Andy came down to Florida in 1995. While looking to buy a business, he encountered a company named Transworld Business Brokers. He continued his search for a business but was offered a position at Transworld as an agent. He joined the company and quickly became one of South Florida's top performers.

Now over 40 years old, Transworld Business Advisors is the number one business brokerage and an international Franchisor through a partnership with United Franchise Group. They have currently over 500 business brokers in the organization and have over 5,000 businesses for sale. They also have 200+ franchisees in the US and several internationally.

Andy is a recognized speaker and trainer in the subject of business sales, valuation and negotiations. He has taught his self-authored negotiations class to associations, construction companies, media sales teams, government agencies, high school & university students.

His signature charity event "Andy's Family Pasta Dinner" is in its 18th year and has raised over \$1,700,000. He is father to two. Rachel, Lauren and his wife, Allison are Hollywood residents (Allison since 1970, Andy since 1994).

How many City Commission or board meetings have you attended in the last 2 years? Please list:*

None

Why do you wish to serve as a member of the Emerald Hills Safety Enhancement District Board?*

I am 35 years old and live on 46th Ave and have witnessed one horrible car accident and many, many speeders. As a dad of 2 young kids, I would like to help make the area safer for not just the adults, but for children especially.

If appointed, what specific contribution(s) will you bring to the Emerald Hills Safety Enhancement District Board?*

New fresh ideas. I am also 35 years old and can bring concerns from families my age to the table.

Please describe your qualifications as an applicant including your professional and/or volunteer experience or background.*

As a Financial Advisor, my job is to care for others and their well being. Whether it is financial concerns or anything, my goal has always been to simply help. When I witnessed the car accident on 46th Ave, without hesitation, I jumped into help.

Do you currently serve on any City or County boards or committees? Please list.*

No

Have you ever served on any City or County advisory boards? Please list.*

HEALTHCARE TRANSFORMATION EXECUTIVE

Creating Healthcare's Future State via Business and Digital Transformation

Proven track record of delivering results by building: passionate teams, best in class platforms, innovative capabilities and strong cultures that align to corporate strategy. Leveraging executive experience in Healthcare and Big 4 Consulting background in Travel, Hospitality and Financial Services to deliver higher profitability and operational efficiency at scale to achieve strategic goals.

Established expertise in driving business and digital transformation by leading: M&A Integration, portfolio management, systems and operations integration, process redesign, IT leadership, and analytics competencies. Mature customer, partner and change management that provides a comprehensive approach to sustainable change in alignment with corporate strategy.

PROFESSIONAL EXPERIENCE

STIRLING HEALTHCARE, Hollywood, FL

2020 – Present

Managing Partner

Established executive advisory firm focused on helping healthcare companies in their business and digital transformations.

- Currently driving the \$350M acquisition and integration of multiple Tenet hospitals and related assets for a regional non-profit health system. Leading a broad team that addresses all strategic, operational, and cultural transformation aspects of hospital and ambulatory services for the integration of Tenet assets.
- Currently providing interim Chief Information Officer services to transform the digital platform for a PE-backed national physician practice management company that has grown by 50% via a major acquisition in the past quarter and plans for 3x growth in the next few years.
- Drove governance and process maturity in the business operations and created an IT strategic plan for a regional home healthcare agency that achieved 37% growth in 12 months while maintaining its existing cost structure.

ENVISION HEALTHCARE, Plantation, FL

2016 – 2020

Vice President, Transformation Office/Project Management Office (2017 – 2020)

Established enterprise department that combined internal consulting, business operations and IT project delivery, continuous improvement, M&A integration and analytics into integrated capability to deliver all strategic initiatives.

- Transitioned key physician practices to optimized revenue cycle operation and increased collections by 3%.
- Achieved 23% increase in same store EBITDA by developing a distributed Radiology platform that required technical platform, organizational structure, process and workflow transformation.
- Established Project Management Office (PMO) and successfully managed all 11 strategic workstreams post-merger to integrate legacy EmCare and Sheridan physician services organizations.
- Transitioned 6,500 clinicians onto a unified onboarding platform (organization, process and technology modernized) which enhanced the physician experience and reduced operational costs by 13%.

