FSA18-VEH16.0 CAB & CHASSIS TRUCKS AND HEAVY EQUIPMENT

Effective October 1, 2018 – September 30, 2019

The Florida Sheriffs Association first procured the Cab & Chassis and Heavy Equipment Contract in 2003. Since then it has grown to one of the premier large truck and equipment contracts for public works, parks and recreation, educational institutes and many others.

For details of the products available, review the category you are seeking to purchase. Simply select the drop-down arrow and locate the vehicle of choice. The vehicle links will take you to pages that are solely dedicated to the bid award for that commodity. Continue to scroll the bottom of the page and find a link to all the bid supporting bid documents.

FLORIDA SHERIFFS ASSOCIATION & FLORIDA ASSOCIATION OF COUNTIES

SKID STEER LOADER - 3100 LB OPERATING CAPACITY TRACKED ONLY SPECIFICATION #31

2019 Bobcat T740

The Bobcat T740 purchased through this contract comes with all the standard equipment as specified by the manufacturer for this model and FSA's base vehicle specification(s) requirements which are included and made a part of this contract's vehicle base price as awarded by specification by zone.

ZONE:	Western	Northern	Central	Southern
BASE PRICE:	\$49,781.10	\$49,781.10	\$49,781.10	\$49,781.10

While the Florida Sheriffs Association and Florida Association of Counties have attempted to identify and include those equipment items most often requested by participating agencies for full size vehicles, we realize equipment needs and preferences are going to vary from agency to agency. In an effort to incorporate flexibility into our program, we have created specific add/delete options which allow the purchaser to tailor the vehicle to their particular wants or needs.

The following equipment delete and add options and their related cost are provided here to assist you in approximating the total cost of the type vehicle(s) you wish to order through this program. Simply deduct the cost of any of the following equipment items you wish deleted from the base unit cost and/or add the cost of any equipment items you wish added to the base unit cost to determine the approximate cost of the type vehicle(s) you wish to order.

NOTE: An official listing of all add/delete options and their prices should be obtained from the appropriate dealer in your zone when preparing your order. Additional add/delete options other than those listed here may be available through the dealers, however, those listed here must be honored by the dealers in your zone at the stated prices.

Joel,
It may be easier to show you the pricing via email.

The pricing for the T740 also includes a different bucket and no option package:
(I have attached the original quote that was sent for the spec).

The only thing different on my quote vs the original: I didn't add freight and PDI.

Please let me know if you would like me to call and explain.

Thanks!

Heather Messmer
