To the CRA Board

This letter serves to confirm that the Board of directors of the Greater Hollywood chamber of Commerce is authorizing Anne T. Hotte, CEO / Executive Director of the Chamber, to apply for funding from the CRA for a Property Improvement Grant.

The Board realizes the importance of leading by example and of enhancing the appearance of the Chamber's property as it is a gateway to Downtown Hollywood and the US1 Corridor. The Board is aware that Anne Hotte has been soliciting proposals and endorses her recommendations.

Respectfully,

GHCC Board of Directors
