark Advisory Board - Questions*

Please answer these five questions above. 1. What are your primary interest in City Government and City Services? 2. How many ArtsPark events have you attended within the past year? 3. What other relevant organizations, clubs, or associations were you previously, and/or currently are involved in? 4. Are you available to attend regular committee board meetings scheduled for the Second Tuesday each month at 5:30 pm? 5. What is your one area of highest interest related to the ArtsPark at Young Circle?

Are you interested in serving on more than one board/committee?*

No

If so, how many?*

1

Applicant must attend at least one board/committee meeting prior to consideration of application for every board applied. Please list board/committee meetings you attended in the last year?*

Koslow

Are you currently on a County or City Board?*

No

If yes, please describe

If you are applying for a board / committee, which has specific requirements / categories, please detail how your background and/or experience meets the required criteria.*

Nothing to add beyond the above statement

Please describe your professional and/or volunteer experience or background, which best qualifies you for selection to the board / committee.*

Nothing special

Are you presently employed by the City of Hollywood?*

No

If so, in what capacity?*

NA

Attach Resume (only .doc and .pdf files)*

Koslow CV2016.pdf

STEPHEN H. KOSLOW, Ph.D.
 2751 South Ocean Drive
 Hollywood, Florida 33019
 301.237.6690 (M) | stevekoslow@gmail.com

HIGHLIGHTS OF CAREER ACCOMPLISHMENTS

- Leading Effort in Personalized Medicine in Brain Disorders.
- Created and established the new field of **Neuroinformatics**, to enable broad sharing and development of research data and analytical tools on normal human brain function and disease states
- Led and chaired the **OECD Global Science Forum Neuroinformatics Working Group** which created and established the **International Neuroinformatics Coordinating Facility** now located in Stockholm, Sweden.
- Led NIH science policy development for significant programs including the President's Commission on Mental Health Research and the "**Decade of the Brain.**"
- Initiated the **Human Brain Project** (1993)
- Chaired international committees with the European Commission, Organization for Economic Cooperation and Development and Government of India.
- International Science Consultant for United Kingdom Medical Research Council, European Science Foundation and UK Wellcome Trust.
- Established a significant funding presence in Basic and Clinical Neuroscience at the National Institute of Mental Health
- **2006 Award for Excellence in Publishing**, Association of American Publishers Professional and Scholarly Publishing Division: Best New Book in Computer and Information Science, Databasing the Brain, John Wiley and Sons, Inc.
- 90 peer reviewed publications; over 100 national and international presentations; 61 workshops, symposia, conferences and major meetings organized; 21 book chapters published; 14 books edited.

Most Recent Accomplishments Include:

- Research and Grant Consultant University of University of Miami Miller School of Medicine, Departments of Anesthesiology, Neurology, Psychiatry and the Office of the Research Dean
- Board of Directors, MyBrainSolutions
- Advisor and Presenter at The John Curtin School of Medical Research Retreat at the Kioloa campus of the ANU, April 2011
- Presentation "*Translational Research and Personalized Medicine: A Formula for Success for Psychiatry and Mentally Ill Patients?*", First National Symposium on Translational Psychiatry The John Curtin School of Medical Research April, 2011
- Inaugural Editorial Board Member new Nature Journal, Translational Psychiatry, February 2011
- Grand Challenges in Global Mental Health, Delphi committee member. December, 2010
- Editor, Integrative Neuroscience and Personalized Medicine First Edition, Oxford University Press, November, 2010
- Personalized Medicine for Brain Disorders (Personalized medicine for the brain: a call for action<Molecular Psychiatry advance online publication, 12 January 2010; doi:10.1038/mp.2009.147>; January, 2010

PROFESSIONAL EXPERIENCE

University of Miami, Miller School of Medicine, Voluntary Assistant Professor of Psychiatry and Behavioral Sciences. 2014 -

Otsuka America Pharmaceutical Inc., Director Medical Affairs CNS 2013-2015

Research and Grant Consultant University of Miami Miller School of Medicine, 2011- 2013
(Departments of Anesthesiology, Neurology, Psychiatry and the Office of the Research Dean)

BRAINnet Foundation, Director 2009-

AMERICAN FOUNDATION for SUICIDE PREVENTION, NY, NY - Research Director 2009-2010

NEUROSCIENCE BIOMEDICAL CONSULTANT SERVICES (Biomedical Synergy) 2006-

Work with national and international clients such as university researchers (University of Miami Miller School of Medicine, Louisiana State University Health Science Center, City University of New York), biotech start-up and personalized medicine companies, investment banks and pharmaceutical industry leaders to:

