Proclamation In Recognition of Black History Month - February 2018.

Staff Recommends: Presentation of Proclamation

Explanation:

February is National Black History Month which honors African American achievements and recognizes their significant roles in U.S. History.

Since 1928 the association for the study of African American life and history has provided a national theme for black history month, and this year's theme is "African Americans in wartime".

In honor of this year's theme, Barry University, the Liberia Economic and Social Development, Inc., AT&T Pioneers, VFW Post 8195 and the City of Hollywood's African American Advisory Council have partnered to provide a study panel on African Americans in Wartime and a Spoken Word Competition for high school students.

The following individuals will be accepting the proclamation:

Dr. Mary Mites Campbell - African American Advisory Committee Chair

Dr. Glenn Bowen - Barry University

Henry Graham - Liberia Economic and Social Development, Inc.

William Frazier - VFW Post 8195 Commander

Daphne Dilbert - AT&T Pioneers

Recommended for inclusion on the agenda by:
