NOTES:

7. SPECIAL TERMS, CONDITIONS OR OTHER REQUIREMENTS

7.1 Primary Rate ISDN Use of Service: Customer agrees that the Service will only be used to transport the voice and/or data traffic of Customer and its Affiliates, and not to originate or terminate voice and/or data traffic to bypass switched access charges as defined by applicable state and federal telecommunications law. Customer understands that this covenant is an essential part of the undertaking by AT&T herein, and that AT&T is relying upon Customer's covenant as an inducement to sell the Service. Customer agrees to compensate AT&T for any switched access charges that AT&T is obligated to pay, or entitled to collect, as a result of Customer's use of the Services, and Customer further agrees that this obligation to compensate AT&T shall not be capped or limited. As used herein the term Switched Access, generally speaking, means the charges that a long distance company is required to pay to a local telecommunications company for the termination or origination of long distance calls to or from a customer whose phone is connected to the local telecommunications company's local switching network. "Affiliate" of a party means any entity that controls, is controlled by, or is under common control with, such party.

7.2 Primary Rate ISDN Volume discounts as outlined in the Tariff or Guidebook do not apply.

7.3 A Termination Charge shall not apply to the monthly rate for the termination of Primary Rate ISDN B-Channels prior to the expiration of the Minimum Payment Period.

7.4 Payment Plan designation on Centrex is for provisioning purposes only.
