A Resolution Of The City Commission Of The City Of Hollywood, Florida, Authorizing The Appropriate City Officials To Execute The Attached Authorization To Proceed For Work Order No. B&C 16-02 Between Brown And Caldwell And The City Of Hollywood To Provide Professional Engineering Services For The Water Main Replacement Program From Hollywood Boulevard To Johnson Street And Between North 52nd Avenue And State Road 7, As Identified In The 2007 Water System Master Plan, In The Not To Exceed Amount Of \$692,643.00 (Project No. 16-5131).

Staff Recommends: Approval of the attached Resolution.

Explanation:

The 2007 Water System Master Plan identified the need to replace aging water distribution system pipes throughout the City of Hollywood.

The City of Hollywood water distribution system consists of over 600 miles of pipelines with diameters ranging from 2-inch to 36-inch.

In order to address the findings of the 2007 Water System Master Plan, the City of Hollywood Department of Public Utilities developed and is implementing a City-wide Water Main Replacement Program.

The Water Main Replacement Program prioritizes the replacement of the water mains based on the age of the pipelines, type of pipe material, repeated pipeline breaks in the areas, and water quality issues.

The City requested a proposal from Brown and Caldwell, Inc. to provide professional engineering services for the design, permitting, bidding, and construction services for the proposed water main.

Brown and Caldwell and the City of Hollywood have a Professional Services Agreement for General Engineering Consulting Services for Water and Sewer Infrastructure projects, approved by the City Commission by Resolution No. R-2009-214 on July 15, 2009; renewed by the City Commission via Resolution No. R-2013-110 on May 1, 2013; renewed by the City Commission via Resolution No. R-2015-068 on April 1, 2015. this agreement has a provision for insurance and indemnification that meets the City's requirements and gives the City the right to terminate for convenience.

The Administration recommends that the City Commission authorize the appropriate City Officials to execute the attached Authorization to Proceed for Work Order No. B&C 16-02 between Brown and Caldwell, Inc. and the City of Hollywood, together with such nonmaterial changes as may be subsequently agreed to by the City Manager and approved as to form and legality by the City Attorney, in the not to exceed amount of \$692,643.00.

Funding for the project has been provided via Resolution No. R-2015-345 which continued the appropriation for previously approved Capital Projects from FY 2015 to FY 2016, and is available in account number 42.4000.76663.536.273121.

The tasks included in the proposal will be implemented in phases and the services will be completed in approximately eighteen (18) months;

Recommended for inclusion on the agenda by:

Dr. Wazir A. Ishmael, City Manager

Gus Zambrano, Assistant City Manager/Sustainable Development

Steve Joseph, Director, Public Utilities

Paul Bassar, Contract Compliance Officer
