ARTICLE II

SCOPE OF SERVICES

LES shall be responsible for administering the Project Activity as more specifically set forth in Exhibit "A" attached hereto and incorporated herein by reference, and in accordance with the applicable SHIP statutes and rules as more specifically set forth in 420.907-420.9079, Florida Statutes, and Rule Chapter 67-37, Florida Administrative Code. Further, LES shall comply with the Timetable/Schedule for the Project Activity as more specifically set forth in Exhibit "D" attached hereto and incorporated herein by reference. The Project Activity set forth in Exhibit "A" shall meet all requirements set forth in 420.907-420.9079, Florida Statutes, and Rule Chapter 67-37, Florida Administrative Code.

Timely completion of the work specified in this Agreement is an integral and essential part of performance. The expenditure of SHIP funds is subject to State of Florida deadlines and could result in the loss of State funds. By acceptance and execution of this Agreement, it is understood and agreed to by LES, that the Project Activity will be completed as expeditiously as possible and that LES will make every effort to ensure that the Project Activity will proceed and will not be delayed. Failure to meet these deadlines as set forth in Exhibit "D" may result in termination of this Agreement and the revocation of SHIP funds.

Since it is mutually agreed that time is of the essence as regards to this Agreement, LES shall cause the appropriate provisions to be inserted in all contracts or subcontracts relative to the work tasks required by this Agreement, in order to ensure that the Project Activity will be completed according to the timetable set forth in Exhibit "D". It is intended that such provisions inserted in any subcontracts be, to the fullest extent permitted by law and equity, binding for the benefit of the City and enforceable by the City against LES and its successors and assigns to the project or any part thereof or any interest therein.

ARTICLE III

TERM

The term of this Agreement shall commence on January 17, 2018 and shall expire on May 30, 2019. As a condition precedent to the effectiveness of this Agreement, funds for this Project Activity must be timely released pursuant to the United States HUD Home Investment Partnership Act Grant to the City. If such condition precedent fails to occur, then this Agreement shall become null and void and the parties shall be discharged from their respective obligations thereunder. This Agreement may be extended upon the approval of the City and acceptance by LES.

In addition, this Project Activity is subject to ongoing compliance requirements of HOME for fifteen (15) years from the date of initial occupancy. During this compliance period, LES will assure continued compliance with HOME requirements. As this Project Activity involves homeowner units, this includes monitoring the single family homes for principal residency and recapture of funds at time of resale.

ARTICLE IV

ALLOCATION OF FUNDS AND PAYMENTS TO LES

4.1 The maximum amount of the City's SHIP funding contribution under this Agreement shall not exceed \$201,560.00, in SHIP funds. All SHIP funds shall be solely used by LES for the new construction of townhomes developed by LES as more specifically set forth in Exhibit "A" and expended in accordance with the Budget set forth in Exhibit "B" attached hereto and incorporated herein by reference. LES acknowledges and agrees that all SHIP funds shall be used in accordance with 24 CFR Part 92. The City has agreed to loan LES the funds at zero percent deferred interest, until construction of the single family townhomes are complete. The loan may be converted to a grant if all home construction is timely and satisfactorily completed in accordance with the requirements set forth in Exhibit "A" and said grant funds shall be utilized by LES in accordance with the requirements set forth in Exhibit "A". Pursuant to Section 92.201(a) of the HOME program regulations, this debt will be waived if all home construction is timely and satisfactorily completed in accordance with the requirements set forth in Exhibit "A". City shall not be responsible or liable to LES for any payments beyond the maximum funding set forth herein for eligible expenditures and encumbrances.

No HOME project funds will be advanced, and no costs can be incurred, until the City has conducted an environmental review of the proposed project site as required under 24 CFR Part 58. The environmental review may result in a decision to proceed with, modify or cancel the project. Notwithstanding this provision, the parties hereto agree and acknowledge that this Agreement does not constitute a commitment of funds or site approval, and that such commitment of funds or approval may occur only upon satisfactory completion of environmental review and receipt by the CITY of release of funds from HUD under 24 CFR Part 58. Further, LES will not undertake or commit any funds to physical or choice-limiting actions, including movement, conversion, repair or

construction prior to the environmental clearance, and must indicate that the violation of this provision may result in the denial of any funds under this Agreement.

