Explanation:

The City Commission, in accordance with Florida State Statutes 200.065, is required at this time to tentatively fix the ad valorem millage rate pursuant to and in accordance with said law.

According to the Broward County Property Appraisers Office, the taxable value for the City for tax year 2017 is \$15,244,209,131 which is a net increase of \$2,059,004,373 or 15.62% compared to last year's amount of \$13,185,204,758.

The accompanying resolution tentatively sets the fiscal year 2018 Operating Budget millage rate at 7.4479 mills, which is unchanged from the current millage rate of 7.4479. The voted debt service millage for FY 2018 is 0.2513, for a total proposed millage rate of 7.6992.

The tentative Operating Budget millage rate of 7.4479 is calculated pursuant to Florida State Statute section 200.065 and is 8.38% or 0.5759 mills above the roll-back rate of 6.8720 mills. Approval of this rate requires a majority vote by the City Commission in

order to meet State Statute requirements. A millage rate of 7.4479 would generate net property taxes of \$108.9 million, which is \$13.9 million more in property taxes than FY 2017.

This Budget Hearing, which is the first of two, allows the Commission and staff to further evaluate and set forth recommendations for the fiscal year 2018 budget for adoption at the second budget hearing to be held on September 27, 2017.