- Identify and recommend consultants in basic and clinical science and drug trials.
- Structure, recruit and chair scientific advisory boards as needed.
- Develop and deliver scientific presentations to potential board members and investors.
- Facilitate the development of experimental protocols and research grant applications
- Serve as point person for board of directors, interfacing with scientific advisors, contractors, scientists and government agencies (Food and Drug Administration (FDA), National Institutes of Health (NIH))
- Perform due diligence reviews for investment companies
- CME Presentations

ALLEN INSTITUTE FOR BRAIN RESEARCH (AIBS), Seattle WA 2005

External Relations Director for institute established by the philanthropist and co-founder of Microsoft, to conduct and share brain research online. Responsible for promoting awareness of AIBS and enhancing its effectiveness through strategic relationships and increased funding. Developed and managed partnerships with scientific and research organizations, technology firms and service providers, and funding sources; served as principal database user contact and advocate.

- Successfully lobbied in Washington DC for AIBS support in NIH Congressional appropriations bill.
- Developed fruitful partnerships with scientific and research organizations, technology firms and service providers and funding sources, including:
- Collaborative programs with Japanese Genome Group at RIKEN, Tokyo.
- Relationships and joint affiliation agreements with University of Washington.
- Secured visits of senior scientists and science administrators to AIBS.
- Liaised between AIBS online database designers and users to identify and supervise implementation of critical enhancements of genomic brain atlas.
- Appointed by Seattle-King County to their Workforce Development Council to develop life science training and education goals for Puget Sound region.

NATIONAL INSTITUTE OF MENTAL HEALTH (NIMH), Rockville MD 1970-2004

Served the National Institutes of Health (NIH) in increasingly senior executive positions, achieving prominence for advancing the field of neuroscience research and creating the field of Neuroinformatics.

Office of Neuroinformatics, new NIMH office and funding unit created under my leadership 1999-2004
Founding Director

Established, advanced new field of Neuroinformatics (multi-agency program).

- Championed broad range of development activities nationally and internationally.
- Managed symposia and workshops, presenting seminars and publishing monographs on the goals, research programs and accomplishments in Neuroinformatics.
- Created new grant programs to support research, curriculum development and short-term training and career development in the field.
- 2006 Award for Excellence in Publishing, Association of American Publishers Professional and Scholarly Publishing Division: Best New Book in Computer and Information Science, Databasing the Brain, John Wiley and Sons, Inc.

Division of Basic and Clinical Neuroscience

1990-1999

Director

Principal advisor to NIMH Director in neuroscience, behavioral sciences, and psychopharmacology research; developed, directed, and evaluated Division programs, managed \$250MM grant budget.

- Conceived, formulated and established Human Brain Project (HBP), a collaborative effort of neuroscientists to enable broad sharing and development of research data and analytical tools on normal human brain function and disease states malfunction.
- Expanded Human Brain Project internationally under the new term-*Neuroinformatics*:
- Established and chaired Neuroinformatics committee within US/European Commission Biotechnology Task Force.
- Through White House Office of Science, Technology and Policy, established and chaired Neuroinformatics subgroup of the Organization for Economic Cooperation and Development Biological Working Group of Megascience Forum.
- Spearheaded major research initiatives, including:
- Published three-volumes of a NIMH report tracking new neuroscience research and research directions focused on understanding brain mechanisms in mental disorders.
- Established new grant programs in Neuroinformatics, and molecular and genomic neuroscience
- Established Behavioral Sciences Task Force to define new directions and research opportunities.
- Initiated Scientific Technology and Resource (STAR) program to support advancements in biomedical technology, both through the normal grant mechanism and through a small business funding initiative.
- Created Psycho-therapeutic Medication Development Program to explore new therapeutic treatment areas.
- Arranged for governmental and non-governmental collaborative research efforts.
- Advanced Indo-US scientific collaboration through major initiatives:
- Organized and led US delegations to symposia in India on mental health and neuroscience in the Decade of the Brain.
- Selected as Senior Neuroscientist, US Chair of Working Group on Mental Health, Substance Abuse, and Neuro-Sciences at Indo-US Public Health Service treaty negotiations, New Delhi.
- Consulted for both private and governmental science funding agencies, including United Kingdom Medical Research Council, European Science Foundation, and UK Wellcome Trust.
- Provided leadership in AIDS research, working closely with the Institute AIDS Director to develop research initiatives, monitor AIDS Centers; directed AIDS therapeutic clinical trial.
- Regularly prepared presentations for the US government: Congress; Departments of Public Health Services and Health and Human Services; and the White House Office of Management and Budget.

