RE: Proposal For One RIBCRAFT 9.0 with trailer.

On behalf of RIBCRAFT USA, LLC, I am pleased to provide you with the following proposal for one (1) RIBCRAFT 9.0 Rigid Inflatable Boat with specified options and equipment in response to Bid F-4661-21-JE, Inflatable 28 ft. Marine Patrol Vessel, dated February 4, 2021. RIBCRAFT is submitting a proposal for item F-4661-21-JE-01-01-28 Ft Inflatable Marine Patrol Vessel and F-4661-21-JE-01-02- Trailer.

The RIBCRAFT 9.0 is built to the highest commercial grade specifications and standards resulting in a remarkably solid, well performing, and safe rigid inflatable boat (RIB). As the manufacturer of the above stated boat, this boat meets the requirements put forth and outlined in the above referenced solicitation, except where noted.

With safety and reliability at the core of all RIBCRAFT designs, the RIBCRAFT 9.0 features a deep V hull, full-length spray rails, high bow sheer, and heavy-duty multi chambered Hypalon tubes. To ensure the utmost in durability and strength all hulls are solid fiberglass with an internal composite stringer system.

For over twenty years, safety and rescue professionals have come to expect the most in quality, dependability, and service from RIBCRAFT and our line of professional grade rigid inflatable boats (RIBs). Constructed by skilled craftsmen in the United States, every boat is built with the understanding that it will receive hard, offshore 24/7 commercial use.

Many thanks in advance for your time and consideration.

BIDDER RESPONSE SUPPLEMENT

Proposal for Bid F-4661-21-JE Inflatable 28 ft. Marine Patrol Vessel & Trailer

CERTIFICATIONS / MANUFACTURERS EXPERIENCE:

RIBCRAFT hereby certifies that the proposed 2021 RIBCRAFT 9.0 rigid inflatable boat and additional items related hereto are compliant with the specifications contained in Solicitation F-4661-21-JE, 28 ft Marine Patrol Vessel & Trailer. Such compliancy includes, but is not limited to, design, construction, performance, durability, configuration, and warranty except where indicated.

The proposed RIBCRAFT 9.0 Rigid Inflatable Boat is designed, built and tested in accordance with the American Boat & Yacht Council's quality technical practices and engineering standards for the design, construction and safety of small craft. The boat will be equipped and configured as specified in the bid package and shall meet necessary requirements.

BOAT SPECIFICATIONS:

The RIBCRAFT 9.0 Rigid Inflatable Boat specifications are as indicated below and as illustrated in the attached RIBCRAFT 9.0 Specification Marketing Sheet.

LOA:	29'7"
Beam:	10'3"

The proposed 2021 RIBCRAFT 9.0 features a commercial grade fiberglass deep V hull with a heavy duty 1670 dtx Hypalon tube with seven air chambers each with pressure relief valves. The boat is configured with center console with front bench and windscreen, leaning bolster with longarm lockable storage compartment and backrest, t-top with black canvas top, electronics box, high capacity deck drains, nonskid pads on top of tubes, all electronics as outlined, pre rigged for twin Honda 250HP Engines w/ DBW controls for the department to install its own engines, aluminum tandem axle trailer, and all other features, safety equipment, and options as specified in the RFQ. Further specifications are included in the attached detailed quote.

RIBCRAFT Proposal for Bid F-4661-21-JE Inflatable 28 ft. Marine Patrol Vessel & Trailer 1

Deviations:

The following deviations from the technical specifications enhance the performance and operational function:

2X Heavy duty shark fin EPMD rubbing strakes:

RIBCRAFT provides a single high profile high density rubstrake around the entire tube which is equal to or greater in size to the referenced double EPMD rubstrake noted in the specifications. This provides greater protection with no seams, thereby reducing areas of potential failure such as the seams.

Aft Motor Well:

In lieu of an aft motor well the RIBCRAFT 9.0 is equipped with an outboard engine bracket extension that allows the hull to gain full advantage of its entire wetted surface and achieve its greatest efficiency. This greatly reduces the chance of swamping when backing down. In the location where an aft motor well would be RIBCRAFT is able to provide an aft stowage locker with integrated bench for increased dry storage.

EXPERIENCE / CREDENTIALS

Headquartered in Marblehead, Massachusetts, RIBCRAFT designs and builds safe, durable, performance oriented rigid inflatable boats (RIBs) that fulfill the most demanding professional applications. For 20 years, RIBCRAFT has built professional grade RIBs and inflatables in the United States for military applications, law enforcement agencies, safety professionals, and private industry. Incorporating a conventional solid fiberglass hull with an inflatable tube for increased buoyancy, stability, and overall performance RIBCRAFT builds professional grade rigid inflatable boats ranging in from 14' to 42' that fulfill a variety of missions from patrol and rescue to interdiction and military operations. Every boat is built to industry recognized standards featuring commercial grade fiberglass hulls and heavy duty multi-chambered air and hybrid tubes. Designed for professional applications, a RIBCRAFT RIB with a deep V hull and heavy duty tube provides unparalleled performance regardless of the sea conditions.

RIBCRAFT guarantees the continuing availability of Logistical Support (i.e. spares and other technical services) for a minimum of 10 years from time of delivery. RIBCRAFT is happy to provide needed service support either directly through a RIBCRAFT factory service technician or a factory approved service center.

CONE OF SILENCE

The City of Hollywood City Commission adopted Ordinance No. O-2007-05, which created Section 30.15(F) imposing a Cone of Silence for certain City purchases of goods and Services.

The Cone of Silence refers to limits on communications held between vendors and vendor's representatives and City elected officials, management and staff during the period in which a Formal Solicitation is open.

The Ordinance does allow potential vendors or vendor's representatives to communicate with designated employees for the limited purpose of seeking clarification or additional information. The names and contact information of those employees that may be contacted for clarification or additional information are included in the solicitation.

The Cone of Silence does not prohibit a vendor or vendor's representative from communicating verbally, or in writing with the City Manager, the City Manager's designee, the City Attorney or the City Attorney's designee on those procurement items to be considered by the City Commission.

The Cone of Silence does not prohibit a vendor or vendor's representative from making public presentations at a duly noticed pre-bid conference or duly noticed evaluation committee meeting or from communicating with the City Commission during a duly noticed public meeting.

The Cone of Silence shall be imposed when a formal competitive solicitation has been issued and shall remain in effect until an award is made, a contract is approved, or the City Commission takes any other action which ends the solicitation.

To view the Cone of Silence, Ordinance No. O-2007-05, go to the City of Hollywood's Official website at <http://www.hollywoodfl.org/ConeOfSilence>

All communications regarding this bid should be sent in writing to the Procurement Services Division as identified in this bid.

1.2 BIDDERS RESPONSIBILITIES

Bidders are required to submit their bids upon the following express conditions:

- A. Bidders shall thoroughly examine the drawings, specifications, schedules, instructions and all other contract documents.
- B. Bidders shall make all investigations necessary to thoroughly inform themselves regarding delivery of material, equipment or Services as required by the bid conditions. No plea of ignorance, by the bidder, of conditions that exist or that may hereafter exist as a result of failure or omission on the part of the bidder to make the necessary examinations and investigations, or failure to fulfill in every detail the requirements of the contract documents, will be accepted as a basis for varying the requirements of the City or the compensation due the bidder.
- C. Bidders are advised that all City contracts are subject to all legal requirements provided for in the City of Hollywood Charter, Code of Ordinances and applicable County Ordinances, State Statutes and Federal Statutes.

