BROWARD COUNTY
MARINE ADVISORY COMMITTEE

ENHANCED MARINE LAW ENFORCEMENT GRANT (EMLEG) APPLICATION

POLICY STATEMENT:

The purpose of the Enhanced Marine Law Enforcement Grant (EMLEG) program is to provide ways and means of improving boating safety in Broward County by enhancing or supplementing marine law enforcement activities and improving boating safety education. Attached is a list of the areas that the Broward County Marine Advisory Committee (MAC) feels are in need of enhanced marine law enforcement or boating safety education. It is desired that law enforcement agencies utilize the Local Option Vessel Registration Fee approved by the Board of County Commissioners to supplement existing services in their area of jurisdiction. Coordination with other law enforcement or educational agencies that have jurisdiction in Broward County is encouraged, and may be necessary, to enable the applicant agency to provide the needed enhanced coverage as desired. Innovative projects to improve boating safety in Broward County are enthusiastically encouraged.

PROJECT DESCRIPTION:

The Marine Unit is assigned to the Special Operations Division and consists of a Lieutenant, Sergeant and one full-time Marine Officers. The primary goal of the Hollywood Police Department's Marine Unit is the safe operation of vessels within the waterways in the jurisdictional limits of the City of Hollywood. The major emphasis of the Officers assigned to the EMLEG patrols will be to conduct boater safety inspections and address environmental and regulatory concerns. Enforcement will be used at the Officer's discretion for violations which demonstrate blatant disregard for safety, environmental and regulatory controls. The principal goals of EMLEG patrols are to reduce vessel accident, reduce water violations and educate the boating community.

EMLEG ZONE VIII, DANIA BEACH BOULEVARD BRIDGE TO HALLANDALE BOULEVARD BRIDGE
The City of Hollywood Police Department agrees to provide Enhanced Marine Patrol for the area defined as EMLEG ZONE VIII Dania Beach Boulevard to Hollywood South Boundary. These enhanced marine patrols will be conducted commencing October 1, 2018 and concluding September 30, 2019. During the 2018-2019 fiscal year, the City of Hollywood Police Department will provide an additional sixteen hours of marine patrol coverage on weekends and on EMLEG covered holidays.

AGGRESSIVE MARINE PATROL, EMLEG ZONE VIII
The City of Hollywood Police Department agrees to utilize the allotted Aggressive Marine Patrol hours for night time Marine Patrol, Boater Safety Inspections, Manatee Zone education and enforcement. Boating Under the Influence operations and any other marine safety concerns. These hours will be utilized to add additional boats not regularly scheduled or to provide additional hours of coverage in areas of concern.

Enhanced Marine Patrol Zone VIII	**$38,640.00**
Agressive Marine Patrol Zone VIII	**$18,400.00**
Marine Law Enforcement Classes (3) Officers	**$ 3,000.00**
TOTAL PROJECT(S) GRANT COSTS REQUESTED	**$60,040.00**

LIST ELEMENTS FOR THE PROPOSED EMLEG PROJECT, QUANTITIES AND ESTIMATED COSTS, PROPOSED BY THE APPLICANT. THESE ELEMENTS WILL BE STRICTLY ADHERED TO, AND WILL REQUIRE EXECUTING AN "AMENDMENT TO THE AGREEMENT" TO CHANGE AFTER GRANT AGREEMENT IS EXECUTED. MINOR ADJUSTMENTS IN THE PROJECT(S), DUE TO UNFORSEEN CHANGES TO IMPROVE THE PROJECT AND WHICH DO NOT INCREASE THE PROJECT DOLLAR AMOUNTS, WILL BE ACCOMPLISHED BY ADMINISTRATIVE PROCEDURE.

Boaters Safety Education is conducted in conjunction with the Marine Unit Officers daily duties via vessel checks and stationary boat ramp checks. Both Officers have successfully completed a Florida Safe Boating Course and have Boating Safety Education Cards. Both Marine Unit Officers are Certified Dive Team Members. The Marine Unit conducts in-house training in accordance with the Training and Professional Standards Unit as required by Department Policy. Future training needs are continually evaluated and will be addressed if practical.

