A Resolution Of The City Commission Of The City Of Hollywood, Florida, Approving The Five-Year FY 2015-2019 Capital Improvement Program As Set Forth In Exhibit A For Projects Funded From Pay As You Go Funding, Parking Enterprise Fund, Water And Sewer Renewal, Replacement And Improvement Reserve, Stormwater Enterprise Fund, State Revolving Fund Loans, And Other Sources.

**Staff Recommends:** Approval of the Resolution.

**Explanation:**

Each year the City Commission approves a Five-Year Capital Improvement Program identifying projects to be funded through a variety of sources. The Program includes projects that address safety and health issues, legal commitments, contractual obligations, and community priorities.

This Capital Improvement Program represents the first year of a five-year program. Capital projects are authorized on an annual basis; therefore this resolution authorizes funding for FY2015 projects. Projects in FY2016 - FY2019 are unfunded and may change depending on priority and availability of funds. This exhibit includes rollover funding for open and ongoing projects which was previously approved via R-2014-301.