1.3 PREPARATION OF BIDS

Bids will be prepared in accordance with the following:

- A. The City's enclosed Bid Proposal Form, in its entirety, is to be used in submitting your bid. NO OTHER FORM WILL BE ACCEPTED.
- B. All information required by the bid form shall be furnished. The bidder shall sign each continuation sheet (where indicated) on which an entry is made.

- D. Alternate bids will not be considered unless authorized in the Invitation to Bid document.
- E. Proposed delivery time must be shown in calendar days, which shall include weekends and holidays.

The City of Hollywood is exempt from payment to its vendors of State of Florida sales tax and, therefore, such taxes should not be figured into the bid. However, this exemption does not apply to vendors' purchases of goods or Services used in Work or goods supplied to the City. Vendors are responsible for any taxes, sales or otherwise, levied on their purchases, subcontracts, employment, etc. An exemption certificate will be signed where applicable, upon request. The City will pay no sales tax.

1.4 DESCRIPTION OF SUPPLIES

Any manufacturer's names, trade names, brand names, or catalog numbers used in these applications are for the purpose of describing and establishing minimum requirements or level of quality, standards of performance, and design required, and are in no way intended to prohibit the bidding of other manufacturers' items of equal material, unless specifications state "NO SUBSTITUTIONS."

Bidders must indicate any variances to the specifications, terms, and conditions, no matter how slight. If variations are not stated in the Proposal, it shall be construed that the bid fully complies with the Specifications, Terms and Conditions.

Bidders are required to state exactly what they intend to furnish; otherwise they shall be required to furnish the items as specified.

Bidders will submit, with their bids, necessary data (factory information sheets, specifications, brochures, etc.) to evaluate and determine the quality of the item(s) they are bidding.

The City shall be the sole judge of equality and its decision shall be final.

1.5 ADDENDA

The Procurement Services Division may issue an addendum in response to any inquiry received, prior to Bid opening, which changes, adds to or clarifies the terms, provisions or requirements of the solicitation. The Bidder should not rely on any representation, statement or explanation, whether written or verbal, other than those made in this Bid solicitation document or in any addendum issued. Where there appears to be a conflict between this Bid solicitation and any addendum the last addendum issued shall prevail. It is the Bidder's responsibility to ensure receipt of all addenda and any accompanying documents. Bidder(s) shall acknowledge receipt of any formal addendum by signing the addendum and including it with their Bid. Failure to include a signed formal Addendum in its Bid shall deem the Bid non-responsive; provided, however, that the City may waive this requirement in its best interest.

1.6 REJECTION OF BIDS

The City may reject a bid if:

- A. The Bidder fails to acknowledge receipt of an addendum, or if
- B. The Bidder misstates or conceals any material fact in the bid, or if
- C. The bid does not strictly conform to the law or requirements of the bid, or if
- D. The bid is conditional, except that the Bidder may qualify its bid for acceptance by the City on an "all or none" basis, group basis, or a "low item" basis. An "all or none" basis bid must include all items upon which bids are invited.
- E. The City is under a pre-lawsuit claim from the Bidder or is involved in current litigation with the Bidder.

The City may reject all bids whenever it is deemed in the best interest of the City to do so, and may reject any part of a bid unless the bid has been qualified as provided in paragraph D above.

1.7 WITHDRAWAL OF BIDS

- A. Bids shall be deemed enforceable for a period of 120 days after the time set for the bid opening.
- B. Bids may be withdrawn prior to the time set for the bid opening. Such request must be in writing.

- C. The City may permanently retain as liquidated damages the bid deposit furnished by any Bidder who requests to withdraw a bid after the bid opening.

1.8 LATE BIDS OR MODIFICATIONS

Only bids or proposals received as of the opening date and time will be considered timely. Bids and modifications received after the time set for the bid opening will be returned un-opened to the sender and rejected as late.

1.9 CONFLICTS WITHIN THE BID SOLICITATION

Where there appears to be a conflict between the General Terms and Conditions, Special Conditions, the Technical Specifications, the Bid Submittal Section, or any addendum issued, the order of precedence shall be the addenda in reverse chronological order, the Bid Submittal Section, the Technical Specifications, the Special Conditions, and then the General Terms and Conditions.

1.10 CLARIFICATION OR OBJECTION TO BID SPECIFICATIONS

If any person contemplating submitting a bid for this contract is in doubt as to the true meaning of the specifications or other bid documents or any part thereof, he or she may submit to the Procurement Services Division on or before the date specified for a request for clarification. All such requests for clarification shall be made in writing and the person submitting the request will be responsible for its prompt delivery. Any interpretation of the bid, if made, will be made only by Addendum duly issued. A copy of such Addendum will be made available to each person receiving an Invitation for Bids. The City will not be responsible for any other explanation or interpretation of the proposed bid made or given prior to the award of the contract. Any objection to the specifications and requirements as set forth in this bid must be filed in writing with the Director of Procurement Services on or before the date specified for a request for clarification.

1.11 INVOICING/PAYMENT

All invoices should be sent to: City of Hollywood, Financial Services Department, P.O. Box 229045, Hollywood, Florida 33022-9045. In accordance with Florida Statutes Chapter 218, payment will be made within 45 days after receipt of Services and a proper invoice. The City cannot make advance payments, make deposits in advance of receipt of goods, or pay C.O.D. Bidders should state any payment discount in the space provided on the proposal form.

Payment will be made by the City after commodities/Services have been received, accepted and properly invoiced as indicated in the contract and/or order. Invoices must reference the purchase order number or contract number.

When a contractor receives from the City of Hollywood any payment for contractual Services, commodities, materials, supplies, or construction contracts, the contractor shall pay such moneys received to each Subcontractor and Material Supplier in proportion to the percentage of Work completed by each Subcontractor and Material Supplier at the time of receipt. If the contractor receives less than full payment, then the contractor shall be required to disburse only the funds received, on a pro rata basis, to the Subcontractors and Material Suppliers, each receiving a prorated portion based on the amount due on the payment. If the contractor, without reasonable cause, fails to make payments required by this section to Subcontractors and Material Suppliers within fifteen (15) Working days after the receipt by the contractor of full or partial payment, the contractor shall pay to the Subcontractors and Material Suppliers a penalty in the amount of one percent (1%) of the amount due, per month, from the expiration of the period allowed herein for payment. Such penalty shall be in addition to actual payments owed. Retainage is also subject to the prompt payment requirement and must be returned to the Subcontractor or Material Supplier whose Work has been completed, even if the prime contract has not been completed. The Contractor shall include the above obligation in each subcontract it signs with a Subcontractor or Material Supplier.

1.12 TOTAL BID DISCOUNT

If a Bidder offers a discount for the award of all items listed in the bid, such discount shall be deducted from the total of the firm net unit prices bid and shall be considered in the tabulation and award of the bid.

Bidder may offer cash discounts for prompt payment; however, such discounts shall NOT be considered in determining the lowest net cost for bid evaluation purposes. Bidders are encouraged to reflect cash discounts in the unit prices quoted.

In connection with any discount offered, time will be computed from the date of receipt of supplies or Services or from the date a correct invoice is received, whichever is the later date. Payment is deemed to be made on the date of mailing of the check.

