For more information visit www.axon.com/legal. All rights reserved. © 2020 Axon Enterprise, Inc. This TASER 7 Agreement ("Agreement") applies to Agency's TASER 7 purchase from Axon Enterprise, Inc. ("Axon"). Agency will receive TASER 7 Conducted Energy Weapon ("CEW") hardware, accessories, warranty, and services documented in the attached Quote Appendix ("Quote").

- Term. The start date is based on the initial shipment of TASER 7 hardware ("Start Date"). If shipped in the first half of the month, the Start Date is the 1st of the following month. If shipped in the last half of the month, the Start Date is the 15th of the following month. The TASER 7 term will end upon completion of the associated TASER 7 subscription in the Quote ("Term"). If the Quote has multiple TASER 7 ship dates, each shipment will have a 60-month term, starting on the shipment of TASER 7 as described above.
- Unlimited Duty Cartridge Plan. If the Quote includes "Unlimited Duty Cartridge Plan", this section applies. Agency must purchase an Unlimited Duty Cartridge Plan for each CEW user. A CEW user includes officers that use a CEW in the line of duty and ones that only use a CEW for training. Agency may not resell cartridges received under any TASER 7 plan. Axon will only replace cartridges used in the line of duty.
- Training. If the Quote includes a training voucher, Agency must use the voucher within 1 year of issuance, or the voucher will be void. During the Term, Axon will issue Agency a voucher annually beginning on the Start Date. The voucher has no cash value. Agency cannot exchange it for another product or service. If the Quote includes Axon Online Training or Virtual Reality Content (collectively, "Training Content"), Agency may access Training Content during the Term. Axon will deliver all Training Content electronically. Unless stated in the Quote, the voucher does not include travel expenses and will be Agency's responsibility.
- **Payment.** Unless specified in the Quote, Axon will invoice Agency on the Start Date and then on the Start Date anniversary during the Term, if annual payments are elected. Payment is due net 30 days from the invoice. Payment obligations are non-cancelable. Agency will pay invoices without setoff, deduction, or withholding. Unless Agency provides Axon a valid and correct tax exemption certificate applicable to the purchase and ship-to location, Agency is responsible for all taxes associated with the order.
- Shipping. Axon may make partial shipments and ship from multiple locations. All shipments are FOB shipping point via common carrier. Title and risk of loss pass to Agency upon Axon's delivery to the common carrier. Agency is responsible for any shipping charges in the Quote. If the Quote includes future deliveries of hardware, Axon will ship hardware to Agency's address on the Quote.
- Returns. All sales are final. Axon does not allow refunds or exchanges, except warranty returns or as provided by state or federal law.
- Hardware Limited Warranty. Axon warrants that Axon-manufactured hardware is free from defects in workmanship and materials for 1 year from the date of Agency's receipt. Axon warrants its Axon-manufactured accessories for 90-days from the date of Agency's receipt. Used CEW cartridges are deemed to have operated properly. Non-

Axon manufactured Devices are not covered by Axon's warranty. Agency should contact the manufacturer for support of non-Axon manufactured hardware.

If Axon receives a valid warranty claim for Axon manufactured hardware during the warranty term, Axon's sole responsibility is to repair or replace the hardware with the same or like hardware, at Axon's option. Replacement hardware will be new or like new. Axon will warrant the replacement hardware for the longer of (a) the remaining warranty of the original hardware or (b) 90-days from the date of repair or replacement.

If the Quote includes an extended warranty, the extended warranty coverage begins on the Start Date and continues for the Term for the hardware covered by the extended warranty on the Quote.

If Agency exchanges hardware or a part, the replacement item becomes Agency's property, and the replaced item becomes Axon's property. Before delivering hardware for service, Agency must upload hardware data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the hardware sent to Axon for service.

- Access Computer Systems to Perform Services. Agency authorizes Axon to access relevant Agency computers and networks, solely for performing the Services. Axon will work to identify as soon as reasonably practicable resources and information Axon expects to use and will provide an initial itemized list to Agency. information supplied by Agency.