- Initiated focus on voluntary turnover analytics which received Board recognition as a business KPI.
- Developed Operational Power Metrics, a key executive governance initiative, which enabled service line Presidents to proactively address their business and renewed the monthly operational review process.
- Developed the annual planning process for all service lines and an operational process to orchestrate all strategic initiatives which resulted in exceeding profitability goals in a private equity environment.

Director, Enterprise Systems (2016 – 2017)

P&L owner of Enterprise Systems Department. Responsible for enterprise and physician management systems including: recruiting, onboarding, provider scheduling, time and attendance, ERP and related systems. Led product development, third-party systems, application support, security and operations.

- Created an IT Strategic Plan and Roadmap that rebuilt the Enterprise Systems department in one year and achieved 20% increase in capacity with 27% greater cost efficiency while eliminating business critical risks.
- Conducted complete vendor and team assessment and executed plan to revitalize team while reducing operational costs by 25% and increasing customer satisfaction.
- Established product roadmaps and mature ITIL processes for all key business applications and achieved 45% increased successful deployment of key functional requirements for HR, accounting, finance, legal and business operations departments.
- Created strategic vendor, product and license management processes that resulted in key vendor commitments and 15% reduction in license expense.

CAPGEMINI, Miami, FL**2013 – 2016****Cruise Line and Hospitality Industry Leader, North America**

Responsible for managing sales for the Capgemini N.A. portfolio of cruise line and hospitality business. Established and maintained key client and partner relationships.

- Increased consulting business by 30% for Royal Caribbean Cruises Ltd (RCCL). Successfully delivered solutions to personalize guest experience, created 360° view of customer and reimaged their web presence.
- Identified and drove sales process for \$160M+ global technology infrastructure outsourcing deal for Carnival Corporation. This represented a new Fortune 200 client and the largest hospitality contract for the firm.

KIT DIGITAL, Orlando, FL**2011 – 2013****Vice President of Client Services**

Responsible for Disney Corporation \$35M P&L including all aspects of client relationship and service delivery. Led large global team including on-site and remote/offshore delivery and support.

- Designed and developed Cast App and integration components for Disney Corporation's \$1.5B MyMagic+ program that transformed Disney Parks guest experience and allowed Disney to surprise and delight guests.
- Architected My Magic+ solution and established Innovation Lab in a Disney Hollywood Studios sound stage.
- Increased account revenue by 200% while building agile on/off-shore delivery team. Development team achieved high performance and extremely high client satisfaction while delivering industry changing guest experience.
- Created East Coast development center in support of Disney which was recognized as a strategic asset for KIT and then expanded to provide development services for the NA operation.

IBM, Boca Raton, FL

1999 – 2011

Principal and Business Development Executive

Sales leader for Global Business Services in the Travel, Transportation and Government industries. Successfully identified and delivered key solutions including: CRM, ERP, Business Intelligence, network and metro wireless infrastructure, and public safety network video solutions.

- Increased signings and revenue by 17% annually over 4 years leading Strategic Deals Team.
- Built \$6M in pervasive solutions pipeline and increased revenue by 200%. Clients included: Delta Air Lines, Renaissance Cruiselines and Midway Airlines.
- Managed implementation of standardized IP network for American Airlines Miami region. Implemented WAN, LAN and infrastructure to support mission critical, new security measures and regulations. Network is 10x faster and more reliable which resulted in an annual cost savings of \$10M.

ADDITIONAL EXPERIENCE**KPMG AND DELOITTE – Management Consulting**

- Performed integration of operations and business process reengineering of back-office for overseas bank group which resulted in 18% reduction in operational costs.
- Directed Program Management Office for 4 divisions of FedEx.
- Led information technology studies, operational cost projections and system selection processes for financial institutions and State Government agencies.
- Created strategic information systems plans which resulted in 20% increase in development capacity.