Division of Basic Brain and Behavioral Research

1989-1990

Deputy Director

- Conducted continuous review and evaluation of division's operations.
- Supervised broad program of grant and contract supported activities designed to increase knowledge of causes, prevention, control, diagnosis, and treatment of mental illness.

Neuroscience Research Branch, Division of Extramural Research

1980-1989

Founding Branch Chief

Established new research branch; developed and administered Neuroscience Research Program.

- Maintained balanced portfolio of research grants and contracts, made final funding decisions and determined personnel and budget needs of each major component of the branch.
- Identified gaps and opportunities for future research development.
- Established research programs in Computational Neuroscience, Systems Neuroscience and Developmental Neuroscience.
- Prepared and translated recommendations into national programs and policies including, "The Neuroscience of Mental Health" (1984), and, the report to Congress on the Decade of the Brain, "Approaching the 21st Century: Opportunities for NIMH Neuroscience Research (1988).

Biological Research Section, Clinical Research Branch, Division of Extramural Research***Programs*****1975-1980*****Chief***

- Stimulated, funded and monitored national biological clinical research grants.
- Responded to issues related to the biology of mental disorders; executive, legislative, public queries.

Project Director and Principal Investigator**1975-1985**

- Directed Clinical Research Branch Collaborative Program on the Psychobiology of Depression-Biological Studies, a six-center experimental clinical research program.

ST. ELIZABETH'S HOSPITAL, NIH, WASHINGTON DC:**1970-1977*****Research Associate, Laboratory of Preclinical Pharmacology*****1975-1977**

Division of Special Mental Health Research, Intramural Research Program

Chief, Unit of Neurobiological Applications of Mass Spectrometry,**1973-1975**

Laboratory of Preclinical Pharmacology, Division of Special Mental Health Research, Intramural Research Program

Staff Fellow, Laboratory of Preclinical Pharmacology,**1970-1973**

Division of Special Mental Health Research, Intramural Research Program

EDUCATION

Post-doctoral Fellow, Karolinska Institute, *Department of Pharmacology*, Stockholm, Sweden

Ph.D. *University of Chicago, Department of Pharmacology*, Chicago IL

B.S. *Columbia University*, New York NY

HONORS AND AWARDS

- 2006 **Databasing the Brain**, John Wiley and Sons, Inc., Award for Excellence in Publishing, Association of American Publisher's Professional and Scholarly Publishing Division: Best New Book published in 2005 in Computer and Information Science
- 2005 **NIMH, NIH award** in appreciation for contributions to the Human Brain Project and for his pivotal role in developing the new field of science, Neuroinformatics.
- 2002 **Elected Fellow**, American College Medical Informatics.
- 2001 **Japanese Society** of Medical Electronics and Biological Engineering; For Leadership in Establishing the Field of Neuroinformatics.
- 2001 **Presidents Award**, International Neural Network Society, for outstanding leadership fostering international collaboration of Human Brain Projects through modern Neuroinformatics.
- 1997 **Elected Fellow**, American Association for the Advancement of Science.
- 1996 **NIH Director's Award** for leadership in the advancement of behavioral science.
- 1996 **NIH Director's Award** in recognition of outstanding dedication and work in ensuring the safe and thorough evaluation of an experimental AIDS therapeutic agent.
- 1995 **Annual Alumni Achievement Award**, University of Chicago Club of Washington

- 1992** Public Health Service Special Recognition Award for meritorious achievement and outstanding performance in support of Public Health Service efforts to control the HIV epidemic.
- 1986** Alcohol, Drug Abuse, and Mental Health Administration Administrator's Award for Meritorious Achievement in recognition of developing a research program, recognized with esteem by the neuroscience community.
- 1979** Alcohol, Drug Abuse, and Mental Health Administration Administrator's Award for Meritorious Achievement in recognition of exceptional sensitivity to public health needs and for initiative and outstanding leadership in developing clinical programs to help meet these needs.
- 1978** Alcohol, Drug Abuse, and Mental Health Administration, National Institute of Mental Health Quality Increase Award in recognition and appreciation of sustained high quality performance **1977** Elected Fellow, American College Neuropsychopharmacology.
- 1977** Alcohol, Drug Abuse, and Mental Health Administration, National Institute of Mental Health Quality Increase Award in recognition and appreciation of sustained high quality performance.
- 1969** Awarded Special NATO Fellow for "Acetylcholine Release at the Synapse," Varenna, Italy.