1.13 COMPETENCY OF BIDDERS

- A. Pre-award inspection of the Bidder's facility may be made prior to the award of a contract. Bids will be considered only from firms which are regularly engaged in the business of providing the goods and/or Services as described in this Bid; have a record of performance for a reasonable period of time; and have sufficient financial support, equipment and organization to ensure that they can satisfactorily deliver the material and/or Services if awarded a Contract under the terms and conditions herein stated. The terms "equipment and organization" as used herein shall be construed to mean a fully equipped and well established company in line with the best business practices in the industry and as determined by the proper authorities of the City.
- B. The City may consider any evidence available to it of the financial, technical and other qualifications and abilities of a Bidder, including past performance (experience), in making the award in the best interest of the City. In all cases, the City of Hollywood shall have no liability to any contractor for any costs or expenses incurred in connection with this bid or otherwise.

1.16 AWARD OF BID

- A. The Evaluation Committee will make a recommendation based upon the lowest responsive and responsible bidder(s) whose bid(s) conforms to the Invitation for Bids and is most advantageous to the City.
- B. The City reserves the right to accept and award item by item, and/or by group, or in the aggregate, unless the bidder qualifies its bid by specified limitations.
- C. One or more Contractors may be designated as approved Primary or Secondary Vendor(s) for the delivery of material and/or Services from this contract through the effective period of the award. In any situation where obtaining Services from the Primary Vendor (s) is not in the best interest of the City, or the vendor cannot deliver material and/or Services within 24 hours of the date required, or on an emergency basis, staff may obtain Services from the Secondary Vendor (s).
- D. One or more Contractors may be designated as approved on an alternating/rotating basis for the delivery of materials and/or Services from this contract through the effective period of the award. In situations where obtaining Services from the alternating vendor is not in the best interest of the city, or the vendor cannot deliver material and/or Services within 24 hours of the date required, or on an emergency basis, staff may obtain material and/or Services from the next available vendor.
- E. The successful Bidder shall be notified in writing of the award.
- F. Delivery of materials and/or Services shall be performed upon receipt by the successful bidder of a numbered, signed purchase order, blanket purchase order or fully executed agreement.

1.17 BID PROTESTS

The City shall provide notice of its intent to award or reject to all bidders by posting such notice on the City's website.

After a notice of intent to award a contract is posted, any actual or prospective bidder who is aggrieved in connection with the pending award of the contract or any element of the process leading to the award of the contract may protest to the Director of Procurement Services. A protest must be filed within five business days after posting or any right to protest is forfeited. The protest must be in writing, must identify the name and address of the protester, and must include a factual summary of, and the basis for, the protest. Filing shall be considered complete when the protest, including a deposit, is received by the Procurement Services Division. . Failure to file a protest within the time-frame specified herein shall constitute a full waiver of all rights to protest the City's decision regarding the award of the bid.

- A. The written protest shall state in detail the specific facts and law or ordinance upon which the protest of the proposed award is based, and shall include all pertinent documents.

- B. A written protest may not challenge the relative weight of evaluation criteria or a formula for assigning points.
- C. Upon receipt of a formal written protest, the City may stop award proceedings until resolution of the protest; unless it has been determined that the award of the contract without delay is necessary to protect substantial interests of the City.

Any and all costs incurred by a protesting party in connection with a bid protest pursuant to this section shall be the sole responsibility of the protesting party.

Upon receipt of a protest of the pending award of a contract, a copy of the protest shall promptly be forwarded to the City Attorney. The City Attorney shall thereupon review the charge to determine its sufficiency, including whether the protest was timely filed. If upon review the City Attorney determines that the charge is insufficient, the City Attorney may issue a summary dismissal of the protest. If upon review the City Attorney determines that the charge is sufficient, a hearing of the protest committee shall be scheduled.

A protest committee shall have the authority to review, settle and resolve the protest. The committee shall consist of three members appointed by the City Manager. The committee's review shall be informal.

If the protest committee determines that the pending award of a contract or any element of the process leading to the award involved a significant violation of law or applicable rule or regulation, all steps necessary and proper to correct the violation shall be taken. If the committee determines that the protest is without merit, the Directory shall promptly issue a decision in writing stating the reason for the decision and furnish a copy to the protestor and any other interested party, and the process leading to the award shall proceed.

1.18 AGREEMENT

An agreement shall be sent to the awarded bidder to be executed and returned to the City for execution. The City will provide a copy of the fully executed agreement to the awarded bidder.

1.19 NOTICE TO PROCEED

A signed Purchase Order, blanket purchase order or fully executed agreement will be the Contractor's authorization to proceed and may substitute for a "Notice to Proceed" form.

1.20 OTHER GOVERNMENTAL ENTITIES

If the Bidder is awarded a contract as a result of this IFB, the bidder may, if the bidder has sufficient capacity or quantities available, provide to other governmental agencies so requesting the products or Services awarded in accordance with the terms and conditions of the IFB and resulting contract.

The City also reserves the right to award the contract on a split order basis, lump sum basis, individual item basis, or such combination as shall best serve the interest of the City. The City reserves the right to make an award to the responsive and responsible bidder whose product or service meets the terms, conditions, and specifications of the IFB and whose bid is considered to best serve the City's interest. In determining the responsiveness of the offer and the responsibility of the Bidder, the following shall be considered when applicable: the ability, capacity and skill of the Bidder to perform as required; whether the Bidder can perform promptly, or within the time specified, without delay or interference; the character, integrity, reputation, judgment, experience and efficiency of the Bidder; the quality of past performance by the Bidder; the previous and existing compliance by the Bidder with related laws and ordinances; the sufficiency of the Bidder's financial resources; the availability, quality and adaptability of the Bidder's supplies or Services to the required use; the ability of the Bidder to provide future maintenance, service or parts; the number and scope of conditions attached to the bid.

If the IFB provides for a contract trial period, the City reserves the right, in the event the selected bidder does not perform satisfactorily, to award a trial period to the next ranked bidder or to award a contract to the next ranked bidder, if that bidder has successfully provided Services to the City in the past. This procedure will continue until a bidder is selected or the contract is re-bid, at the sole option of the City.

1.23 SUBCONTRACTING

Unless otherwise specified in this Bid Solicitation, the successful Bidder shall not subcontract any portion of the Work without the prior written consent of the City. - C. The Immigration and Nationality Act prohibits (i) the employment of an unauthorized alien when the employer knows the individual is an unauthorized alien and (ii) the employment of an individual without complying with the requirements of the federal employment verification system. The Contractor is, and shall be, in the performance of all Work Services and activities under this Agreement, an independent contractor, and not an employee, agent or servant of the City. All persons engaged in any of the Work or Services performed pursuant to this Agreement shall at all times, and in all places, be subject to the Contractor's sole direction, supervision and control. The Contractor shall exercise control over the means and manner in which it and its employees perform the Work, and in all respects the Contractor's relationship and the relationship of its employees to the City shall be that of independent contractors and not that of employees or agents of the City.

The Contractor does not have the power or authority to bind the City in any promise, agreement or representation other than specifically provided for in this Agreement.

1.77 PROPRIETARY INFORMATION

As a political subdivision of the State of Florida, the City of Hollywood is subject to the provisions of Florida's Public Records Law.

The Contractor acknowledges that all computer software in the City's possession may constitute or contain information or materials which the City has agreed to protect as proprietary information from disclosure or unauthorized use and may also constitute or contain information or materials which the City has developed at its own expense, the disclosure of which could harm the City's proprietary interest therein.

During the term of the contract, the Contractor will not use directly or indirectly for itself or for others, or publish or disclose to any third party, or remove from the City's property, any computer programs, data compilations, or other software which the City has developed, has used or is using, is holding for use, or which are otherwise in the possession of the City (hereinafter "Computer Software"). All third-party license agreements must also be honored by the Contractors and their employees, except as authorized by the City and, if the Computer Software has been leased or purchased by the City, all third party license agreements must also be honored by the Contractor's employees. This includes mainframe, minis, telecommunications, personal computers and any and all information technology software.