4. DESCRIBE HOW THE PROPOSED GRANT PROJECT WOULD IMPROVE BOATING SAFETY IN BROWARD COUNTY.

The EMLEG grant funds provided have allowed the Hollywood Police Department to greatly expand the days and hours of Police Marine coverage on the waterways within the specified zones and during the times of concern. The primary goal of the Hollywood Police Department's Marine Unit is the safe operation of all vessels within the waterways of the City of Hollywood. The major emphasis of the Officers assigned to the EMLEG patrols will be to provide information to educate boaters on safety, environmental and regulatory concerns and the safe operation of vessels within the waterways of the City of Hollywood. Enforcement will be used at the Officer's discretion for violations that demonstrate blatant disregard for the safety, environmental and regulatory controls. The principal goal of the EMLEG patrols is to reduce accidents and violations on the waterways and to educate the boating public. In addition, the Aggressive Marine Patrol hours allow for night coverage, as well as the flexibility to add additional marine resources to address safety, education, environment or enforcement concerns. These hours are in addition to the normal scheduled hours and enhanced patrol in Zone VIII.

5. IS THE PROPOSED GRANT PROJECT PROVIDING BOATING SAFETY ENHANCEMENTS FOR MORE THAN ONE POLITICAL JURISDICTION? WHY? HOW WILL THAT BE ACHIEVED? WHICH AGENCY WILL BECOME RESPONSIBLE FOR THE ADMINISTRATIVE FUNCTIONS OF THE MULTI-AGENCY AGREEMENT?

N/A- The proposed Grant does not provide for more than one political jurisdiction.

6. WILL THE AGENCY REQUESTING ENHANCED MARINE LAW ENFORCEMENT FUNDS PROVIDE FOR THE COSTS OF OFFICERS TO APPEAR IN COURT?

Yes, the Hollywood Police Department will provide for the costs of Marine Officers to appear in court.

7. HOW WILL THE AGENCY REQUESTING ENHANCED MARINE LAW ENFORCEMENT FUNDS MEET, OR INCORPORATE, THE ***"ZONES AND TIMES OF CONCERN"*** (SEE EXHIBIT"A") IN THEIR GRANT PROPOSAL.

The proposed EMLEG Grant will assist the Hollywood Police Department with approximately twenty hours of additional Marine patrol coverage weekly. This coverage will supplement the Department's efforts in EMLEG Zone VIII during times of concern.

8. IF APPLICABLE, DESCRIBE HOW REQUESTED NEW CAPITAL FOR POLICE MARINE EQUIPMENT WOULD IMPROVE THE ABILITY OF THE APPLICANT TO PROVIDE IMPROVED MARINE LAW ENFORCEMENT. IF APPLICABLE, PROVIDE SIMILAR INFORMATION REGARDING EQUIPMENT FOR BOATING SAFETY INSTRUCTION AS IT AFFECTS BOATER EDUCATION EFFORTS. WHAT IS THE PROPOSED OR EXPECTED LIFE OF THE EQUIPMENT?

There is no equipment being proposed.

9. WOULD THE REQUESTED NEW POLICE MARINE EQUIPMENT OR EDUCATIONAL EQUIPMENT REPLACE EXISTING EQUIPMENT, OR PROVIDE ADDITIONAL EQUIPMENT TO BE PLACED IN SERVICE? WHAT IS THE AGE OF THE EQUIPMENT THAT IS BEING REPLACED, AND WAS THIS EQUIPMENT WORN OUT EXCLUSIVELY DUE TO USE IN THE EMLEG PROGRAM?

N/A

10. WHO WOULD BE THE TARGET AUDIENCE OF THE PROPOSED BOATING SAFETY/EDUCATION/PUBLIC INFORMATION GRANT AND HOW WOULD THIS INFORMATION BE DISSEMINATED? WHERE WOULD THIS INFORMATION BE DISSEMINATED AND AT WHAT FREQUENCY?

N/A - The proposed Grant does not include capital for a boating safety public information grant.

11. HOW WOULD THE PROPOSED BOATING SAFETY/EDUCATION/PUBLIC INFORMATION GRANT IMPROVE SAFETY ON BROWARD COUNTY WATERWAYS? HOW WOULD THE APPLICANT BE ABLE TO QUANTIFY THE RESULTS OF THE PROPOSED PROJECT? ARE ANY PERMITS (FEDERAL, STATE, COUNTY, OR MUNICIPALITY) REQUIRED, AND WHAT IS THE STATUS OF THE PERMITS?

N/A- The proposed Grant does not include capital for a boating safety/public information grant.

12. HOW MANY HOURS WERE PATROLLED WITH EMLEG FUNDS, AND HOW MANY WERE WITH THE APPLICANTS FUNDS? ALSO, HOW MANY PATROL HOURS AND HOW MANY AGGRESSIVE HOURS WERE FUNDED BY EMLEG?
