A Proclamation In Recognition Of Florida Food Waste Prevention Week, April, 1-7, 2024.

Resilience & Sustainability

Staff Recommends: Presentation of Proclamation.

Explanation:

Up to 3 million tons of food is wasted in Florida annually, while 1 in 7 Floridians lack consistent access to nutritious food for an active, healthy life. The City of Hollywood is participating in this event by inspiring a call to action to reduce food waste in our homes, workplaces, and communities.

Elaine Franklin, Environmental Sustainability Coordinator, will accept the proclamation.

Fiscal Impact:

Approval of the presentation of the proclamation will not fiscally impact the City.
