The Florida Department of Transportation ("FDOT") awards subgrants to traffic safety partners that undertake priority area programs and activities to improve safety and reduce crashes, serious injuries, and fatalities. Subgrants are awarded to state and local safety-related agencies to assist in the development and implementation of programs in traffic safety priority areas and funding for these subgrants are apportioned to states annually from the National Highway Traffic Safety Administration according to a formula based on population and road miles.

On March 2, 2018 the Commission approved Resolution R-2018-072, authorizing the Police Department to apply for and accept, if awarded, a subgrant from the FDOT State Safety Office Highway Safety Subgrant Program in the approximate amount of \$60,000.00.
