Infrastructure & Facilities

Staff Recommends: Approval of the attached Resolution.

Explanation:

The Department of Information Technology desires to purchase software systems to enhance the City's operational functionality.

The systems will be sourced from R2 Unified Technologies using the State of Florida contract 43230000-NASPO-16-ACS, which was procured by competitive bid.

Florida Statutes section 119.0713 restricts information related to the security of existing and proposed information technology systems and services.

Fiscal Impact:

UASI grant funding for this purchase order is available in account number 113.209804.52100.564420.01665.000.000.