The Contractor will report to the City any information discovered or which is disclosed to the Contractor which may relate to the improper use, publication, disclosure or removal from the City's property of any information technology software and hardware and will take such steps as are within the Contractor's authority to prevent improper use, disclosure or removal.

1.78 PROPRIETARY RIGHTS

- A. The Contractor hereby acknowledges and agrees that the City retains all rights, title and interests in and to all materials, data, documentation and copies thereof furnished by the City to the Contractor hereunder or furnished by the Contractor to the City and/or created by the Contractor for delivery to the City, even if unfinished or in process, as a result of the Services the Contractor performs in connection with this Agreement, including all copyright and other proprietary rights therein, which the Contractor as well as its employees, agents, subcontractors and suppliers may use only in connection with the performance of Services under this Agreement. The Contractor shall not, without the prior written consent of the City, use such documentation on any other project in which the Contractor or its employees, agents, subcontractors

or suppliers are or may become engaged. Submission or distribution by the Contractor to meet official regulatory requirements or for other purposes in connection with the performance of Services under this Agreement shall not be construed as publication in derogation of the City's copyrights or other proprietary rights.

- B. All rights, title and interest in and to certain inventions, ideas, designs and methods, specifications and other documentation related thereto developed by the Contractor and its subcontractors specifically for the City, hereinafter referred to as "Developed Works" shall become the property of the City.
- C. Accordingly, neither the Contractor nor its employees, agents, subcontractors or suppliers shall have any proprietary interest in such Developed Works. The Developed Works may not be utilized, reproduced or distributed by or on behalf of the Contractor, or any employee, agent, subcontractor or supplier thereof, without the prior written consent of the City, except as required for the Contractor's performance hereunder.
- D. Except as otherwise provided in subsections A, B, and C above, or elsewhere herein, the Contractor and its subcontractors and suppliers hereunder shall retain all proprietary rights in and to all licensed software provided hereunder, that have not been customized to satisfy the performance criteria set forth in the Scope of Services. Notwithstanding the foregoing, the Contractor hereby grants, and shall require that its subcontractors and suppliers grant, if the City so desires, a perpetual, irrevocable and unrestricted right and license to use, duplicate, disclose and/or permit any other person(s) or entity(ies) to use all such licensed software and the associated specifications, technical data and other documentation for the operations of the City or entities controlling, controlled by, under common control with, or affiliated with the City, or organizations which may hereafter be formed by or become affiliated with the City. Such license specifically includes, but is not limited to, the right of the City to use and/or disclose, in whole or in part, the technical documentation and licensed software, including any source code provided hereunder, to any person or entity outside the City for such person's or entity's use in furnishing any and/or all of the Deliverables provided hereunder exclusively for the City or entities controlling, controlled by, under common control with, or affiliated with the City, or organizations which may hereafter be formed by or become affiliated with the City. No such licensed software, specifications, data, documentation or related information shall be deemed to have been given in confidence and any statement or legend to the contrary shall be void and of no effect.

1.79 AUTHORITY OF THE CITY'S PROJECT MANAGER

- A. The Contractor hereby acknowledges that the City's Project Manager will determine in the first instance all questions of any nature whatsoever arising out of, under, or in connection with, or in any way related to or on account of, this Agreement including without limitations: questions as to the value, acceptability and fitness of the Services; questions as to either party's fulfillment of its obligations under the Contract; negligence, fraud or misrepresentation before or subsequent to acceptance of the Bid; questions as to the interpretation of the Scope of Services; and claims for damages, compensation and losses.
- B. The Contractor shall be bound by all determinations or orders and shall promptly obey and follow every order of the Project Manager, including the withdrawal or modification of any previous order and regardless of whether the Contractor agrees with the Project Manager's determination or order. Where orders are given orally, they will be issued in writing by the Project Manager as soon thereafter as is practicable.
- C. The Contractor must, in the final instance, seek to resolve every difference concerning the Agreement with the Project Manager. In the event that the Contractor and the Project Manager are unable to resolve their difference, the Contractor may initiate a dispute in accordance with the procedures set forth in the section below. Exhaustion of these procedures shall be a condition precedent to any lawsuit permitted hereunder.
- D. In the event of such dispute, the parties to this Agreement authorize the City Manager or designee, who may not be the Project Manager or anyone associated with this Project, acting personally, to decide all questions arising out of, under, or in connection with, or in any way related to or on account of the Agreement (including but not limited to claims in the nature of breach of contract, fraud or misrepresentation arising either before or subsequent to execution hereof) and the decision of each, with respect to matters within the City Manager's purview as set forth above, shall be conclusive, final

and binding on the parties. Any such dispute shall be brought, if at all, before the City Manager within 10 days of the occurrence, event or act out of which the dispute arises.

The City Manager may base this decision on such assistance as may be desirable, including advice of experts, but in any event shall base the decision on an independent and objective determination of whether the Contractor's performance or any deliverable meets the requirements of this Agreement and any specifications with respect thereto set forth herein. The effect of any decision shall not be impaired or waived by any negotiations or settlements or offers made in connection with the dispute, whether or not the City Manager participated therein, or by any prior decision of others, which prior decision shall be deemed subject to review, or by any termination or cancellation of the Agreement. All such disputes shall be submitted in writing by the Contractor to the City Manager for a decision, together with all evidence and other pertinent information in regard to such question, in order that a fair and impartial decision may be made. The parties agree that whenever the City Manager is entitled to exercise discretion or judgment or to make a determination or form an opinion pursuant to the provisions of this Article, such action shall be deemed fair and impartial when exercised or taken. The City Manager shall render a decision in writing and deliver a copy of the same to the Contractor. Except as such remedies may be limited or waived elsewhere in the Agreement, the Contractor reserves the right to pursue any remedies available under law after exhausting the provisions of this Article.

1.80 MUTUAL OBLIGATIONS

- A. This Agreement, including attachments and appendices to the Agreement, shall constitute the entire Agreement between the parties with respect hereto and supersedes all previous communications and representations or agreements, whether written or oral, with respect to the subject matter hereof unless acknowledged in writing by the duly authorized representatives of both parties.
- B. Nothing in this Agreement shall be construed for the benefit, intended or otherwise, of any third party that is not a parent or subsidiary of a party or otherwise related (by virtue of ownership control or statutory control) to a party.
- C. In those situations where this Agreement imposes an indemnity or defense obligation on the Contractor, the City may, at its expense, elect to participate in the defense if the City should so choose. Furthermore, the City may at its own expense defend or settle any such claims if the Contractor fails to diligently defend such claims, and thereafter seek indemnity for costs and attorney's fees from the Contractor.

1.81 QUALITY ASSURANCE/QUALITY ASSURANCE RECORD KEEPING

The Contractor shall maintain, and shall require that its subcontractors and suppliers maintain, complete and accurate records to substantiate compliance with the requirements set forth in the Scope of Services. The Contractor and its subcontractors and suppliers shall retain such records, and all other documents relevant to Services furnished under this Agreement for a period of three (3) years from the expiration date of this Agreement and any extension thereof.

1.82 AUDITS

The City, or its duly authorized representatives or governmental agencies shall, until the expiration of three (3) years after the expiration of this Agreement and any extension thereof, have access to and the right to examine and reproduce any of the Contractor's books, documents, papers and records and those of its subcontractors and suppliers which apply to all matters of the City. Such records shall conform to Generally Accepted Accounting Principles requirements, as applicable, and shall only address those transactions related to this Agreement.