- Site Preparation. Axon will provide a hardcopy or digital copy of current user documentation for the Devices ("User Documentation"). User Documentation will include all required environmental specifications for the professional Services and Devices to operate per the Device User Documentation. Before installation of Devices (whether performed by Agency or Axon), Agency must prepare the location(s) where Devices are to be installed ("Installation Site") per the environmental specifications in the Device User Documentation. If Agency reasonably believes Axon did not complete the professional Services in substantial conformance with this Agreement, Agency must notify Axon in writing of the specific reasons for rejection within 7 calendar days from delivery of the Acceptance Form. Axon will address the issues and re-present the Acceptance Form for signature. If Axon does not receive the signed Acceptance Form or written notification of reasons for rejection within 7 calendar days of delivery of the Acceptance Form, Axon will deem Agency to have accepted the professional Services.
- <u>Agency Network</u>. For work performed by Axon transiting or making use of Agency's network, Agency is solely responsible for maintenance and functionality of the network. In no event will Axon be liable for loss, damage, or corruption of Agency's network from any cause.

This TASER 7 Agreement ("**Agreement**") applies to Agency's TASER 7 purchase from Axon Enterprise, Inc. ("**Axon**"). Agency will receive TASER 7 Conducted Energy Weapon ("**CEW**") hardware, accessories, warranty, and services documented in the attached Quote Appendix ("**Quote**").

- **1** <u>**Term**</u>. The start date is based on the initial shipment of TASER 7 hardware ("**Start Date**"). If shipped in the first half of the month, the Start Date is the 1st of the following month. If shipped in the last half of the month, the Start Date is the 15th of the following month. The TASER 7 term will end upon completion of the associated TASER 7 subscription in the Quote ("**Term**"). If the Quote has multiple TASER 7 ship dates, each shipment will have a 60-month term, starting on the shipment of TASER 7 as described above.
- 2 <u>Unlimited Duty Cartridge Plan</u>. If the Quote includes "Unlimited Duty Cartridge Plan", this section applies. Agency must purchase an Unlimited Duty Cartridge Plan for each CEW user. A CEW user includes officers that use a CEW in the line of duty and ones that only use a CEW for training. Agency may not resell cartridges received under any TASER 7 plan. Axon will only replace cartridges used in the line of duty.
- 3 <u>Training</u>. If the Quote includes a training voucher, Agency must use the voucher within 1 year of issuance, or the voucher will be void. During the Term, Axon will issue Agency a voucher annually beginning on the Start Date. The voucher has no cash value. Agency cannot exchange it for another product or service. If the Quote includes Axon Online Training or Virtual Reality Content (collectively, "Training Content"), Agency may access Training Content during the Term. Axon will deliver all Training Content electronically. Unless stated in the Quote, the voucher does not include travel expenses and will be Agency's responsibility.
- 4 <u>Payment</u>. Unless specified in the Quote, Axon will invoice Agency on the Start Date and then on the Start Date anniversary during the Term, if annual payments are elected. Payment is due net 30 days from the invoice. Payment obligations are non-cancelable. Agency will pay invoices without setoff, deduction, or withholding. Unless Agency provides Axon a valid and correct tax exemption certificate applicable to the purchase and ship-to location, Agency is responsible for all taxes associated with the order.
- 5 <u>Shipping</u>. Axon may make partial shipments and ship from multiple locations. All shipments are FOB shipping point via common carrier. Title and risk of loss pass to Agency upon Axon's delivery to the common carrier. Agency is responsible for any shipping charges in the Quote. If the Quote includes future deliveries of hardware, Axon will ship hardware to Agency's address on the Quote.
- 6 <u>**Returns**</u>. All sales are final. Axon does not allow refunds or exchanges, except warranty returns or as provided by state or federal law.
- 7 <u>Hardware Limited Warranty</u>. Axon warrants that Axon-manufactured hardware is free from defects in workmanship and materials for 1 year from the date of Agency's receipt. Axon warrants its Axon-manufactured accessories for 90-days from the date of Agency's receipt. Used CEW cartridges are deemed to have operated properly. Non-Axon manufactured Devices are not covered by Axon's warranty. Agency should contact the manufacturer for support of non-Axon manufactured hardware.

If Axon receives a valid warranty claim for Axon manufactured hardware during the warranty term, Axon's sole responsibility is to repair or replace the hardware with the same or like hardware, at Axon's option. Replacement hardware will be new or like new. Axon will warrant the replacement hardware for the longer of (a) the remaining warranty of the original hardware or (b) 90-days from the date of repair or replacement.

If the Quote includes an extended warranty, the extended warranty coverage begins on the Start Date and continues for the Term for the hardware covered by the extended warranty on the Quote.

