Staff Recommends: Approval of the attached Resolution.

### Explanation:

There are two Advanced Life Support Ambulances that need replacement due to age, mileage, and prolonged production times to provide emergency medical services. These vehicles are used to respond to emergencies and transport patients to the hospital. Advanced Life Support Ambulances should be replaced every seven years.

**Fiscal Impact:**

Funding for the Purchase Order was included in the amended FY 2024 Capital Improvement Plan and is available in account number 335.219901.52200.564530.001610.000.000.
