WHEREAS, pursuant to Ordinance No. O-99-29 dated September 15, 1999, Chapter 50 of the Code of Municipal Ordinances, "Solid Waste and Recycling Management" was amended to provide for a franchise fee to be charged for commercial sanitation services with the rate of the said franchise fee to be established by resolution of the City Commission; and

WHEREAS, Ordinance No. O-2006-14 amended the method of calculating the franchise fee and excluded from gross receipts the amount of the City franchise fee when such is separately and accurately delineated on the billing statement to the customer; and

WHEREAS, the City's commercial sanitation services fee has not changed over the last ten (10) years, and the change in the Consumer Price Index in the Miami/Ft. Lauderdale, South Region over this period of time has increased 22%; and

WHEREAS, over the past 10 years, the administration and operational costs incurred by the City related to commercial sanitation services has increased due to enforcement of the City's ordinances, the mandatory recycling program, and illegal dumping issues; and
