The City/CRA, at its option may add itself to such policy as an additional insured. Developer agrees to resolve each issue as expeditiously as reasonably possible. The City agrees that it will cooperate, aid and assist, to the best of its ability, Developer in achieving resolution of the items in “Schedule A.” The City further acknowledges that a change of architect will be necessary, and in such event, the City agrees to the same.

a. Fast Track and City/CRA Cooperation. With regard to any submissions or requirements related to the construction of the Icon Office Building, City/CRA agrees that it shall undertake any required efforts and review on a “fast track” basis, allocation of reserve or flex units, vacation of alleyways, variances involving FAR, and/or variances of other types in order for Developer to build the Icon Office Building. Should developer deem it appropriate to seek financing at any time, upon reasonable request of Developer, the City/CRA shall cooperate with Developer and its prospective lenders with respect to Developer’s effort to finance the development of the Icon Office Building. Further, the parties expressly acknowledge and agree that the performance of Developer depends in large part upon the timely performance of City/CRA in processing applications, entertaining approvals, excluding zoning, conducting

inspections and other governmental (and contractual) related functions related to the Icon Office Building. To the extent of any delay occasioned as a result of City/CRA delay in the aforementioned, the Completion Date shall be extended on a day-for-day basis.

b. LEED Certification. Developer may meet the prerequisites for LEED Certification but shall not seek actual certification. Further, Developer shall be exempt from any “Green Ordinance” passed after the date of original plan submittal.

16. Assignment. Until the date that is three (3) years after the date of Completion of construction of the Icon Office Building, Developer shall not assign, transfer, convey, sublet, or otherwise dispose of any or all of its interest, rights, duties, or obligations under this Agreement as it relates to the Icon Office Building.

17. Management Responsibilities. Developer or an affiliate thereof shall be responsible for the operation and management of the Icon Office Building for a minimum of three (3) years from the Completion Date. Developer shall have the right to subcontract such portions of the operation and/or management of the Icon Office Building as it deems appropriate.

18. The deadline for the escrow agreement referenced in Section 3 of the Fourth Amendment shall be extended to coincide with the Completion of Construction.

19. Section 13 of the Fourth Amendment shall be deleted.

20. Event of Default. Each of the following shall be an “Event of Default” or a “Default” hereunder:

(i) If Developer defaults in the observance or performance of any term, covenant, or condition of this Agreement and Developer fails to remedy such default within thirty (30) days after written notice by the City/CRA of such default, or if the default is of such a nature that it cannot reasonably be remedied within thirty (30) days, Developer shall (i) within thirty (30) days after the City/CRA written notice, advise the City/CRA of Developer’s intention to institute all steps necessary to remedy the default, and (ii) thereafter diligently prosecute to completion all such steps necessary to remedy the same. The parties agree that Developer shall not be in default to the extent that such default was caused in whole or in part by the failure of City/CRA to respond or act timely in response to any legitimate application, request or inquiry.

(ii) If Developer admits, in writing, that it is generally unable to pay its debts as such become due.

(iii) If Developer makes an assignment for the benefit of creditors.

(iv) If Developer files a voluntary petition under Title 11 of the United States Code, or if Developer files a petition or an answer seeking, consenting to, or acquiescing in, any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under the present or any future federal bankruptcy code or any other present or

future applicable federal, state, or other bankruptcy or insolvency statute or law. If Developer seeks, consents to, acquiesces to, or suffers the appointment of any trustee, receiver, custodian, assignee, sequestrator, liquidator, or other similar official of Developer, of all or any substantial part of its properties, or of all or any part of Developer's interest in the Icon Office Building and the real property thereof, and the foregoing are not stayed or dismissed within one hundred fifty (150) days after such filing or other action.

(v) If within one hundred eighty (180) days after the commencement of a proceeding against Developer seeking any reorganization, arrangement, composition, readjustment, liquidation, dissolution, or similar relief under the present or any future federal bankruptcy code or any other present or future applicable federal, state, or other bankruptcy or insolvency statute or law, such proceeding has not been dismissed, or, if within one hundred eighty (180) days after the appointment, without the consent or acquiescence of Developer, of any trustee, receiver, custodian, assignee, sequestrator, liquidator, or other similar official of Developer, of all or any substantial part of its properties, or of all or any part of Developer's interest in the Icon Office Building and the real property thereof, such appointment has not been vacated or stayed on appeal or otherwise, or, if within one hundred eighty (180) days after the expiration of any such stay, such appointment has not been vacated.