The Contractor agrees to grant access to the City's Auditor to all financial and performance-related records, property, and equipment purchased in whole or in part with government funds. The Contractor agrees to maintain an accounting system that provides accounting records that are supported with adequate documentation, and adequate procedures for determining the allowability and allocability of costs.

1.83 SUBSTITUTION OF PERSONNEL

In the event the Contractor wishes to substitute personnel for the key personnel identified by the Contractor's Bid, the Contractor must notify the City in writing and request written approval for the substitution at least ten (10) business days prior to effecting such substitution.

1.84 SUBCONTRACTUAL RELATIONS

- A. If the Contractor will cause any part of this Agreement to be performed by a subcontractor, the provisions of this Contract will apply to such subcontractor and its officers, agents and employees in all respects as if it and they were employees of the Contractor; and the Contractor will not be in any manner thereby discharged from its obligations and liabilities hereunder, but will be liable hereunder for all acts and negligence of the subcontractor, its officers, agents, and employees, as if they were employees of the Contractor. The Services performed by the subcontractor will be subject to the provisions hereof as if performed directly by the Contractor.
- B. The Contractor, before making any subcontract for any portion of the Services, will state in writing to the City the name of the proposed subcontractor, the portion of the sServices which the subcontractor is to do, the place of business of such subcontractor, and such other information as the City may require. The City will have the right to require the Contractor not to award any subcontract to a person, firm or corporation disapproved by the City.
- C. Before entering into any subcontract hereunder, the Contractor will inform the subcontractor fully and completely of all provisions and requirements of this Agreement relating either directly or indirectly to the Services to be performed. Such Services performed by such subcontractor will strictly comply with the requirements of this Contract.
- D. In order to qualify as a subcontractor satisfactory to the City, in addition to the other requirements herein provided, the subcontractor must be prepared to prove to the satisfaction of the City that it has the necessary facilities, skill and experience, and ample financial resources to perform the sServices in a satisfactory manner. To be considered skilled and experienced, the subcontractor must show to the satisfaction of the City that it has satisfactorily performed Services of the same general type which is required to be performed under this Agreement.
- E. The City shall have the right to withdraw its consent to a subcontract if it appears to the City that the subcontract will delay, prevent, or otherwise impair the performance of the Contractor's obligations under this Agreement. All subcontractors are required to protect the confidentiality of the City and City's proprietary and confidential information. Contractor shall furnish to the City copies of all subcontracts between Contractor and subcontractors and suppliers hereunder. Within each such subcontract, there shall be a clause for the benefit of the City permitting the City to request completion of performance by the subcontractor of its obligations under the subcontract, in the event the City finds the Contractor in breach of its obligations, and the option to pay the subcontractor directly for the performance by such subcontractor. Notwithstanding, the foregoing shall neither convey nor imply any obligation or liability on the part of the City to any subcontractor hereunder as more fully described herein.

1.85 ASSUMPTION, PARAMETERS, PROJECTIONS, ESTIMATES AND EXPLANATIONS

The Contractor understands and agrees that any assumptions, parameters, projections, estimates and explanations presented by the City were provided to the Contractor for evaluation purposes only. However, since these assumptions, parameters, projections, estimates and explanations represent predictions of future events, the City makes no representations or guarantees, the City shall not be responsible for the accuracy of the assumptions presented, the City shall not be responsible for conclusions to be drawn therefrom, and any assumptions, parameters, projections, estimates and explanations shall not form the basis of any claim by the Contractor. The Contractor accepts all risks associated with using this information.

1.86 SEVERABILITY

If this Agreement contains any provision found to be unlawful, the same shall be deemed to be of no effect and shall be deemed stricken from this Agreement without affecting the binding force of this Agreement as it shall remain after omitting

such provision.

1.87 TERMINATION FOR CONVENIENCE AND SUSPENSION OF WORK

- A. The City may terminate this Agreement if an individual or corporation or other entity attempts to meet its contractual obligation with the City through fraud, misrepresentation or material misstatement.
- B. The City may, as a further sanction, terminate or cancel any other contract(s) that such individual or corporation or other entity has with the City. Such individual, corporation or other entity shall be responsible for all direct and indirect costs associated with such termination or cancellation, including attorney's fees.
- C. The foregoing notwithstanding, any individual, corporation or other entity which attempts to meet its contractual obligations with the City through fraud, misrepresentation or material misstatement may be debarred from City contracting in accordance with the City debarment procedures. The Contractor may be subject to debarment for failure to perform and any other reasons related to contractor's breach or failure of satisfactory performance.

In addition to cancellation or termination as otherwise provided in this Agreement, the City may at any time, in its sole discretion, with or without cause, terminate this Agreement by written notice to the Contractor and in such event:

- D. The Contractor shall, upon receipt of such notice, unless otherwise directed by the City:
 - 1. Stop Work on the date specified in the notice ("the Effective Termination Date");
 - 2. Take such action as may be necessary for the protection and preservation of the City's materials and property;
 - 3. Cancel orders;
 - 4. Assign to the City and deliver to any location designated by the City any non-cancelable orders for Deliverables that are not capable of use except in the performance of this Agreement and which have been specifically developed for the sole purpose of this Agreement and not incorporated in the Services;
 - 5. Take no action which will increase the amounts payable by the City under this Agreement.
- E. In the event that the City exercises its right to terminate this Agreement pursuant to this Article the Contractor will be compensated, as stated in the payment Articles herein, for the:
 - 1. Portion of the Services completed in accordance with the Agreement up to the Effective Termination Date; and
 - 2. Non-cancelable Deliverables that are not capable of use except in the performance of this Agreement and which have been specifically developed for the sole purpose of this Agreement but not incorporated in the Services.
- F. All compensation pursuant to this Article is subject to audit.

1.88 EVENT OF DEFAULT

- A. An Event of Default shall mean a breach of this Agreement by the Contractor. Without limiting the generality of the foregoing and in addition to those instances referred to herein as a breach, an Event of Default, shall include the following:
 - 1. The Contractor has not delivered Deliverables on a timely basis;
 - 2. The Contractor has refused or failed, except in any case for which an extension of time is provided, to supply enough properly skilled staff personnel;

3. The Contractor has failed to make prompt payment to subcontractors or suppliers for any Services;
 4. The Contractor has become insolvent (other than as interdicted by the bankruptcy laws), or has assigned the proceeds received for the benefit of the Contractor's creditors, or the Contractor has taken advantage of any insolvency statute or debtor/creditor law or if the Contractor's affairs have been put in the hands of a receiver;
 5. The Contractor has failed to obtain the approval of the City where required by this Agreement;
 6. The Contractor has failed to provide "adequate assurances" as required under subsection "B" below; and
 7. The Contractor has failed in the representation of any warranties stated herein.
- B. When, in the opinion of the City, reasonable grounds for uncertainty exist with respect to the Contractor's ability to perform the Services or any portion thereof, the City may request that the Contractor, within the time frame set forth in the City's request, provide adequate assurances to the City, in writing, of the Contractor's ability to perform in accordance with the terms of this Agreement. Until the City receives such assurances, the City may request an adjustment to the compensation received by the Contractor for portions of the Services which the Contractor has not performed. In the event that the Contractor fails to provide to the City the requested assurances within the prescribed time frame, the City may:
1. Treat such failure as a repudiation of this Agreement;
 2. Resort to any remedy for breach provided herein or at law, including but not limited to, taking over the performance of the Services or any part thereof either by itself or through others.
- C. In the event the City shall terminate this Agreement for default, the City or its designated representatives may immediately take possession of all applicable equipment, materials, products, documentation, reports and data.

