### Susan Goldberg

Deputy Director City of Hollywood Community Redevelopment Agency 1948 Harrison Street Hollywood, FL 33020

Re: City of Hollywood Lifeguard Stations

Dear Ms. Goldberg:

As requested, we are pleased to offer the following fee proposal to provide Architectural Design Services for the above referenced project.

### **SCOPE**

This project includes construction documents, assistance with Bidding, and construction administration for (14) lifeguard towers and (6) First Aid Stations for the City of Hollywood CRA district.

### **DESCRIPTION OF WORK**

### ITEM 1 – CONSTRUCTION DOCUMENTS FOR PROTOTYPE LIFEGUARD

**STATION:** CPZ will prepare construction documents for the prototype lifeguard tower. The design selected by the CRA Board on June 7, 2017, See Attachment "A". Services include structural engineering, review and coordination of drawings, and (2) meetings with the City/CRA, not including phone conferences.

**ITEM 2 – CONSTRUCTION DOCUMENTS FOR FIRST AID STATION:** CPZ will prepare construction documents for the First Aid Station. Services include structural engineering, review and coordination of drawings, and (2) meetings, not including phone conference, with the City/CRA. Including a 3d rendering of this tower.

**ITEM 3 – BIDDING:** CPZ will prepare Bid drawings, attend Pre-Bid meeting, review and respond to bidder's RFIs, prepare and issue Addenda as required, and review bids with the City/CRA.

ITEM 4 – CONSTRUCTION ADMINISTRATION OF THE PROTOTYPE LIFEGUARD TOWER: Services include shop drawing review, RFI review and processing, Change Order Request review, (6) construction or fabrication site meetings, and review of As-Built documents provided by the General Contractor.

ITEM 5 – CONSTRUCTION DOCUMENTS FOR (13) LIFEGUARD TOWERS:

CPZ will prepare (1) set of construction documents for all (13) remaining lifeguard

towers. The construction documents set will include revisions to the prototype tower design and construction resulting from the testing period, location maps and exterior color palettes for the 13 towers. Services include structural engineering, review and coordination of drawings, and (2) meetings, not including phone conferences, with the City/CRA, not including phone conferences. Only minor changes are expected, this does not include and major redesign of the look and design of the tower.

ITEM 6 – CONSTRUCTION DOCUMENTS FOR (5) FIRST AID STATIONS: CPZ will prepare (1) set of construction documents for all (5) remaining First Aid Stations. The construction documents set will include revisions to the prototype tower design and construction resulting from the testing period, location maps and exterior color palettes for the 5 First Aid Stations. Services include structural engineering, review and coordination of drawings, and (2) meetings with the City/CRA, not including phone conference. Only minor changes are expected, this does not include and major redesign of the look and design of the tower.

ITEM 7 – CONSTRUCTION ADMINISTRATION OF REMAINING (13) LIFEGUARD TOWERS AND (6) FIRST AID STATIONS: Services include shop drawing review, RFI review and processing, Change Order Request review, (6) construction or fabrication site meetings, and review of As-Built documents provided by the General Contractor. These services are hourly based and estimated at the fee shown.

**ITEM 8 – CONTINGENCY:** This line item provides a contingency fee to cover any additional services.

**ITEM 9** – Proposal includes Structural Engineering Design provide a complete set of construction documents.

### COMPENSATION

Compensation for Architectural and Engineering Services shall be on a stipulated basis, and in accordance with CPZ Architect's, Inc., General Contract Conditions and the attached Consultant proposals. Please refer to the attached spreadsheet for a fee breakdown and timeline for the above-mentioned items.

TOTAL \$ 98,047.00 CONTINGENCY \$ 8,000.00

TOTAL LUMP SUM FEE NOT TO EXCEED \$ 106,047.00 WITH HOURLY BACKUP AS PER 'ATTACHMENT B'

A. Compensation for additional architectural/engineering services not included above shall be computed on a per hour basis as follows:

1. Project Principal \$ 145

2. Project Manager / Designer \$ 115

3. Intern Architect

- \$ 90
- 4. Consultants (Mechanical, Electrical Engineers, etc.) to be billed to as a direct cost.

### Items not included:

- 1. Permitting through any agencies.
- 2. Bidding Services or reviews for items 5 and 6.
- 3. Testing of any type.

We thank you for the opportunity to offer you these services. If you have any questions, please contact me at 954-792-8525.

Respectfully,

CPZ ARCHITECTS, INC.

Accepted on \_\_\_\_\_\_2017.

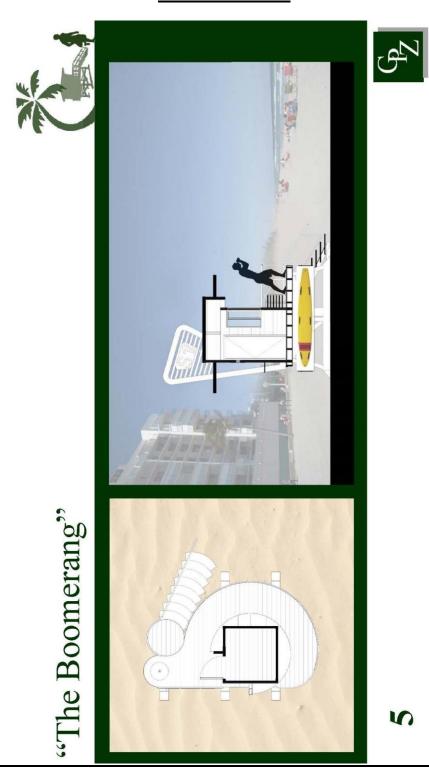

*Title:* \_\_\_\_\_

Chris P. Zimmerman, AIA

President