4.2 Affordability. With respect to the subject property being assisted with HOME funds, LES shall meet the affordability requirements of 24 CFR Sections 92.252 or 92.254, as applicable by requiring compliance with said requirements in any and all contracts, grants, deed restrictions, leases, or other documents. Income documentation shall be in a form consistent with HOME requirements as state in the HUD ***Technical Guide for Determining Income and Allowances Under the Home Program***. The HOME funds for the Project Activity will be secured by a Note and Mortgage.

Prior to the closing, LES will provide to the City the estimated settlement statement, along with a reconciliation statement, the draft note and mortgage, and the Declaration of Covenant and Restrictions which is attached hereto as Exhibit "E". The reconciliation statement shall account for the proration of HOME project funds to the individual single family home, and identify those funds that are not lent to the buyer as "Buyer subsidies" secured by the HOME note and mortgage, the prorated HOME development funds that are to be forgiven as "Development subsidies", and the sales proceeds to be retained from the settlement funds, if any.

4.3 LES shall submit its request for reimbursement of eligible costs to the City in accordance with the reimbursement procedure set forth in Exhibit "B." LES shall be paid by the City in accordance with the expenditure of funds procedure set forth in Exhibit "B" and 24 CFR Section 92.502. LES shall provide adequate and proper documentation of eligible costs incurred in compliance with 24 CFR Section 92.206. Invoices submitted to LES by any of its subcontractors are subject to City review. Upon review of all documentation, City will either approve or deny payment. However, all payments will be made directly to LES and City shall not be liable to any of LES' subcontractors for any payments due and owing under any subcontracts between LES and said subcontractor.

4.4 The Project Activity is to be owner-occupied. LES will ensure that the SHIP assisted units (townhomes) are in compliance with 420.907-420.9079, Florida Statutes, and Rule Chapter 67-37, Florida Administrative Code, including documentation that the property is eligible under 420.907-420.9079, Florida Statutes, and Rule Chapter 67-37, Florida Administrative Code, and will maintain compliance during the minimum compliance period.

4.5 All services materials and labor eligible for payment under this agreement must be performed and processed for payment by September 30, 2019.

4.6 Payment to LES shall be contingent upon the following:

a LES implementing and facilitating the Project Activity in accordance with all applicable Federal, State and local laws, the City's Housing Policies and Procedures and in accordance with the timetable/schedule as more specifically set forth in Exhibit "D" attached hereto and incorporated herein by reference.

b. LES shall bear all costs and expenses for each audit. Each annual audit shall be submitted to the City no later than 120 days prior to the end of the City's Fiscal Year (September 30th). The annual independent audits shall adhere to the requirements set forth in Article VII herein.

c. All reporting requirements, deadlines and reporting approvals as set forth in this Agreement and in Exhibit "C" attached hereto and incorporated herein by reference must be complied with prior to LES receiving any payments for its services.

4.7 City has the right to suspend or terminate this Agreement in the event that LES fails to comply with any applicable terms, conditions to this Agreement, laws and regulations referenced herein. Upon expiration or termination of this Agreement, all HOME funds remaining on hand on the date of expiration or termination shall remain as City HOME funds and LES shall not be entitled to said funds.

4.8 Prior written approvals. Activities that require the prior written approval of the Manager in order for there to be a reimbursement payment to LES, include without limitation the following:

b. Records relating to real property acquisition shall be retained for the period of affordability required under 24 CFR Section 92.254.

5.6 All records, including supporting documentation of all program costs, shall be sufficient to determine compliance with the requirements and objectives set forth in Exhibit "A" and all other applicable laws and regulations.

Each townhome will include 3-bedrooms, 2.5 baths and a one-car garage. The basic amenities are ceramic tile floors, Energy Saver Appliances, range, microwave, refrigerator, central air and heat, back yard private entry, and ample guest parking in the rear of the complex.