(vi) If the City/CRA defaults in the observance or performance of any term, covenant, or condition of this Agreement and the City/CRA fails to remedy such default within thirty (30) days after written notice by Developer of such default, or if the default is of such a nature that it cannot reasonably be remedied within thirty (30) days, the defaulting party shall (i) within thirty (30) days after Developer's written notice, advise Developer of the defaulting party's intention to institute all steps necessary to remedy the default, and (ii) thereafter diligently prosecute to completion all such steps necessary to remedy the same. In such case, any delay in Developer's work shall extend the time for completion on a day-for-day basis from the date of the Developer's written notice to City/CRA.

21. Remedies. If an Event of Default occurs and specific performance is the sole cause of action and remedy sought, the parties may utilize arbitration as defined in paragraph 9, or utilize a court of competent jurisdiction. If an Event of Default occurs, and any relief other than judicial specific performance alone is sought, the parties must utilize arbitration as defined in paragraph 9. The exercise of a remedy hereunder with respect to an Event of Default shall not limit or otherwise affect a party's right to exercise any of the other remedies available hereunder with respect to that Event of Default or to any other Event of Default.

22. Waiver. No failure by the City/CRA or Developer to insist upon strict performance of any covenant, agreement, term, or condition of this Agreement or to exercise any right or remedy available to such party by reason of the other party's Default shall constitute a waiver of any such Default or a waiver of any covenant, agreement, term, or condition. No covenant, agreement, term, or condition of this Agreement to be performed or complied with by either party, and no Default by either party, shall be waived, altered, or modified except by a written instrument executed by the other party. No waiver of any Default shall affect or alter this Agreement, but each and every covenant, agreement, term, and condition of this Agreement shall continue in full force and effect with respect to any other then existing or subsequent Default.

23. Notices. Whenever it is provided herein that notice, demand, request, consent, approval, or other communication shall or may be given to, or served upon, either of the parties by the other (or any recognized mortgagee), or whenever either of the parties desires to give or serve upon the other any notice, demand, request, consent, approval, or other communication with respect hereto, each such notice, demand, request, consent, approval, or other communication shall be in writing and shall be effective for any purpose only if given or served by certified or registered U.S. Mail, postage prepaid, return receipt requested, personal delivery with a signed receipt, or a recognized national courier service, addressed as follows or to such other address as a party may provide in writing to the other party:

The granting by a party of any consent to or approval of any act requiring consent or approval under the terms of this Agreement, or the failure on the part of a party to object to any such action taken without the required consent or approval, shall not be deemed a waiver by the party whose consent was required of its right to require such consent or approval for any other act unless provided for elsewhere in this Agreement. Consent or approval required under this Agreement shall not be unreasonably withheld by any party.

25. Miscellaneous.

(i) Captions. The captions of this Agreement are for the purpose of convenience of reference only, and in no way define, limit, or describe the scope or intent of this Agreement or in any way affect this Agreement.

(ii) Governmental Capacity. (iii) Entire Agreement. Notwithstanding the Developer Agreement and Amendments thereto, this Agreement contains all of the promises, agreements, conditions, inducements, and understandings between the City/CRA and Developer concerning the Settlement of the Lawsuit and all counterclaims, between the parties and their affiliates, arising therefrom. There are no promises, agreements, conditions, understandings, inducements, warranties, or representations, oral or written, express or implied, between the parties other than as expressly set forth herein, and in such attachments hereto, or as may be expressly contained in any enforceable written agreements or instruments executed simultaneously herewith by the parties. This Agreement may be executed in counterparts, each of which shall be deemed an original but all of which together shall represent one instrument. To the extent of any conflict between the terms of this Agreement and any other agreement between the parties, this Agreement shall control.