Men of Achievement	International Directory of Distinguished Leadership

PROFESSIONAL SOCIETY MEMBERSHIPS

- American Association for the Advancement of Science (Fellow)
- American College of Neuropsychopharmacology (Life Fellow)
- American College of Medical Informatics (Fellow)
- American Society of Pharmacology and Experimental Therapeutics
- Collegium International Neuro-Psychopharmacologium
- International Brain Research Organization
- Society for Neuroscience
- Society of Biological Psychiatry

CONTRACT PROJECT OFFICER

- 1992-96** Phase II Clinical Trial of Peptide-T, University of California, San Diego
Phase II Clinical Trial of Peptide-T, University of Miami
Logistical Contract to "Cosmos" for Coordination and Data Analyses of Peptide-T trials
- 1993** Decade of the Brain Symposium, Institute of Medicine, US National Academy of Science
- 1990** Decade of the Brain Symposium, Institute of Medicine, US National Academy of Science
- 1989-91** A National Neural Circuitry Database: Development of a Shared Information Resource for Basic and Clinical Neuroscience (The Human Brain Project), Institute of Medicine, National Academy of Science, USA

COMMITTEE MEMBERSHIP

Peer Review Committees

- Grant Reviewer Alzheimer Association (2012-)
- US Army Medical Research and Materiel Command (USAMRMC) through The Scientific Peer Advisory and Review Services division of the American Institute of Biological Sciences (AIBS) (2010-)
- National Science Foundation, Review Panel: Biological Information Technology and Systems (2001)

- Medical Advisory Board, Tourette Syndrome Association (1984-1992)

Public Health Service

- Indo-US Cooperation in Science and Technology, Chair of the Working Group on Mental Health, Substance Abuse and Neuro-Sciences (1991)
- AIDS Prevention Neuroscience and Behavioral Workgroup (1988-1990)

NIMH/NIH

- Office of AIDS Research: Coordinating committee on Etiology and Pathogenesis (1996)
- Delphi committee member, Grand Challenges in Global Mental Health, 2009 - 2010
- Office of AIDS Research: Coordinating committees on: Natural History and Epidemiology; and Etiology and Pathogenesis (1994-1995)
- Chair Federal Coordinating Committee on Human Brain Project (1991-2004)
- National Library of Congress: Lecture Series on the Decade of the Brain; Organizing Committee (1990-1993) ▪ ADAMHA Science Education Workgroup (1989-1992)
- NIMH AIDS Task Force (1989-1991)
- NIMH Director's Ad Hoc Task Force on Molecular Genetics (1989)
- NIH Planning Committee for Consensus Conference on Clinical Utility of Magnetic Resonance Imaging (1986-1987)
- Chairperson, National Institute of Mental Health Steering Committee on Problems in Clinical Research in Mental Health: Current Status and Impediments to Progress (1979-1980)
- The President's Commission on Mental Health: Research Task Panel (Special Assistant to Daniel X. Freedman, M.D., 1978)

International

- Chair, Global Science Forum Neuroinformatics Working Group of the Organization of Economic Cooperation and Development (2000-2004)
- Co-chair the United States/European Commission Committee on Neuroinformatics (1998-2004)
- Member US/European Commission Biotechnology Task Force (1997-2004)
- Chair of the Neuroinformatics Subgroup of the Biological Informatics Working Group of the MSF, OECD (1996-1999)
- Head of the US Delegation to the Biological Informatics Working Group/Megascience Forum (MSF) of the OECD (1996-1999)
- Member, White House Office on Science and Technology Delegation to meeting of Organization for Economic Co-Operation and Development (1996-2002)
- Megascience Forum, Paris, France (1996-1999)
- International Organizing Committee, 6th International Catecholamine Symposium, Jerusalem (1987)

American College of Neuropsychopharmacology

- History Committee (2007 - 2011)
- Constitution Committee (2003-2007)
- Nominations Committee (1996-1997)
- Program Committee (1993-1995, Co-Chair, 1994; Chair 1995, Ex Officio 1996)
- Credentials Committee, (1988-1991, Co-Chair 1989, Chair 1990, 1991)
- Honorific Award Committee (1986-1987)
- Program Committee (1985-1987)

Society for Neuroscience

- Ad Hoc Committee for the International Brain Research Organization (1990-1992)

