

June 8<sup>th</sup> 2020

Dear Mr. Corey Styron,

Due to the current pandemic and the requirements set forth by the CDC, Sunshine After School Child Care would like to propose an amendment to our current contract for the summer of 2020.

Proposed Changes:

1. 10% of revenue back to The City of Hollywood (current contract is 25%).
2. Facility Usage – Driftwood Community Center / David Park Community Center.
3. 1:9 ratio of staff to campers (required by CDC).
4. No Field Trips / Bus Usage at this time.
5. Pool Usage free of charge 2x per week at Driftwood  
(campers will walk with staff one to two groups only at a time).
6. Extra staff will be placed on site to clean and take temperatures.

Due to the change in requirements, Sunshine would not be able to feasibly operate camp under the current Broward County Pandemic Orders and operate as we normally would and pay the City 25% of revenues.

Please consider the above to begin on Monday, July 6<sup>th</sup>, 2020 and end on Friday, August 14<sup>th</sup>, 2020. This would be a 6-week camp as opposed to a 10-week camp.

We would like to be able to provide The City of Hollywood families a fun, safe environment to bring their children as we have done for many years.

Please feel free to call or email me with any questions and I look forward to your response.

Sincerely,

*Marisa Liona*