(iv) Modification and Waiver. No covenant, term, or condition of this Agreement shall be changed, modified, altered, waived, or terminated except by a written instrument executed by the City/CRA, and Developer. No waiver of any Event of Default shall operate as a waiver of any other Default or of the same Default on a future occasion.

(v) Invalidity of Certain Provisions. If any provision of this Agreement or the application thereof to any person or circumstances is, to any extent, finally determined by a court of competent jurisdiction or Arbitration Panel to be invalid and unenforceable, the remainder of this Agreement, and the application of such provision to persons or circumstances other than those as to which it is held invalid and unenforceable, shall not be affected thereby and each term and provision of this Agreement shall be valid and enforceable to the fullest extent permitted by law.

(vi) Remedies Cumulative. Each right and remedy of either party provided for in this Agreement shall be cumulative and shall be in addition to every other right or remedy provided for in this Agreement, or now or hereafter existing at law or in equity or by statute or otherwise (except as otherwise expressly limited by the terms of this Agreement), and the exercise or beginning of the exercise by a party of any one or more of the rights or remedies provided for in this Agreement, or now or hereafter existing at law or in equity or by statute, or otherwise, except as otherwise expressly limited by the terms of this Agreement, shall not preclude the simultaneous or later exercise by such party of any or all other rights or remedies provided for in this Agreement or now or hereafter existing at law or in equity or by statute or otherwise except as otherwise expressly limited by the terms of this Agreement.

(vii) Performance at Each Party's Sole Cost. Unless otherwise expressly provided in this Agreement, when either party exercises any of its rights or renders or performs any of its obligations hereunder, such party shall do so at its sole cost and expense.

(viii) Agreement Negotiated by All Parties. The parties recognize and acknowledge that all parties participated, with the assistance of respective counsel, in the negotiation and preparation of this Agreement, and neither party shall have any negative inference or presumption raised against it for having drafted this Agreement.

(ix) Successors and Assigns. The provisions, terms, covenants, and conditions herein shall be binding upon, and inure to the benefit of, the City/CRA, and Developer, and, except as otherwise provided for herein, their respective permitted successors and permitted assigns.

(x) No Liability for Officials and Employees. No member, officer, director, stockholder, partner, elected or appointed official, or employee of the City/CRA, or Developer shall be personally liable to the City/CRA, or Developer, or any successor in interest, in the event of any Default or breach by a party or for any amount or obligation which may become due to a party or successor under the terms of this Agreement. Any and all such personal liability, either at common law, in equity, by constitution, or by statute, of, and any and all such rights and claims against, every such person, or under or by reason of the obligations,

covenants, or agreements contained in this Agreement or implied therefrom are expressly waived and released as a condition of, and as a consideration for, the execution of this Agreement.

(xi) Conflict of Interest. Developer represents and warrants that, to the best of its knowledge, no member, official, or employee of the City/CRA has any direct or indirect financial interest in this Agreement, nor has participated in any decision relating to this Agreement that is prohibited by law. Developer represents and warrants that, to the best of its knowledge, no officer, agent, employee, or representative of the City/CRA has received any payment or other consideration from Developer, directly or indirectly, for the making of this Agreement. Developer represents and warrants that it has not been paid or given, and will not pay or give, any third party any money or other consideration for obtaining this Agreement, other than normal costs of conducting business and costs of professional services such as architects, engineers, and attorneys providing services to Developer. (xii) No Partnership. The parties hereby acknowledge that it is not their intention under this Agreement to create between themselves a partnership, joint venture, tenancy-in-common, joint tenancy, or agency relationship for the purpose of developing the Icon Office Building, or for any other purpose whatsoever. Accordingly, notwithstanding any provisions contained herein, nothing in this Agreement or the other documents executed by the parties with respect to the Icon Office Building shall be construed or deemed to create, or to express an intent to create, a partnership, joint venture, tenancy-in-common, joint tenancy, or agency relationship of any kind or nature whatsoever between the parties hereto. The provisions of this section shall survive Completion of Construction.

(xiii) Time Periods. Any time periods in this Agreement of less than thirty (30) days shall be computed based on business days. In addition, any time period which shall end on a day other than a business day shall be deemed to extend to the next business day.
