Public Safety

Staff Recommends: Approval of the attached Resolution.

Explanation:

Fire Rescue & Beach Safety needs three leased RAM 1500 4 X 4 pickup trucks to be assigned at Beach Safety. These vehicles will be used to launch personal watercraft vehicles such as wave runners, patrol the beach, enforce violations, and respond to emergencies.

Due to the corrosion effects of the salt water, these vehicles are best suited to be leased instead of being purchased.

Fiscal Impact:

Funding for this blanket purchase agreement is available in the FY 2023 Operating Budget in account number 001.215102.52900.540050.000000.000.000.