Winter Conference on Brain Research

- Program Committee (1988-1989)
- Organizing Committee (1987-1989)

EDITORIAL BOARDS

- Integrative Psychiatry, Inaugural Editorial Board (2011 -)
- Journal of Integrative Neuroscience, Associate Editor (2004-)
- Biomednet (1999-2003)
- Neurolmage (1995-2001)
- CNS Drug Reviews (1995-2003)
- Human Brain Mapping (1993-2003)
- Critical Reviews in Neurobiology (1991-2003)
- Psychopharmacology Bulletin (1989-1998), Associate Editor
- Neuropsychopharmacology (1987-90)

CONSULTANT

- University of Florida, Miller Medical School (2011 -2013)
- Enhanced Pharmaceuticals (2007-)
- Brain Resources Ltd (2006 -)

SYMPOSIA, CONFERENCES, AND WORKSHOPS ORGANIZED

Personalized Medicine

Current Opportunities and Realities for Personalized Medicine: Moving from Genes to Brain, Mayflower Hotel, Washington, DC 2009

The Emotional Brain: Integrating Basic Knowledge & Translation into Novel Therapeutic Approaches for Anxiety in Major Depressive Disorder (MDD), Post-traumatic Stress Disorder (PTSD) & Attention Deficit Hyperactivity Disorder (ADHD). ACNP, Hollywood, FL 2009

Neuroinformatics

BRAINnet: A Scientific Network for Integrative Neuroscience & Personalized Medicine, Mayflower Hotel, Washington, DC 2009

Discovery Neuroscience, Winter Conference on Brain Research, Brain Maps and Systems Biology, Breckenridge, Colorado, 2005

Human Brain Project Satellite Symposium, the Society for Neuroscience 34th Annual Meeting San Diego, California, 2004

A Decade of Neuroscience Informatics: Looking Ahead. NIH, Bethesda, Maryland 2004.

Improved Experimentation through Modeling. Winter Conference on Brain Research, 2004.

Mouse Atlas Workshop. NIMH Sponsored Workshop. Neuroscience Center Building, Rockville, Maryland, 2003. Neuroscience Databases: New Web Based Capabilities for Data Sharing. Satellite to the Society for Neuroscience Annual Meeting, Orlando, Florida 2002.

Structural Databases. Winter Conference on Brain Research, 2002

Neuroimaging Databases and Analytical Tools. A Satellite Symposium to the Annual Society for Neuroscience Meeting, San Diego, California, 2001

Databasing The Brain. A Joint US-EC Workshop, Oslo, Norway, 2001

Carmel 2001: Neuroinformatics and Electrophysiological Neuroimaging, 2000.

Web Accessible Databases and Analytical Tools for Neuroscience Research. A Satellite Symposium to the Annual Society for Neuroscience Meeting, New Orleans, Louisiana, 2000

Neuroinformatics: an enabling capability for understanding and integrating brain function, Collegium Internationale Neuro-Psychopharmacologicum, Brussels, 2000.

CARMEL 2000: Neuroinformatics and Electrophysiological Neuroimaging, 2000.

Global Efforts in Neuroinformatics. Winter Conference on Brain Research, 1999

Neuroinformatics: A new capability for neuroscience in the next millennium. 17th Winter Conference on Brain Research, ARC 2000, France, 1997.

Winter Conference on Brain Research. Panel: From Data to Knowledge: A Trip on the information Superhighway, 1995.

The Human Brain Project: Progress and Payoff. Satellite to the Annual Neuroscience meeting, 1994.

"The Human Brain Project: a Symposium at the First World Congress on Computational Medicine, Public Health and Biotechnology, Austin, TX, 1994.

The Human Brain Project. A plenary Session at the Annual meeting of the American College of Neuropsychopharmacology, 1993.

The Future is Now: Status of the Human Brain Project. Satellite meeting to the Annual Neuroscience meeting, Washington, DC, 1993.

How to Handle the Information Overload, the Human Brain Project. A presentation to FICC-HBP participants of their missions in the HBP. Annual Neuroscience meeting, Washington, DC, 1993.

Dynamical Systems in the Neuroscience: Multi scale Time and Space Conference in Brain Function. A two-day Satellite meeting to the Annual Neuroscience meeting, Washington, DC, 1993.

The Human Brain Project: Integrating Enabling Technologies with Behavioral Research. American Psychological Society Symposium. Chicago, Illinois, 1993.

The Human Brain Project: Integrating Enabling Technologies with Neuroscience Research. Annual Neuroscience Society Meeting. Satellite Symposium, Anaheim, California, 1992.

Panel Chair: Computerized 3-Dimensional Graphic and Text Brain Data: Presentation-The Human Brain Project-Recommendations from the Institute of Medicine/National Academy of Science Report. Winter Conference on Brain Research, 1992.

Symposium on Brain Circuitry Computer Reconstruction. The 17th Collegium International NeuroPsychopharmacologicum Congress, Kyoto, Japan, 1989.

Conference on Perspectives in Biological Dynamics and Theoretical Medicine, New York Academy of Science, 1986.

Affective Disorders

Current Evidence for Effective Pharmacological Treatment for Suicide Prevention, NCEDU Meeting, Boca Raton 2010

Current Evidence for Effective Pharmacological Treatment for Suicide Prevention, American Psychiatric Association, New Orleans, LA 2010

Understanding the Neurobiology of Suicide: Translational Approaches, Winter Conference on Brain Research, Breckenridge, CO, 2010

Interactive Studies of Biology, Drugs and Behavior in Depression. Biological Psychiatry, 1989.

Central Nervous System and Immune System Interactions: Defining a New Field and Implications for Psychiatric Research. Satellite meeting to the American College of Neuropsychopharmacology, Annual Meeting, 1988.

Symposium on Disentangling Emotion, Neurochemistry and Specificity of Drug Treatment in the Affective Disorders. Collegium International Neuro-Psychopharmacologicum, 1988.

Symposium on an Integrated Neurotransmitter/Neuroendocrine Hypothesis in Depression. American College of Neuropsychopharmacology Annual Meeting, 1987.

Affective Disorder Workshop, Second World Congress of Neuroscience, Budapest, 1987.

Symposium on Mixed Mania: Diagnosis and Treatment. American College of Neuropsychopharmacology, Annual Meeting, 1985.

Symposium on Drug Washout Effects on Clinical Studies in Depression and Schizophrenia. American College of Neuropsychopharmacology. Annual Meeting, 1985.

Symposium on Mania and Depression: Pharmacological, Behavioral, and Neurochemical Interactions: Organizer and Co-chairman. Collegium International Neuro-Psychopharmacologicum, 1984.

Workshop: Is Depression Associated with a Hyperadrenergic State? Organizer and Chairman, Winter Conference on Brain Research, 1984.

Symposium on Dexamethasone Suppression Test: Clinical Utility: Co-chaired, Annual American Psychiatric Association Meeting, 1983.

Workshop on the Clinical Utility of the Dexamethasone Suppression Test on Psychiatry: Co-chaired, 1982.

Basic & Clinical Neuroscience Research

Computational methods for gene expression analysis in neuroscience: Refining classical anatomic boundaries of the brain. Mike Hawrylycz, Steve Koslow, Sayan Pathak. Conference on Neural Information Processing Systems (NIPS 2005 Workshop).

Neurobehavioral Functions of Serotonin: New Insights from Knockout Mice. (Co-chair Linda Brady). Annual meeting American College of Neuropsychopharmacology, 1997.

Images as Phenotypes. Satellite to the Society for Neuroscience Annual Meeting, 2003.

Hormones and Brain Development, (co-chair Douglas Meineicke), Annual meeting American College of Neuropsychopharmacology, 1997.

Genetic and Epigenetic Factors in the Development of the CNS and the Implications for the Etiology of Mental Disorders. American College of Neuropsychopharmacology, 1996.

The Gene as a Drug: Methods to Transfer Genes to the Brain and Potential Applications for the Treatment of CNS Disorders. American College of Neuropsychopharmacology, 1995.

Pathogenesis of HIV infection of the Brain: Impact on Function and Behavior, 1994.

Apoptosis symposium, Annual meeting American College of Neuropsychopharmacology, 1994.

New Opportunities in NeuroAIDS Research: Animal Models. Satellite to the Annual Neuroscience meeting, 1994.

NIMH and Woman in Neuroscience: A breakfast workshop with a representative cross-section of woman neuroscientists. Annual Neuroscience Society meeting, 1994.

Symposium, "The Impact of Human Immunodeficiency Virus on the Central Nervous System." American College of Neuropsychopharmacology, 1993.

Indo-US Scientific Symposium. Mental Health and Neuroscience in the Decade of the Brain: Opportunities for Collaboration. 1993.

Symposium on "Neuropsychiatric Disorders in HIV-1 Infection." 18th Collegium International NeuroPsychopharmacologicum Congress, 1992.