If Agency exchanges hardware or a part, the replacement item becomes Agency's property, and the replaced item becomes Axon's property. Before delivering hardware for service, Agency must upload hardware data to Axon Evidence or download it and retain a copy. Axon is not responsible for any loss of software, data, or other information contained in storage media or any part of the hardware sent to Axon for service.

Warranty Limitations. Axon's warranty obligations exclude damage related to (a) failure to follow instructions on product's use; (b) products used with products not manufactured or recommended by Axon; (c) abuse, misuse, intentional, or deliberate damage to the product; (d) force majeure; (e) products repaired or modified by persons other than Axon without the written permission of Axon; or (f) products with a defaced or removed serial number.

To the extent permitted by law, the warranties and remedies set forth above are exclusive and Axon disclaims all other warranties, remedies, and conditions, whether oral or written, statutory, or implied, as permitted by applicable law. If statutory or implied warranties cannot be lawfully disclaimed, then all such warranties are limited to the duration of the express warranty described above and limited by the other provisions contained in this Agreement. Axon's cumulative liability to any party for any loss or damage resulting from any claims, demands, or actions arising out of or relating to any Axon product will not exceed the purchase price paid to Axon for the product or if for services, the amount paid for such services over the prior 12 months preceding the claim. In no event will either party be liable for any direct, special, indirect, incidental, exemplary, punitive, or consequential damages, however caused, whether for breach of warranty, breach of contract, negligence, strict liability, tort or under any other legal theory.

- 9 Spare Products. For qualified purchases, Axon may provide agency a predetermined number of spare TASER 7 hardware as detailed in the Quote ("Spare Axon Devices"). Spare Axon Devices are intended to replace broken or non-functioning units while Agency submits the broken or non-functioning units through Axon's warranty return process. Axon will repair or replace the unit with a replacement Axon Device. Title and risk of loss for all Spare Axon Devices shall pass to agency in accordance with the shipping terms under Section 5. Axon assumes no liability or obligation in the event Agency does not utilize Spare Axon Devices for the intended purpose.
- **10** <u>**Trade-In**</u>. If a trade-in discount is on the Quote, Agency must return used hardware and accessories associated with the discount ("**Trade-In Units**") to Axon. Agency must ship batteries via ground shipping. Axon will pay the shipping costs of the return. If Axon does not receive Trade-In Units within the timeframe below, Axon will invoice Agency the value of the trade-in discount. Agency may not destroy Trade-In Units and receive a trade-in discount.

notifying Agency.

- **13** <u>**Termination**</u>. If payment for TASER 7 is more than 30 days past due, Axon may terminate Agency's TASER 7 plan by notifying Agency. Upon termination for any reason, then as of the date of termination:
  - **13.1.** TASER 7 extended warranties and access to Training Content will terminate. No refunds will be given.
  - **13.2.** Axon will invoice Agency the remaining MSRP for TASER 7 products received before termination. 1

