As a resident of South Florida for over 40 years, I began my professional career with the Florida Department of Environmental Regulation. After a chance meeting with Marjory Stoneman-Douglas on the steps of the state capital, I would never look at the "river of grass" the same way again.

With over 25 years' experience in sales and marketing with several highly successful startup companies, I was able to take his invaluable experience to a new level when in 2012 I joined the Youth Environmental Alliance (YEA!) team as the Director of Community Outreach.

Since 2008 I have developed and implemented over 50 dune restoration programs, engaging thousands of student/parent and corporate volunteers to help restore this crucial native habitat in the tri-county area.

Craig McAdams  
320 Northeast Second Court  
Dania Beach, Florida 33004  
(954) 328-1742 cell

I came to Hollywood in 1960 at the age of four with my parents whom became the owners of the Bel-Aire Beach Apartments. Growing up on Hollywood Beach and attending all the local public schools, Hollywood Central, Olsen Middle and South Broward High School.

At the age of 15 I acquired my Coast Guard Captains license and started making extra money in the charter boat business, later a private yacht captain and island freighter captain. In 1988 I caught a world record swordfish on 50 lb test line in Chile where I met my wife. I have three children and three grandchildren soon to be four.

In 1990 I started in the swimming pool business and currently hold a license as a Florida State Certified Commercial Pool Contractor. My wife and I now manage the Bel-Aire together full time after the passing of my mother three years ago.

The purpose of this brief resume is for the application of a position on the Hollywood Beach dune task force. I have never been arrested nor filed for bankruptcy. Please feel free to contact me for any other information.

Sincerely,

Craig McAdams