1.89 REMEDIES IN THE EVENT OF DEFAULT

If an Event of Default occurs, the Contractor shall be liable for all damages resulting from the default, including but not limited to:

- A. Lost revenues;
- B. The difference between the cost associated with procuring Services hereunder and the amount actually expended by the City for procurement of Services, including procurement and administrative costs; and,
- C. Such other damages as the City may sustain.

The Contractor shall also remain liable for any liabilities and claims related to the Contractor's default. The City may also bring any suit or proceeding for specific performance or for an injunction.

1.90 NONDISCRIMINATION

During the performance of this Contract, the Contractor agrees to not discriminate against any employee or applicant for employment because of race, religion, color, sex, handicap, marital status, age or national origin, and will take affirmative action to ensure that they are afforded equal employment opportunities without discrimination. Such action shall be taken with reference to, but not be limited to, recruitment, employment, termination, rates of pay or other forms of compensation, and selection for training or retraining, including apprenticeship and on-the-job training. By entering into this Contract with the City, the Contractor attests that it is not in violation of the Americans with Disabilities Act of 1990 and related Acts (the "Act"). If the Contractor or any owner, subsidiary or other firm affiliated with or related to the Contractor is found by the responsible enforcement agency or the City to be in violation of the Act, such violation shall render this Contract void. This

Contract shall be void if the Contractor submits a false affidavit or the Contractor violates the Act during the term of this Contract, even if the Contractor was not in violation at the time it submitted its affidavit.

1.91 CONFLICT OF INTEREST

The Contractor represents that:

- A. No officer, director, employee, agent, or other consultant of the City or a member of the immediate family or household of the aforesaid has directly or indirectly received or been promised any form of benefit, payment or compensation, whether tangible or intangible, in connection with the grant of this Agreement.
- B. There are no undisclosed persons or entities interested with the Contractor in this Agreement. This Agreement is entered into by the Contractor without any connection with any other entity or person submitting a bid for the same purpose, and without collusion, fraud or conflict of interest. No elected or appointed officer or official, director, employee, agent or other consultant of the City, or member of the immediate family or household of any of the aforesaid:
 - 1. Is interested on behalf of or through the Contractor directly or indirectly in any manner whatsoever in the execution or the performance of this Agreement, or in the Services, supplies or Work, to which this Agreement relates or in any portion of the revenues; or
 - 2. Is an employee, agent, advisor, or consultant to the Contractor or to the best of the Contractor's knowledge, any subcontractor or supplier to the Contractor.
- C. Neither the Contractor nor any officer, director, employee, agent, parent, subsidiary, or affiliate of the Contractor shall have an interest which is in conflict with the Contractor's faithful performance of its obligations under this Agreement; provided that the City, in its sole discretion, may consent in writing to such a relationship, and provided the Contractor provides the City with a written notice, in advance, which identifies all the individuals and entities involved and sets forth in detail the nature of the relationship and why it is in the City's best interest to consent to such relationship.
- D. The provisions of this Article are supplemental to, not in lieu of, all applicable laws with respect to conflict of interest. In the event there is a difference between the standards applicable under this Agreement and those provided by statute, the stricter standard shall apply.
- E. In the event the Contractor has no prior knowledge of a conflict of interest as set forth above and acquires information which may indicate that there may be an actual or apparent violation of any of the above, the Contractor shall promptly bring such information to the attention of the City's Project Manager. The Contractor shall thereafter cooperate with the City's review and investigation of such information, and comply with the instructions the Contractor receives from the Project Manager in regard to remedying the situation.

1.92 PRESS RELEASE OR OTHER PUBLIC COMMUNICATION

Under no circumstances shall the Contractor, its employees, agents, subcontractors and suppliers, without the express written consent of the City:

- A. Issue or permit to be issued any press release, advertisement or literature of any kind which refers to the City, or the Work being performed hereunder, unless the Contractor first obtains the written approval of the City. Such approval may be withheld if for any reason the City believes that the publication of such information would be harmful to the public interest or is in any way undesirable; and
- B. Represent, directly or indirectly, that any product or service provided by the Contractor has been approved or endorsed by the City, except as may be required by law.

1.93 BANKRUPTCY

The City reserves the right to terminate this contract if, during the term of any contract the Contractor has with the City, the Contractor becomes involved as a debtor in a bankruptcy proceeding, or becomes involved in a reorganization, dissolution, or liquidation proceeding, or if a trustee or receiver is appointed over all or a substantial portion of the property of the Contractor under federal bankruptcy law or any state insolvency law.

1.94 CANCELLATION FOR UNAPPROPRIATED FUNDS

The obligation of the City for payment to a Contractor is limited to the availability of funds appropriated in a current fiscal period, and continuation of the contract into a subsequent fiscal period is subject to appropriation of funds, unless otherwise authorized by law.

1.95 VERBAL INSTRUCTIONS PROCEDURE

No negotiations, decisions, or actions shall be initiated or executed by the Contractor as a result of any discussions with any City employee. Only those communications which are in writing from an authorized City representative may be considered. Only written communications from Contractors, which are signed by a person designated as authorized to bind the Contractor, will be recognized by the City as duly authorized expressions on behalf of Contractors.

1.96 COST ADJUSTMENTS

The cost for all items as quoted herein shall remain firm for the first term of the contract. Costs for any extension term shall be subject to an adjustment only if increases occur in the industry. However, unless very unusual and significant changes have occurred in the industry, such increases shall not exceed 3% per year or, whichever is less, the latest yearly percentage increase in the All Urban Consumers Price Index (CPU-U) (National) as published by the Bureau of Labor Statistics, U.S. Dept. of Labor. The yearly increase or decrease in the CPI shall be that latest index published and available ninety (90) days prior to the end of the contract year then in effect compared to the index for the same month one year prior. Any requested cost increase shall be fully documented and submitted to the City at least ninety (90) days prior to the contract anniversary date. Any approved cost adjustments shall become effective upon the anniversary date of the contract. In the event the CPI or industry costs decline, the City shall have the right to receive from the Contractor reduction in costs that reflect such cost changes in the industry. The City may, after examination, refuse to accept the adjusted costs if they are not properly documented, increases are considered to be excessive, or decreases are considered to be insufficient. In the event the City does not wish to accept the adjusted costs and the matter cannot be resolved to the satisfaction of the City, the contract can be cancelled by the City upon giving thirty (30) days written notice to the Contractor.

1.97 PROHIBITION OF INTEREST

No contract will be awarded to a bidding firm who has City elected officials, officers or employees affiliated with it, unless the bidding firm has fully complied with current Florida Statutes and City Ordinances relating to this issue. Bidders must disclose any such affiliation. Failure to disclose any such affiliation will result in disqualification of the Bidder or termination of the agreement, removal of the Bidder from the City's bidder lists, and prohibition from engaging in any business with the City.

1.100 NO CONTINGENT FEES

The Vendor warrants that it has not employed or retained any company or person other than a bona fide employee Working solely for the Vendor to solicit or secure this Agreement, and that it has not paid or agreed to pay any person, company, corporation, individual, or firm, other than a bona fide employee Working solely for the Vendor, any fee, commission, percentage, gift, or other consideration contingent upon or resulting from the award or making of this Agreement. For the breach or infraction of this provision, the City shall have the right to terminate the Agreement without liability at its discretion and to deduct from the contract price or otherwise recover the full amount of such fee, commission, percentage, gift or consideration.