# Axon Enterprise, Inc.'s TASER 7 Agreement

# Axon Customer Experience Improvement Program Appendix

- Axon Customer Experience Improvement Program (ACEIP). The ACEIP is designed to accelerate Axon's development of technology, such as building and supporting automated features, to ultimately increase safety within communities and drive efficiency in public safety. To this end, subject to the limitations on Axon as described below, Axon, where allowed by law, may make limited use of Agency Content from all of its customers, to provide, develop, improve, and support current and future Axon products (collectively, "ACEIP Purposes"). However, at all times, Axon will comply with its obligations pursuant to the Axon Cloud Services Terms of Use Appendix to maintain a comprehensive data security program (including compliance with the CJIS Security Policy for Criminal Justice Information), privacy program, and data governance policy, including high industry standards of de-identifying Personal Data, to enforce its security and privacy obligations for the ACEIP. ACEIP has 2 tiers of participation, Tier 1 and Tier 2. By default, Agency will be a participant in ACEIP Tier 1. If Agency does not want to participate in ACEIP Tier 1, Agency can revoke its consent at any time. If Agency wants to participate in Tier 2, as detailed below, Agency can check the ACEIP Tier 2 box below. If Agency does not want to participate in ACEIP Tier 2, Agency should leave box unchecked. At any time, Agency may revoke its consent to ACEIP Tier 1, Tier 2, or both Tiers.
  - 1.1 ACEIP Tier 1.
    - 1.1.1. When Axon uses Agency Content for the ACEIP Purposes, Axon will extract from Agency Content and may store separately copies of certain segments or elements of the Agency Content (collectively, "ACEIP Content"). When extracting ACEIP Content, Axon will use commercially reasonable efforts to aggregate, transform or de-identify Agency Content so that the extracted ACEIP Content is no longer reasonably capable of being associated with, or could reasonably be linked directly or indirectly to a particular individual ("Privacy Preserving Technique(s)"). For illustrative purposes, some examples are described in footnote 1<sup>1</sup>. For clarity, ACEIP Content will still be linked indirectly, with an attribution, to the Agency from which it was extracted. This attribution will be stored separately from the data itself, but is necessary for and will be solely used to enable Axon to identify and delete all ACEIP Content upon Agency request. Once de-identified, ACEIP Content may then be further modified, analyzed, and used to create derivative works. At any time, Agency may revoke the consent granted herein to Axon to access and use Agency Content for ACEIP Purposes. Within 30 days of receiving the Agency's request, Axon will no longer access or use Agency Content for ACEIP Purposes and will delete any and all ACEIP Content. Axon will also delete any derivative works which may reasonably be capable of being associated with, or could reasonably be linked directly or indirectly to Agency. In addition, if Axon uses Agency Content for the ACEIP Purposes, upon request. Axon will make available to Agency a list of the specific type of Agency Content being used to generate ACEIP Content, the purpose of such use, and the retention, privacy preserving extraction technique, and relevant data protection practices

<sup>&</sup>lt;sup>1</sup> For example; (a) when extracting specific text to improve automated transcription capabilities, text that could be used to directly identify a particular individual would not be extracted, and extracted text would be disassociated from identifying metadata of any speakers, and the extracted text would be split into individual words and aggregated with other data sources (including publicly available data) to remove any reasonable ability to link any specific text directly or indirectly back to a particular individual; (b) when extracting license plate data to improve Automated License Plate Recognition (ALPR) capabilities, individual license plate characters would be extracted and disassociated from each other so a complete plate could not be reconstituted, and all association to other elements of the source video, such as the vehicle, location, time, and the surrounding environment would also be removed; (c) when extracting audio of potential acoustic events (such as glass breaking or gun shots), very short segments (<1 second) of audio that only contains the likely acoustic events would be extracted and all human utterances would be removed.

applicable to the Agency Content or ACEIP Content ("Use Case"). From time to time, Axon may develop and deploy new Use Cases. At least 30 days prior to authorizing the deployment of any new Use Case, Axon will provide Agency notice (by updating the list of Use Case at <a href="https://www.axon.com/aceip">https://www.axon.com/aceip</a> and providing Agency with a mechanism to obtain notice of that update or another commercially reasonable method to Agency designated contact) ("**New Use Case**").

- **1.1.2. Expiration of ACEIP Tier 1**. Agency consent granted herein, will expire upon termination of the Agreement. In accordance with section 1.1.1, within 30 days of receiving the Agency's request, Axon will no longer access or use Agency Content for ACEIP Purposes and will delete ACEIP Content. Axon will also delete any derivative works which may reasonably be capable of being associated with, or could reasonably be linked directly or indirectly to Agency.
- **1.2 ACEIP Tier 2.** In addition to ACEIP Tier 1, if Agency wants to help further improve Axon's services, Agency may choose to participate in Tier 2 of the ACEIP. ACEIP Tier 2, grants Axon certain additional rights to use Agency Content, in addition to those set forth in Tier 1 above, without the guaranteed deployment of a Privacy Preserving Technique to enable product development, improvement, and support that cannot be accomplished with aggregated, transformed or de-identified data.

□ Check this box if Agency wants to help further improve Axon's services by participating in ACEIP Tier 2 in addition to Tier 1. By checking this box, Agency hereby agrees to the Axon Customer Experience Improvement Program Tier 2 Terms of Service, available at <u>https://www.axon.com/sales-terms-and-conditions</u> and incorporated herein by reference.

4 <u>Out of Scope Services</u>. Axon is only responsible to perform the professional services described in the Quote and this Appendix. Any additional professional services are out of scope. The Parties must document scope changes in a written and signed change order. Changes may require an equitable adjustment in the charges or schedule.