Panel on Molecular biology of receptor-G protein systems. Winter Conference of Brain Research, Annual Meeting, 1989.

Workshop on Cerebral Emission Tomographic Image Acquisition and Analysis: Results and Recommendations of a Series of International Workshops, XII International Symposium on Cerebral Blood Flow and Metabolism, 1987.

Workshop, Open Forum on PHS Research and Training Grants Mechanisms and Review. Winter Conference on Brain Research, Annual Meeting, 1986.

Workshops on Functional Image Analysis: I. 1984; II. 1985; III. 1985.

Workshop on Novel Aspects on the Mechanisms of Action of Antipsychotic Drugs: Co-chaired Session of Clinical & Behavioral Aspects of Dopamine Neurotransmission. Satellite Meeting to the Collegium International NeuroPsychopharmacologicum, 1984.

Chronic Treatments in Neuropsychiatry: Scientific Committee and Chairman of Session on Long-term Pharmacotherapy of Affective Disorders: Drug Choice and Treatment Management. Satellite Meeting to the Collegium International Neuro-Psychopharmacologicum, 1984.

Symposium on Brain Imaging Techniques in Psychiatry and Neuroscience: Organizer and Co-Chairman, Collegium International Neuro-Psychopharmacologicum, 1984.

Workshop (NIMH) on Studies of Central Nervous System Plasticity: Organizer and Chairman, Annual meeting American College of Neuropsychopharmacology, 1982.

International Meeting on the "state-of-the-art" of Psycho-neuroendocrinology: Co-Chairman, 1980.
Workshop on Hemodialysis: Potential Therapy for Schizophrenia? Chairperson, 1977.

International Meeting on Brain Evoked Potential Research in Man, an evaluation of the findings and assessment of the future potential. Chairperson, 1976.

Advisory Board & Committee Interest Form - Submission #1895

Date Submitted: 3/8/2017

First Name*	Last Name*	District # You Live In.*	
Tanya	Krefsky	1	
Home Address*	City*	State*	Zip Code*
1090 lyontree street	Hollywood	FL	33019
Home Phone	Cell Phone	Email Address*	
		tanyaecosolutions@gmail.com	
Owner or Renter *	Number of years as city resident*	Are you registered to vote in Broward County?*	Education (highest degree / level)
owner	11	Yes	
Occupation*	Work Phone		
Sales/Consulting for recycling services	954-703-9103		
Business Name*			
Eco-Green Trading LLC			
Business Address	City	State	Zip Code
Identify the board / committee(s) to which you request appointment (Please rank in order of preference)			
Selection (1)*	Selection (2)*		
Green Team Advisory Committee	None		
Selection (3)*	Selection (4)*		
None	None		

Affordable Housing Advisory Committee - Questions*

Please answer these five questions above. 1. In your opinion what is the greatest challenge to keeping housing affordable in Hollywood? 2. Which of the following disciplines are you most skilled? • Home Purchase Education, • Housing Market Employment, • Housing Market Stability, • Affordable Housing Construction, • Affordable Housing Activism. 3. Which of the following disciplines are you most passionate? • Ownership Housing Affordability, • Rental Housing Affordability, • Housing Market Stability, • New Housing Construction, • Fair Housing. 4. What (if any) life experience motivated you toward volunteerism? 5. What role does housing diversity play in Hollywood's economic health?

African American Advisory Council - Questions*

Please answer these five questions above. 1. What is the greatest challenge facing the African American Community in Hollywood? 2. How many hours per month can you dedicate to AAAC initiatives? 3. Which of the following disciplines are you most skilled? • Education, • Employment, • Economics, • Cultural Awareness, • Housing. 4. Which of the following disciplines are you most passionate? • Education, • Employment, • Economics, • Cultural Awareness, • Housing. 5. What (if any) life experience motivated you toward volunteerism?

Artwork Selection Committee - Questions*

Please answer these five questions above. 1. What are your primary interest in City Government and City Services? 2. Why do you want to join the Artwork Selection Committee? 3. What other relevant organizations, clubs, or associations were you previously, and/or currently are involved in? 4. Are you available to attend regular committee board meetings scheduled for the Second Monday each month at 5:30pm? 5. What is your one area of highest interest related to the Arts within the City of Hollywood?

Audit Committee - Question*

Please answer the these five questions above. 1. What is your primary interest in serving on the Audit Committee? 2. What is your financial/ accounting background? 3. What knowledge, skills and abilities would you bring to the meetings? 4. What other organizations and/or associations were you previously, and/or currently involved with? 5. Are you available to attend regular committee meetings? (dates to be determined by all members).

