Upon reasonable request by Motorola, Customer will provide a complete serial and model number list of the Equipment. All sums owed by Customer to Motorola will become due and payable immediately upon termination of this Agreement. Upon the effective date of termination, Motorola will have no further obligation to provide Services.

Customer agrees to reference this Agreement on any purchase order issued in furtherance of this Agreement, however, an omission of the reference to this Agreement shall not affect its applicability. In no event shall either party be bound by any terms contained in a Customer purchase order, acknowledgement, or other writings unless: (i) such purchase order, acknowledgement, or other writings specifically refer to this Agreement; (ii) clearly indicate the intention of both parties to override and modify this Agreement; and (iii) such purchase order, acknowledgement, or other writings are signed by authorized representatives of both parties.

This provision applies only to those employees of Motorola or its subcontractors who are responsible for rendering services under this Agreement. If this provision is found to be overly broad under applicable law, it shall be modified as necessary to conform to such law.

Section 16 MATERIALS, TOOLS AND EQUIPMENT

All tools, equipment, dies, gauges, models, drawings or other materials paid for or furnished by Motorola for the purpose of this Agreement will be and remain the sole property of Motorola. 17.1. If any court renders any portion of this Agreement unenforceable, the remaining terms will continue in full force and effect.

17.2. This Agreement and the rights and duties of the parties will be governed and interpreted in accordance with the laws of the State in which the Services are performed.

17.3. Failure to exercise any right will not operate as a waiver of that right, power, or privilege.

17.4. Neither party is liable for delays or lack of performance resulting from any causes such as strikes, material shortages, or acts of God that are beyond that party's reasonable control.

17.5. Motorola may assign its rights and obligations, and may subcontract any portion of its performance, under this Agreement, with prior written notice and consent of customer, which consent shall not be unreasonably withheld.
