Staff Recommends: Approval of the Resolution

Explanation:

Each year the City Commission approves a Five-Year Capital Improvement Program identifying projects to be funded through a variety of sources. The Program includes projects that address safety and health issues, legal commitments, contractual obligations, and community priorities.

This Capital Improvement Program represents the first year of a five-year program. Capital projects are authorized on an annual basis; therefore this resolution authorizes funding for FY2019 projects. Projects in FY2020 - FY2023 are unfunded and may change depending on priority and availability of funds.

Recommended for inclusion on the agenda by:
