This Resolution recognizes and appropriates additional revenues that have been received by the City, and sets forth the FY 2019 Year End budgetary transfers and adjustments which are necessary to resolve budget variances among the various Offices and Departments' operating budgets.

As detailed in the attached exhibits to the Resolution, certain identified accounts may have exceeded budget appropriations in the course of operations of the Office or Department during Fiscal Year 2019. As a result, budget transfers and adjustments are necessary to offset and balance the identified budget variances.

Florida State Statutes provide the legal authority to make these necessary budgetary transfers and adjustments within a sixty (60) day period following the close of the fiscal year.
