The Fleet Management Division of the Public Works Department, Police Department and the Fire Rescue & Beach Safety Department have requested to purchase automobile, truck and equipment tires for replacement or repair worn out or damaged tires for the vehicles

currently within each of the departments.

The requested automobile, trucks and equipment tires and related services were competitively bid through the Florida Sheriff's Association, pursuant to Bid Award Number FSA-19-TRS21.0, to obtain competitive pricing for tires and related services based upon availability and quality.