1.101 E-VERIFY

The Contractor acknowledges that the City may be utilizing the Contractor's Services for a project that is funded in whole or in part by State funds pursuant to a contract between the City and a State agency. The Contractor shall be responsible for complying with the E-Verify requirements in the contract and using the U.S. Department of Homeland Security's E-Verify system to verify the employment of all new employees hired by the Contractor during the Agreement term. The Contractor is also responsible for e-verifying its subcontractors, if any, pursuant to any agreement between the City and a State Agency, and reporting to the City any required information. The Contractor acknowledges that the terms of this paragraph are material terms, the breach of any of which shall constitute a default under this Agreement.

1.102 BUDGETARY CONSTRAINTS

In the event the City is required to reduce contract costs due to budgetary constraints, all Services specified in this document may be subject to a permanent or temporary reduction in budget. In such an event, the total cost for the affected service shall be reduced as required. The Contractor shall also be provided with a minimum 30-day notice prior to any such reduction in budget.

The entity submitting this sworn statement, or one or more of its officers, directors, executives, partners, shareholders, employees, members, or agents who are active in the management of the entity, or an affiliate of the entity has been charged with and convicted of a public entity crime, but the Final Order entered by the Hearing Officer in a subsequent proceeding before a Hearing Officer of the State of the State of Florida, Division of Administrative Hearings, determined that it was not in the public interest to place the entity submitting this sworn statement on the convicted vendor list. (attach a copy of the Final Order).

General Instructions

Future developments. The IRS has created a page on IRS.gov for information about Form W-9, at www.irs.gov/w9. Information about any future developments affecting Form W-9 (such as legislation enacted after we release it) will be posted on that page.

Purpose of

A person who is required to file an information return with the IRS must obtain your correct taxpayer identification number (TIN) to report, for example, income paid to you, payments made to you in settlement of payment card and third party network transactions, real estate transactions, mortgage interest you paid, acquisition or abandonment of secured property, cancellation of debt, or contributions you made to an IRA.

Use Form W-9 only if you are a U.S. person (including a resident alien), to provide your correct TIN to the person requesting it (the requester) and, when applicable, to:

1. Certify that the TIN you are giving is correct (or you are waiting for a number to be issued),
2. Certify that you are not subject to backup withholding, or
3. Claim exemption from backup withholding if you are a U.S. exempt payee. If applicable, you are also certifying that as a U.S. person, your allocable share of any partnership income from a U.S. trade or business is not subject to the

withholding tax on foreign partners' share of effectively connected income, and

4. Certify that FATCA code(s) entered on this form (if any) indicating that you are exempt from the FATCA reporting, is correct.

Note. If you are a U.S. person and a requester gives you a form other than Form W-9 to request your TIN, you must use the requester's form if it is substantially similar to this Form W-9.

Definition of a U.S. person. For federal tax purposes, you are considered a U.S. person if you are:

- An individual who is a U.S. citizen or U.S. resident alien,
- A partnership, corporation, company, or association created or organized in the United States or under the laws of the United States,
- An estate (other than a foreign estate), or
- A domestic trust (as defined in Regulations section 301.7701-7).

Special rules for partnerships. Partnerships that conduct a trade or business in the United States are generally required to pay a withholding tax under section 1446 on any foreign partners' share of effectively connected taxable income from such business. Further, in certain cases where a Form W-9 has not been received, the rules under section 1446 require a partnership to presume that a partner is a foreign person, and pay the section 1446 withholding tax. Therefore, if you are a U.S. person that is a partner in a partnership conducting a trade or business in the United States, provide Form W-9 to the partnership to establish your U.S. status and avoid section 1446 withholding on your share of partnership income.

Cat. No. 10231X

Form **W-9** (Rev. 8-2013)

Form W-9 (Rev. 8-2013)

Page **2**

In the cases below, the following person must give Form W-9 to the partnership for purposes of establishing its U.S. status and avoiding withholding on its allocable share of net income from the partnership conducting a trade or business in the United States:

- In the case of a disregarded entity with a U.S. owner, the U.S. owner of the disregarded entity and not the entity,

Updating Your Information

You must provide updated information to any person to whom you claimed to be an exempt payee if you are no longer an exempt payee and anticipate receiving reportable payments in the future from this person. For example, you may need to provide updated information if you are a C corporation that elects to be an S corporation, or if you no longer are tax exempt. In addition, you must furnish a new Form W-9 if

- In the case of a grantor trust with a U.S. grantor or other U.S. owner, generally, the U.S. grantor or other U.S. owner of the grantor trust and not the trust, and

- In the case of a U.S. trust (other than a grantor trust), the U.S. trust (other than a grantor trust) and not the beneficiaries of the trust.

Foreign person. If you are a foreign person or the U.S. branch of a foreign bank that has elected to be treated as a U.S. person, do not use Form W-9. Instead, use the appropriate Form W-8 or Form 8233 (see Publication 515, Withholding of Tax on Nonresident Aliens and Foreign Entities).

Nonresident alien who becomes a resident alien. Generally, only a nonresident alien individual may use the terms of a tax treaty to reduce or eliminate U.S. tax on certain types of income. However, most tax treaties contain a provision known as a “saving clause.” Exceptions specified in the saving clause may permit an exemption from tax to continue for certain types of income even after the payee has otherwise become a U.S. resident alien for tax purposes.

If you are a U.S. resident alien who is relying on an exception contained in the saving clause of a tax treaty to claim an exemption from U.S. tax on certain types of income, you must attach a statement to Form W-9 that specifies the following five items:

1. The treaty country. Generally, this must be the same treaty under which you claimed exemption from tax as a nonresident alien.
2. The treaty article addressing the income.
3. The article number (or location) in the tax treaty that contains the saving clause and its exceptions.
4. The type and amount of income that qualifies for the exemption from tax.
5. Sufficient facts to justify the exemption from tax under the terms of the treaty article.

Example. Article 20 of the U.S.-China income tax treaty allows an exemption from tax for scholarship income received by a Chinese student temporarily present in the United States. Under U.S. law, this student will become a resident alien for tax purposes if his or her stay in the United States exceeds 5 calendar years. However, paragraph 2 of the first Protocol to the U.S.-China treaty (dated April 30, 1984) allows the provisions of Article 20 to continue to apply even after the Chinese student becomes a resident alien of the United States. A Chinese student who qualifies for this exception (under paragraph 2 of the first protocol) and is relying on this exception to claim an exemption from tax on his or her scholarship or fellowship income would attach to Form W-9 a statement that includes the information described above to support that exemption.

the name or TIN changes for the account, for example, if the grantor of a grantor trust dies.

Penalties

Failure to furnish TIN. If you fail to furnish your correct TIN to a requester, you are subject to a penalty of \$50 for each such failure unless your failure is due to reasonable cause and not to willful neglect.

Civil penalty for false information with respect to withholding. If you make a false statement with no reasonable basis that results in no backup withholding, you are subject to a \$500 penalty.

Criminal penalty for falsifying information. Willfully falsifying certifications or affirmations may subject you to criminal penalties including fines and/or imprisonment.

Misuse of TINs. If the requester discloses or uses TINs in violation of federal law, the requester may be subject to civil and criminal penalties.

Specific Instructions

Name

If you are an individual, you must generally enter the name shown on your income tax return. However, if you have changed your last name, for instance, due to marriage without informing the Social Security Administration of the name change, enter your first name, the last name shown on your social security card, and your new last name.

If the account is in joint names, list first, and then circle, the name of the person or entity whose number you entered in Part I of the form.

Sole proprietor. Enter your individual name as shown on your income tax return on the “Name” line. You may enter your business, trade, or “doing business as (DBA)” name on the “Business name/disregarded entity name” line.

Partnership, C Corporation, or S Corporation. Enter the entity’s name on the “Name” line and any business, trade, or “doing business as (DBA) name” on the “Business name/disregarded entity name” line.

Disregarded entity. For U.S. federal tax purposes, an entity that is disregarded as an entity separate from its owner is treated as a “disregarded entity.” See Regulation section 301.7701-2(c)(2)(iii). Enter the owner’s name on the “Name” line. The name of the entity entered on the “Name” line should never be a disregarded entity. The name on the “Name” line must be the name shown on the income tax return on which the income should be reported. For example, if a foreign LLC that is treated as a disregarded entity for U.S. federal tax purposes has a single owner that is a U.S. person, the U.S. owner’s name is required to be provided on the “Name” line. If the direct owner of the entity is also a disregarded entity, enter the first owner that is not disregarded

If you are a nonresident alien or a foreign entity, give the requester the appropriate completed Form W-8 or Form 8233.

What is backup withholding? Persons making certain payments to you must under certain conditions withhold and pay to the IRS a percentage of such payments. This is called "backup withholding." Payments that may be subject to backup withholding include interest, tax-exempt interest, dividends, broker and barter exchange transactions, rents, royalties, nonemployee pay, payments made in settlement of payment card and third party network transactions, and certain payments from fishing boat operators. Real estate transactions are not subject to backup withholding.

You will not be subject to backup withholding on payments you receive if you give the requester your correct TIN, make the proper certifications, and report all your taxable interest and dividends on your tax return.

Payments you receive will be subject to backup withholding if:

1. You do not furnish your TIN to the requester,
2. You do not certify your TIN when required (see the Part II instructions on page 3 for details),
3. The IRS tells the requester that you furnished an incorrect TIN,
4. The IRS tells you that you are subject to backup withholding because you did not report all your interest and dividends on your tax return (for reportable interest and dividends only), or
5. You do not certify to the requester that you are not subject to backup withholding under 4 above (for reportable interest and dividend accounts opened after 1983 only).

Certain payees and payments are exempt from backup withholding. See *Exempt payee code* on page 3 and the separate Instructions for the Requester of Form W-9 for more information.

Also see *Special rules for partnerships* on page 1.

What is FATCA reporting? The Foreign Account Tax Compliance Act (FATCA) requires a participating foreign financial institution to report all United States account holders that are specified United States persons. Certain payees are exempt from FATCA reporting. See *Exemption from FATCA reporting code* on page 3 and the Instructions for the Requester of Form W-9 for more information.

for federal tax purposes. Enter the disregarded entity's name on the "Business name/disregarded entity name" line. If the owner of the disregarded entity is a foreign person, the owner must complete an appropriate Form W-8 instead of a Form W-9. This is the case even if the foreign person has a U.S. TIN.

Note. Check the appropriate box for the U.S. federal tax classification of the person whose name is entered on the "Name" line (Individual/sole proprietor, Partnership, C Corporation, S Corporation, Trust/estate).

Limited Liability Company (LLC). If the person identified on the "Name" line is an LLC, check the "Limited liability company" box only and enter the appropriate code for the U.S. federal tax classification in the space provided. If you are an LLC that is treated as a partnership for U.S. federal tax purposes, enter "P" for partnership. If you are an LLC that has filed a Form 8832 or a Form 2553 to be taxed as a corporation, enter "C" for C corporation or "S" for S corporation, as appropriate. If you are an LLC that is disregarded as an entity separate from its owner under Regulation section 301.7701-3 (except for employment and excise tax), do not check the LLC box unless the owner of the LLC (required to be identified on the "Name" line) is another LLC that is not disregarded for U.S. federal tax purposes. If the LLC is disregarded as an entity separate from its owner, enter the appropriate tax classification of the owner identified on the "Name" line.

Other entities. Enter your business name as shown on required U.S. federal tax documents on the "Name" line. This name should match the name shown on the charter or other legal document creating the entity. You may enter any business, trade, or DBA name on the "Business name/disregarded entity name" line.

Enter your TIN in the appropriate box. If you are a resident alien and you do not have and are not eligible to get an SSN, your TIN is your IRS individual taxpayer identification number (ITIN). Enter it in the social security number box. If you do not have an ITIN, see *How to get a TIN* below.

If you are a sole proprietor and you have an EIN, you may enter either your SSN or EIN. However, the IRS prefers that you use your SSN.

If you are a single-member LLC that is disregarded as an entity separate from its owner (see *Limited Liability Company (LLC)* on page 2), enter the owner's SSN (or EIN, if the owner has one). These codes apply to persons submitting this form for accounts maintained outside of the United States by certain foreign financial institutions. If you are asked to complete Form W-9 but do not have a TIN, apply for a TIN and write "Applied For" in the space for the TIN, sign and date the form, and give it to the requester. For interest and dividend payments, and certain payments made with respect to readily tradable instruments, generally you will have 60 days to get a TIN and give it to the requester before you are subject to backup withholding on payments. The 60-day rule does not apply to other types of payments. You will be subject to backup withholding on all such payments until you provide your TIN to the requester.

Note. Entering "Applied For" means that you have already applied for a TIN or that you intend to apply for one soon.

Caution: A disregarded U.S. entity that has a foreign owner must use the appropriate Form W-8.

To establish to the withholding agent that you are a U.S. person, or resident alien, sign Form W-9. You may be requested to sign by the withholding agent even if items 1, 4, or 5 below indicate otherwise.

Secure Your Tax Records from Identity Theft

Identity theft occurs when someone uses your personal information such as your name, social security number (SSN), or other identifying information, without your permission, to commit fraud or other crimes. An identity thief may use your SSN to get a job or may file a tax return using your SSN to receive a refund.

To reduce your risk:

- Protect your SSN,
- Ensure your employer is protecting your SSN, and
- Be careful when choosing a tax preparer.

If your tax records are affected by identity theft and you receive a notice from the IRS, respond right away to the name and phone number printed on the IRS notice or letter.

If your tax records are not currently affected by identity theft but you think you are at risk due to a lost or stolen purse or wallet, questionable credit card activity or credit report, contact the IRS Identity Theft Hotline at 1-800-908-4490 or submit Form 14039.

For more information, see Publication 4535, Identity Theft Prevention and Victim Assistance.

Victims of identity theft who are experiencing economic harm or a system problem, or are seeking help in resolving tax problems that have not been resolved through normal channels, may be eligible for Taxpayer Advocate Service (TAS) assistance. You can reach TAS by calling the TAS toll-free case intake line at 1-877-777-4778 or TTY/TDD 1-800-829-4059.

Protect yourself from suspicious emails or phishing schemes.

Phishing is the creation and use of email and websites designed to mimic legitimate business emails and websites. The most common act is sending an email to a user falsely claiming to be an established legitimate enterprise in an attempt to scam the user into surrendering private information that will be used for identity theft.

The IRS does not initiate contacts with taxpayers via emails. Also, the IRS does not request personal detailed information through email or ask taxpayers for the PIN numbers, passwords, or similar secret access information for their credit card, bank, or other financial accounts.

If you receive an unsolicited email claiming to be from the IRS, forward this message to phishing@irs.gov. You may also report misuse of the IRS name, logo, or other IRS property to the Treasury Inspector General for Tax Administration at 1-800-366-4484. You can forward suspicious emails to the Federal Trade Commission at: spam@uce.gov or contact them at www.ftc.gov/idtheft or 1-877-IDTHEFT (1-877-438-4338).

Visit IRS.gov to learn more about identity theft and how to reduce your risk.