Civil Service Board - Questions*

Please answer these five questions above. 1. Describe your involvement with establishing, reviewing and interpreting policies and procedures? 2. Describe your involvement in employment practices including interviewing, testing, hiring, selection and promotion, demotions, transfers, etc. 3. Describe your knowledge of Civil Service and its purpose. 4. Why do you want to serve on this Civil Service Board? 5. Are you a continuous resident of and continuous registered elector in the City of Hollywood?

Community Development Advisory Board - Questions*

Please answer these five questions above. 1. Do you reside in a low and moderate income (LMI) neighborhood in Hollywood per the most recent US Census data? A Hollywood LMI Map is located at www.hollywoodfl.org on the Community and Economic Development webpage. 2. What Community Development issues do you believe are the most important to Hollywood? 3. What is your definition of a healthy neighborhood? 4. What do you believe is the vision and primary work of the Community Development Advisory Board? 5. What do you believe uniquely qualifies you to serve on the Community Development Advisory Board?

Education Advisory Committee - Questions*

Please answer these five questions above. 1. What are the current challenges facing education? 2. What is your vision for education in Hollywood? 3. What do you see as the primary work of the Education Advisory Committee? 4. With only one meeting a month, the Committee is limited in what it can do. How does/should the Committee decide what's most important? 5. How can the Committee know if its mission and goals are being accomplished?

Employees' Retirement Plan - Questions*

Please answer these five questions above. 1. What is your primary interest in serving on the Board of the City of Hollywood Employees' Retirement Fund? 2. What relevant organizations, clubs, or associations are you currently (or previously been) involved with? 3. Are you available to attend in person the regular monthly Board meetings (typically held the 4th Thursday of each month)? 4. What knowledge, skills and/or abilities will you bring to the Employees' Retirement Fund Board? 5. Are you familiar with municipal defined benefit retirement plans and/or have previous experience serving on a municipal retirement plan board?

Firefighters' Pension Board - Questions*

Please answer these five questions above. 1. What knowledge, skills and abilities would you bring to the meetings? 2. What experience do you have with firefighter pensions? 3. What is your financial background? 4. How many years have you lived in Hollywood? 5. How familiar are you with local retirement systems?

Green Team Advisory Committee - Questions*

I am a current member now of the Green Team and have served one year so far. I would really like to continue to be a member for this committee as I love the city of Hollywood and I am very interested in the sustainability plan of this city. I have attended as a member the green team meetings this past year. I would say I was at least 4 or 5 meetings. As far as knowledge/skills I could bring, I have been in the recycling/waste business for 20 years. I am aware of recycling ordinances and future trends in our industry. I am not involved in other clubs. I am available to attend regular committee meetings and if schedule allows it, occasional subcommittee meetings as well. I know we are currently working on this project now but to ban all plastics at our beach and statewide as well. I would like to see our local business recycle more than they are now.

Please answer these five questions above. 1. Why do you want to join the green team? 2. Have you attended any green team meetings? If so, how many? 3. What knowledge, skills, and abilities would you bring to the green team if appointed? 4. What other organizations, clubs, or associations are you involved in? 5. Are you available to attend regular committee and subcommittee meetings? Regular meetings are on the 4th Thursday of the month and 1st Thursday for subcommittee meetings. 6. What types of projects would you like to see the committee work on?

Historic Preservation Board - Questions*

Please answer these five questions above. 1. How have you prepared yourself to serve on the Historic Preservation Board? 2. Explain how your personal and/or professional experiences will contribute to the meeting the goal(s) of the Board or City. * Personal experiences, * Professional experiences. 3. What is your perspective on balancing growth of the City's tax base, within the Historic Districts, while maintaining neighborhood stabilization? 4. How would you balance historic architecture with modern architectural styles? 5. What do you like about the City's different Historic Districts?

Hollywood Housing Authority - Questions*

Please answer these five questions above. 1. In your opinion what is the greatest challenge to keeping housing affordable in Hollywood? 2. Which of the following disciplines are you most skilled? * Property Management, * Affordable Housing Administration, * Housing Market Stability, * Affordable Housing Construction, * Affordable Housing Activism. 3. Which of the following disciplines are you most passionate? * Property Management, * Rental Housing Affordability, * Housing Market Stability, * New Housing Construction, * Fair Housing. 4.
